Have low Houston it's Jimmy with a QM z the queer music zone her just about every week on after hours queer radio with attitude. Yeah, I've got something new this week. It's kitchens of distinction. We played them last week we played Come on now which is the cut they're kind of pushing but I found one I liked even better. It's the the title cut from the album. Cowboys and Aliens. Let's get to it. Yes, kitchens of distinction brand new CD. Cowboys and Aliens. That was the title cut. That is such a cool rockin song. Let me see here. Here's some of the words. Yeah, we won't fight will swish by stirring blood to rage. gathered the bruised, the imperfect. The curse ID and the rejected we'll take them to our ship. Yeah. Okay, that's cool. Give us a call 5265738 We'll play your favorite queer music. Let us know what you think of the new kitchens of distinction. I think it's better than Morrissey. Morrissey, who? Now last night. Let's see no night before last Thursday night. Pansy division was in town and I didn't get to go. If anybody's out there. Give us a call. And let's talk about what the show was like. And in the meantime, let's hear a couple of pansy division songs. This is one of the most requested off of the new album. And it's called kissed like really want to kiss you.

new Holly Johnson and you thought he had gone away. Baby. He's the lead singer from Frankie Goes to Hollywood remember that group. And he's back with a vengeance with a tune called legendary children. All of them queer. And he named them off all through that song. I hope you liked that. We'll be playing more of it. Maybe a couple of different mixes with that. Dances With handbags looks like a good one. You're listening to the QM z the queer music zone heard every week on after hours. Queer rodeo with attitude on KPFT Houston. Now we have a dedication coming up. And it's to Roy's boyfriend who should have his ass here right now and he has out in the streets. That boy is in big trouble. And Rupal is going to tell you about it. Once upon a time. There was a little black girl in the Brewster projects of Detroit, Michigan at 15 she was spotted by an ebony fashion fair talent scout. And her modeling career

took off.

Jimmy Carper 04:33

Whoa, yes. Rupa all blast from the past by request then we are taking your requests for queer music at 5265738. You are listening to KPFT Houston and give us a call at JM KPFT and hey, I'll play this music as long as you want to hear it. We've got a couple of requests I'm working it and but I do want to bring you this new song from CWA. We've been playing it the last couple of weeks. And people sure do like it. And especially for the women that are here tonight, I think they would appreciate CWA. And the name of this tune is only straight girls wear dresses. I'll bet it is yes. CWA only straight girls wear dresses. I know that's wrong. Because I happened to be at heaven Wednesday night for just hanging out and saw quite a few women in dresses. And well actually, Andrea was there Andrea from global was in a pair of fetching. Cool lots. Yes. And let's say there's a little boy running around about five foot tall who has obviously gotten into his mother's estrogen. I have never seen anybody that Nelly in male clothing. Whoa, boy. butchered up baby or go home. And let's say Thursday night club hedonism over riches. What a fun group. I liked the mirror man, America man guy dressed up all in mirrors, standing right in the middle of the dance floor with all of the lights shining on them. And it was just reflected everywhere. Lots of costumes there for club hedonism. Lots of attitude. Very New York like, but I kind of liked living in Houston. So that tells you what I thought of it. Ooh, we've got three more requests for queer music and the queer music sounds. So we're going with it. Yeah. And that's coming up next. Janice. is requested by Cindy just about every week. And you know, Cindy, I love Janice. So let's pull something I haven't played before. Ready? Ooh, yeah. Janice, move over live version. And that's, gosh, we're talking. This is music 25 to 30 years old. So when she's talking about I need a man. You got to think about the times back then when people automatically just reversed the pronouns. And or just think, just just substitute the word. I need a top. How's that? Whoa, Janice, now by request. Want to do something romantic? For it's for

Lloyd, and it's from Randy. And this is one of the most romantic pieces of music I know. It's it may be a little old fashioned. It's Ron romanovski of Romanovsky and Phillips and it's on his his debut album is single album. And that's a real pretty song. You've heard it before on after hours, and I really really like it for a romantic song. So from Randy to Lloyd, baby, take advantage of me.

08:38

Hmm,

08:41

Ron Romanovsky. Baby take advantage of me and that was from Randy to Lloyd. And I hope there's some advantage being taken right now. YEAH. Jimmy, we did not have what you requested but I've got something by Fred Schneider for from the beef 50 twos instead. And coming up by request. We've got Mark Allman and we've got Pet Shop Boys. So keep listening to the QMZ. The queer music zone as we play if you're gonna request we're music baby. We're gonna play it all night long. On after hours queer radio with attitude and Jimmy. This is for you.
