The Young, younger community in fear of being accused of pedophilia. That is, the definition of pedophilia is a man who wants to have sex with prepubescent boys, like eight year olds, but there's no question of pedophilia involving people over 15. And basically, it's saying that basically, it's saying that we kind of need to help support the youth out there. Because we're all going through hard times. Well, I'm not going to read the letter so we had a little fun stuff in the lobby there. What is it 51 advantages to being a gay man. This I've got to hear you wear the appropriate underwear for each of your dates are none at all. You understand my subtle differences between at least 20 brands of vodka? You understand the immense importance of good or bad lighting up a crowded bar and still spot a toupee from 50 yards away. You can tell a woman you love her bathing suit and mean her bathing suit. You can tell a woman she has lipstick on her teeth with without embarrassing girl. No one expects you to kiss him not tell. You're gonna have naked pictures of men you don't know in your home. You're gonna have naked pictures of men you do know in your home that you're gonna have naked pictures of men you don't know in your home and on your computer. Oh that well. That was actually reference to people in the lobby. I like your women friends you can hang out in men's locker room. You understand why the good Lord created spandex you understand why the good Lord did not intend everyone to wear. That's it a very important one. Spandex is a privilege. Not

 01:40

a right down Westheimer in Manchester, really? Especially

 Jason 01:43

at the street festival. I know. You know the difference between a latte cappuccino cafe latte and a market macchiato maki Otto you tell me what's the cry? And if you don't you know how to fake it. That would be me. No.

02:01

That's all you ever do.

J Jason 02:05

You know how to get back at just about everyone. Oh your pets always have great name. Nobody expects you to change a tire. You got that right. They asked me to change a tire last night. You're the only guy who gets to do the Cosmo quizzes. You know how to get a waiter's attention you only wear polyester when you mean to. At any given instant you can recite who was gay since the dawn of history that is Alexander the Great charlatan you are hands down your nephews and nieces favorite uncle Lord knows Astro. You get to choose your family you can tell your sexual compatibility with a partner by the way he felt holds his drink because he left his pinky pinky down. And then there's those of us that are just versatile. You can smile let someone know you can't stand them. I do that you wouldn't be caught dead in Hooters you can freeze and approaching barge roll 20 feet away. You're good pals with women or other people can't stand you've always got an opinion and don't mind sharing it. Yes, yes. Yes, you read books read the book seen the movie and on the musical. You know how to air kiss you know exactly which cosmetic surgery to consider having the perfect excuse to give people who ask where you've been for the two weeks Okay, now that's you haven't had to worry about cosmetic surgery yet. You know how to dress to change ugly. You know how to move on, move out and move on. You're the only one in the classroom you knew looks better than you did in high school. You got that right. Good Lord Jimmy only looks 200 instead of three I know I

03:54

gotta let you do the show on your

J Jason 03:57

vision. You got at least one framed picture of a pet. You know that being called the cheap slot isn't necessarily but you know people call me a hoe and I just have to keep reminding them. I don't charge. slips. Lord, you wouldn't buy someone a mug for their birthday. You know which one wine to bring. Sales clerks don't mess with you. You have medicine chest talk for any occasion. Never hold a grudge for longer than a decade you got

04:32

a bitter party of one.

J Jason 04:36

You know the way to a man's heart is not necessarily through his stomach but always to the genes. You choose the most fabulous greeting cards. You know every film ever made with male frontal nudity. You got sunscreen in every conceivable SPF level. You have the latest issue of

international mail. You wouldn't dream of dressing out of the latest issue. because you can be bitchy with anyone blaming it without anyone blaming it on biology.

⌚ 05:06  
It's the moon

J Jason 05:08  
just me she'd have straight friends that hang out with you and your gay friends but they just don't get your joke sometimes and that's good thing. Just had to throw fun hold up I

⌚ 05:20  
want to go back to the one with a kiss and tell Part Three that one again.

J Jason 05:26  
Your I think no one expects you to kiss and not tell.

⌚ 05:31  
That really gets on my nerves like me. My boyfriend will be around and get over it all. So what happened? What happened? What the hell do you think happened? Yeah, rain.

J Jason 05:46  
Did anyway. I'm not the only one in here. Lalalala.

⌚ 05:53  
How long have you been working at Lowe's? Right.

⌚ 05:55  
I've been working at Lowe's for about six months now. How do you like it? It's fun. It gets a little crazy sometimes, but it's really fun.

J Jason 06:02  
Rv the wav we have the reason that I just had to have somebody come on from Lobos just

By the way, we have the reason that just had to have somebody come on from Lobos just because even last night we don't mention that. Last I heard Lobos was still giving money to money to hatch. I don't know if they're still doing it or not. But last I heard they were still doing that hatch type thing. I don't know. That's what I'm talking about. They gave for a while they were giving a percentage of their proceeds on I believe it was Wednesday nights to hatch and we greatly appreciate it so we'd give them a chance to get a little free publicity on the air and

06:36

they've got wonderful coffee. So you don't you don't know they're still doing it. Well, I

J Jason 06:40

tried I tried to get by there to talk to the owner and the owner wasn't there and the manager wasn't didn't know because he was new. So I don't know I think they still are because I haven't heard any different but I don't know for sure.

06:53

Okay, so let's hear the dirt on the rest of the employee so

J Jason 06:58

no, no No, no no no no work tomorrow

07:06

like this Greg put out I just like to refer

J Jason 07:13

to it as a one stop everything shop it is I love it. You can get music you can get poor you can get condoms you can get you can get

07:26

it I love it. I know I love the Lobo Tyria

J Jason 07:32

I love the big wingback chairs. Yeah, in that way. They're so comfortable. And they have sandwiches. Yeah. Great for lunch.

07:43

Not an advertisement. We

Jason 07:44

just love the love love.

07:48

Okay, I'm gonna sound like a total dork for saying this. But I like that they have like, with the tables or anything. They have like a little chess set. So you can like go and play chess. Scrabble that thing. That's pretty cool.

07:59

Games there

08:01

is a Rubik's Cube.

08:05

I sat there for 20 frickin minutes trying to figure out that Rubik's cube that thing. stickers off.

08:13

is definitely a gay Ruby.

Jason 08:18

I just absolutely love the porn selection back. And if you get a membership to like rent movies,

08:23

I have like one I have a lifetime membership.

J Jason 08:29

The annual membership, but you get a free movie rental a month.

♂ 08:34

No, not anymore. No, they stopped. permanent member Oh

J Jason 08:48

well, I mean, I've got a membership to video X hits two. But I mean, you can't do return those the next day.

♂ 08:54

No, no, no. Get a couple days. Yeah, well, yeah. I mean, because if they're really good, you want to hang on. I mean,

J Jason 09:00

you've got to have time to watch the entire movie, because maybe if it's really good, you just want to buy it well. And so many times you just it takes a couple of days to get through a movie. Yeah, no does

♂ 09:13

it when you see somebody you're in

♂ 09:17

control. I haven't used that in all these years. Why should I start now? Oh, what's that music show that night or why?

♂ 09:31

The 15 year old is preaching about self control. I

♂ 09:33

know. Man.

09:36

Called you better? Well, I'm not. I wouldn't say You're welcome. No problem. I

09:43

know. I've been telling people all day today. You know, it's like I'm saying hey, I've got these these hatch folks on and I'm older than their fathers. It's really great. Love it.

J Jason 10:02

So we're tickets to the stoning of merry men. Hey how did you survive the slide? Because I mean, they talked about Noah's family. They didn't mention Jimmy Carter anywhere on there

10:20

and there certainly weren't two of me.

J Jason 10:23

Versus just like hitting the high ground that nobody knew about.

10:27

Really Park the waters.

10:30

He was the best lay. You

J Jason 10:36

know, actually miss thing in there was dresses. Okay, she took she's taking the hell. This guy here,

10:44

what's the question come for two people who promote so much of discrimination gets age for being too young.

Lesson 10:56

JASON 11:01

Because J backs a bit shiny.

11:01

Because I saw him filling out a form and asked him put his social security number. And he started putting the number one and stop.

JASON 11:18

age differences just

11:19

Yeah, I know. What I know. And there's so much. That's another thing. There's so much talk in the community about how the ages don't mix what they should do on this show. And they really do

11:31

they seem to mix quite well. You know, I mean, there's a there's a big crowd that comes in, like Lebo where I work. I mean, you have people from all the different age groups. They get along. I mean, they have fun they cut up they

11:46

Yeah, and that's not a sexual problem. Yeah, it's not a sexual thing.

JASON 11:49

We give Jimmy a hard time but it's all in good fun. Well, I mean,

11:54

maybe not a hard time when you live that

JASON 11:57

long. There's a lot of wisdom he can he can pass on you know, how many other people do you know that personally knew Jesus on a one on one basis say oh, let's not go there.

12:18

Gosh, we just lost all the spiritual people.

J Jason 12:24

And if you'd like to write in your

12:27

number is 52657. That'd be fun. So you have women working there too? Because yes, you know, I want to say that too. Well, hey, thanks and they're very brave right?

J Jason 12:44

All those men or women ever get stuck back in the porn? No, thankfully

12:48

no. Oh, Sally talked about I mean doesn't anymore because you know she's she's over it like she was talking about Easter Sunday one day when somebody came in nine o'clock Easter Sunday and she's just feeling like dirty dirty dirty. Like no voice from hell give them Buck pounding something on other

J Jason 13:18

guys because you know like you can discuss whether or not the movies any

13:22

Yeah

13:25

how do you use this pump? I mean

13:35

Yeah, can you know if you want to buy a puppy? You're just not going to ask Sally how

J

Jason 13:41

she probably no but what about you know, because I'm not sure if I can say the other word for it. What about a penis ring? napkin ring holder Wow table never called it a napkin what is that? What is that? Excuse me? That's what you asked for it me now, Michelle just brought in the smallest cockroach in fact the pits on her finger and she thought it was Jason I guess I deserved that helmet.

♀

14:35

But know where I was going with the women thing? Is that the women's section for for books and things is really it really grow from what I understand it has it really has it used to be like nada.

♀

14:50

There were quite a few women that are still looking for places to go to find reading materials and yeah, yeah, Women's Day. things Yeah, just things for the ladies that that are, you know, so

♀

15:03

or maybe some erotica for what Yeah, and

♀

15:07

I mean, Sally's cell is really great about that. I mean, she ordered some good stuff. So it's variety is picking up you know, good. Good. Good. Good. So

♀

15:18

you got neat stuff in for Christmas.

♀

15:20

Oh yeah. We got some really I'm looking at these glass things if I only had a fire

J

Jason 15:32

are there any new toys?

♀

15:33

15:55

Oh, Oh my No.

J

Jason 15:36

season to be jolly.

♂

15:38

Many toys are actually outlawed in the state of Texas. Yeah. I'm telling people to drive to New Orleans. Yes, I

♂

15:47

received one for my birthday right here on the air.

J

Jason 15:51

Wasn't it double headed? It's certainly that was when Corcos swallowed about 11 inches of

♂

16:03

the hatch group was on and it was sort of like I didn't know it was a flashback to some, some book. They're like, it's like, whoever had it had controlled with a mic. If you wanted to speak in your hand, I don't

♂

16:20

like to call on Lord of the Flies. Yes.

♂

16:23

Yes, exactly that but

J

Jason 16:24

you know, Tigger had it in his hand the entire time but he never sat down at a mic he just kept on beating everybody up with everybody in the back of the

♂

16:33

head with there must be some psychological

J Jason 16:38

that oral fixation his mom took the bottle the way to way

♂ 16:46

Yes.

♂ 16:49

Might have been the nipple that's why he's gay. Hey,

♂ 16:55

please let's go to a piece of music first,

J Jason 16:59

what is this that you queued up?

♂ 17:02

I don't know. What is it?

J Jason 17:03

Oh no, you just stuck the CDN and showed it oh, that's

♂ 17:07

extra fancy that is I don't know if you ever remember that group them they were like they were signed on the major on my time wreck now just a couple of years ago. I signed on the major openly gay groups and on major record labels and then dropped in two months and they had one album out and this EP that never made it outside of California and that's I think I put that number one song it's called No Mercy no mercy Yeah. Oh, it's good as long as you'd like me to play that was out of hand. You may play whatever you like this is the hatch music segment Believe it or not

J

Jason 17:49

you wouldn't know what we've been singing Okay, we're gonna go to that dead air Don't you love it? Blows blows what?

♂

18:08

Nothing good.

♂

18:10

I'm really eating the Milky Way on the air. No

J

Jason 18:13

eating on the air. Well,

♂

18:15

you should give me more warning 10 seconds Mikey. Thanks.

J

Jason 18:19

That's why you should keep an eye on the CD player.

♂

18:25

Responsibility Jason

J

Jason 18:27

you're the CO producer your buddy take on that responsibility to geriatrics man geriatric man has left the area no not not you I was talking about Jamie actually. Oh, he could qualify yeah I'm gonna ask for I'm so asking for

♂

18:57

asking for what not much lately. From what I hear.

J

Jason 19:02

Leave my ex while looking at the day. I paid money for that magazine. It's mine. Go pay your own money. What you don't have it and you're not old enough to work.

♀ 19:14

Oh, that's not true. Trust me. I work. Work. I work hard.

J Jason 19:20

She works hard.

♀ 19:32

He will turn

J Jason 19:33

on geriatric brands Mike's false teeth.

♀ 19:39

Well, speaking of geriatrics, I ran into Kevin Davidson today at the Empower.

J Jason 19:46

That is no listener. I hope not. Hatch What's that? Is my age. We may not be having a hatch segment anymore. I come to Jason and Benji. Kevin's cool. In fact, he I saw him at the Empower event today was that today that was today. I didn't know that. That just snuck up on me. Yeah, sure. Did. They didn't do near as much promoting this year as they did last year. No, they didn't. But there was a hatch booth. Was there.

♀ 20:20

I didn't see anybody yet.

♀ 20:22

I was about to have some hatch youth run it. Oh, great.

♀ 20:26

I went by twice. Didn't see anybody there. But there was a booth. Wow. I did see Kevin and he had a woman named Carol with him. Who is new? Oh. Oh, could that

20:37

be the new director?

20:38

I think so. Yeah, I think so. Yeah. Yeah. So she's very excited and wants to be a part of the hack segment of the show. Really? That's cool.

J Jason 20:54

On the show, perhaps for once, besides like the people who actually decide skeleton besides Jimmy

21:02

Can we can we just use the word facilitate?

J Jason 21:11

Thing is I have to I have to have fun. If you don't get my last year and hatch, I have to have fun with the fact that I'm still young. Bear just barely. Next year, they're going to be referring to me as an old person. And then they're going to be asking me to buy alcohol for them, which I won't do. Because I will keep them I don't know little boy. Well, you do

21:38

not need that in this town right now. No, but I guess it's kind of fun for y'all to be able to pick on somebody older

J Jason 21:49

that I won't be able to pick on. I'll be picked on. So as a matter of fact, I already get picked on. I'm only 20 years old and people already call me. Oh, that's because you're not a teenager. You want to be a teenager, but I don't want to be 21 either.

22:03

It just takes. Oh no, you don't really have a choice

it just takes on no, you don't really have a choice.

22:07

Just happens.

J Jason 22:09

You know, numerically I'll be 21 But I'll keep the mind of a five year old.

22:14

Well, that's what I've done all these years. And look where it's gotten me.

22:18

I'm only 21 and people can't have called me sir. It's not us.

J Jason 22:27

Remember when I was like 14 I used to want like the store clerks and stuff to call me sir. Right now. When they call me. I really when they call me on the phone and they address me as Mr. Gardner or sir. Whenever anybody or just as me as Mr. Gardner. I'm looking over my shoulder. Yeah,

22:47

like where's my father?

22:51

The day somebody calls me, sir, that's what I'm just gonna hang it up and just go away. I mean, I'm just gonna

J Jason 22:56

Okay, well, you can go away now.

22:59

15 Are you out past your bedtime. Okay. And you say that because you're 15 and you're short.

And you're very young looking. Watch the radio. The audience can't see that.

J

Jason 23:12

Just call them small fry. No, no,

♀

23:14

no, actually, my favorite nickname that people call me is pissin. So well, like my sister. She goes

J

Jason 23:22

about knee high too and and he pisses people off. That's

♀

23:26

me. Like my sister like, stubby little. Just like yeah,

♀

23:30

that's me. That's what they used to call fire ants. And that's why they call them fire fists, and

J

Jason 23:37

it was really I read. No, I'm not gonna go. Nevermind. I was gonna go to my nicknames, but no. Well, no, my parents used to always call me Hot Rod growing up. And that name just has so many sexual undertones, but it wasn't meant to have sexual undertone. parents might not do

♀

23:58

a and such as best family. If you can't

J

Jason 24:01

keep it in the pants. Keep it in the family. Remember, the game the whole family can participate in? Funny.

♀

24:06

I've never heard any of the people you've dated refer to you that way

I've never heard any of the people you've dated refer to you that way.

J Jason 24:11

Have you met any of the people I've dated?

♀ 24:13

Several.

J Jason 24:15

Jamie actually, actually, if you'd met Jamie when he was getting stoned, you would actually know my dimension. And that was really irritating. The thing is,

♀ 24:26

we are really not going

J Jason 24:29

to discuss my dimensions but Scott Palooka Tigger and I we've never actually seen each other naked. But we all know each other sighs all within about half an inch of each other. That scary.

♀ 24:41

Doesn't make a difference

♀ 24:43

as far as it's knowing all the stories about you and your past loves Yeah, read enough bathroom walls.

J Jason 24:49

Oh, okay. This is coming from a man who hasn't gotten any in how long? About two weeks? Gotta love Chris he can poke fun at himself

♀ 25:03

as long as they're still Singapore.

J Jason 25:06

You know what you call a girl in Arkansas cannot run our family

♀ 25:09

version. How do you circumcise a hillbilly kick his sister in the junk? How

J Jason 25:17

never by grim minutes memorial that to chewy. For those of you who speak Yiddish, you got it. You didn't

♀ 25:31

tell a really religious joke. It's really funny. How

♀ 25:37

the Moses thing right? How

♀ 25:38

do you get a nun pregnant? dress them up as an altar boy.

♀ 25:46

No, I haven't heard the conversation they're having about Fox television with that kind of a story. You weren't here. No,

J Jason 25:51

no, no, I think we need to go to a song. Well, Jimmy's got something to say.

♀ 25:56

A pandas first. No, no, I wanted to hear. Last week we had you know, it was Halloween and we had Halloween visitors.

J Jason 26:06

I was here remember? That's right. That's right. That's right.

26:09

You were here. So you saw oh gosh. And you saw the non and then and this Pete? Yeah. The flasher female flasher.

26:25

I think I got my picture taken with her

J Jason 26:29

penis I mean, I

26:31

mean any house penis Yes. I was a Jr's picture my mouth.

26:38

Right and Cactus. Cactus, took a picture of it and then I put my head underneath a nun's habit

26:49

so there we are.

26:52

Out there the same way. It was the ghost with the most glow in the dark.

J Jason 26:59

I hope we're ready for me. Yeah. This is off of DJ fusions. This paid garage ah, fusion DJs now what is that?

27:10

<sup>10</sup> See, for example, the discussion of the 1992 Constitutional Convention in the *Constitutional Convention of 1992: The Final Report* (1993).

Huh? Who's fusion? For us all folks. What's that? DJs at riches Okay,

J Jason 27:15

he's one of the local DJs you can get this at atomic music it's instead of the \$30 local CDs he's only I think he's \$20 for a CD or 20 something is cheaper than cheaper than to Gracie

♂ 27:32

for music of the moment this is

J Jason 27:36

a second oh it's 1999 I just noticed the price tag down there. This is I think this is a second CD that he put out and the original song is by God three and it's limited. So let me figure out which button to push. Which one did you put it in Okay, we're back on the air and now we don't know what this what is this a cart and

♂ 28:04

Mike is really trying to get to his chair

♂ 28:09

sneaking around over here trying to make it to the chair.

J Jason 28:15

Trying to make it

♂ 28:16

Yes actually. Yeah,

♂ 28:19

there goes Jimmy with his walker going.

♂ 28:24

Yeah, it goes a lot faster. After I put wheels on it really does get one

J

Jason 28:29

of those little motorized wheelchair

♂

28:34

Big Daddy j is here because at the top of the hour, the red eye specialist coming your way and he is sticking it in right now for you. Sir, he wants that to be say

♂

28:53

speak That's right. Okay. You've been listening to after hours queer radio with attitude on KPFT Houston ke O 's College Station, and the red eye specialist, not a continuation of queer radio. It is wonderful classic blues.

J

Jason 29:12

And you've been listening to hatch and we'll be on on the third. Saturday. Yes, you will with a with a real topic a real time. But you know, this is this is always a fun show to do.

♂

29:22

Yeah, this is a fun show. Except we do less music than we used to. Do you know the genesis of this show? Remember this here when we started it. There's like playing what's going on the young gay music community because it was in the first half and Scott Lewis had the the first half of the show. But he always left at one o'clock. And so we had this blank half hour. And so I gave the half hour to Jason to play Hatcher music

J

Jason 29:51

that teams liked and listened to and it's just grown into where I just have like hogged the entire basically set Got a half of the show and we talking

♂

30:01

and we play two songs

J

Jason 30:05

for me, that would be very good quality it's all about karma okay, I guess I should mean we're out here Yeah. Goodbve. Oh.

30:21

almost forgot. Hey, sorry I had to do it he would kill me if I would have not a problem.

30:24

Sound of Texas KPFT Houston, a Pacifica radio network station 90.1 FM 89.1k e os College Station
