Hello, Houston and welcome to after hours. Queer radio with attitude. Brought to you every Saturday night at midnight, right here on KPFT Houston and ke O 's College Station. I'm Jimmy Carper. And with me tonight is

Peter 02:28

⌚ 02:32

who's with you tonight baby.

⌚ P Peter 02:34

It's the beater and Connie lingas. Guess what, what? We have news for you girl. What? Connie is back. Right. Connie is back.

⌚ 02:47

Connie is back.

⌚ P Peter 02:49

Connie is back. Is that the microphone? I'm really on because it sounds really awful and static. Yeah, well, my ears. Is it without headphones or what else?

⌚ 02:57

The headphones are working? Sure. No. I don't know.

⌚ P Peter 03:03

It's not that one is better. I don't know. Maybe it is. Yeah. Guess what, what we thought that Connie was off on some mad boat trip with, you know, Caravelle lines that she was doing.

⌚ 03:16

She was doing the ice tam thing. Well, during the midnight buffet while

⌚ P Peter 03:20

she was doing them in that we thought Yeah, little did we know. She had taken herself away to Mecca. Yeah, gone to San Francisco. Yeah. And had a sex change operation. Yes, indeed. Connie went off. I'm sure she did. And well, she did and she got off many times.

⌚ 03:43

We're just having more transsexuals on this show than then law. The law allows it's wonderful.
It is

 Peter 03:49

fabulous. And came back as a male drag queen.

 03:54

She always just what she always wanted to be

 Peter 03:57

just what she always wanted to be. Now can you imagine anybody would have put that kind of
money into losing those bodacious Tatas and grab it. I know that we have a weenie and no
Tatas and

 04:11

but that's what makes life so special. Oh,

 04:13

hey, it's Connie. Hey, Connie. And she she changed nationality. She would make a nice little
tortillas

 04:32

back you know? I like my cheese so raw, you know, they're

 Peter 04:39

all so we have come to bring you fun and games and the wonderful fourth Saturday of every
little month with our new light and lively Kenny, better known as Miss leg say oh my god, it's

 04:59

me So Alexei really is

 05:01

□

05:05

Alexei, you really know who I am. Okay. Well, Miss lexeme My real name is was like SIBO and I am a current running excuse me, past raining and pale princes rial of the World Cyber Bureau court and the single star Inc. Thank you very much. I'm a local entertainer. I do a lot of good stuff for the community and I'm out there making a difference

P

Peter 05:28

is out there. Trust me.

○

05:31

I'm way out there.

P

Peter 05:35

But she is so fun. I try. And so it's like, we had no idea that Connie was going to take off and come back as Lexie bone. We just didn't know when she left on that cruise. It was a mere thing to do a little bit of aerobics on the poop deck and now

○

05:54

later incarnation as

P

Peter 05:59

who woulda thunk it? Are you heard of this Lewinsky shit? Or what? Oh, I said what do you know seven words that were never supposed to say?

○

06:09

Just that just comes right out doesn't it just falls right over it. I don't care where anybody puts their dick I do not care.

P

Peter 06:17

And you know what else is doing? Wonderful. Did you hear what they found when they took the dress to the cleaners? What a lot of bills.

○

06:24

Oh man which one now? For which was that's what we really want to know.

P

Peter 06:33

I think the slickest thing about entire world is that anybody could get dressed and

♀

06:40

think about it now. If you really had that dress right that long. Why would you keep that? Come on? I think that you've had all those stains and whatnot on it's

♀

06:50

it's like

♀

06:52

she's a she's iconic. She must be it's

♀

06:54

it's a piece of history. It's gonna

♀

06:57

be resonant.

P

Peter 07:00

It's gonna be the National Museum. I put

♀

07:02

words right next to Lincoln. Right? Yeah, go.

P

Peter 07:06

I think it's so cool. Yeah. Outside of the outside now at the blamers is like outside of that. How did you like can you imagine this wax museum with his finger? This big stain on the tour right? Underneath saying dress the dress the dress. I love it. I just hope it's pretty when we finally see the thing unfolded. I don't know if I have a bag to match it. That's how I worry about

07:45

the mess that pumps

Peter 07:48

out I thought I just thought to myself, wouldn't it be great in the wax museum? Gallery and hopefully he's so outside of that, and the bombing of Siberia or wherever in the farm

08:09

for two days, and you know, he confesses and we bombed somebody

Peter 08:16

where there was a lot of talks about that and I thought well, you know now really, I don't think he proselytized himself that much to do that. But then again, one never knows. Maybe he would. Who could tell what do you mean? You're just running around here playing Miss Thing. What are we doing?

08:34

I want everyone to be able to hear you clearly. They're clearly

08:37

clearly Okay, this one just went out.

Peter 08:39

One of them just went out. We're having electrical difficulties.

08:43

Oh, they do that don't worry. Oh, it out. And this is community radio. Oh, that's it. We don't have sponsors. You know, we do marathons people, you know, that's, that's why we have these lovely burlap walls here.

Peter 08:59

Lovely, lovely.

09:02

You know, it could be worse. Now it could

Peter 09:08

be next time we have to do these damn.

09:10

No, couldn't we? We spent no money on interior design as you can see. No,

Peter 09:14

it's all in about our tower. Exactly. Yes. into the world. Anyway,

09:21

so where are we doing tonight?

Peter 09:22

Oh, we have got some more top talents of how do you know that you might be gay may not even be a top tennis there's maybe a few more of those about how you know you might be gay. We may do the top 10 about top 10 things that every Queen should have we just may do some things about you know you're gay for our little hats. Friends. Don't know for upcoming budding little people. Maybe that's a good idea. Have a little lawyer jokes. A friend. We have oh, I don't know we've got some other little fun things we have have our little Jewish listener out there as again send us another little, little wine. Oh, really? We have a little poem. We have. Oh, I found the thing that I thought was kind of cute from Letterman in case people hadn't heard it. I thought I'd pass that on. Okay. I haven't heard it. And oh, just some, a little this little that, you know, I mean, we're just gonna do things. It's

10:28

just so full of information. That's not.

Peter 10:34

And she could really use somebody to help that out.

10:40

That's tight. Let's take orders.

Peter 10:42

Listen, anybody I've said it 1000 times did we get any response to our monocle? Not a thing. Believe

10:50

you because nobody cared? You know, it's like, is that it? Well, they show up, she wants to get down underneath who cares?

Peter 10:58

Of a limerick was, I mean, putting this into a GISTIC form? makes much more sense. Well, anyway, but you know what I'll have to admit I was at. I was had the occasion to go to San Francisco this summer. I was off last month. As matter of fact, you were Yeah. You were not mid off. But i Wow. And a friend of mine is, is a executive director of an ad agency in San Francisco. And I thought, you know, we keep hearing how they do it. So well out there. Yeah.

11:31

both coasts. That's where gay community is. Well, and we're just these poor little people in the middle of America that are just striving.

Peter 11:44

Wrong. I was at a meeting which would be the comparable to a Ryan White meeting here or a resource meeting or a group of a whole bunch

11:53

of and you've been to a lot of them

Peter 11:54

and let me tell you, they don't have any better than I said, I could have stayed home and saw this crazy stuff going on. They're still the same. about salvation. We saw the Salvation Army. Yeah. yeah. there was articles I saw someone some paper our local rads. they had to throw

\$500,000 back on the table because they couldn't comply with the partner laws that are mandatory in their in their little grand things. Because the city of San Francisco oh, god knows they try it. But you know, Utah wouldn't buy it. So they put some money on the table. Jaime? It was heels and pumps and elbows and assholes. It was like a Macy's fire sale on that table looking for that 500 Every group that thought about wanting money. I mean, they were there now.

12:46

Mental health gets it.

Peter 12:51

I mean, they were biting and scratching for this money. I said shit, I could have stayed home and saw this you queens are acted like you're not

13:04

a waste of a trap.

Peter 13:08

But we had lots of fun things to fun for word. So it was really really cool. Well, we it was comforting to know that they're that they're just

13:17

like we spoke would not make them normal.

Peter 13:21

There's two things that Miss Connie and I were asked this evening we went and we went to the new Miss Connie, the new Miss Miss lexicon kind of likes to call her

13:34

kind of cute, cute ring. Yeah, there

13:36

was Connie Lingus so yeah.

P

Peter 13:40

It was the Peter and I waited

o

13:42

until you took his drink of coke. Just say that. I believe

P

Peter 13:46

there's anybody in the outside office that wants to bring Peter a cup of coffee he absolutely gets you a little but anyway literally with the exception tonight that just don't know what to do it. We were at the you need a man memorial service tonight which was just lovely. And a lot of people gave got up and gave some very moving comments and I was surprised that so many people talked about everybody should bid to bed with but

o

14:15

wasn't that amazing?

o

14:17

I love her to death she was my impression

P

Peter 14:21

that she'd been with so and so but no anyway, it was kind of fun. It was really really me so I really liked that. We put in an appearance barn tonight for the commitment ceremony.

o

14:36

Actually the game was being switchboard was there I think afterwards because we did a bar tour to them. Well, let me tell you so we made this commitment was

P

Peter 14:44

the largest estrogen fest since the Lilith fair

o

14:48

wave was honey promoting it here for weeks. It was I mean to

P

Peter 14:52

tell you I have I didn't know Houston had so many lesbians and I think they've been bringing them in from Brennan for this

⌚

15:00

me tell you girl, like if you really needed some extra gin there

P

Peter 15:04

it was the estrogen fast.

⌚

15:06

It really was, you know, there were the hormone shots. There were

P

Peter 15:10

1000s of lesbians there in moss you couldn't walk to the place without getting you know, it was amazing. It was the biggest estrogen fast and slow fair, but I thought that someone some lovely Reverend, who I admire Miss Mobley to death. Oh yeah. And I think and when that child sings honey there is Yeah.

⌚

15:31

I love to go. Well, I have a great idea

P

Peter 15:34

for a fundraiser next week. I think that maybe some Reverend person Yes. Go to cuties and have a commitment ceremony for anybody that's been together for 15 minutes. Why not? Hey, and then you can give them a small little small little What do you call those

⌚

15:57

certificates

P

Peter 15:58

of divorce for the next morning after your coffee after

o

16:04

for these little May December marriage,

P

Peter 16:07

like these little one nighters? I mean, I'm thinking five bucks a throw, you know, we could make five times. Yeah, how much was the estrogen festival? Was there a fee for

o

16:21

oh, yeah, I believe was like a \$20 fee. Yeah. \$20 fine. It all went to the Baron care.

P

Peter 16:26

That's wonderful. And I'm thinking of maybe doing it for like, you know, three bucks or something. Five,

o

16:31

but yeah. Three, three.

o

16:36

Together for 15 donating it to streetwise donating Yeah.

P

Peter 16:41

Whatever, you know, we'll think of something. Okay, you know, maybe some some clinic that wants to do testing

o

16:49

on it. Yeah.

P

Peter 16:51

THE END OF THE RECORDING. PLEASE DONATE TO THE CLINIC. AND THANK YOU FOR YOUR SUPPORT.

This would just be a little favour. Say you buy something. And then you get the certificate for divorce for the next one. I mean,

16:58

great. That's perfect. I love it. Don't even have to make breakfast.

17:02

Only coffee. Need to bring out the spatula. No, no, no. Unless you

17:08

want it the night before. Treatment now.

Peter 17:15

Very brief. Oh, yeah. So I just think that it would be this. I just when I walked into this thing, honest to God, I felt like I was swimming in estrogen was the biggest thing.

17:30

I mean, it was packed with women and varied, varied and just the usual Bartek oh that's not taking away anything from the vortex. You know,

Peter 17:44

there were little people there. Yeah. I mean, there were people there were I mean, it was black and white and every color in the rainbow. Yeah, you name it and

17:51

lead over Republican looking women.

Peter 17:55

It was a little affair to die for. It was Oh girl and I was a camera we need to know and I only knew of one male couple.

There is some really big discussions about When does life begin? I mean, always and the this Jewish friend of mine has sent me the final word from the Jewish community on when life begins.

20:59

Peter 21:03

♂

23:09

28:52

out now. I can't deal with that.

Peter 28:57

It was so close with Connie. Lingus I think that Connie Lexie is very dry Alexei. Okay, which is almost like Connie lingers there almost. And after she's had this great transformational sex, Jane. Well, there can't

29:09

be any kind of kind of Lingus anymore now.

29:17

Oh, well, not for long.

29:18

Well, they want to call you Phil. Why not? You should do. Whatever bad

P Peter 29:29

we have got.

♂ 29:30

What do you got? Well answered anything. We're gonna

P Peter 29:36

tell you about this man. That was teeing off on the first tee. Oh, he's golfing. It's a golf joke. Gotcha to find this other guy approaching from the other side. And so they didn't know who so they decided to play these nine holes together. Well, after teeing off you know, they sort of sat down the fairway thing, huh? I know that's a golf term. It's sort of like getting

♂ 30:03

okay, like getting off for golfers tasked with that is I've always wondered,

P Peter 30:08

you got it? No. And so they continue that little conversation. And the guy said, Well, what do you do? And well, the first guy said we so I'm a salesman. What about you? And the guy said, Well, I'm a hitman for the mob. So the Hitman notice that the first guy started getting all nervous. And he continued, I said, but I'm the highest paid guy in the business, and I'm the best and he stopped and sat down was by your clubs, and he pulled out this fancy high powered rifle and was loaded with all types of scopes and sights. And so then he asked the man, he said, Well, where do you live? Which toys which choice? The only difference between men and boys toys. I am still nervous the first time he said, Well, I live in middle subdivision over there in the West. So the Hitman you know, put the gun against his shoulder, and he faced West and he peered in the scope. And he said, um, what kind of roof you got? guy goes gray. And he said, What color siding guy goes, yellow? You got a silver tie out? It goes, Yeah, I do. As matter of fact it goes. And he said, Well, this is kind of amazing. He said, That's my wife's car. I can't believe you're checking this out. He says, Well, what's the red pickup car next to it red pickup truck red. And the guy kind of funny. He said, Well, my God, can I look through your scope for a minute? So look into the sights. He said, Well, I'll be damned. He said, That's my buddies. Jeff's truck. He said, What is he doing there? If I'm out here playing golf. Now, my clue and so the Hitman looked at the scope once more. And he said Is your wife blonde? guy goes, Yeah. He says your buddy got black hair. The guy goes, yeah, he's well, I don't know how to tell you this. But I think he got a problem. Like, they're going at it in the back of this truck. Like, teenagers in love. guy goes, Oh, no, he goes, problem is problem. He said, I want you to shoot both of them right now. Whoa. Hitman said, Well, he said, I'm sure he said, but that's going to cost you like \$5,000 A bullet. He said, I mean, you know, he said, I don't care what it costs. Just do it said I want you to shoot her in the head. And him in the balls. Well, so the Hitman agreed and he

turned around and that can be fun. And he took a firing position and carefully stared into the sights. And after taking careful aim, he said, You know what, buddy? This is your lucky day. I think I can save you \$5,000 Whoa, shoot her on the head and he didn't know what's going on there did

32:42

did not know you were going after the mullah Monica staff. You know,

32:47

we shouldn't know. Anything goes you know him.

Peter 32:50

It's one of those sick winding jokes.

32:52

Imagine that.

Peter 32:54

Imagine, imagine that.

32:58

Let's see. Yeah.

33:00

Tell us a little bit about you in the court. Me in

33:03

the court. Okay. Well, on the court now, just right now I've got no while the court was started some let's see learn some 14 years ago by Jose Nana No. Jose widow Norton, and Jose Gorton one now she is the founder of the international court system. Oh, okay. Now, the court here in Houston was founded by in prison one into Laura Lee love. Yeah. It's anybody's familiar with her

some 13 years, 14 GWA. Long gone on for 18 years. And since then, it has evolved to be one of the most highly recommended highly ranked courts in the country. Oh, yeah. We're very popular here in Houston. Oh, Imagine.

33:57

Imagine that. You know, I bet his feet are growing every day of the entertainment that you put on. Wow, I guess. You raise and well, this is true. I mean, it's a lot.

34:09

We have a lot of fun now. Yeah. I mean, and there's a lot of work going into but let me tell you a weakened cut a rug. But, um, I got involved in the court some what's going on three years now. Um, I had known some members of the Corps. Virginia Danian prison on to the core for Mr. Houston and whatnot. Chris Riley love and God rest his soul Giovanni LeMans. Emperor nine of the court. I have met them prior joined the court. And I started doing drag just some years ago and I decided, well, you know, I'm gonna join the court. Oh, why do you wanna join the court? And I'm like, Well, you know, I need to do my part. And God forbid, one day, I may need their help. So, you know, I'll do my part now. And it just kind of involved They're and I serve as the lady the court my first year under Ruby stone. Everybody knows Ruby, right? Oh, yeah. She's phenomenal. And then Anita asked me to be her IPR, which is a pro Francis rial, and to be an Imperial Princess, well, let me tell you, it is a job. It is a job.

35:21

I know you're I mean, every year out there every weekend. Oh,

35:25

yes, every weekend. I mean, not meat, not just me. The whole core. I was out there again. And as an IPR myself and Shawn Carter, were counterparts. Period prints right now. I'm pro prints trial. He's the male version. Right, imagine don't go there. Don't go there. You go. Why not?

35:48

Sure. On this also, editor,

35:50

twit. Yes, he is he just recently stepped into that just recently,

35:54

and they just moved to New Day. They're still digging in. No, I was there. I go there every Friday to talk to Brian keeper and get dirt. Oh, tea house.

36:09

Oh, honey. She knows dirt on everybody. Yeah, but I'm right back to you. Really? It's all about you here. That's right. Don't forget. See the star. Now I guess I got involved with the court and I became a IPR. And I was kind of thrown into it with very little showmanship, very little leadership. But let me tell you about the end of the year. I had at Goldman. I was myself and Shaw were responsible for putting on PR bomb, which is kind of like a mini mini coronation. Well, they kind of call ours mini coronation. But anyway, that's where the outgoing monarchs give present their check to their beneficiary. And the new monarchs who stepped up announced their line of succession. Now the line of succession ranges from your Emperor and Empress all the way down the Lord and Lady. Um, they start out with the Lord the Empress and Emperor IPR impro Prince and bro princes westex grand ditches Grand Duke and then queen, mother, Queen father, and so far so far down the line. And

37:26

I guess the scope of it varies from year to

37:30

year. Oh, yes.

37:32

Unlike you can never jester you can have

37:35

oh, yeah, you can have a court jester. You can have everything you want. Just about they then give you anyway, can't tell and give you a serious title. Rather, they won't feel like give India my title. I keep for the rest of my life. Oh, okay. It's perpetual.

37:48

Okay. What did you become Empress? Is that override that okay.

37:52

If that day ever to arrive? I was be known as that Empress whatever. I'll never IPR will fade away or fade away. Likely, perpetual means it's is lifetime, almost lifetime except you still have

to pay dues. It's true.

P Peter 38:11

So this IPR I think there's not going to be another one. Yes. There's

♀ 38:15

a new IPR crowd every year. Yeah. And basically keep IPR as a perpetual lifetime title. Okay, so I keep it for the rest of my life.

♀ 38:23

This right here, the court is this system of royalty, right? And you have to pay dues. And if you do drag, you have to buy all your clothes. Do your own hair and jewelry run with that. And you do shows that raise money and all of the money goes out? Yes. 100%. So you put in your time and your money and your efforts for the community. That's right. Which

P Peter 38:49

is like all those other people. I mean, like Miss camp America for Miss can also have huge money. Oh, yeah. outlay, yes. And for whatever accrue there is which has membership does. If you do big things for the ball, and whatever big costume was, those are all your you know, yeah. Organizations, lots of give all the money to charity. Plus, it cost them a fortune to do what they do.

♀ 39:23

See, the difference is that though, that was Miss camp, and the crew and not to take anything away from them, because they're both great organizations, they do one or two or three or four big things a year. The court is there every weekend, every weekend raising money for whoever needs it.

♀ 39:49

Exactly. Yeah. And this just beneficiary is bearing care. Yes. For rain. 14. So all the money all the proceeds from carnation will get a bearing care

♀ 40:00

I know when when Regina Danes stepped down that the switchboard was a recipient of some money and we are forever grateful

40:08

she is my big star Yeah. And never the day yeah

40:15

okay, so how are you jokes here? compliment you on what I was telling you earlier. I've seen you perform and you don't do kind of the the usual drag queen Music Oh Now you do have a lot of r&b and you do a lot of jazz? Yes, I do. It's really great. Thank you. Enjoy the change.

40:41

40:43

41:34

41:36

41:47
