Don't care about a hair color not found in nature.

s

Scott Lewis 02:35

Yeah, we all know that. Yeah. So what have you been doing lately? Oh God too many things to talk about here. Yeah, we've been talking

o

02:41

we pushed the whole class was

s

Scott Lewis 02:44

hugely successful. We're taking it on the road.

o

02:48

Now Prakash is

s

Scott Lewis 02:51

Lukashenko the like in Vegas, but the Houston version we did it up at the last stop. We're on hiatus now. We just did a we did the Deborah Duncan show. What's that? It's horrible. It'll show that's not even worth talking about. 13 Nevermind. She replaced her all day. Horrible. I had a stress headache the whole day. It was terrible. I couldn't eat a thing. very stressed.

03:14

I can't imagine. Yeah, well, neither could

Scott Lewis 03:17

but it was very bad situation. But anyway, we had a real successful run with that I've put together I'm actually a tour manager for gala palooza. 98 which is Scott Kennedy and Bob Smith. Good.

03:28

Good. So it's got okay, we want to say that because the night you called the night that he died, we did a memorial but I and we talked about all kinds of different things about Kevin's life, but Gala. Palooza, of course was one of them. And I'm I was wondering what the future of gay Palooza was going?

Scott Lewis 03:51

Well, we've retooled it a little bit and this is something that we put together before Kevin passed and was involved in Yes. Was Scott Kennedy and Bob Smith with Tina are Tina Turner from foe college and Reba McIntyre from FAU college and to Dickie dancers. And so kind of a just expanded it making a variety show. Yeah, kinda. Yeah. Like Sonny and Cher, I guess. Yeah, whatever. Itchy and Scratchy.

04:19

Except you get to Tucker buck.

Scott Lewis 04:20

Yeah. So, and that we've only put together and put out on the street about two weeks ago. We already have 10 dates. Wow. All over the country. It's just amazing. So Miss Lewis is going to be on the road with trapped in a big charter bus with a couple of Dickie dancers. I can't wait. Oh, boy. And I'm Jakarta. I'm working on a new nightclub that I can't really talk about power can't be able to talk about more next week. Read your twit.

04:53

Oh, this week's or next week's, this week's this

Scott Lewis 04:57

week's if you're looking for a job next week if you Want to know where to go and Labor Day weekend? Ah Nothing like is that an entity? Yeah nothing in the gay community can hold a goodie set. How do you say that? What sort of strings the candle shake a stick at whatever shake? Anyone makes anything that's to look like a toilet. So if somebody I used to work for would say so anyway, yes. Do you have some music I

05:24

need I need something Oh my God. Oh, I've got I've got a nice song or I've got a dirty song. What do you want to hear? I want to dirty so everybody wants to hear the dirty songs especially 230. And if you want to be dirty five, what's the number here? 5265738 26 KPFT. Yeah, we'll take that and we still have a couple of movie passes to the Beyond

Scott Lewis 05:48

rid of those two.

05:52

That's a midnight movie over at the River Oaks three.

Scott Lewis 05:55

You know what we're talking about the River Oaks because so often was Sarah Gish. This week, Sarah, who's fabulous over? Over there. I love Have you seen Billy's Hollywood screencasts

06:04

I was there for the preview because KPFT sponsored it along with another radio station that we didn't know about. And, and, and Jr's and you know, everybody else? Well, I

Scott Lewis 06:19

went to

06:21

turn people away at the preview. So funny. It is so good. It's close. I'm thinking that it's the best gay movie I have ever seen. It's really, really really, really good.

Scott Lewis 06:33

I think. I think best game movie ever seen boys in the band? Well, then, you know, that's very controversial. People don't like that movie. A lot of people don't like Oh, I love that movie. But I made that movie made me laugh. It made me mad. It made me cry, man. I mean, it just started such emotion.

06:49

Yeah, this one did too. But it's a different kind of emotion. Well, at the same time, it's a more universal emotion. Not

s Scott Lewis 06:57

exactly.

07:00

I love somebody do they love me?

s Scott Lewis 07:03

Right? The hell is he gay? Is he straight thing with Yes. And three drag queens. I think

07:09

they were obviously just like other so

s Scott Lewis 07:13

there's two kinds of good drag. Really, really good drag and

07:17

really, really, really with that? And they were really, really fabulous. Yes. But

s Scott Lewis 07:21

yeah, that one seemed the most powerful thing to me in the movie was was the bed seat and not to give too much away. But I'm watching this scene and I'm like, don't go for the lead. I don't know.

07:34

And then the tuxedo scene, which was dancing?

Scott Lewis 07:39

Yeah, with the three drag queens behind? Yes. Ah. Okay. 526-573-8526 KPFT. If you're hungry, if you're horny, or if you want to go see a horror movie at midnight next week.

07:53

Or Okay, there we go. And so we'll play the dirty song. It's by Ed diamond. off of his brand new CD called God is gay. And you would think this is a religious album, but it

08:06

isn't going to hell now.

08:08

Because the name of this song is called Buck plug. And you want to dedicate that to Miss Scott Lewis. And you're hearing it on after hours queer radio with attitude on KPFT Houston, and ke O 's College Station. Oh, amo tail.

08:33

Oh, there we are. George. Ed diamond with Bob plug. Hatch like that one.

Scott Lewis 08:41

My butt plugs named Pedro. And he's online too.

08:43

I see. Him on the air. No, no, no, we're not doing that. All right.

Scott Lewis 08:50

Sorry. Bajra, or whatever is if you're 18, you know, or older. 17 illegal, right? If you're 17 or older, give him your number out front.

09:02

I can't we better play a lot more music. That's all I can say.

Scott Lewis 09:07

23 more minutes.

09:09

I know. That's why we need to play a lot more music. So anyone who didn't do a lot of damage in 23

Scott Lewis 09:15

you want to call them to French Quarter and see what they're playing.

09:17

I think they're closed.

Scott Lewis 09:21

Yeah, it's in a tweet. Why don't we get a copy in? You're so helpful. I'll sleep with you later for that. What do you think he is? I've always thought he was cute.

09:33

Yeah, no. I love that group. And it's, it's a thrill to have them on. Twice a month. Actually. We get to have him on. Okay. She's a cheerleader now. Okay, two bids for me. Okay, Chris. We love you to

Scott Lewis 09:57

anyone who sleep with Jeremy Start running and we'll holler are they playing this way isn't oh we get wasted yes we did we given away both sets that we've been trying to hawk off on these people all night long Hey Roy find out if the guy on line twos of age and if he is and he's of age is God find out if you're listening find out if his parents believed in circumcision and if he wants to top or bottom bunk jot it down his number there and get that to me after the show tonight and

10:32

thanks for listening, Chris.

10:34

My Raphael.

10:38

What do you got there for the French Quarter?

Scott Lewis 10:40

Movies this week? The French Quarter is playing sex fly. Uh huh. Plus the second feature, the wonder muscle. Oh, and ironically, there's a picture of

10:51

Ian, what do you know?

Scott Lewis 10:55

The Wonder muscle must have a hell of a cover because they wouldn't even put the picture in here. No kid it just says the Wonder muscle No kidding.

11:03

You know, I at one point if a couple of months ago I made a list of of adult male film titles that were kind of interesting

Scott Lewis 11:12

deal. And even though you bring that up right now, but you don't have it with you,

11:16

I don't have it with me and it's a good thing because you would just go off on it. Yes.

11:26

Well, hey, so what else is going on in your life? Cuz you've been away for what? Six months a year? Whatever. About

s

Scott Lewis 11:32

six months? It has not been a year queen. It has not. It seems like it because I didn't officially go on hiatus. Those first six months I quit coming in.

o

11:44

Oh, okay. That's the that's the way it just didn't show up for six months back

s

Scott Lewis 11:50

to you drunk that day and married.

o

11:54

So I got to quit. I gotta go.

s

Scott Lewis 11:58

I need to six months to find myself. Right in my apartment all the time. It was very ironic. Turn around and there was what's going on in my life. Not then. You know, I've had I've had a wild fun six months. I've slept with anything that breed. So how's that different from the rest of your life? Well, that's true, too. But you know what? I'm slowing down. I'm ready to find a man again. Settle down. Get happy. Get married again. Yeah, right. I've been married eight times. And Elizabeth Taylor's record. Hey, if it's over two weeks, that's marriage. That's common law. That's common law and 7706

o

12:33

No, no, no, no, no, no, no, no, no. The first thing she did. It's not common law. It's just common.

s

Scott Lewis 12:43

Law. See kids if you didn't grow up to be 956 years old. Age does come with a few parents. Come up with you hear a witty line like that from Ben Franklin. You remember it? 200 years later Oh my gosh. 96 57385 to six KPFT Roy's out there tied up on the phone. So you know if you're if you're at home lonely and have a driver's license give me a call

o

11:32

13:14
oh my god,

s Scott Lewis 13:16

and quit quit quit I'm not going home with you no matter how much you play with it. Anyway. What else is going on in the world? I wasn't even prepared to go on the air I mean, I know it's just gonna be my worst performance ever. Close up know what speaking of Olympia Dukakis, which you see that invitation was

13:43
and wasn't the second round of tail dancing.

s Scott Lewis 13:47

I have been begging offering sex which is probably why I didn't get to tape until for a copy of this tape of this war Tales of the City until like two weeks ago. I have the original Tales of the City six hours, which I am such an addict to this kind of junk that I've sat down at like 10 o'clock. I started to go and I did not I peed once. I like the last two hours I got my legs crossed. I said Don't you dare pull out anyway no Antonio 15 We'll get you 20 But if you have an older brother haven't give me a call so anyway, today I've been begging remember Rob Oh yeah. He they had it and stuff and and I you know after digging through all those porno movies, I finally found it in his cabinet. Amazing. And it is amazing that I found it because but no so I spent today we watched like an hour at their house and then they started whining about needing to eat because they hadn't eaten all day or so that I said Neither have I Yeah. More Tales of the City. Hello, this is nourishment for my food. So they dragged me to look pissy. Peabo they're on whatever horrible. I've never been.

15:10
Tell me. Blueberries. Tell me about

s Scott Lewis 15:14

God. He's not listening. So anyway, but then I go and I got back to her. I'm so mad because they wanted to eat and they interrupted my I was an hour in and the first really good thing had just happened, which was when Mona was in the bus station, and she meets that woman. Yes, yes. Yeah. And then when it hit me, that was her grandma. I was in. I went home I put that tape in. I went and paid between part one and part two, six hour marathon. I was not too keen on the whole church flesh eating now that was accurate. Yeah, well, that was a little overage for me. But all in all, it was fabulous. Especially the the full frontal nudity. Yes, mouse. I did like that. And I love the obligatory little bubble, but shots every that was quite today this this

movie. Let me tell you. That's not a dirty movie after this. No, I'm telling you. I know. I know. And it was not the one you're in. Good. That's a good idea. Well, you know, it's a real project. It's just all you know, let

16:17

me tell you how special this series has was the bitch taped it for me. Who Stanley's other half.

s Scott Lewis 16:28

Oh, my God, this should explain to you the importance of this.

16:32

Yes, that Stanley has another lover who's and my lover has another lover who despises me, but taped this for me.

s Scott Lewis 16:42

Well, and do you know and it also nominated for when it first came out? I was talking to all about the premier, we need to have a party and we need to do this. And you know how much my friends listen to me today. And well, then somebody said, Oh, well, it was already on the other night and I said what you're crazy. They're saying the premieres next week, whatever. And now to premiere it on national television. Bye. Bye. It had to start by midnight on a certain day to qualify for the Emmys. And that's why the actual premiere was like a week later, we can have later but it worked because they got four Emmy nominations, including Best Actress Olympia Dukakis and best miniseries

17:28

that up your ass PBS so Exactly,

s Scott Lewis 17:31

exactly. Along with some other things. In your work in my phone train where she's

17:38

working some pinch to get in here right

s Scott Lewis 17:40

now. It's not gonna be as gentle as when it's Jimmy's because it's just pop right? Do you have a piece of music but anyway, we go to a piece of music. I just want to say if you have not seen this, you need to this is a chronicle of life in the in the 70s. Yeah, it's

18:00

really credible. Okay. We do have a piece of music coming up. It's off of the new stage three,

s Scott Lewis 18:11

blind three and four here, blink and I may have a piece to know. Hey.

18:17

Let's see. And I played this one before. It's so good. I really love it. It's the boy or the girl from early in my bed. And you're listening to it on after hours queer radio with attitude on KPFT Houston and ke o s College Station. We are the queer sound of text with

s Scott Lewis 18:45

the microphone because I got a couple questions.

18:48

Who snuck that one in?

s Scott Lewis 18:50

I don't know who was that singer was that she's so talented. She's such a diva. What's her name? Hold on. Let me look at the CD cover. It's it's random in the sequel. Martha wash.

19:06

Imagine that. Imagine that. Give me that case.

s Scott Lewis 19:09

So E mc, are you going over here to the wind you're on. So we can have little eye contact on how

19:19

to embarrass the hell out. Hi,

Scott Lewis 19:20

can you help me? Like Sally Jessie's okay on her show? She says I can look in your ass and know if you've taken any drugs in the last 12 hours. Simply Sally just settled down asking for a bump if you want one come on and tell if you're lying to me and so don't even try and what would you like to know dear What do you mean by the comment and oh,

19:48

oh boy. Here we go.

Scott Lewis 19:49

Just go ahead. I've learned in the past couple of weeks that sex is best on three on one. What would what would what exactly would that mean and what all three beyond just you love

J Jason 20:00

It actually actually was more of just like we're in the middle it was actually more of just like it was like it was a free fat it was a no sex fast it was you know lights went out and we just were all all over each

s Scott Lewis 20:10

other see but I've always felt now why would you want the lights out II and that's very conflicting to me because I've always thought conflicting is a private joke that someone out there will understand I'm not an idiot

20:23

when did he just suddenly fall into a Tennessee Williams play

s Scott Lewis 20:30

I'm very conflicted by this turning the lights off syndrome that you seem to have Ian 5265738 If you see what I see here that it needs some emotional counseling right here like Sally Jessy Ian in limited might show you when I'm finished five to 65738 Colin and council Ian here with me. So why would you want the lights off in because when we sleep together I like to light on.

20:59

What's the sweet

Scott Lewis 21:04

subliminal message for only 290

Jason 21:18

If I'm with my man, I'm with my boyfriend or whatever. But

Scott Lewis 21:25

if I'm with my boyfriend and you're with a roomful of strangers you've already admitted right here on

Jason 21:32

one of them strangers I knew everybody was involved as I was further

Scott Lewis 21:35

what kind of whore has a boyfriend when she's on whoring around with my boyfriend was involved though 16 was involved though. Right after this with my final thoughts Oh very good. So you have a boyfriend

21:58

or openly baby

Scott Lewis 21:59

just like your legs. Let me tell you straight on in all funny necessary let me tell you a story. A couple of years ago I was dating the love of my life and I made the mistake and he and I made the mistake of getting involved in multiple partner sex and it destroyed our relationship course not as much as him getting that bitch pregnant but anyway really did it really I do not believe and it's just my two cents. Have you ever noticed how it's panning for your dog but you have to put your two cents in somebody's making a penny I don't know what's going on. Anyway, I just would strongly advise if you want to be in a committed monogamous relationship and monogamy and it's not furniture sister it's not furniture if you want to be in a committed serious monogamous relationship you need to be committed you need to

J Jason 22:50

that I'm agreeing with you right there in my past experiences I'm agreeing with you after all my past experiences that's why I have the four Well

S Scott Lewis 22:58

it sounds like quite a few from from what you're telling us you've had quite a few just in the past few weeks Oh

∅ 23:10

S Scott Lewis 23:22

Right it's a letter forced it enters here for 19 or 19 Love

∅ 23:25

∅ 23:32

∅ 23:42
