00:21

because they kept on like holding their hands up one of the stuff though beads or something

P Peter 00:25

Jimmy Carper 00:35

Yeah. We had rainbow colored ribbons and you know we were you know whipping those around really well yeah. Very few of us and we thought okay, that'll be flashy

00:49

flashy is good

Peter 00:53

some some really extreme floats or something.

Jimmy Carper 00:57

I didn't get to see any

Peter 00:59

out crew float was really cool.

01:02

That was that was really interesting to did this big dinosaur thing Yeah, really? Yeah. Rex looking at was really interesting.

Peter 01:12

But I heard that they broke an axle same round and depending on whether you're at the very end what was so exciting you're talking about the baller there yeah, when you came down last time you we from the start you couldn't see it now but once you get to her run that went to a very close look.

Jimmy Carper 01:30

Was it incredible?

01:32

I just wish I was in drag and I kind of did a big number I

Peter 01:37

was ever going to drop

01:44

because Peter Alicia up happy

01:53

disco ball. Yeah, they

01:54

thought the ball was an injury because me and Paul were talking about it when we came up here. Yeah.

J Jimmy Carper 02:01

Witnesses Merlin.

02:03

Hello, everybody. Yes, I'm cute and I'm adorable. And I haven't been Oh, good. Mara.

J Jimmy Carper 02:11

So okay, what about the

02:12

ball? The ball? To me the ball? I mean, because I went to the parade last year and there wasn't a ball there. You don't know. The ball really made the break? I mean, it really did. It was great.

J

Jimmy Carper 02:24

I thought this much too I thought Yeah, and we can work we can have that every year and just build it

Ω

02:30

was it was really colored lights would have been really cool. Yeah,

J

Jimmy Carper 02:33

rainbow light.

Ω

02:34

That's what I was told to but

Ω

02:36

um, now it did not happen. Okay.

Ω

02:43

Like the cruel Memphis that was really it was like a Mardi Gras well

Ω

02:52

yeah, chances chances I love Marlena Danny she she did it up good this year. Yeah, chances had a really nice flow. And since they had a really nice flip this year, and I mean it was like white horses Miss heavenly or Ms. Ms. Pride. Miss Gay Pride Houston. She was at the top of the flow award she was wearing his white wedding gown oh it's like I'm like that

P

Peter 03:20

I think it was one of the one of the church groups I've probably bearing there's a lot of all the they had like all these bluster though things and then they had this great you know the finger the typical Sistine Chapel picture or whatever Yeah, and that one got mad and routine on the sign that there was just It was huge just went on forever marching jobs whatever it was very straightforward

J

Jimmy Carper 03:47

Jimmy Carper 03:57

right thing was very religious religious groups are there and they're there with a lot of people and their their whimsy. Sad

03:55

a big one, right.

Peter 03:57

Everybody had a hard MC car. Problem commuter. Parker was there was a ton of those, like a huge crowd.

Jimmy Carper 04:11

They always get the biggest applause Pete Oh, yeah,

Peter 04:14

they did. Yeah. They were really even down by Felix but my point I was in that Yeah. And they got really a large elation. I mean there were lots of yeah, there's lots of little Ella fans. He was thrown a level offense.

04:30

Oh, really? Yeah. Little beat like my baby. Yeah, cute.

Peter 04:34

And there was people were throwing those little whistles those was supposed to keep it sort of soft throw but these include these bouncy balls. Oh, hard head of yours. It was so cool. With these little kids sitting along the side. We had all these lights on these lights. And so there were like three little kids triplets. They look just Like little Spanish kids sitting on the curb. They were so excited with this that we tore lights off of our car and took them over gave them to they were so cool. I'm so excited. He's looking for just like they're just like, oh, and people would run over and give them things because they were just so cool. They're having the best time they're just

05:18

that's what it's all about, okay. Down kind of toward

P

Peter 05:21

the end celebrating

J

Jimmy Carper 05:22

and having a good time and everyone did I didn't see anybody you know, like out of sorts or anything like that. Nobody watching Trump and

P

Peter 05:32

Kim crossed the big Yeah, what

J

Jimmy Carper 05:34

did they what was theirs like

P

Peter 05:36

Canis hopping motorcyclists cycle baby guy and again,

♂

06:11

brakes had something kind of cool to share. That was a you know, you didn't see.

06:16

I'm not sure which one number what did they do?

06:19

It was like, like a flatbed truck. And they did like it was like an ice house type thing. Oh, it was really cool. Don Gill and, and Mr. Everything or I threw everything and Kinte cloth and that whole game we're all upon there was interesting. I might

J Jimmy Carper 06:36

call it was was Ken Claude, like with his shirt off?

06:38

P Peter 07:26

Peter 07:20

There were Marriott's really gorgeous, man. Well, you know the only hazard Excuse me. Did you line up on hazard? Yeah. Did you see before the parade ever started this Adonis. Walking down no deer not you this Adonis walking down.

07:45

I saw a couple of oh

Peter 07:47

07:56

What are we in anyway?

Peter 08:00

Gorgeous snow white hands and dark and oh my god I wet some schools to die for. They were just right. And people skate and up and down that street but yeah, before the parade started it was I forgot on

J Jimmy Carper 08:15

Peter 08:19

were so friendly in the lineup. Yes. Sharon. Bulawayo. Oh, here we got a ton of time on your car. You need a little this? Yeah, back and forth. I love that. That's just

08:30

in North Washington like Washington. They

.. - ^ ^ ^

J Jimmy Carper 08:32

are cherished or wishy Djerba and see her in it.

♀ 08:36

I saw in the practice here at the lineup. I saw in the parade in the big chair from

♀ 08:41

the Big Red. Big red chair. Was that Martha Washington and then

♀ 08:45

we're talking water wash. Yeah, well

J Jimmy Carper 08:51

♀ 09:08

yes. Well, she's at I'll plug it she's up a cost as the same. She she's probably off off now stage but she did a midnight show for him. Well,

J Jimmy Carper 09:18

I know what it cost \$5,000 to get her a hint

♀ 09:21

least I'm sure. So in conjunction with mattress Mac and Picasa. Oh, sure.

P Peter 09:28

Well, we should have her come and enter tomorrow night at the BRB. They're having they're having Miss

09:34

P Peter 09:37  
Double Wide Miss double, wide Miss double wide trailer tracking

09:43

J Jimmy Carper 10:07  
those black pants painted on a big ol box

P Peter 10:16

J Jimmy Carper 10:19

10:41

Well, I'll try I was asked to good yesterday that they want it but you know I? I'm not much for camp, but I'll think about it.

Peter 10:55

Oh, you could do this.

10:59

While Shelby is stepping down she'll be stepping down as Miss Miss Lawton feed. Who else

Peter 11:10

was another?

J Jimmy Carper 11:12

I'm gonna be judging Miss firecracker next week.

11:14

I really? Oh really? Yes.

11:18

Yes. Right. Yeah. Writing Well,

J Jimmy Carper 11:21

she is misfire

11:23

this year. Yeah. My impersonated man had started that it's a fundraiser two years ago. Oh, nice. She had started that as a fundraiser started out a fundraiser for coronation. And it was such a success and what basically it was firecracker it does. Once your crown has firecracker, you put it on, and you end the beneficiary for the next year. Nice. Nice. So what fancy is done

this year, she decided she's gonna turn the tables a little bit. Whoever wins. They named their beneficiary for the evening cool. All the money that was donated are collected during the evening. Whoever wins this rock or will decide the beneficiary that

J Jimmy Carper 11:59

very, very nice, very nice. Okay, let's say John with the Gay Lesbian switchboard is there a conflict of interest here?

∅ 12:11

Or do you know calculus? Have you seen the judging the scoring? I haven't. No, I haven't yet to be it. It's majored in calculus. Yes. Oh my god.

P Peter 12:25

Last thing I judged was scoring. You were entering number 194. I think 119 out of 127 they wanted you right at the end. Hold up the thing.

R Rainbo de Clown 12:40

I've been at the end for a while. You don't get past couple of years.

J Jimmy Carper 12:44

Yet closer to a mic. Rainbow. If you're going to talk.

∅ 12:48

Girl speak into the big black thing. Okay, a big book.

P Peter 12:52

Somebody wanted to explain the ride on this horse float in the parade horse. The riderless horse float in the parade?

∅ 13:00

Oh, I can understand that. Okay. That was the PWA holiday holiday charity. That was misbehaving, Leila. She was gonna see Meritus which is happening tomorrow evening. She just recently passed some months ago and it's like a little tribute to her. That's

J

Jimmy Carper 13:23

very, very nice. And that was wonderful.

∅

13:27

brief story of heavy lift baby and yeah, baby Lee love was one of my bestest and closest friends in the world and have incredible

J

Jimmy Carper 13:33

following

∅

13:34

Yes. She's. I mean, she's been all over the state. I mean, she's phenomenal. She's phenomenal entertainer. And for someone who made her living for doing dry whenever I paid the phone and called her and asked her to come do a show for me a benefit show she'd be there on the show I keep count on her every time so the little the crown on the horse thing was for Peggy Lee lab who just recently passed where I'm complication of AIDS Yeah. So this was for you baby. We love it. We do

P

Peter 14:09

do love because I saw something in a writer in one of the one of the things somewhere there's a there's something cooking contest or

∅

14:18

right there that's God is not trying to eat me up like

J

Jimmy Carper 14:24

Well, how should I go to all it?

∅

14:27

Is tomorrow evening ever Picasso. And if baby was still around to this day, she'd been stepping down as so. And there's a cute little ad in the twit for it this year. So that's that's

J Jimmy Carper 14:41  
tomorrow night. Eight

o 14:43  
o'clock. Eight.

P Peter 14:45  
Oh my god. Go to the BRB and the hands on your little whatever you want. Oh my

o 14:58  
so I heard you slit your enter the Chris Oh somewhere. Hi Crystal hairy girl.

J Jimmy Carper 15:04  
And no I don't tell I don't tell

o 15:08  
never never never never. I learned that a long time

J Jimmy Carper 15:14  
there's some places that are game secret Disneyland and when you see people there that their business try. Yes.

P Peter 15:23  
Well that has to be the club. Because it's what scarper

o 15:30  
XPrize right.

P Peter 15:34  
Well, I'll tell you what.

J Jimmy Carper 15:36

It was the Spanish 1/3 That was first. That's for you.

∅ 15:39

That's. You want to have a really good time? About the

J Jimmy Carper 15:43

Spanish 1/3 Oh, okay. You

P Peter 15:44

really want to have a good time you need to meet. You need to meet the reigning last year's Grand Marshal at the parade our producer and love of our lives. Miss Carper. Jays moment Oh, yeah. Oh, my wonderful evening because we were doing work. It was work. Yes. Yes, it was it was about the show and we were deep in conversation is all these little wee nets would be

∅ 16:13

big. And they certainly

∅ 16:15

did that they

∅ 16:17

I'm sure. crystals out making money and

J Jimmy Carper 16:21

the tumescence was over powering

P Peter 16:24

indeed. Yeah, that means a large Yes, I got to do I've got to do one thing though. Yeah, we did lots of pride, fun things and all this and it just was bigger and better than ever. And whether it was fair, everything was wonderful.

J

Jimmy Carper 16:42

And I need to tell people that they are listening to KPFT Houston and ke O 's College Station. This is after hours queer radio with that attitude as if you couldn't tell by now. Yeah. Harper, and Peter and Lexi are here and we've got all kinds of other people to turn

P

Peter 17:00

one walk tonight on her last

J

Jimmy Carper 17:06

night did walk I walked that that parade

P

Peter 17:11

people started yelling and screaming

J

Jimmy Carper 17:15

when from the very start when they're started, they're yelling and clapping and and especially with the switchboard when when the half groups of people saying clapping and saying thank you. That feels so good. I cannot tell you how good that makes you feel. The crowd was

P

Peter 17:31

excited. They were it was a lot of energy even down at the end of the room. Yeah. I mean, the crowd was still clap they were still Yeah, they were picking their favorite sound like PFLAG when they got a huge round but they always do but I mean different church groups or different whatever they were still

♂

17:49

it was a lot of church groups.

♂

17:50

Always always Yeah. Because you have your choice

P

Peter 17:53

 Peter 17:55

of where to go

 17:54

yeah

 Jimmy Carper 17:57

yes, spirituality is very important in the gay community and there's been a lot of mainstream churches that don't want us or the love the but a lot of sinner Hate the sin or all that kind of

 Peter 18:13

churches just went and did their own one very special church that we all go to Yes. So each denomination if you want yeah that's

 Jimmy Carper 18:20

right. That's right. There's dignity there's you know

 Peter 18:23

any any in fact right mainline prayed was the Episcopalian crowd

 Jimmy Carper 18:28

and say oh, there's gay everybody and you

 Peter 18:31

know that knew the there's a bar way up on the north side pass beltway at the Rainbow Room. Yeah, we were ahead of us a little bit and they were so they were having so much fun.

 Jimmy Carper 18:44

That is that a way that a ball

 Peter 18:47

with like, it's in the trailer and a truck and they had like a thing where anything's building was

lit up and then the ball Yeah, and it was going around but the gang that came they were like just a lot of patrons so I mean they must have a great support and they were fine folks having a great time and they were sharing with everybody up and down the road once and balloons want they just want that yeah, just having a really good time what you

J Jimmy Carper 19:11

say their way up? Yeah, way up north because there are a lot of people were everywhere. That's like the only bar in the area and so it serves everyone. There's men and women. There's drag those pool tables, there's leather, the you know, you name it. Everybody goes there.

P Peter 19:29

Yeah. Then saying yeah,

J Jimmy Carper 19:31

and they have a good time

19:33

to try. Now, Shawn, I saw Shawn at the end of the parade and poor guy he was he was exhausted

J Jimmy Carper 19:40

Shawn Rhoden car from What a bitch wrote in the very minute just

19:46

let I'd been looking at his face

P Peter 19:50

with lights under it. Oh, yeah, he

19:54

did that little that little tiny hole. Yeah,

J

Jimmy Carper 19:56

I love that. Oh, I wouldn't be writing Ah well what about Shawn? What what do you want to say?

R

Rainbo de Clown 20:06

Oh, I will tell you there was a four year old in the parade on a float. Were on E Jays float. No kidding. Yeah. Last little baby up front four year old kid for yo Cha was adopted by some some gay parents and she was on float. She was Annie, you know, like the one who's saying there'll be Sun tomorrow. Yeah.

J

Jimmy Carper 20:31

Great, great. Great. Great.

o

20:33

We didn't have a phone message there. Yes. JJ called. He wanted to say that Jimmy look real cute walking in the parade.

o

20:43

He wants to J JJ

J

Jimmy Carper 20:44

from the court. Yes. He was wheeling around there. He was just everywhere. Everywhere. Yes.

o

20:52

He wants to date we have Peter. Monday with me. Just

P

Peter 20:57

looking at Jimmy, not me. Jimmy. Jimmy. Jimmy. I wrote. I didn't write that. No, he was walking. I was right. There's a difference.

o

21:06

I didn't do for you, baby. I really do. But hey,

21:11

I liked a little bow. Jimmy. That was that was very

R Rainbo de Clown 21:14

everybody does the American

J Jimmy Carper 21:18

tradition. Yeah. With me. You know, I think you know, Mary's has been there for us. They've

P Peter 21:24

had confidence on day one.

J Jimmy Carper 21:26

Absolutely. Politically Incorrect. I love what

21:31

live phone call from San Francisco.

21:36

Oh, I know who that is. who that is. Hold on. Hold.

21:41

On. Hold on, buddy. We'll see if this actually works this week. Okay,

P Peter 21:47

and he can't hear us in San Francisco. LOFAR Do you think this radio station goes

21:53

with your mouth? God knows.

Jimmy Carper 21:56

Let's see if this is working. Hello, girl.

21:59

Greetings from the West Coast boy

22:07

did you guys have a big ball hanging over Westheimer in Montrose?

Jimmy Carper 22:11

Disco mom in North America. Thank you very much. Yes. Go. It was incredible. We paid for by mattress Mac. Well,

22:19

we were just back from the pink party. The Dyke March was tonight. Oh, get ready for the parade. We're gonna do a couple of things different here in San Francisco tomorrow. Jimmy? Yes. At 12 o'clock noon. The parade actually starts at 1030 30 on

Peter 22:36

a Sunday morning. God

22:42

at 12 o'clock noon at high noon. Yes. The prayer is gonna stop. We're going to have a moment of silence. It's never been done before. For all the people that we've lost and all the people that can't be there.

Jimmy Carper 22:53

What a wonderful. That's an incredible idea. Yesterday,

22:57

I talked to Harry. Hey, Jimmy, I've got a tape for you that I'll send you next week. Oh, God. He's an incredible man. Oh, yes. Naughty. Well, at seven years old. He's full of wonder.

J Jimmy Carper 23:08

How's he doing? We

♂ 23:09

had a wonderful he's doing great. He had a we had a wonderful conversation. I can't wait for you to get it on the radio. He is like

J Jimmy Carper 23:14

the man. I know. He is the man. first openly gay man and what? Happy gay pride. Yes. Talking about all night.

♂ 23:28

For me, Marianne,

J Jimmy Carper 23:29

I opened with the coming out of hiding miss. Oh, you bet. You bet that everybody

♂ 23:34

ever saved pride and we'll talk to you soon. Thank you live from San Francisco. By baby.

J Jimmy Carper 23:44

Love you. That was Betty Johnston, the originator of this show?

P Peter 23:49

Do you know that when he said about the moment of silence that really is cool. Yes, that is. Do you remember the March on Washington? Yeah, at one point, that whole thing the entire parade route sat down, down. And it was this like three minutes of just absolute no movement, no sound, everything just stopped. And they did it for that same reason. And they all got back up and everything continued on. It was really impressive.

♂ 24:13

Yeah, New York does the same thing. Well,

J

Jimmy Carper 24:16

like Jack was saying there's it's more of a kind of a march thing more militant and rather than a celebratory, yeah, not like the celebrating part. You know. Do Yeah.

♂

24:30

Yeah. Yeah. Probably meeting at the watch the PBS special the other night. So anybody out there?

♂

24:37

I could. I was actually watching that. My sister, my brother in law and my other sister were all playing skip Bo in their kitchen in the apartment. I sat down and watched the I believe it was the before Stonewall. I caught a little bit of the App Store, but it was very to me. I'm too old. I'm too young. Excuse me to remember Stonewall but yeah, Seeing it there. You know, I can understand what these old the older

J

Jimmy Carper 25:05

guy you can say that the older we are

♂

25:07

the older people. I wanted to say gay people, but the older the older queers, I don't like that word. Okay. Rainbow, I can now understand what the older people went through. I mean, because they showed the New York Police Department truck backing up and you see all these people getting up

J

Jimmy Carper 25:30

in there. They're all Oh, yeah, we got arrested every time you went out to a bar, you did not know if it was going to be graded.

♂

25:40

Now, aren't you glad people never you don't have to go through that.

J

Jimmy Carper 25:42

Now. It was, yeah, it was cat and mouse game. And you know, I worked for an oil company. And you know, and every time we went to a bar, there was always in the back of my mind. If it gets raided and I get taken in. That's it. And because they would put your name in the paper. Yeah. And call your employer say this person was in a queer bar. That was it.

26:03

That was in the Chronicle. Oh, yeah. Yeah.

Rainbo de Clown 26:06

About 20 years ago. Yeah. Yeah. Yeah. But it was just five years ago, we had a raid, we had raids in Houston. We did Patti WAGs me and

26:15

say, wow, you know, wow, and let me tell you what

Rainbo de Clown 26:17

I told I cop I said, You're messing with the wrong queen. Five years, I think the city hall. Yes. The wrong way. I want you to remember this name. And I told him my name.

P Peter 26:32

You down to medium every year?

26:35

Yeah. Yep. Yeah, it was a fun. It was a great show. Jimmy. Maybe somebody taped it, please. You never know. If you did

26:43

something about you can order the tape. Yeah, but

J Jimmy Carper 26:45

who's got 50 bucks? No.

R Rainbo de Clown 26:48

Before stainable. So well. Yeah, he gets vancian blockbusters, they've got it on random.

P Peter 26:55

Things make your

R Rainbo de Clown 26:57

blockbuster. I've seen a couple of those kind of.

♂ 27:01

Well, the one that would I can confuse after Stonewall. Was this

J Jimmy Carper 27:05

fight it was was the new one. That's the one they did first.

♂ 27:08

Okay. That's yeah. That was phenomenal. The other one I kind of don't really? Okay. Melissa Etheridge narrated it. Yes. Yeah. Melissa Etheridge. She narrated it, it was phenomenal. They interviewed. They talked to some really well known people in the gay lesbian community who were there from the very getgo. Were there in the bar? I mean, they taught a couple of guys who were in the bar the night that had happened. Yes. Who were still alive, which I didn't

P Peter 27:36

see this somewhere before. This isn't this. I remember was still Whoa, I saw that before. Well, not on something before interviewing people that were there. I remember seeing that.

♂ 27:47

This is what they might have done it a couple of years ago, but this is probably one very new. They did everything from Stonewall all the way up to the present day.

J Jimmy Carper 27:56

Yeah. Yeah. You know.

27:59

Yeah. And New York.

J Jimmy Carper 28:03

Well, I've been to the Oscar Wilde Memorial bookstore many, many times. And when I lived in New York, the Stonewall wasn't there anymore. It closed. I have a picture of the original sign. Now it was it was like a Chinese laundry or something. Yeah, it's turned into something else. Yes. And it just recently it reopened. Yeah,

P Peter 28:24

yes. I was gonna say My God.

J Jimmy Carper 28:26

Or before. Before the Gay Games were in New York, they reopened that bar. Yeah, they should. Yes, we will. And it was it's kind of like, good tourist thing. Yeah.

28:42

Yeah. And that's another thing they talked about on the on the, on the special about how the Gay Games came about when they were started and all that kind of stuff. And about the quilt and when the quilt first came about at the during the phone currently 87 March? Yes. Yeah. Okay. Yes. The very first time it was shown in general public. Some of the people who had worked on the march like what a quilt was sewing be, I mean, they weren't. A lot of people were confused about what it was. And, and then finally, when it came the day of and they are like, Oh, okay, it's

J Jimmy Carper 29:17

just phenomenal. It's just you can talk about it all you want, but when you see it out there, it's it's it's even. It's, it's, it's it's more important, it's more, it's closer, it's more intense than going to a graveyard, because these quilt pieces are parts of somebody's life, and you can see them and then you're in this big auditorium or gymnasium or where they have it and you're just surrounded by it all, and it's almost overwhelming. I don't know anybody who has not been there. has been there and not cried. Oh yeah, it's just that whenever you see Oh, brown, Georgia brown or anywhere that are in Washington when it was just yeah, yes, it's just sad. It's just just overwhelming and to think that that's only a small fraction, a fraction of the people who have died from AIDS

30:20

30:20

or another way if you can't get to see the actual quilt, yeah, when I was in San Francisco, they have a

J Jimmy Carper 30:27

little storefront. That's right, where the original store knew how to

30:31

build it. And they have many of the panels there on display and walk through there and go and seeing some of the panels and the materials there where people come in on certain nights and start to build those panels. That was a very moving experience during the workshop where some of that goes on

P Peter 30:49

when you're surrounded in a huge auditorium by you know, hundreds and hundreds of these at one time oh my god it just gets to be really Yes.

J Jimmy Carper 30:57

It gets to be overwhelming because it is parts of people so actually go through a graveyard and it's just the name on the piece of stone right here. It's people's personalities things that they loved pictures

P Peter 31:11

you can see this whole person's life just gonna yes little you know the music or this or their favorite that or Yeah, a little piece of their favorite shirt or their little shirt Yeah, I mean all kinds of things is amazing. The person really begins to take character off that it creative and her shell and other people that made them for different people try that is really more so than others so

J Jimmy Carper 31:32

yet the other thing is that the storefront the original storefront in San Francisco is in danger of closing really yes the for lack of funding.

P Peter 31:47

Moving in anyway to Washington,

J

Jimmy Carper 31:49

Washington or Los Angeles, one or the other.

P

Peter 31:54

That was what I thought it was going east.

J

Jimmy Carper 31:56

Well they want to hear the words after eventually it's gonna go to the Smithsonian Yeah, yeah, that's east but now there's more so much of it that they they can't display at all anywhere. There is no place where it can be displayed.

o

And there was these old bunches drag queens miners, they robbed the air doers and burners or whatever, because they had these big signs. The daughter was like 13 There's something bad ugly. gas a lot. I was coming back on the plane the other day. And I thought I heard this that I thought of you this I had this Gwaine just a typical, you know, flight attendant just X screaming gay. Some of them aren't gay, but some of them are obnoxious. This one was just a it should have had on pumps. I think it was just, it was a gas fired dude I've ever met my life. And I love him to death. But do fun. And I thought about you when I heard this because I thought if anybody would come to the come back like you this would be where you'd come from. There was this. At one point he just bounced over to where I was sitting and he announced he said the captain has asked me to announce that he will be landing this big scary plane shortly. And if you could just put your trace Tehsil tables up it would just be great. Well, you know, I put mine up and this woman sitting next to me didn't. And so a few minutes later, this flight attendant came back over and said to her he said ma'am, perhaps you couldn't hear me over those big scary engines but if you just please put up that trade. Hey, so our tray table so our captain can land this big old plane Just didn't comply. So this guy was really getting past you could tell him so he asked her again to put it up and she calmly turned to him and said, in my country, I'm called a princess and I take orders from no one sitting next to me and the flight and immediately replied with all kinds of gusto. Oh, yeah, well, in my country, I'm called the Queen and I rank outrank you so bitch put that trade on it tonight.

J Jimmy Carper 40:27

P Peter 40:37

40:39

We know you sound like a southerner. Are you from the south? Okay, envy, you can't be well, you know, I have a little something to say about Southerners. I'll do uh huh. There was these two women sitting around having some tea. And this one woman had just moved into the neighborhood in the neighborhood and she's having tea with her neighbor and so they're sitting around drinking tea and the woman has just started talking and she's like, well, you know, I come from a very well fat well well off family you know, the southern leg as well. Isn't that nice? That she goes you know they sent me to a very expensive college just graduate with honors and she's well isn't that nice? And she's he admits is fabulous doctor and you know, we've gotten married we've been married now for over 15 years. And then because isn't that nice? And you know, we have three gorgeous children who are all very successful you know, the lady because isn't that nice? And she's you know, my husband loves the about me this big our house

And she goes Oh sugar I just been talking all about myself to want you tell me a little something about yourself. And then I think as well you know, I have just gone to a very small humble school where they taught me to to say Isn't that nice instead of screw you?

J Jimmy Carper 42:08

Boy you claim that one thank you very much. I left the the story about the flight attendant at home.

P Peter 42:21

Oh, we'll do it next time.

J Jimmy Carper 42:23

We will

P Peter 42:23

we will this American couple on a holiday in Jerusalem. Yes. They were touring around the marketplace looking for goods and such and when they passed the sandal shop from inside excuse me from inside they hear this invitation in English with a real thick Hebrew accent. You know I read Oh, give me foreigners come into my humble shop Shalom and so the married couple walk in and the proprietor says them I have some very special sandals. I think it'd be very interested in they make while they make you wild at sex. Like a great desert camo. Ooh, so the wife and then the wife after a this is really interested in buying the sandals, but her husband feels that they really don't need them being you know the sexes. God that is. So the husband says the bride or Well, how could sandals make you into such a sex freak? The bride implies she'll just try them on. And the husband after much badgering from his wife finally concedes and he tries them on. And as he does he gets this wild look in his eyes. Something his wife hadn't seen in years raw sexual power. And the blink of an eye the husband rushes over to the proprietor and throws him on the table and starts tearing the guys close up. And all the time the riders screaming Stop, stop. You've got them on the wrong feet okay, okay.

∅ 43:51

America judge gives that to Boeing.

J Jimmy Carper 43:54

Okay, what's the definition of a nice Greek boy?

43:57

Jimmy?

Jimmy Carper 44:00

Born Peter a boy. Takes the girl out twice before screwing her brother.

44:04

Oh my.

44:06

Yeah, that has been written all of that is just too. Yeah, here's

Jimmy Carper 44:10

one that I told to an Irish person this evening who really enjoyed this joke. Where does an Irish family go on vacation? To a different bar. Yeah. Yes. Oh, yeah. What do you call an Alabama farmer with a sheep under each arm

Peter 44:38

now people want to go there. Texas or something?

Jimmy Carper 44:45

What do you call it Alabama far with the sheep boundary chart.

44:50

Oh my god.

Peter 44:53

Time to time to clean this up. Did you know The historical origins of the middle finger are no odd Yes, before the Battle of egg in court in 1415. The French anticipating a victory over the English proposed to cut off the middle finger of all captured English soldiers. Without a middle finger it would be impossible for them to draw the renowned English longbow, and therefore be

incapable of fighting in the future. This famous weapon was made of native English yew trees, and the act of drawing the long bullet long bow was known as plucking the you know, just Yeah, okay. Much to the bewilderment of the French the English one, which was they weren't expecting this major upset and began mocking the French by waving their middle fingers. As the defeated French, after defeated French saying, See, we can still pluck you black youth. Over the years, some folk enemy ologists have grown up around this symbolic gesture since plucky was rather difficult to say like, pleasant mother pleasant pucker, which you know who which is bad to go for. Arrows long, difficult conflict cluster at the beginning, it's gradually changed to a lab Prudential

J
