00:02

They said that the reason that they were doing this is that they have a diverse group of employees. And this will help ensure that Chase, Texas remains an attractive place to work and to do business. So as we mentioned before, when AT and T announced the same thing, companies understand that it's important to have good employees, they understand that a lot of their employees are gay. And therefore, they need to attract these people. Correct. And a lot of what's going to happen, and a lot of the changes that will occur politically, will first occur in the workplace. And I am really happy to hear that Chase has taken this step. I think this is a big step. And it's one of many steps that companies are taking. So good news for those who work for Chase, and I think good news for those who bank with Chase,

Roy 01:01

really, and this comes on the heels of just I think it was last week, I did a news article about another company offering same sex benefits

01:12

AT and T and I think that was two weeks ago. That was two weeks ago. Yeah. And it's just, you know, one after another.

Roy 01:21

It is just really, it's just really amazing.

01:24

And you have to remember what's driving this? I mean, this is not because the people at Chase

believe that human rights are important. This is because it makes sense to them. It makes money is good businesses good business sense. And,

R

Roy 01:42

and you know, and there's no Rob Todd to stop it.

01:45

Wow, that's so so we have to start looking at this what is, you know, how can companies look at this stuff, decide that it makes sense and yet politician stand up and rattle about how it's immoral?

R

Roy 02:01

Yeah, it just they're all when they when they got to understand when politicians stand up and Rob rattle on that it's immoral, and all this other stuff. That's only because they get money. For saying that, yeah. Wow. Wow. It helps their political constituents. No. Anyways, moving right along to some more good news. Michelle, you've just had some you've just been elected treasurer of the

02:31

caucus, not elected, not elected. I actually, I've been appointed the interim treasurer.

R

Roy 02:39

Oh, you're the acting treasurer. Yes.

02:42

I've always known you were quite a character. But yeah, so I'm acting now.

R

Roy 02:47

Are you going to get an Emmy on this?

02:49

I? Well, I hope so. I hope I do. I mean, I'm really interested in doing a good job. And working for the caucus. As I said before, on the radio, I'm not big into now, what is it we should be fighting for next? And what should be? How should we set up our legislative agenda

should be fighting for next. And what should be. Now should we set up our legislative agenda, but I believe that's all important to do. And I believe that's important work that goes on. And I can do some of the organizing, I have some organizing skills, and I can use them and I enjoy the caucus meetings. And so I've been working with the caucus, and I'm very proud that in the interim, they have what let me take care of the Treasury for

R

Roy 03:38

I think it's the Treasury now is in very well capable hands, because you've always been very successful at whatever. I mean, that's why you know, I picked you to you know, to join me with this because you are such a good organizer. And, and you are so very good. Thank you. Now, are we having something? Somebody is fit to be tied here?

04:02

Oh, yes. I mentioned it earlier, but there is a there's a plane being held this Thursday, June 4, and the curtain goes up at eight o'clock. And let's call it fit to be tied. The Houston gay and lesbian Political Caucus is CO sponsoring this event as a combination benefit for its political action committee for the Lesbian Gay rights lobby of Texas, and for the National Gay and Lesbian Taskforce. Now all of you who have been listening now know what all those things really are. New York director Michael shaming, who did Jeffrey here last year is back again with Nicky Silver's latest zany one, in which the hero ties up the love of his life for total possession until his mother moves in to ignite a bizarre love triangle. Tickets are available from any member of the caucus to our board, they're at \$20 apiece. Or you can call for tickets at the stages, which is stages. box office located at 2101 Allen Parkway. And you can get ahold of them by calling Area code 71352 stages. That's five, two stages.

R

Roy 05:23

Now there's also tickets at \$100, in which you can get two tickets for \$100, which also gets you into the reception with

05:30

very warm there's, there's an open reception at 630. But there's a private reception at 530, with Texas gubernatorial candidate Gary Morrow. And for those people in organizations that want to underwrite this benefit, underwriting is at \$100 or more. And for that you do get two tickets and become a member of become part of the private reception.

05:59

I'm surprised that Clarence didn't talk more about that. But we talked about a whole

06:03

lot of other things. We, I tell parents that we would cover Oh, okay.

R

Roy 06:07

Okay. I also want to mention real quick here that the hatch is having its prom, Tara. Next Saturday, or well, Saturday, June 13, from eight to 11pm at the lavet in 501 Lovett Boulevard, right. And that's a fundraiser for Hatch two. And they will also in fact, it's one of their biggest fundraisers. And they will also have a youth talent show. For more information call hache at 713-942-7002. That's 713-942-7002. That's

06:45

right. And that that's a fight if you've never been, or if you never got to take the person you want it to take to the prom. This is the time to do it. And you don't have to be a teenager either.

R

Roy 06:57

Right? And Jamie, what's this? Refried Queens

07:02

Well, the court did this fantastic fundraiser for the gay and lesbian switchboard called kaissa Diaz and refried queens, and he used to do us and refried queen and they did it on Mother's Day. It was just incredible. But but they raised an incredible the house of Nylund raised an incredible amount of money for the for the switchboard on a Sunday night at the briar patch. Wow. 661 bucks. Yes, there's a letter in the tweet about it.

07:38

You can read page 45 in the tweet and you read a letter from Jimmy Clapper is the treasurer of the gay and lesbian switchboard

07:46

doesn't mean I know anything about money it means I know how to write a check. That's it.

07:52

I do bank deposits that bank deposit

 R

Roy 07:54

now Jimmy you just blew the bubble cuz I just mentioned how that our own Michelle has been appointed treasurer of the caucus

08:04

well, well I mean you know Michelle being a treasurer is different than Jimmy being a treasurer Jimmy doesn't even know what the financial report looks like.

 R

Roy 08:15

Well, you know, they would would weigh I pay bills and everything. I think I ought to be a comptroller because you know, when it comes in one hand it just goes right on

08:24

out the other I know I know. I know. Oh, gosh. What else is going oh, did we talk about TV Montrose

 R

Roy 08:31

They've reconstituted themselves and become Students Against Destructive Decisions. Wow. First, be Curt, be conscious and aware of those around you if you're driving, pay attention to your surroundings, especially when you're driving at night. And I want to point out that a good way to prevent carjackings is not to be driving toward the right side of the road or close to the curb. Give yourself escape room, you know, so that if you if somebody tries to carjack you, you can get your your vehicle out of there. If you're at a party and you get a bad feeling about what is going on, or the direction of the party has taken us your good sense, you know, and the best thing to do is to leave the party immediately do bad. Call home or contact a responsible adult if you find yourself in an uncomfortable situation. Or if your driver has been drinking alcohol or using drugs never get into a car with someone who has been drinking or using drugs. Even if they say, I'm okay. Because they're not they are impaired. Be supportive of your friends if they are in a difficult situation. The end of the school year is an emotional time and people will react differently to these conflicts into these emotions, report any dangerous behavior or threats of dangerous behavior to an adult, plan and or attend alcohol free parties. 10:55

It's called pride divide, and it's a movie. After the movie, there will be a discussion about how things are sometimes contentious and how things are sometimes work well among the various groups within the gay community about gay history.

13:04

There's no more Thursday night there. So watch, right. Oh, one final bit of news. It's feel good. That's coming out of Wichita Falls. The Public Library up there had a book called daddy's roommate. Yeah. And a minister from some denomination, I really don't know. And it doesn't matter. He decided that he was going to buy out all the books, because he felt he felt they were improper and should not be, you know, allowed in our public libraries where our children can get to him. Well, the editor of the local newspaper up here in Wichita Falls, really lamp blasted this guy, this minister in his editorials and people from Wichita Falls, decided to start buying copies of daddy's roommate and the library is now flooded with copies. All

18:00
