Oh, yes, abba, abba. rendition, no. And Abba song done by the San Francisco Gay Men's Chorus. Fernando I just I just get lost in that song because I think that's a beautiful beautiful rendition that

K Kirk Keevert 00:17

is just the way you were so not ready don't even don't even try to play it off. Don't even that was authentic. It was so I mean, he was like it was clear on the other side of the room. He's like, got 10 seconds left and I'm like he's looking for this piece of music. Go sit down. Go sit down. Go sit down. He waits until he goes into the song is over. And then then he's like, Oh, I'm so wrapped up in the music. Oh horse crap

00:49

well Kirko says dumped me from my pedestal again. However I do think that is fabulous. Very pretty. I

R Roy 00:56

really enjoyed it. I don't use the word fabulous very often. No, but it went up Kirk oh, what

01:08

I am upset about is that I cannot find the news music. Oh, no.

01:15

Juice. Windjammer.

01:16

Thank you. Oh, yeah, he comes here. He shows me up every week. Well, maybe once a month. I don't know. Whenever he shows. Well.

Kirk Keevert 01:30

I showed up just like I was told to show up this evening asked so that I could be here with the hatch kids who have already gone now. None of them is going to do me tonight.

01:43

02:38

Michelle is feeling under the weather, this is not the night to come out.

Roy 02:42

I heard

02:44

what you got, oh, I

Roy 02:45

Roy 02:43

got all kinds of interesting things going on with me too. And to start off with folks, get out your VCRs and get a blank cassette tape because this year at the Super Bowl, you want to make sure you're watching the halftime show. Because this year, the San Diego Gay Men's Chorus are going to be performing at this year's Super Bowl at Qualcomm Stadium. Right? That's right. The

03:20

Gay Men's Chorus is going to be doing a halftime at the Super Bowl at the

Roy 03:25

the Super Bowl, the NFL Super Bowl.

03:28

Wow. Jersey, I'm sitting here with this, you know, imagery, you know, because the Super Bowl is like the height of straight masculinity. Well,

Roy 03:40

I don't know. They got all those tight ends and wide receivers.

03:43

And we're putting in the game and scores but you know, a San Diego gatesman course many, many gay people enjoy football and enjoy

Roy 03:52

the Super Bowl really? And you know,

03:55

I mean, all queers. Not really gay.

Roy 04:02

Now called Qualcomm, I don't know where the hell that is. If any of you listeners out there happen to know where this year's Super Bowl is gonna be playing it.

04:10

07:54

have a new space and it's it's it's a very nice fellowship if you're, you know, you're inclined.

J Jimmy Carper 08:06

I've been to a service there. And I just have to say I just felt a warmth and a glow. Everyone really shared and and it was one big happy family. Great. I'm not a religious person myself, but I really enjoyed that service. Great. And then the music is great. And what's the name of this? It's the faith and hope fellowship.

08:31

Oh,

08:32

It's the Cajun show. Yeah. And then and then it's Rick. Yeah. Rick is careto and then and then Larry. So it's you know, it's a different little afternoon. It drives the people in the office crazy. That's why I care. Anyway. Long story short, too late. It's late. drag my ass. So who did he have? Oh, riders. riders in the sky. Oh, no. Yeah, it was it was so fun. Yeah, it was very cool. Because they were playing that like Rockefeller's and oh, that was nice. Yeah. Sorry. Anyway,

o

24:08

This guy is a professional folks. Yeah,

K

Kirk Keevert 24:10

hey, don't don't get on me. I saw I saw I heard Don Imus do this last week on the air. I was like, oh, Don, you've been doing this a while to get away from snot and on radio. Anyway, you had writers on I thought it was very cool. But what I thought was very funny was I don't know if you've ever heard writers do. You know their little comic bit, but they're very funny. And, and Ranger Doug is the head guy. And he's like, Well, Rick, it's just great to be here with you on KPFT. And I was thinking that was a couple hours ago. That was right. This would be Larry. But but he didn't he didn't correct him. And I thought that was very cool. That is funny. Plasma plasma Okay,

o

25:00

so chemicals Yeah. GiGi Yes. What do you got?

K

Kirk Keevert 25:07

I brought with me doctor said to shot would take Oh, you're not talking about no I'm not okay. Yeah,

G

Gigi 25:11

I brought with me the from the LA conference I went to last autumn. Yeah, the Hollywood bisexual car rally which was a car rally we went on the Sunday right after the conferences pretty much done Oh, and went to all the bisexual hotspots and saw the interesting things

o

25:38

now this was at the White conference the LA bisexual. Okay, okay, that was the one where you wrote the motorcycle and you had held to pay getting oh yes

G

Gigi 25:47

yeah but it was worth it

K

Kirk Keevert 25:49

Um, so he had to wear to pay to get home

♀

25:51

No, hello. Oh, I'm sorry I lost last tire problems and all kinds

G

Gigi 25:58

Oh yeah. Asked me to pay attention chain problems. Oh, yeah. fee to bed anyway.

K

Kirk Keevert 26:05

All the way from LA it's pretty much bfhi Yeah, no kidding. Radio Free America driving through. Sirius XM about so go ahead.

G

Gigi 26:17

But this was a car rally that was designed to let you know interesting facts about bisexual history in Hollywood and a car rally how odd Yes. And oh baby some of those cars in the rally. Oh, convertibles that Queens hear well of

K

Kirk Keevert 26:35

course they weren't the bisexual car rally for God's sake

♀

26:44

that's pretty good.

K

Kirk Keevert 26:44

Well I'm we're you know we're I try

G

Gigi 26:47

but everything in the tour is verified and magazine articles books and travel guides. Any rumor innuendo is stated as such. And rumor

K

Kirk Keevert 26:57

innuendo? What's the likelihood of that?

G

Gigi 27:03

I will you know how that goes. I'm gonna jump ahead because I did part of this a while back. I don't remember where we dropped up and I'm gonna you might

♀

27:13

want to refresh everyone's memory.

G

Gigi 27:14

Okay, well, I'll jump back to fresh mind.

K

Kirk Keevert 27:17

What the hell we're talking about.

G

Gigi 27:22

We started out in the Hollywood studio Museum, which burned down six months, while actually in the parking lot of that, which had burned down six months ago near its 100th birthday. Yeah. The building affectionately nicknamed the barn is where the first feature length motion picture in Hollywood, this squab man, was filmed by Cecil B. DeMille. And Jesse Lasky and 1913 putting this area on the map as motion picture hotspot. The Squall man features a character who crossed dresses and involved with the production was bisexual John Gilbert, who would become Richard Gere of his own era. Yes. This bill John

♀

28:14

Gilbert was like a matinee idol. He was really he was he was pretty for his

K

Kirk Keevert 28:19

back when they called him talkies. Even before that, Oh, do you remember that too? Hey. Just ask him.

 Gigi 28:30

The building later became the meals office and used on Paramount backlot alternative, alternative look for that, alternatively, yes, as a library, immense gymnasium, a woman's dressing room, making it a perfect place for smart bisexuals.

 Kirk Keevert 28:50

When one would assume and we know what kind of men's gymnasium and a woman's dressing room that's Jr's

 Gigi 28:59

clothes question and one. And this is stuff we actually went and saw. See the emblem up on the hill. This was after turning right on. And I can't even pronounce the street. Geneva

 Kirk Keevert 29:20

LC Anika La Cienega.

 Gigi 29:22

Now let's see a HQEN ga Oh, it's gonna Langa Langa. Okay. The emblem up on the Hill that reminds me of Beth France Stein's book bisexuality where she describes an individual a usually a male who wears women's clothes possibly for erotic enjoyment. That term is cross dressing. Some days or just kind of the old days. Okay. Question two, Edward was friends with another odd character who I gave interviews about being bisexual and slept with James Dean in this very room and this room was sure do some things are not in the best order Yeah, lost it anyway. The character that who was gave on interviews was at Bella gwec van para Elvira Martin Landau, or Edon Jag.

 Jimmy Carper 30:42

I bet it was Vampira. She was, if you ever saw planet night from outer space, she was the one with the impossible. dressed all in black, with very long fingernails in the impossibly small waist.

 Kirk Keevert 30:57

She was the precursor to Elvira Yes, she

 31:00

was yes, she was she was she was on fire before she lived it. She was more she lived it more than Elvira lived. I mean, she she was like Bela Lugosi, she thought she was real.

 Gigi 31:18

Well, next, we went on to the Knickerbocker hotel, an incredibly bisexual spot hotspot. Also the All Star Cafe is we're here to Hopper Hedda

 31:33

Hopper.

 Gigi 31:34

Thanks. No, I

 31:36

know you just

 Gigi 31:39

spotted Claire Bo flirting with both football players in their cheerleaders. Ooh, it's where bisexual Marilyn Monroe honeymoon with Joe DiMaggio Accio as to bisexual barbers. Stanwyck with Robert Dyk No no no no.

 Kirk Keevert 32:03

Jarrett there's a fire in the barn. She always denied it. There was a fire in the bar. Oh no.

 32:10

Not that with

 Gigi 32:12

Robert Taylor. Lonely clear bland ik auntie em of The Wizard of Oz lost her husband than her personal secretary, a woman she says she loved more than anyone. So she neatly tied a plastic bag around her neck and suffocated her room nice to see him did.

K

Kirk Keevert 32:35

Oh my god. I'd never heard that. Auntie Em killed herself with a plastic bag of Oh, that is so sad to think of Andy M. from the Wizard of Oz laying in a hotel room with a plastic bag over her head. Oh,

o

32:51

that's just a

K

Kirk Keevert 32:55

picture of that somewhere. That's so sad. Oh,

o

32:59

this is a revelation.

G

Gigi 33:00

Yeah, there's some cool stuff and, and she

K

Kirk Keevert 33:04

was a MUFE. diver.

G

Gigi 33:07

So just Yeah, okay. Wow. It's where my Wes dine with her gay metal studs. Martin and Lewis. And we're William. Whoa,

K

Kirk Keevert 33:18

wait, wait, wait, wait, you have to fix that. You said it sounded like you said we're gay men were Mae West dine with her gay muscle studs Martin and Lewis. I don't think the Martin and Jerry Lewis were were

o

33:32

I don't think that's what she meant. Were Mae West. Gay muscles. I think that these this was their first

G Gigi 33:44

test right? It gets better. Yeah,

K Kirk Keevert 33:47

I'm sorry. I am

G Gigi 33:48

where William Frawley. William from I Love Lucy Yes, Fred Mertz and

K Kirk Keevert 33:53

Uncle Charlie and close my three sound he was gay. close
