SUMMARY KEYWORDS

houston, toy, year, good, nla, people, listening, kids, drive, clubs, girls, hiv, whorehouse, day, mary, december, put, weekend, run, music

00:05

Yeah, they'll get me a lighter. Okay. I'm a Yellow Dog Democrat, I don't care.

00:11

Well, alright, we're waiting for our caller to call back. Yes. And okay, you've kind of gone through somebody NLA statement of purpose, some of the ideas that they want to promote. And one of them is what we just talked about the media risk misrepresentations regarding the leather, SM and fetish communities. I think that's important for everyone. Again, it's a learning experience. And that's one thing good that you do. Can you tell us a little history about your founding members?

00:43

Well, let's see what Dean lives in Dallas now. There's a few around, they're not members anymore. krever one, who is Carolyn Roberts with Houston voice and he clips is used to be a member of him like Houston was one of our originals. And Mark Fraser, who owns the Dallas Eagle up in Dallas is an MLA member. So we've got people that have moved on and moved away. And people like Buzz Davis, myself, Brian Keever, and a few other people, but through the years, you know, we've had, you know, a lot of transition people go into other clubs, or moving on getting a job moving, getting out of the house, you know, so we keep on getting more, you know, more people and more energy. You know, there's a few of us that keep on hanging on, you know, and keep on saying that I'm going to retire

01:43

we're not gonna let you retire.

01:46

But how many members do you have now currently,

01:48

we have 28 active members and approximately 40 Associates,

01:55

you know, and so we've got, we've got a pretty good crowd. So you know, we've got a little bit of everybody in that. So I'm saying that very gracious light. By now we've we've got a good crowd sending, you know, when I

02:12

does a lot of things each year, well, what are some of the events that they're involved in? Well, we

02:17

are now a member of HCC. So we help with the Louis event each and every year. We've been connected part of that, for what to this will be our third year,

02:27

third or fourth year. Yeah.

02:29

And for those who don't know, Louis, is let us entertain a weekend always after Mardi Gras. It's

02:35

always the weekend after Mardi Gras. And it's a big party weekend. It's for all the people that used to go to New Orleans and on their way back to the west coast or wherever they were going, they would come by Houston, about 27 years ago, and they've been coming ever since. And now there are people that just come to Louis and blow off going to New Orleans because we actually throw a bigger and better party good. The Houston Council of clubs is what HCC stands for. It's all the different leather and labor organizations in the city of Houston to actually go together and help put on this event which is free to anyone who lives outside of the city of Houston Harris County. So

03:14

it's only \$15 For those who do live in town. And that's a pretty good bargain for what you get

for the full weekend. Some

03:21

of the some of the things you know are exciting and can get

03:27

paid or not included.

03:31

People know what that is. But no we and when we do like spring inequity in the spring, which is our anniversary, and we are excited right now because we're in the middle of doing our toy drive. And so yeah,

03:44

and that's one of the reasons that you're here. About every year you do your animals annual Christmas toy drive and tell us about that stuffed

03:54

animals stepped in. This is

03:56

our ninth year for the toy drive. And last year, we partnered up with AFH to throw in our portion to the Red Ribbon toy drive because we realized that we were doing a duplication of effort for some of the agencies around town. And also that AFH has a larger umbrella that we could throw our stuff into as well. And what we're doing now is that the toys go to the Red Ribbon toy drive. And the monies that we raise help sponsor kids to camp hugs and camp hope. And Mark is the volunteer coordinator for AFH. And he can tell you all about those two. Yeah, Mark,

04:37

tell us tell

04:38

us. First of all, Jim, the number of kids that we will be serving this year through the toy drive. ~~We will be serving about 600 to 650 kids. Wow who are either infected or affected by HIV. The~~

WE WILL BE SERVING ABOUT 600 TO 800 KIDS WHO ARE EITHER INFECTED OR AFFECTED BY HIV. THE KIDS ARE NOT ONLY CLIENTS AT THE AIDS FOUNDATION HOUSTON, BUT THEY ARE RECEIVING MEDICAL CARE EITHER THROUGH THE UNIVERSITY OF TEXAS, OR THROUGH TEXAS CHILDREN'S HOSPITAL IN THE KIDS RANGE FROM FROM ZERO TO 12 YEARS OLD. AND IN AGE, THE KIDS THAT WE PROVIDE TOYS TO THEIR FAMILIES TRADITIONALLY ARE LIVING ON PROBABLY AN INCOME NO GREATER THAN ABOUT \$800 A MONTH. SO THAT'S THE NEED TO BE ABLE TO PROVIDE TOYS. OTHERWISE, WOULD THEY BE ABLE TO HAVE THE CHRISTMASES THAT WE REMEMBER? I DON'T WANT TO EMBARRASS ANYONE. BUT SEVERAL YEARS AGO, WHEN WE WERE KIDS, THE LIKELIHOOD IS DOUBTFUL. DENNIS MENTIONED THE TWO CAMPS THAT WE THAT WE RUN CURRENTLY, WHICH IS CAMP HUG, WHICH IS A WEEKEND FAMILY CAMP. AND THAT IS FOR FAMILIES WHERE THERE IS A FAMILY MEMBER WHO IS HIV POSITIVE WITHIN THE FAMILY UNIT. LAST YEAR, WE HAD 25 FAMILIES THAT WENT TO CAMP WITH US. THIS YEAR, WE'RE LOOKING AT INCREASING THAT TO UPWARDS TO 40 DIFFERENT FAMILIES.

06:17

Okay, hold that thought if you could, because we have a caller here. We're going to try to get him on the line. So hold on, please. Are you there? Caller? Yes, he is. All right. Who are we talking to? This is Jim.

06:31

Where's Jimmy yet?

06:32

I'm right here. Oh,

06:34

my God. That sounds like buddy.

06:36

There's more than one button. You can't find it.

06:42

Well, it's

06:43

complicated.

06:46

Tony shows in its 15th year.

06:48

Yeah, let's go in there. Yeah. September 6 1987. demand on the other end of the phone, walked into the station and started after hours. Right. I give you buddy John. Stay How you doing? Hey, and now he's,

07:03

we're sort of live in San Francisco. It's about 1230 here. I'm standing in the locker room at the bathhouse and

07:13

we find you on the webcast.

07:16

It's all about licking bush and beaten Dickens I think we're gonna get your governor I've been I've got those campaigns stickers all over my car. He's gonna be here. Yes, sir. What what do you remember when we started? We had a Reagan or a bush or somebody? Yes. Yeah. Sex is much better under those guys. It's true, the more they tell you no, no, no, we do do

07:45

do. That's true. That's true. Yes.

07:48

I was thinking about you. How are things gone?

07:51

Great. Great. You're not calling to talk to me. You're calling because Brian's here. Hey, buddy.

07:57

Brian, Brian Deaver. Covers Hello, buddy. How are you? Still can't get how you doing? Twit you

twit? Well, you know, they found it last August. So I'm no longer at Twitter. Okay. How are you? Good. How are you doing? Oh, yeah. Well, I'm still kicking. I'm still around.

08:26

Do you remember the first newscast you ever did on this

08:29

show? Oh, yes.

08:32

It was like, it was like it was it was something else.

08:36

Do you remember what theme song you played before I came on? What was it? Do you don't remember? I'd

08:42

have to listen to the tape.

08:46

It was the Sister Sledge and we are family. We

08:49

are family. That was something kids. She was flying a news left and right. I looked at Roger and he looked at me and I said what are we gonna do? And he said

09:04

I'm telling you and it's like and, and here I am one more. Tonight, honey, National Weather Association, Houston. We're doing our toy drive for children with HIV. Oh, there you go.

09:16

Yep. See, he's still doing it. He's still involved. He's still going strong.

09:21

Speaking of HIV, you know, Roger died five years ago this week, baby. Yep.

09:25

Wow. Doesn't seem like it doesn't know I've got I've got

09:29

a special box at home with some of his ashes. That's true.

09:32

And this year, we were lucky to have his name inscribed at the AIDS memorial grove in this little thing called the circle of friends if you ever in San Francisco

09:42

seen that? Howdy. Yes, Rogers. They are

09:45

about to it's election time and I know the shows and its 15th year and that's something that I'm very, very proud of. You You listening as you listen to us. Now you don't realize how important this is. Or maybe you do. I can't imagine what it was like 15 years ago. We were doing this and had a little of no support. And I'm so glad that you're listening now and I'm so glad that you're still supporting the show. I

10:07

want to know when you're gonna come back and visit us. Oh, honey.

10:13

He's having too much fun. Did they close the bathhouse like, no, no, no, no, no, no, they just that's just the French Quarter that clearly didn't go there anyway. Now

10:22

that's true. And they're building a brand new club Houston. It's gonna be four times the size of the old one.

10:27

I'll be there tomorrow.

10:31

That's right. You think on so long. You'll be new meet?

10:33

Yeah,

10:35

I listen to you guys all the time on the World Wide Web.

10:37

That's right. We're on the web. That's right. Do you do you is the KPFT Split Rock dotnet Yeah, there

10:47

you go. Yeah, yeah, I was thinking about you. It's election time. And if you haven't given money to KPFT please do that. And the only it's because of people listening like you that keep the show on the air and have kept us on the air for the last 15 years. So I know you're not doing marathon Jimmy but yeah, never too late to write a check to KPFT ads, right. Do you have any music there? Honey?

11:08

We got lots of music, but you got everything. You got any Romanovsky and Philip Scott got all of it.

11:13

You gotta give me a homosexual.

11:17

I can get it. Oh,

11:18

God, I haven't heard that and year.

11:20

Get that queued up. We'll do our one little one liner. You know what I'm talking oh, wait a minute. I

11:25

don't have that. I don't have that with me. I didn't bring that with me. Scrap something. Oh, man, if you're asked

11:31

to grabbed him

11:36

start writing those checks. Yeah, you're looking for you're looking for the button to turn me on. Yeah,

11:44

we'll do some music later on. Are

11:46

we on your on? Your last?

11:51

A lot worse on the radio. I

11:52

know. Over 650,000 People you know what

11:56

was the most fun was the night we call the 976 line. You had to

12:05

call them on the air.

12:08

Mr. Keever? Why never call it flex line in his life. minutes.

12:19

Believe me if it was up to me, they'd been out of business 15 years ago.

12:22

Hey, Jimmy, are you are you? Are you ready?

12:24

What are we doing?

12:25

We're gonna play a record. I'm gonna do my little line and then you're gonna play something. Oh, okay. We'll get to do it one more time.

12:32

He's still the program director. 10 years ago, we

12:37

started this little horse way. Wait a minute. Wait, remember? Wait a minute, kids.

12:42

Always gonna be better under the Republican?

12:44

Yeah, I have such a great crew have no, I have such a great crew. I just got to just be impressed that we were listening out there in the lobby.

12:54

So rare ready? Yeah.

12:56

Chris came in and he found give me a homosexual. From from the KPFT library. Big

13:02

ROI. He didn't answer the phone. Well, that's because we it's

13:05

a long and complicated. It's two different systems. That's right. Where are we going with this? Yeah.

13:12

Okay, listen, don't forget, please write a check to KPFT and send it today. It's 419 Love it Boulevard, Houston, Texas. 77006, where it's not just a zip code. It's a lifestyle. That's right. And you're listening to after hours. And it's 15 a year. The Mighty 90.1 FM KPFT Houston, where we're here

13:34

and we're queer. I love your body. Bye. Thanks, buddy. Glad to be gay. That's us. Gotta get getting into that body. And I would just do that after every time he played it.

13:56

We would get into it right at the end there. Oh, rnps. So five. Romanovsky

13:59

and PHILLIPS Yes. And they're still together. Oh, there

14:05

they are. Yes. Yeah. I haven't seen him a couple of years. They

14:10

they put out something they broke up

14:11

for a while. back together. On Albuquerque. Yep. Okay. Yep. We have to bring them back to Houston for

14:19

investment, but their music is still available. And still classic and still classic. Yeah. Yeah. Because those were the days when we played romanovski and Phyllis because there wasn't any other game music

14:31

every week, every week. That

14:33

just means they need to come up with a new. That's right. It's time for a new CD.

14:39

It's time to get back to MLA Houston.

14:42

Yeah, yes. Yeah, we're back. Hey, okay, we're

14:46

talking with NLA Houston here about the toy drive and Mark was explaining about the charities involved and kind of recap those again Mark Sorry about the interruption. No

14:56

problem at all. It's it's the toy drive that we do every year. Yeah. For kids as well as the two camps I touched on Camp hog the other one. Which last year the financial gift from NLA was enabled three kids to go to a week long summer camp, which is camp hope. We had 116 Kids, all HIV positive from the ages of seven to 15. The kids that came to Camp last year, not only from Houston but from Dallas Fort Worth, Austin, and I flew in 46 kids from Fort Lauderdale, Florida. And these are kids that would not have this experience. If it wasn't for the generosity of folks who who donate their money during the holidays to in LA, as well as donate their their money throughout the year. This year, I am budgeting I've budgeted to take 150 kids to camp for a week, which is just a phenomenal Grace during it's for these young people. Yes.

16:14

And you're already on your way for earning some money. Absolutely big way. Tell us about your opening show.

16:21

Well, our unofficial opening was the Viva Dead Diva show which was naturally done by the bitter broad society and sarcastic sewing circle. Thank you MJ for that title. Winder last night. That was the night that the thunderstorms rolled and the show was cut short due to the storms hitting that Sunday evening if y'all remember that one particular Sunday where all hell broke loose.

16:51

And it wasn't because you were doing a show up Mary's Well, no, I

16:54

think it was probably that last number that did it. Myself and MJ onstage

17:00

singing in the rain, literally.

17:04

But that show alone and the short 40 to 45 minutes they were on managed to raise over \$1,100 and Oh

17:13

right. So it was the next weekend that we had lots of fun. We had already

17:17

announced our official opening as the whorehouse girls when MJ stepped up with the bid abroad society. And that's what been one of the most outstanding things that has happened this year. People are stepping up to the plate right and left and you know, we can't say thank you enough to all these folks. But last weekend was the whorehouse girls at the BRB. For those who've been around a little while if you remember the whorehouse girls they are a perfectionist troupe Oh Simon, Simon Simon Simon crack the whip over the girls. They

17:52

don't do many shows. The crap first

17:56

time in over five years that your house girls had been together. It's what Simon told me. Okay,

18:03

now you remember the night and black leather a couple years ago, but I'm

18:06

just saying What I miss is this was the first time that the true all of those had been to get a true but at toward the end of the show. They actually bought the original Miss Mona up on stage, too, to do the closing number. And he was he was a little kind of shocked at first but got into it quickly as a good trooper.

18:29

And it was very kind of mother Montrose or current mother Montrose to load her hair.

18:29

10.23

19:05

Thank you. It was in the audience and you saw their Alter Ego. That evening, we raised over \$4,000 That's great evening. All right. We sold tables at \$100 a table we had people I mean, the place was literally packed. Because we don't have a show like that, which was a good fundraising show. And the girls were doing good numbers. There was like 19 numbers in the show. Well,

19:05

there was 20 of you flew to the train right.

19:11

Houston was part of the intermission so to speak, so the girls could go change. We kind of did an interpretation of the village elders we did the village people 50 years later.

19:23

It was not pretty.

19:26

Where we had to have our nurses and orderlies help help us perform YMCA because we couldn't do it ourselves. When we're you Brian. I was actually actually the lead

19:39

just because he knew all the words. Well, that's true to me.

19:45

YMCA.

19:47

They were having problems sending your car.

19:51

But so we didn't really well that night over \$4,000 and we have got at least one or two fundraisers every weekend coming up for the toy drive. What

20:02

tell us about those, like one of those of those gonna be? Yeah.

20:05

Well, our next one. No. Our next one is December 3, that is courtesy of the Royal Sovereign imperial court of the single star Inc. Wonderful. Thank you. I always fall over that one. That'll be a chances at 9pm. On December 3, I'm sorry, December 2, excuse me. That Saturday night, Saturday night. Okay. Following that we have

20:30

now that serious a fundraiser Saturday night at a bar

20:34

chances Yes.

20:36

It's the corner. Oh, so

20:39

then we have the 10th, which is going to be an interesting day. At 530, mother, dad and boy of Montrose are putting on a dysfunctional Christmas at Mary's naturally. And there'll be part of the lighting ceremony of the annual lighting of the tree there at Mary's. And then we have the 16th of December, which is Barbara Walker, who was running for Empress of the Royals and imperial court of the single star. How would you say recently, there was never sick eager, there we go. Who will be doing a show for us at chances that Saturday night, the 16th and the 17th. We were very fortunate in light of recent events that the sambucus have graciously agreed to continue with their show, which is being done in the honor of Geoff Cowan at 5pm on December 17. At

21:39

decades, that is the Sandy Hook and read. That is there won't be a dry eye in the house. I'll tell you, I know

21:45

it. And also on the same day at approximately 7pm I believe it is at Mary's naturally buddy Thompson who is also running for emperor, the Royal Sovereign Imperial single star is going to do the continuation of the Viva Dead Diva show and his show at Mary's and that will be called by this mother nature.

22:13

And we have yet another show that was being put together over an EJ days. Yes. People I guess Remember, we're on wheels over AJs now and Roxanne who is a fabulous entertainer who does a lot of Tina Yeah, they're putting together a show for the toy drive over EJ Wow. And they're actually asking their customers to bring in Toys unwrapped toys good for the toy drive throughout the month of December. So they're actually doing that at EJ. So I mean, there's things happening. We have toy boxes that we put around it most of the nightclubs in the city of Houston. We even have them in Galveston Mark and I drove down Friday afternoon to Galveston and took two of the boxes down to Galveston. So we have boxes from the toy drive in Galveston, so

23:04

any in any local businesses oh yes

23:07

definitely. Oh

23:07

definitely we've got basic

23:09

brothers all the leather shops okay.

23:12

Do you have any like any of the stores like Kroger or anything

23:20

that's that's still an avenue we haven't been able to get into this model when they see the analyte logo on it they still have a little problem sometimes but we've we've taken care of that we have we have one that just says in LA on it now so but we do have so many people stepping

up to the plate to help us out because I'm doing this when I first started doing this and we were just like doing it on our own and taking the toys ourselves personally to the to the kids and that if that didn't take you nothing would and so that just yeah as this is our one time a year to you know to help out and to let people know you know that yes we do do good in this community and this community steps forward and record numbers to help out with the kids

24:08

Okay, so at these at these toy boxes, they want unwrapped new toys or checks or how about money

24:17

machine? Yes also machine money

24:19

is a good thing

24:19

you know that you take the the crane machine train machines we will take those and it really does not matter if you're nine years old and you want a toy you don't care what kind of toy that is just about it just so you can hold it it makes you feel good. Yeah, that's all it's all it matters to teddy bears. Lots of teddy bears. Bears are good bears. And then, you know, holiday gnomes in the tropics is the theme of this. Trust me, that should be quite a festive evening, just say the least. And some of these choices, you know, do make it to a Galva stinted UTMB is not you know, Texas Children's I mean, we this is a very, you know, big effort, you know that they're doing nowadays. So I would say that the gay and lesbian community in the city of Houston is stepping forward yet once again, and we're so proud to be the conduit of that. So

25:15

if someone is if you're needing any certain type of toy, say girls toys or boys toys, what are you looking for right now? I mean,

25:24

right now, anything the the areas that we typically have a harder time filling requests are for newborns to about three or four years old, that we always have a tendency to have a tough time and, and those are the things that we do a quick run to Toys R Us at the end to purchase items to fill in. But as Brian touched on, these kids are grateful for anything. And it's it's amazing. The community that we live in, that has always been so supportive to HIV. And as the

disease has broadened into other communities, we have still been there. Very proud. And we're more so in absolutely in it in we are such phenomenal role models for other communities throughout the city. And I encourage others to to follow our lead.

26:28

That's good to get everyone involved. And like they said to be there. I mean, it's that's why we can't say enough good things about Houston. It's just so great to be involved in that. And I had the opportunity a few years ago of helping out and I've seen how many toys can

26:45

we fill up and you know, a spare bedroom in someone's home? Yes, we do. You know, and we have helpers doing that, too. It's not just us, you know, we have our membership and we have people you know that come to our monthly meetings. And so it's like, you know that, that helps you know,

27:01

when's your like your last day to donate and wrapping things up. So people know when when they have to give

27:06

our official last day will be the 17th with the closed down show at the SAM bukas K, we are going to write Yes, we'll be having you will be picking up the toy boxes that Saturday, however, except for the ones that will be at decades. And then we'll pick up any remaining toys and anything that comes in afterwards. Through the end of the year, which we did last year,

27:31

okay. And there were a couple of businesses and clubs that we've told them if you've got to, and major function going on that weekend, we can hold off a day or two to pick them up, you know, but so that way, we can get all the toys over two AFH. So that way they can, you know, sort them out and doing by you know, age and gender and things like that. So it gives them time to get them to Santa Claus and Santa Claus. It's right. That's right.

27:54

That's one of the things I have to comment on his last year walking into the warehouse over for AFH for the toy drives and seeing this massive warehouse filled, broken down by gender and by age groups. Just Toys after toys after toys. It looks like a Toys R Us store. It's great in the place. It was wonderful.

28:14

That is a good feeling. Yes. Gosh, thank you guys for doing that.

28:20

And of course, and if anyone would like to help out, we do meet the second Tuesday of every month or excuse me thirst club. I was thinking

28:36

okay, let's have that one more time,

28:39

second Thursday of every month at 7pm. And we we have our meetings right now with the potpie on Richmond Avenue, Richmond and Greenbrier. And it's kind of a general meeting and we sit around and eat and have a meeting and we're upstairs. So it's really nice. And isn't

28:57

that just wonderful, radical improvement over the old one.

29:01

Especially the upstairs because they brought a lot of the old Westheimer flavor. Oh, I

29:06

didn't know that. Yeah.

29:06

Nice. Isn't that the name of it? The old Westheimer room

29:10

is the old Westheimer room. And we're upstairs and we're there from seven to nine ish. So and

29:18

depending on how fast we can get through me

29:21

how verbose we are at evening.

29:26

I'm not gonna say anything. Too easy to

29:29

you. You've been through a couple of those longer ones. Yeah. So

29:33

say for instance, someone has some donations that they want to bring, they can come to that meeting. Right? Absolutely.

29:38

Or they can contact us through our, our website at MLA houston.org.

29:44

Is there a www Oh, yeah. Oh, yeah.

29:47

That was one of those. We actually have a website.

29:49

We also have a different mailbox which is NLA dash H at SW bell.net, which goes to all of the board members and whose phone number do we want to give?

30:08

Well pick one. I'll

30:09

give him mine. I can be reached at 713-807-8186

30:14

Wait a minute. Wait. People are writing that down.

30:17

713807818688 You okay, thank you. I would tend to see

30:24

that you know, on answering machines all the time, you know, it's like

30:31

and if you needed to obviously be on the bathroom while it married

30:37

next year at tilework.

30:41

Naturally,

30:44

you also do bartending? Yes, we do. Tell us about that.

30:47

We do that once a month, usually the fourth Saturday of every month later tonight, except a little technical glitch over the ripcord. We weren't able to have a cash register tonight. So we had to cancel out on that one. But those things happen. And

31:02

accordions, our home bars where we hang our colors for inlay Houston, which we're very proud of our home bar being the ripcord. So

31:09

you have your trophy case there. Yes,

31:10

we do. And we're proud to be there along with the misfits and the brotherhood of pain to call that our home bar nowadays.

31:20

Yeah, it's getting kind of crowded.

31:24

But that we like it that way. That's good.

31:26

We also bar 10, once a month at Mary's on Sunday afternoon. So the third Sunday, usually, unless there's an event and the other clubs are always nice to rearrange with us for that. And we do that. We've switched back to this six. That's

31:45

good. It's kind of Good afternoon crowd and the weather's been well.

31:52

Most of the time, the weather's good. It's nice to be out on the patio out there. It's not a smoke filled bar for a change,

32:03

to come out and share a drink with NLA. You also do, like carwashes

32:07

Oh, that was our little fundraiser for the Eastern Council of clubs. And we first were supposed to do that in September. And that was the weekend that the city council was rationing.

32:19

That weekend, we'd had to pay fines of \$500 per car.

32:24

We decided to cancel that will not wash this week. And

32:28

we did finally pull one off. Or even though it was about 70 degrees that day, we we still managed to pull in over \$300 for for what we did, and it was a good thing.

32:37

It's always great. Yeah. Yeah.

32:41

And we've done other things, you know, throughout the years, but you know, it's always just some way to raise money for the community. So well,

32:48

your tour drive is really excellent. And each year it seems to get better and better.

32:53

This year, it seems to have exploded on us, or we're overwhelmed. It's wonderful, wonderful.

32:57

And the amount of the community has stepped forward is just been amazing. I mean, people come up to us, handing us money check stuff saying I want to help out I want to help out. And you know, that's that just makes you feel so good. Knowing that you know that you're doing that you know, and that people are actually listening. The only

33:19

I think the only way to feel even better is that you end up having too many toys. Don't ever, ever.

33:30

Ever have too many.

33:31

Ask any kid.

33:32

We're talking we're talking about for the kids.

33:39

I was thinking about you know what, Jimmy? I know him. Yeah.

33:48

Any final comments, guys, I really appreciate you having you on here. I

33:53

just really want to thank the community for stepping up this year. It's been a phenomenal response. The whorehouse girls, the dead divas. Everyone, Sam bukas everyone the court EJBs Mary's on cord

34:09

out of our brother clubs and sister clubs. We really appreciate it. And I really appreciate being able to come on here and talk about it with you on the long run. Yes, thank you. So

34:18

what I'd like to do is maybe in a few months, do a follow up show and see how you did on this year's Tour dry would be

34:24

terrific. We'd love to it's always a good time to come in and pick on Jamie so we don't worry. We don't have our Friday afternoon teas anymore.

34:32

That's right. That's right. Well, tonight has been an spectacular I started out with Bob out and then I ended up with you.

34:38

Hey, best fillet. You started out with 15 and it was 10

34:53

How do we end on that note we can and for next month we're gonna have a special show. It won't be any end The title of interviews is could be all music. Because it's Christmas. That's right.

35:03

That's right one month from now, as a matter of fact, people who listened to this show for a very long time know that all shows in December I only play Christmas music by gay artists.

35:18

So we may have a couple oddball songs. Oh yeah. Oh yes. Yeah, there's some good ones out there. Yeah, I'm

35:24

sure grandma still been running over so

35:28

I'm more along the lines of Rhonda the lesbo reindeer. That's an actual song to
