J

Jimmy Carper 03:58

museum opened this weekend. That's right. Yes, it did. Thursday was a pre thing. And Friday was like a thing, the grand opening and you know, we've had about 150 people come through and yeah, okay. Yeah. Before we get any further I want to tell people about the music because it's new music to the show and probably to the state. Because Jeff Krasner, his new album called maybe his is just out now and that was 110 in the shade that my soul Pepe number that was good. Yes. J

Jimmy Carper 05:15

Jimmy Carper 05:15

What do people do? Computer shows? What do they say? triple triple dub. I like that word. Is that in reference to George Bush, the lessor

Peter 05:30

or triple dummy and plus triple w.com stroke. Reference.

Jimmy Carper 05:37

Okay, probably a good idea a very, very good idea kind of music you

Peter 05:42

have for us tonight.

Jimmy Carper 05:43

I've got a lot of pride music a lot of nice peppy music happy. Yeah. So this is pride month. We need to talk about why we Why do we marched on the last Saturday of the month of June.

Peter 05:58

It's in memory of the Stonewall. Haha.

Jimmy Carper 06:01

And what happened there?

Peter 06:03

Oh, is this a town? Yes. This is a we find these to happen setting that footage.

Jimmy Carper 06:10

Yeah, yeah. stuff. Yeah. We don't like that stuff. Enough of him. Yes. Yes. Then some just beat some drag queen through high heel. And then everybody went wild. That was it. Before you know what they were pulling up parking meters and turning over police cars. And they just had not yet had enough. Had enough. And so that's

P Peter 06:31
you're sick and tired of being sick and tired.

J Jimmy Carper 06:34
And we that's a kind of a tradition or something. We we celebrate that as the beginning of the modern queer rights movement.

P Peter 06:48
That's it. That's it. So die pass. You pass. Oh, God. I was worried there for a minute.

J Jimmy Carper 06:55
Well, you know, so many younger folks don't know anything about Stonewall

P Peter 07:00
party and you got to know your history. Your

J Jimmy Carper 07:03
parents. Yeah. Yeah. And that is a party. It's a celebration. Yeah. You know, it's we get knocked around a long way, baby. Yeah. Yep. And we're going

P Peter 07:11
to celebrate? Yes. And be proud. Yes. And have all kinds of pride and run up and down. Westheimer. As if they didn't do that every other week. God Yeah.

J Jimmy Carper 07:24
Well, that's a different kinds of different kinds

P Peter 07:26
of screaming. That's it. Oh, there's 130 some odd? Yes, yes, I was talking loads walking car.

J Jimmy Carper 07:35
— — — —

Talk to Jack Valinski. Today. He was at the museum. And they're all ready to go. Everything's set up. And it's just kind of pride committees done their work. They're just kind of floating until the parade day.

P

Peter 07:51

30 Yeah. Yeah, you were at the meeting this last week to get the final instructs. Yonis and all that, or did you send No, I

J

Jimmy Carper 08:02

didn't. Rainbow de cloud was there.

P

Peter 08:05

I saw rainbow Decleor. Yes, yes.

J

Jimmy Carper 08:08

He's always there. Well, you say I don't want to give it away. But the museum. The Gulf Coast archives and museum will be doing something with rainbow in the parade.

i

08:20

Ah, ha, yeah.

P

Peter 08:22

I see. So there were lots of people. Lots of people, lots of Yes. And then of course, we saw on the paper this morning is eminence.

J

Jimmy Carper 08:31

Which one? The reigning mayor? Oh, yes. He's gonna be it's gonna be and there's been discussion after discussion about was he the first mayor or not to ride in the gay pride parade. Because some folks believe it was Kathy Whitmire. And some other folks feel that she was she rubbed it in the parade, but she's come she was controller at the time. She wasn't mayor. So who knows? Who knows? Well, somebody somebody No, no,

P

Peter 08:58

I don't remember part of this history museum.

J Jimmy Carper 09:00

I know. Well, we know what people give us. You know that. That's that's what this museum is about. It's about collecting materials from the gay, lesbian, bisexual and transgender community. And I might add, we have something for all those four groups and their museum right now. It's kind of we got a timeline going from the early 70s through year 2000. And we only have you know what people give us and so we don't

P Peter 09:32

have anything archivists that would know who wrote and prayed and who didn't,

J Jimmy Carper 09:36

well, well. There's somebody out there knows

P Peter 09:38

somebody out there knows maybe somebody should call us if they really know the right answer.

J Jimmy Carper 09:41

How would we know that they know that they're not

P Peter 09:45

there yet. Maybe they were with them in the car and look who just walked into the studio. Yes. Our official photographers just curled Olympus chains. Ah, what was going on with the crew have a look The best selling beats all the riches. Oh everywhere dance. Oh, okay, they're selling beats.

J Jimmy Carper 10:08

P Peter 10:10

J Jimmy Carper 10:14
Yes. That is definitely supposed to be orange. Well,

P Peter 10:19
it's gold. It's pretty well that's cool. Oh, I'm sorry. I would just wear the same color but that's okay.

J Jimmy Carper 10:27
It's like a necklace. And they are color. They're they're kind of that metallic color and the golden the orange glow close ally. Hey. Yes, no, there's no silver in the fenders.

P Peter 10:48
Yes. Oh, come out. They gave in Korea. Yes.

J Jimmy Carper 10:53

P Peter 11:16

 Peter 11:10

together by by another coal 45 or something. Okay, then I know. I saw the other thing and I can't remember but it was written up Yeah. But yes, that's also to be me. Yes. Yes. That'll be that will be fun and oh, there's just things thing Oh, yeah.

 Jimmy Carper 11:31

Oh, every night this weekend, every every night last week and the news and the whole team is going well I think that's about over but there's still stuff going well yeah, if you have k bar it's gonna be going on Yeah,

 Peter 11:45

we started this thing in the beginning of June I mean, this was like a celebration a month long. It is

 Jimmy Carper 11:49

it is it is pride month. Well it is I have to stop saying Pride Week because it's our pride month. It it is it is and for and it will always be pride month because of the event that occurred June the eighth that is when the sodomy law was struck down in a in a an appeals court here in in in Houston. Wow. Yes. So it's gonna be

 Peter 12:18

heterosexual men and women can Yeah, they think they've always wanted to do

 Jimmy Carper 12:21

no absolutely they always could. It was a no no no, no, they changed it in the 70s to to exclude heterosexual people from all of those fun things but oh I say lewd to proper. Oh, yeah. Only if it was a prelude I mean, you could have horrible and sodomy or annual sodomy only if it was a prelude to the missionary position. I love

 Peter 12:47

that's included. You didn't lose

 Jimmy Carper 12:50

right lose you have to wait till morning. Anyway, anyway, June the eighth is the Texas gay and lesbian Freedom Day,

P Peter 13:04
though. My word. You're just a absolute Wellspring

J Jimmy Carper 13:10
and I predict that the pride festivities for from now on will start on June the eighth. Really celebrating that. Yeah.

P Peter 13:19
Won't that be fun? Yes, it well. Yeah. So oh, this is gonna be to 530 some entries of amazing screaming down Westheimer Have you

J Jimmy Carper 13:27
seen or another have you seen the pride guides to ride guides are very new ones only saw one that was in the the triangle as is now is like a tradition. And then this really slick glossy magazines, obviously

P Peter 13:44
glossy. Whoo. Yeah.

J Jimmy Carper 13:46
I mean, it's this is this is uptown.

P Peter 13:49
Evidently, a lot of people around the country knew this was happening because I've had two people, right and asked me to send them. Oh,

J Jimmy Carper 13:56
we've got a bunch here in the lobby for anyone who, who can't

P Peter 14:00
find one who used to be here with us. And

J Jimmy Carper 14:03

yes. Oh, yes. There's a wonderful write up of Jack Jackson, who has been a hard working individual in this community for years. Fundraising behind the scenes stuff, fundraising, being on board doing this doing that? Of course, there's there's an article about Ray Hill and the usual stuff about all of the triangles and stuff over the last few bad couple of three issues. Yeah, we got big stuff we got we got stuff going on this pride thing. Yes. Whether we got

P Peter 14:34

Well, we're about proud to be gay. Why we indeed should be proud to be gay. We shouldn't be proud to be gay. Because we invented most of the things that make life worth living like art music literature. anabran. Well, that's true. That's true. And without us there will be no sarcasm. That the truth like Martha Stewart would go unpunished. We're really, really proud proud, because we're important politically and sometimes we're plaid today and we're proud to we're really proud that to this this month we're really proud and we're really in because we're important politically. Yes, we are all we're very we really are. Democrats love us. And the Republicans fears and the Reform Party he's too busy trying to keep Jesse Ventura under control. Don't have much of an opinion about anything right now. I say yes. Straight people look to us to set the styles. Oh, yeah. And if it weren't for us, they'd all still be wearing those silly leisure suits, which we are not responsible for. I'd like to go on record now. We are not for the seafoam green dress. No, you don't see drawings and see now

J Jimmy Carper 15:43

are all those those those pastel pant suits that no little always wear?

P Peter 15:48

And we should be proud because we are an essential part of a healthy economy. Oh, yes. Communities I resource somebody and we're resourceful and optimistic. Yes, we are. And If life gives us a lemon, not only do we make lemonade, we make lemon daiquiris lemon chiffon pie and save the leftover lemon peels for popery. We make great neighbors. You'll never find junk dados in our yard. off chance that you do trust me. It will have been turned into a lovely flower filled planter.

J Jimmy Carper 16:22

That's right. And I've seen one Yeah.

P Peter 16:26

We're artistic. He was a glue gun and some sequins and three minutes and we'll give you beauty

16:31

you bet we'll give you

P

Peter 16:35

we're kind of straight people. Yes, we should be even the ones with bad haircuts. We've drilled the best parties. You bet. I mean, without us parties would consist of nothing but cheese was in Tupperware. were loyal and supportive to our musical icon. Long after they passed their UI out through the diva outreach program. We keep giving work and meaning to the lives of many entertainers, like Diana Ross and Liza Minnelli. And last but not least, we are tolerant and accepting of everyone. Even those bizarre freaks of nature, like gay Republicans. Oh, I did it. I did it. I did it. He did it. I had to do that last little thing. But that's why we are proud. And my most favorite one of those Yes. Is the one about I think it's just where we're we just make life for live. music and literature and art and brands. Cute. Martha Stewart never gotten punished. I think that's just we're just so proud of ourselves. We could just

J

Jimmy Carper 17:51

Yeah, we could. But we're not gonna say it. But we're

P

Peter 17:55

not. No, no, we're not gonna say that word one more time because you already said it twice. And it's shot.

J

Jimmy Carper 18:03

Oh, yes. It's Peter Knight. Is Peter Knight.

P

Peter 18:06

You Well Peter slips every now and then and says one of the seven asks. Well, yeah,

J

Jimmy Carper 18:10

sometimes it's good when Peter slips but

P

Peter 18:15

Yeah, hang on. That was gonna be a cute moment. I'm just not going there. Yeah. I have some

statistics. Oh, okay. But I will announce this again later on. Okay. There's been a great survey. Great poll taken. Large poll taken. And survey data shows that 95.6% of Jews approved of Janet Reno's retrieval of Elliot Gonzalez. Oh, really? They knew what it was like to be trapped in Florida with relatives. Yes. Yeah. Friends. Let me just do fun. She said Please, please. I have something for your airtime. Yeah, that'll work. Yeah, yeah. So we're just proud and happy. Branching and lensing and making pretty things and we're just having too much. We are having too much fun. Well, we just are Yeah, and I can hardly wait for the brain.

J Jimmy Carper 19:08

And let's see what else Oh, if you want to be and you should find get with a group that is something because there's nothing like turning that corner under Westheimer. Yes. Starting down that street. Yes. With these cheering throngs of

J Jimmy Carper 19:46

1000 1000s they expect the 100,000 people Yeah,

P Peter 19:51

I mean, time you work your way down Westheimer little ways. I mean, oh,

J Jimmy Carper 19:56

and when you get to that curve by I buy the Hollywood Video and

P Peter 20:04

he just go ball. Yes brings a tear

J Jimmy Carper 20:08

in the screaming and the caring. There is nothing like there's nothing like it

P Peter 20:15

but all the prey but lots of more. And this is like family. Yes. Okay. Yes. Yeah, I was just too fun. It is

J

Jimmy Carper 20:22

P

Peter 20:32

Yeah. Well, we watched it a number of years we've been in years and it's far more fun to be in.

J

Jimmy Carper 20:36

It is far more fun to be in it. Yes, it is. But

P

Peter 20:39

the only thing I hate about being in it is yeah, I'd like to see the other stuff. You don't. Yeah, you never get to. Yeah, I'm sure I'll get a chance. Yeah, see all that. And I'd like to like

J

Jimmy Carper 20:50

unless you're in a really in the very front of it. You know, I got to do that one year.

P

Peter 20:56

We won't go into the ground. God knows about that. Anyway, yeah, that was that was some exciting.

Well, that is hot coming to a dead end to extensions are over. Well, I found out that the only thing that the IRS hasn't tax lately, yeah. Is penis. Oh, yeah. They'd haven't done that yet. Well, this is due to the fact that 40% of the time, and they're, you know, it's hanging around unemployed. 30% of the time, it's hard. It's hard up, and 20% of the time it's built off and the other 10% of the time, it's in all, so they haven't maxed out yet, but effective January one 2000. Yeah, yeah. Yeah, they are. They're going to be taxed. They're gonna tax your penis XP and so, and the brackets are as follows. Okay, okay. 10 to 12 inch is going to be a luxury tax. Well, oh, and eight to 10 inches is going to be a poll tax. That's a poll, all right, and five to eight is going to be a privilege tax. And four to five is going to be a nuisance tax. And males exceeding 12 inches must file under capital gains. And anyone under four is eligible for refund. Oh, ouch. And don't ask for an extension. Yeah. Oh, please don't. Have you snap on? Yeah, that'd be a whole new program. That's a different tax. And still issues under consideration. Yes, yes. With this tax are they're still debating this in Congress as we speak. Are there penalties for early withdrawal? Oh, I hate that. And do multiple partners had countless Corporation and our condom deductibles weren't close. That's the last thing we need to figure out today. Just a little something that our research that

J Jimmy Carper 28:25
they were hard

P Peter 28:26

talking about the condoms as workflows?

Peter 28:52

Yes, indeed.

Jimmy Carper 28:53

Well, there's something else going on with condoms here. You know, condoms are now having brand names. Brand name brand name condoms. You know? Well, not the ones that you've heard of. Oh, these are new ones. These are these are all kinds of companies you know, because so many people are using condoms now that everybody wants to get into the into the business you know? And so we're thinking about okay on rib and tickle Yeah, that's right. You know, and all these other companies that make other products are going to start making condoms and diversify. Yeah, and I guess they're gonna still use their their their slogans, you know, the slogans that you're that they normally use they normally use for the product that they sell like, Nike condoms, or just you know, they're gonna still have that slogan of just do it. Just do it with one of our Yeah, and if toy Toyota puts out condoms, it would be Oh, what a feeling. Yeah. They're diverse. Now, Diet Pepsi. I would put out a condom and it would be you got the right one baby. Oh it's great billboards all over yeah and secret deodorant condoms secret deodorant? Yeah strong enough for a man but made for a woman isn't

30:15

where did you find

Jimmy Carper 30:16

well you know your research, right that's right. And KFC condoms you know what that's gonna be finger licking good yeah and

Peter 30:32

they're just gonna be fried chicken

Jimmy Carper 30:34

and Campbell's Soup condoms oh there we go here

P Peter 30:37
