Six of the number ones on layaway. I promise we'll have it next month. Sorry. Let's throw that number at them again.

00:19

Okay, the proper number is

00:21

713526572338. Tommy write it down

00:34

5738

00:38

For those of us who

00:38

don't know, tell me.

00:40

That number is 35265738 Yay, somebody's got it. Thank you. Thank you.

00:49

Okay, so now our topic is Pride Month and start off Pride Month. We had hatch prom today and it was really great. Yes, it was and we're lucky enough to have the hatch prom king and queen in the booth.

01:05

Yes, we are now DJs for this segment of the show.

01:10

I would be king we are always special. Justin here. Sparkles is queen, the queen. It was really great. Leslie ran for King but she wore a dress so she's

01:23

not nominate a person into a king section. Okay,

01:27

that's okay. You can be the honorary princess. Oh, I like that. That was me.

01:34

Now we're fighting for honorary prison.

01:38

Okay, so Leslie. Yes. Your dad's here.

01:43

Oh, no. Are you?

01:46

So? I guess that's enough of Lesley.

01:50

Bring them in here.

01:51

Oh, yeah, that's fine. That's fine. Funny, so I've never met your dad. Yeah.

01:55

Okay. Your dad he's not gonna be on the radio is about to meet him.

01:59

All right. Okay, so how did y'all feel about hatch prom today? No comment.

02:06

No, come

02:07

just in comparison to last year.

02:09

I mean, well, yeah. Last year.

02:12

But like I mean, last like it's I don't know. I don't know just attendance has dropped in hatch. I don't think so drastically since last year.

02:18

Yeah. So come join hatch. It's fun there three

02:20

times as many people that's why we're on the radio here.

02:23

How often do you get on the radio? Hmm. If you're not enhanced, you can be on the radio. So well, I thought it was okay. My favorite part was the talent show this year. It didn't drag on for like eight years. Go Kwame Kwame did an excellent performance to vo taken off all kinds of clothes

02:44

by money. And Tommy did a wonderful interpretation.

02:51

Yeah, it was To Kill a Mockingbird by Harper Lee. And we got Leslie's dad in the house.

02:55

Hey, Dad. Hi. You want to come and say something? That'd be my daddy. Okay. Want to ask him any questions? Anybody?

03:11

Do you put up with her?

03:15

We can hardly put up with her. Like every show. Every Friday is stretching it and we're like, oh my god. No, stilettos.

03:28

Yes. Um, for those of those of you who don't know, I'm four feet nine inches. Even with my heels. I don't reach five reasons. People don't come knocking at my house because my mom's even shorter than me.

03:47

One point for every inch, you're tall.

03:51

Nine, Hey, before my GPA would count on that.

03:55

Can I jump out here for a minute? Because I'm of the older generation. And I think it is really cool. That Leslie dad supports her. Yay. He got round of applause. Yay.

04:11

We love daddy.

04:12

Okay, so hatch prom isn't the only thing that goes on in Pride Month. Since y'all don't seem too thrilled to talk about this year this pen.

04:23

So that was really cool. I mean, I didn't get to go last year. I've been doing hatch

04:27

for a year were pretty good.

04:30

Yeah, I like those

04:31

little hamburgers that were like sandwiches and hamburgers at the same time. They were cool. They were sad burgers. Which is they were

04:52

disguised as I liked it. It looks like a girl kissed me and I'm so against your titties. bleeding blood

05:04

it's better than lactating Are you sure? No, that's why Tommy would know about work one day and someone was telling me about trying on bras or something. I was like

05:27

Tommy, do you like it? homogenous?

05:31

Okay. Okay, so now we're back to Pride week. Next week is the pride parade. Hatch has a float this year is here. Yeah, that's exciting. I wonder how many of y'all are y'all gonna march in it? Oh, yeah.

05:45

I'll be comfortably sitting on the float. Of course I'm gonna

05:48

look at Port David not being able to walk. Minus 8.0 No,

05:56

look at this thing. You look how large are people are?

06:01

Just so you know. Points are a big thing on the radio show.

06:05

Tommy's voice alone. Over here. Do I leave my voice alone? Because I'll be on that. I wish everybody at home could like see this. But I don't know. What are these desperate warning warnings?

06:16

Okay, it's naturally loud.

06:19

He listens. He's going off a little record. For meter squared, Justin. Don't study.

06:29

Okay, but are y'all looking forward to the Pride Parade? Yes. Last year was so much fun. I had a lot of fun last year, I'm gonna bring some

06:37

off. There were a lot of people there last year there was and we didn't even have a flu.

06:42

In there. Mom was there. I know my mom was there. My mom was here last year.

06:49

I remember it was I don't remember if it was last year or the year before that. I marched with my brother in the parade for something Republican. Okay. Oh, really? log cabins. Do you love that one?

07:00

Banana Republic.

07:06

We're not gay. We just dressed that way.

07:10

Yeah, that one.

07:12

Oh, no, I'm excited. Last year. It was just a blast. I had fun.

07:18

Yes, it's always fun. All right, definitely.

07:21

Also talk to Carol because right Tommy, we're gonna start working on a float and we're gonna need volunteers.

07:27

Oh, yeah. Starting tomorrow. Coping not tomorrow. But Monday, Monday. Yeah, cool people

07:32

meaning those who have time people only said Do you know what we're going to do with the float yet? Because I know. I know. We have the balloon arch because I'm going to build another balloon arch. Yeah. People need to help but I have a microphone. Thank you.

07:47

We also have to build a platform to make the whole ramp thing and then on there.

07:54

We can't just buy one

07:59

like pitched in some money or to buy this stuff. From there yeah, those

08:06

of you listening who want to pitch in

08:09

my Platinum Amex donations are welcome.

08:12

I'll put it on my visor. If it's okay with

08:19

you God sad joke.

08:26

It was really bad. Remember? We're

08:28

not laughing at the joke.

08:32

No, we're not laughing or laughing or near you.

08:36

That's even worse cover.

08:37

Are we writing the phone? Are we walking next to it? Both

08:42

exercise

08:44

building one day you're not gonna get who's cute? That's George.

08:47

I know this you 50 As far as I'm concerned,

08:50

you are knowing how many ugly superstars Do you know? He's attention

^ ^ - -

08:57

as far as I'm concerned. What Carol was talking about was that we were gonna like people were gonna get on for something walk for a little while and then once they tired got tired, they were gonna switch you know? They do have to build that platform on the thing that's gonna start on Monday I think we're gonna go shopping for stuff and Tuesday so all those books guys and hats could come and work and

09:23

shop shop but I'm like curious Okay.

09:27

In the book girls could bring lipstick chicks

09:34

could just go shop shop. Shop. Okay, so refreshments. It's time for

09:43

all of y'all serving you water now.

09:46

It's time for so be quiet. Okay, we're gonna be listening to erasure. I forgot the name of the song but it's cool. I bought the CD this like sometime this month, and I don't buy CDs Very often so it's really sad so no, I didn't pay for erasure it was GEORGE All right, so off with your microphones. Y'all can't talk anymore. Ooh, but we can y'all suck. So it's time to play eraser. Okay, good job eraser. All right, we're back on. First song was erasure drama. I finally figured out the name and I had to listen to the song to remember the name. I love when I do that. And then the second song was Tori Amos. What song was it? Northern that. Okay, that was for Candace. Yeah. Candace, you better be listening. And when you get here, you need to come inside the booth. Okay. And then I bought another CD. And it was George Michael, the best of George Michael, ladies and gentlemen or whatever. And that was faith because I like George Michael to I played wham once. And you know, he's kind of cool. Okay. So we have a new member Leslie left, who she forgot the radio station number. Like, she didn't realize it was 90.1. Good going, Leslie. But now we have a new member in the booth. It's Chris. How can you do? Chris has been on was on the radio a couple of weeks ago. Promoting hat. Prom. Yeah. And we're

11:31

breaking it up in syllables here.

11:34

Well, I think the guy who was interviewing you had kind of a crush on you. Oh, what? Oh, my God,

11:41

whatever.

11:44

See how he can then have a decent?

11:46

Well, I got one. So thank you very much.

11:50

Okay, so this is hatch our All right hatches, Houston area team coalition of homosexuals. Meet Friday nights and Sunday nights. If you need to get a hold of us. It's 713942700 to now if you want to call us and be cool like that. Our number is 7138 Jan KPFT. And what's the numerical number? Just 135265738.

12:19

Good job. It didn't take eight times this time. Okay, so. Okay, so we've talked about three different things. Were you listening in your car, Chris?

12:30

Unfortunately, no, because I was wandering around Shepherd. Oh, whatever. Kansas City Kansas sent me looking for Taco Bell on Shepherd and Westheimer. And I could not find I'm sorry.

12:39

20 duction. That is minus 10 points.

12:42

Listening to the read. It's my birthday. So I get those 10 points back now. Okay.

12:46

You get five points for a birthday again. Okay,

12:49

it was my birthday yesterday, but no one's celebrated it so celebrating. Celebrating someone feels I feel very neglected. Thank you very much. I need a hug. I need a hug. This

12:59

means we only have one more year to deal with Chris and then he's gone.

13:04

Oh, no, no, no, honey. I'll be there in the shadows.

13:09

Yeah, Natalie, like Chris shadows. And okay, so we've talked about three things so far. We're starting to listen chapter and Houston. How do you feel about glisten? Yeah. Do you know what they are?

13:22

Do you even a lesbian student? I don't know exactly what the Education Network. There we go. I couldn't remember what it was. But yes, I've heard the s doesn't doesn't. You have H already have one?

13:35

No. You have H has blog global, global global and that's different.

13:43

With Harris I'm sorry. Global is more like

13:44

a hedge kind of thing. It's more of a support group glisten is more of a political action kind of to help make school safer for us students came last minute, okay.

14:04

Hey, you just gave me the upset.

14:09

Okay, our second topic was prom. How did you feel about prom?

14:12

Well, I had a lot of fun. It was nice not going with an ex this year. Because those always ended up in the rehashing of a really bad relationship.

14:26

The king and queen were fixed.

14:28

Yeah, I really do too.

14:30

Yeah, you know what, Freddie? No one cares what's gonna vote for

14:33

what's gonna be really screwed up is that when we win next year? You're not gonna win next year, even though they don't let us well so well gonna be just gonna write us. No,

14:43

no, you're just gonna be holding on. I have

14:46

to ask if you do you think if they had let April and Kwame run again? Would we still have the same king and queen? Yes, we

14:53

would. Yeah, Kwame, at least Yeah. Because well, I was there any doubt that she wouldn't win the talent contest? Even just she could have just not even performed Swami she could have just stood up there and sat back down

15:10

should be a talent for whatever Teddy

15:19

Kwame Kwami ran up and hugged my dad and my dad. Yeah, no recoil

15:23

we all dare to it's like, I dare you to go up there and give him a big ol

15:27

hug. And you know, my dad's a pretty decent guy. And you know, he accepts me and you know, but Kwame, you know, that's Kwame. He's kind of you know, pushing my dad to the limits type of person. You know,

15:40

I was really proud of your dad. I mean,

15:43

I mean, smack him but

15:46

my dad got this look on his face. Like he was like, Oh my god. He's a real

15:52

cool to have both of your parents at hedge. Paul. Yeah. Your mom your mom. Yeah.

15:56

Well, your mom is hatch. Oh, no. She's

15:59

famous for being too. She's what part of glisten too right? Yes,

16:03

she is. Yes.

16:04

You gay group. Who's the first to sign up

16:07

your mother? Your mother? I was not

16:10

even expecting her there. Oh, really? I was like, I walked in and I was a little late. And I was like, that looks like Cindy hair.

16:21

My mom has a lesbian haircut. According to Chris's mom. That's Miss Tony.

16:27

Oh my god. My mom is so gonna kill me for you saying that? She does. She or she did yeah, actually. She is

16:34

no my my uncles. Yes. My mom's Chris's mom. My uncle's used to make fun of my mom and say that she had a daycare cut. So that's okay.

16:43

Because my mom now has. She has a very short hair cut also because of ever, ever since she had chemo and she's been out of that. Now to her hair is very, very short like gym teacher in short.

16:54

Now that is everybody's business. Mama's Boy.

17:01

Did anybody else have anything to say about prom? Friday? This was your first prom? Yes. Did you enjoy it? Yeah, actually did didn't even go to like his school prom.

17:12

I never went to my school prom.

17:14

I did. This was my first prom. This is my first phone.

17:18

Did y'all enjoy it? And David, this was your first prom.

17:25

I don't want to say anything and fear of offending too many people.

17:31

See, that's your problem. I don't have that fear. That's the deal with Bambi

17:40

lane. I know that y'all Y'all said oh, there were a lot of old people there. But I thought it was pretty cool that you know, shell C shell group came out because they had donated came out officially, ya know, that they were there, you know, and all the people who donated money that

they came and showed their support physically? Yeah, not just monetarily that think that was pretty neat to actually put faces with all the money that they give us.

18:08

Having all of that I mean, and then actually seeing like the people like getting to meet what

18:15

did the computer Say? Said Lesley. Okay.

18:20

You know, like the girl that was just

18:21

glowing. And that they you know, they served y'all and helped decorate and all that was fine. Didn't have to pay

18:30

really good cookies. I was I was kind of upset that I didn't get to come early and decorate because I had work

18:37

and could have used you We blew up over 200 below. No,

18:40

you wouldn't have any helium. You wouldn't have have you wouldn't have had any helium left. We could

18:48

talk about Ron.

18:49

Yeah. I'm a good too for Thank you...

tean, I'm a good job for thank you.

18:53

By the way, oh, Leslie is online something or other? Good job. Oh. And then they're gonna do that and that. She's and Leslie.

19:05

I don't want to talk to her.

19:07

Oh, well, she's not on yet. Because we have people

19:10

pushing buttons for us over here. Yeah, we

19:13

enjoy. I love buttons. I wanted to push all of those long.

19:26

Question for everybody. That went some wrong. Okay. What does everybody think about that man who was walking around?

19:36

Nobody knows where he was from

19:38

with the blonde wig and the moonshots nobody knows who he was still to this point, not even the facilitators? Nobody.

19:45

I didn't see him. Actually that that man. I mean,

19:49

other than me doesn't scare any

19:51

of y'all. Literally. No, he probably

19:53

less than that. Chris is getting a lot of attitude and you can't see him and be lucky but you need to let him speak Lesley. like that, that that person actually is I don't know what that person's actual job is or a position, but I know that he hangs out at Crossroads a lot also. So I think he was just there because he saw probably a flyer, but I don't know how he got him.

20:26

First it might just be someone who was hungry or someone who just needed you know, food or a place to go. But what he might have found out that he actually paid 20 \$20 You know, you could get food a lot cheaper. Well,

20:43

yeah, I mean \$20

20:46

with the blonde wig and dress, thank you, thank you. Yes, go you run the dress. And honey they work with fabulous. Okay, so

20:56

Chris was

20:58

Scott and he's a regular here on the bisexual segment at the first. You

21:04

okav. good job.

...say, you know...

21:06

Now we know and knowing is half the battle.

21:10

Okay, so our third topic now Chris was sent you have two minutes to talk then we'll do shout outs is pride parade. How do you feel about it? Are you excited? Are you I'm very looking forward to it. Are you? Are you about to pee your pants? Are you jumping up and down?

21:27

I'm really excited. Because this is going to be my first parade that I'm going to be in a wheelchair. Because I am going in for surgery this Friday of a personal nature and playing the bio now I'm not asking you something. I'm just saying this gonna be fun because

21:46

Oh, dude, I know how to push on the button stuff I want to do.

21:50

21:52

21:55

22:22

But my tag was a lot bigger. Okay, anyway,

22:26

let's stop comparing. Talking about what do people think we're talking about you dirty minded little.

22:32

People. Okay, big tech. 20 seconds to talk about whatever.

22:39

I will turn your mic off your man. Button it is.

22:44

Oh really? Yes, I do. Which button is it? It is which one?

22:54

No. Okay, well, now it's time for the shout outs part of the hedge Radio Hour. And who's going to do their first shout? Which that was just okay.

23:09

23:24
