But then there was this article about how they said it was for women only and that got them into some had troubles. Oh, that now I can go to? Yeah, the rainbow. Well, they're all there. And there's I went by the back. I haven't gone on the backside of the street. Do they have valet parking? Oh, so I know. They're all there. Yeah. We'll play it for me anyway.

J Jimmy Carper 09:03

Well, this will be informative and for for gay men and women who don't know, you don't have their straight guys are you know, they have this thing for lesbians. So, you know, this will probably give them a couple of hints on what to give their favorite lesbian friend that you know, kind of get in good with them. So then that later, they can come and go and go and take pictures and whatever it is. Okay, there's guys out there play. Okay. Let's do that. And then we're going to play and we've got a, a well, it's not a new segment, actually, in the second half, because we've kept the segment for the segment for the last five years. So we're just having it anybody in it, the leather segment. And now we have some we have someone and someone who you know as I do, yes. So maybe you can feel you know, can you have any dirt?

Jimmy Carper 11:11

Okay. Oh, yeah. Before we go to that, yeah, I need to say the mentioned music that we played in the in the beginning of the show that you screwed up. I screwed up from my good friend. Jerry. True soul. He's now half of this group called true soul Tru Sol. They do. Great, great, great music. And this is from their self titled album. It was your a little too late. And then halfway through on top of that, I put this new song called the drive by John Gilbert, leave it LDA v i t t. It's kind of this. It's a kind of a new gay anthem. You'll be hearing it a lot more. So don't worry about it. It just brings up kind of Gay History throughout the song. It's one of those kinds of things. I really liked that anyway. For those straight guys. Here are the lesbians with the 12 case of Christmas. Finally KPFT Houston and ke O 's College Station. This is after hours. The queer sound at work, oh, there we go. **J** Jimmy Carper 14:11  
I've got one No, I don't know.

**P** Peter 14:13  
I got Can I can I do my little my little thing that I got that somebody sent me that I thought was really really Yes,

**J** Jimmy Carper 14:18  
yes. Yes, it's your show. So as

**P** Peter 14:24  
as a joke My brother. My brother used to hang a pair of pantyhose over the fireplace before Christmas. And he said all he wanted was for Santa to fill them. Well what they say about Santa checking his list twice must be true because every Christmas morning, although Jays kids as a brother. Stockings were just overflowing his portal pantyhose, hung sadly empty, increasingly threadbare. Well, one year I decided to make his dream come true. And so I put on sunglasses and a fake beard and went in search of an inflatable love doll. Whew. And of course, they don't sell those things at Walmart. So I had to go to an adult bookstore downtown. And if you've ever been to an X rated store, don't go. You only confuse yourself. I was there almost three hours saying things like, what is this do and are you kidding me? And who owns that? And the they have a phone

**J** Jimmy Carper 14:30  
I don't know. I don't know. I don't know.

**J** Jimmy Carper 15:18  
number? Oh yeah.

**P** Peter 15:22  
I made the inflatable doll section I wanted to buy a standard uncomplicated bow suitable for a night and romance that could also substitute as a passenger by truck so I could use in the carpool lane during rush hour. And I'm not sure what complicated what a complicated doll is perhaps one that is subjected to wild mood shifts and using your friend's French accent for no reason at all. That also describes a few ex girlfriends. Anyway, finding what I wanted was difficult love doll come in many different models. Yeah, well, the top of the line according to this side of the box, could do things I'd only seen done in animal husbandry class. So I figured vibro motion. Oh, that's the one for me was a feature that Jay could live without. So I settled for lovable Louise. And she was at the bottom of the price scale. To call Louisa doll took a huge leap of imagination. But on Christmas Eve with the help of an old bicycle pump Louise came to life

**J** Jimmy Carper 16:23  
saying you know that's that's what for me to my bicycle pump.

**P** Peter 16:31  
Event. Maybe you blog Louisa? My sister in law was in on the plan and so cleverly left the front door key under hidden under the mat and the wee hours the morning long after Santa had come and gone. I snuck into the house and filled the dangling pantyhose with Louise, plant legs to the bottom. I also ate some cookies and drank what remained of a glass of milk on a nearby tray and then I let myself out and went home and giggled for a couple hours.

**J** Jimmy Carper 16:55  
That's funny. Wow,

**P** Peter 16:57  
you haven't seen anything yet. The next morning my brother called to say that Santa had been to his house and left him at present that made him very happy, but had left the dog confused. He would bark and start to walk away and then come back and bark some more and I suggested that he purchased an inflatable Lassie to set rover straight. We also agreed that Louise should remain in her pantyhose so that the rest of the family could admire her when they came over for the traditional Christmas dinner.

**J** Jimmy Carper 17:25

Oh yes. Well, it

P

Peter 17:26

seemed like a great idea. Except for the fact that we forgot grandma and grandpa would be there. My grandmother noticed Louise The moment she walked in the door. What the hell was that? She said, My brother quickly explained to Powell who would play with something like that granny snap. I had several candidates in mind but I kept my mouth shut and good wear clothes granny can. I hadn't seen any in the box but I kept this information to myself. Why that Turkey shirt smells nice gray. J trying to steer the old lady out of the dining room. A granny was relentless. Why didn't she have any teeth? I could have no teeth. Why would I was Christmas no one wanted to ride in the back of an ambulance saying Hang on there granny Hang on. Hey, Greg. Why there was no teach? My grandfather, a delightful old man with poor eyesight settled up and said, Hey, what's the naked girl but the fireplace? I told him she was Jay's friend. And a few minutes later notice grandpa by the mantel, talking to Louie not just talking but actually flirting. I see. It was then that we realized that this might be grandpa's last Christmas at home. The dinner went well. We made the usual small talk about the died and who was dying and who should be killed when suddenly Louise made a noise that sounded a lot like my father in the bathroom in the morning. Then she lurched from her pantyhose, flew around the room twice and fell in a heap in front of the sofa. The cat screamed, I pass cranberry sauce through my nose. Grandpa ran across the room and fell to his knees and began to administer mouth to mouth resuscitation. My brother wet his pants. Granny threw down or napkin stomped out of the room and sat in the car. It was indeed Christmas to treasure and remember. Later in my brother's garage, we conducted a rather thorough examination to decide the cause of Louise glass. We discovered that Louise had suffered from a hot Ember to the back of the right thigh. Fortunately, thanks to the wonder drug called duct tape, we restored her to perfect health. Louise went on to star in several bachelor party moves. And I think Grandpa still calls her whenever he can get out of the house

J

Jimmy Carper 19:55

what a great Christmas us down either we don't have enough of that kind of stuff going on a

P

Peter 20:03
