I did I did 130 in the morning. I'm pulling it damp. I thought I

03:20

But I'm actually we've got a wonderful little guest tonight. A one little she's, she's the big brown girl. And actually, you know, tonight is gonna be a special treat because I really want to just dish about Thanksgiving and just talk about things that we should really be thankful for. Like what? A hairline an immune system that works. Yeah.

03:57

04:28

No way girl.

04:29

04:30

Well as well not know how far they think is gonna go out.

04:32

04:33

I don't know. We know. I'll find out next month. We know what their T cell

04:36

I've been talking to Dr. Seblak dough. Yeah, I

04:39

like her. Well, you know,

04:40

there's a new drug on the market right now to France called the SPV. 30. Hmm.

04:44

I've been reading up on that. And it's an herbal thing. Yes. And you

04:47

can buy it over the counter. Yeah. And the strange thing about it was that as that I've wanted to do a show on that which will probably be in the next couple of months. And the funny thing about it is that the drug originally sold for six days. dollars and 50 cents on the market oh here we go here we go guess what sells for now I hate to think \$56 And this is only within the last two years. So money are what is obviously it must be working but you don't end the house tonight we have you know big little data Jim Griffin dude. Yeah

05:21

the queen of the Montrose mining company.

05:23

Please no can't be she is such a triumph. Oh,

05:31

I saw mistletoe between my thigh. I saw you on the pool

05:34

table last time I had the mining company. Yeah. Do you even talk to me the last time at the mining company? Yes, I did. Anyway, anyway. Anyway, so what we're doing tonight and we are

05:45

we are what? Of course. Three fingers we

05:48

our third guest third guests right. Oh Gracie get down to share back to Detroit Garcia. We'll get you

05:54

wait. Why don't you just the Supremes girl the

05:58

three Detroit. We are in Houston and the fourth largest. So you know, Detroit used to be the fourth largest city about 10 years ago now. Houston bumped it out. Oh, and we all three came out in the same bar. We all came out and met Joe's and do wonderful Motown Motown madness. So we're gonna talk a little bit about Detroit. We're gonna talk a little bit about Thanksgiving, we're gonna talk a little bit about men because we always like to talk about men, because we're always thankful for men. I'm always thankful there's a big old man on top of me ever so often.

06:30

I felt like you were dragging through the minefield and I was having a thread about

06:33

that. I'm trying to drag him out in front of you because you always tattle on me. But you know, it, you know, the Holidays everyone takes him so serious and there's so many people out there who don't have family don't have friends. And we're just I'm just I just want to do a show on a nice things and chit chat. Grace flew over there, honey, I'm here. How's things in Detroit? Oh, they're

06:55

wonderful. It was 18 degrees when I came down. Hey, Jamie. So

06:58

you told us 19 Girl

07:03

Oh, she's moved down here. Gracie, you'll get with the program move on down.

07:10

It's gonna be at well they don't have you still clicking well for up there and Detroit.

07:17

Detroit CheckStyle in Texas.

07:20

Hey, listen, we know Grace Liu used to be Adele Dallas girl. Oh, no. Now she's up there in the Motor City.

07:29

I was upset. I didn't get selected to the cheer Dallas team. Why would you do the splits? Now that's what you were for.

07:37

I've seen your ankles spread out a couple of times. Anyway, you know, we've got we've got big daddy Howard McHale and we got little daddy Jim Griffith and they had my guys that Stevens. Just hold on. But she's always moving so fast here. I just want to say hi for the algo Ben what let's say a lot of great to live with. And you can say. And then also Gracie Lewin going to bed she's staying with a big old gray. With you down back to the truck. Garcia say hello. Steven says nice even tell us about my little

08:03

friend. Hey, hey guys.

08:07

08:07

Let's give him the phone number. So I can start calling in and tell him what Thanksgiving means to them.

08:12

5265738 Or five to 6k P F T. You're a big

08:20

you know, when you when Howard and I were talking about this Thanksgiving thing. One thing that occurred to me was in this new outsmart There she goes, she's got the magnets in front of her. Smart magazine just came out and I was

08:30

reading No, I haven't had a chance to her. It's good. It's really good. Oh, it's always all kinds of

08:35

God and gays in the church and all kinds of things. But there's one article in here where we were talking about Thanksgiving, and the one thing that crossed my mind is a lot of us, I guess I don't know. As a kid I don't remember Thanksgiving being all that fabulous.

08:50

Stuff. He was stuffing. It was only because he did such a good job. You thought it was a proctologist.

09:00

He told me the other day was happy stuffing.

09:04

It was always a family thing you know, aunts and uncles that you only saw once a year right you know had to put up with for one day and great to serve great dessert

09:14

we had we had I finally know now we were all kept secret from this as children but my mother has a brother that's gay. No way. Well, no,

09:22

I think thank God you're straight.

09:24

I know thank God I'm straight. Anyway. It was like you're just save us family, you know, rode out of town and rail, whatever it is now. Yeah. And so we think back about you know, it really was good times and all the great little smells and how they we all love cooking. Yeah, but as I look back on it now as an adult, there was really a lot of dysfunction and a lot of tension in a way of tension. So we have these memories about Thanksgiving that are really really great. But as we get older, you know there's an uncle here and this guy is talking about one of the holidays. One reason The holidays are stressful as it were We're all trying to create this Norman Rockwell family and and this Norman Rockwell family just doesn't exist, right? So I think, you know, and I think it might be just trying

10:09

to wake up with a man on Thanksgiving. That's what I did you

10:13

know, family child,

10:15

I slept with my brother for years, and I can't wait. No, I didn't have access to game.

10:21

Thank God for those 24 hour Dunkin Donuts. I did. Go ahead,

10:29

but what I was gonna say was that there's, there's great family things. And it's wonderful when you have that. But there's a lot of people that don't, exactly and not wanting to rule out those people who may want to call him tonight, where you know, a lot of people have found a new family, surrogate family, Well, friends and and whoever and whatever that may be. And sometimes those can be really good good stories to add. Another nice story is when we talk about things, we're thankful for him because I remember our old Thanksgiving survey to tell us something they're thankful for. And it was it was nice, but I'm certainly thankful for a whole lot of different things was there

11:05

your legs work and your arms work, and you can see how many fingers I'm holding up, thank God, how many was put down.

11:17

But I thought that it would be kind of interesting to think about, you know, the one thing that surprised me, what you're always talking about? Well, that surprises me to my head, wet hair. That's

11:27

where we got that set here.

11:29

You know, smashy I was thinking that within the same thing, you know, the one thing that always ceases to amaze me. And I've been doing this for six years with students house and a lot of things and agencies and whatever. When people tell me people that are HIV positive, and they say that that was one of the things they're most thankful for in their life. And it took me about two years.

11:49

I understand go slow, the people are mostly for a while

11:53

a lot of HIV people and people that I've taken care of in them and sick and some of them have gone, some are still here. And they said that the one thing that they were most thankful for in their life was their diagnosis.

12:04

Oh, yeah, that's very understandable. Yes. But that you want that stops you in your tracks, and you reevaluate your life your entire life. And you find out what's really important to you, and you concentrate on those aspects and you forget about the crap, right. And I think it's something only serious illness can do for you.

12:25

And maybe this kind of show. We can be talking about, you know, a lot of things a lot of people have wonderful families. And I think some people out there that might want to call in might be thankful for a whole lot of things that we might even miss. You know, I mean, and I used to sit and listen to these stories with these people about stuff they were really, really thankful for. And it took me a while to you know, reach on the whole I mean, it was Yeah, incredible things and, and my

12:50

environment whole life show is due to HIV positive.

12:54

Right and it made there. It brought him to sobriety. It may it

13:00

listen to us sober. Yeah, see you naked would make me go silver. Well, if that's the case, watch.

13:11

Oh, god, oh, he's

13:12

never gonna have a drink again. They're going into deficit spending. Chapter 13 I'm not coming in anymore. Charlie's so read, Robert. I haven't thought about this apple. Biology. Oh, don't you guys are just chuckling too much. Oh, you're picking on Jim. No, we're not picking on people to call in tonight with their favorite Thanksgiving stories,

13:46

or just things you're thankful for. Exactly. I mean, if it's me, I'm really thankful about some of those are really good stories. People are sitting out there. Maybe having a lonely kind of holiday because holidays really aren't lonely. I mean, when I was doing, you know, the stock of yourself? Well, I mean, it's holidays are can be really tight. Yeah. And so I'm sure there's people out there that need to hear a good news story and maybe would like touch them and say, hey, yeah, so people out there that got good news stories or things were thankful for and that were given the phone number Jim. Well, give him the phone number Jim.

14:19

Well, it's 526573852 6k P. T. You

14:25

know one thing I have to be thankful for and I'll start off because I have a long list that big Oh, who to remind to? No, no, no.

14:38

I've never seen that written.

14:41

Oh, I have Oh, his numbers everywhere.

14:43

No, he's number but not the fact that he's.

14:46

I think some of the things everything for us. Probably the three gentlemen in this room. They're just wonderfully enlightening friends who have come into my life. All three of you. Oh, Don't turn your back.

15:07

That's why I'm here. I'm afraid not to.

15:13

Yeah. ever walk into a room and everyone shuts up? Yes. Start laughing. I never stand that. I don't want to walk in or walk off. So I just stay. Because everyone who walks out they talk about and I know they have stories on us. Each one of us, Gracie, you got some stories about Thanksgiving bitch.

15:33

Oh, yeah. Well, let's see, where can I start? I used to think going to Plymouth Wilmette going to Plymouth, Michigan. I used to kiss the Plymouth Salem rock. That's a high school down in Plymouth, Michigan.

15:45

Whoa. Well, no, everyone used to graduate from high school. Okay, well move along. Thank you for that uplifting Thanksgiving holiday.

15:54

Rock. Oh. They always thought I was from Canton, fair rival.

16:00

I have a little Thanksgiving story here. Yeah. And let me tell you what, if anyone in the audience can call in tonight with the correct answer. I will give them a dinner for two at Muddlers family table. Wow. Chop chop Italia. Founder. That's some box.

16:18

Okay. But wait a minute. If you go there, it could be interesting. The other night. A busboy dumped an entire tray of glasses all down who said that?

16:28

Are you listening to rumors? I hear it's true. Don't you be like

16:32

oh my god. A family table. Keep the boys away with big trays of glass.

16:37

Mr. Mendell, if you're listening, please. No one's broken glasses. Powered covered up rule here this big crunch sound and he'll look over at me go count how many we broke. tired man. But anyway, we get it done. Okay, deliver to be eligible you guys and Colin because I know you don't know the answer when Okay. Okay. Here's the question. First of all, the Pilgrims did not land at Plymouth Rock at first. They landed in what is now province town. No kidding. Exactly.

17:15

That's when they landed in Pete town and then they went up to the Boston Harbor which is later Salem, whatever whatever we did a tea party. No girl. That was late later. Oh, I was thinking about drugs.

17:27

But girl What was the number one hit and Peter 16 time

17:32

I was I was tied up to a steak and burn you get serious you three girls. Number one. When When? When? When the Pilgrims got off the boat. And they pulled up to pee town. The first thing they said

17:50

go away. We got to redecorate girl it's awful

17:58

that's over the gay bar sales down make a dress for here look what what these Indians were dialing in

18:07

the village people were back there they're

18:12

all sick for a segment of my life. It was give me the questions coming up. Anyway when they got off the ship the first thing they did or the boat or whatever it's called they wash clothes implement in Boston Harbor.

18:29

Wow. Yeah, I can imagine imagine

18:30

being I've sat next to you in the Steam Room girl.

18:38

Talk about Ra. Do bad. Me don't don't wear your glasses nerdy you know Nope, it's

18:47

a great little you chucking up there. Okay. The first dinner for two you gotta call it five to six. KPFT Okay, the first Thanksgiving dinner? What did the Pilgrims bring? What did the Pilgrims branded the Pilgrims bring? To the Thanksgiving dinner? I don't know. Don't you call and Jim you hush up. Oh,

19:08

okay. Well, let's go to a piece of music. Hey, let's go to Motown music and then I got I got the next best thing. I got Jimmy Somerville with a remake of an old supreme snob No it

19:20

did we get this thing back up precious.

19:22

Oh god. I'm shutting off the mic.

19:24

Oh, I gotta Detroit story. You know, whatever they play dancing in the streets. Everybody stops their car. 994 996 Get out and starts dancing industry now. Okay, yes.

19:34

They did walk strapping. Well, what

19:37

did they do to this one? It's Jimmy Somerville with some day. We'll be together. We will Oh, yeah, some sweet K. We'll be together Jimmy Somerville and that remake from the Supremes. Hey, you can

19:55

look like Diana Ross.

20:00

I thought I gained a little way. And I you know, I haven't been in the sun yet I don't go to Hawaii until next month those extensions are those corncobs was called. You might look like a girl from Detroit to learn the question, we had a caller, James, who heads up April quieres called in and said, Well, I think the Indians brought the loop and the Pilgrims brought the condoms now

20:35

oh, now I got another answer though. That's pretty close.

20:40

I read I read an article on on Thanksgiving today and it said that the Indians brought the turkey and the dressing and the sweet potato pie and all this and that and the Pilgrims brought alcohol guns and gave him all blankets that were all infested with bacteria God only knows what all and they Damn near killed them in the process girl What do you nasty stuff and the Indians brought nice things that's Oh,

21:07

so what's gonna happen is that not all the Indian people are going to call and complain? No racist towards Indians, right? No,

21:13

because we get no no no I said the Pilgrims one that brought alcohol and guns and gave my bad they got a

21:19

dump Justin Blair but and that lake in Salem and they toasted you Hey, Jimmy, know

21:26

what I have for you also got somebody that has an answer, though. We got to get to Sylvia. Well, first

21:29

of all, we got to get to Jimmy. I gotta tell you later on. I have a Pride week update for you. Oh, good. Good info coming out of Houston. Hey, we're gonna hit number eight. Silvia, hold on now, girl. Hey, so yeah.

21:48

Permission to put you on the

21:51

personally No. Oh.

21:54

You think you know the answer? Don't you girl? Yeah. Okay, and they kind of threw you tell me what the Pilgrims brought to the Thanksgiving day feast.

22:03

Venison stew, and they put they bought the pumpkin. Pumpkin with maple syrup cooked in the back. And it was something else. I can't think of what it was.

22:16

Sylvia? I think you've been sniffing that pumpkin pie too long. Because you're wrong. Cannon wasn't a bad it's a good dry town. How'd they do it in the bag? Oh, no. No, actually, actually, they the Pilgrims did not bring that. So we've got two more callers. So still we do that Sylvia, you know, since you were one of the best answers, we might just give you the dinner for

22:39

Sylvia. What are you thankful for about Thanksgiving? This year?

22:43

This year? Come on spill the beans

22:45

this year. Wow. Well, even though I got stuck cooking and had to deal my greedy relatives what I did get compliments on dinner. So that's I think that the dressing and the duck in Yeah, we don't have turkey.

23:06

20.00

It's cold roast duck. Sandwich.

23:12

To Watch your head. Okay. Did you have a good time? Thanksgiving? Okay,

23:18

so what's the one thing you'd think for outside of these relatives? Yeah, come on. At the end

23:24

is over this this

23:30

Christmas gun. What are you gonna be? She's geeking up for it. Girl. Get back real quick to your job.

23:38

So you think before I guess she has a high point in her life.

23:44

Silvia Jaime, are you happy? All right, girl. Well, got him.

23:50

Grace. No, just blew us off the chairs.

23:53

She's no fan offensively. But Gracie, they're just

23:57

so how many people were down at your house? Sylvia for Thanksgiving. Oh, wow. Oh, wow. You're deaf Americans are Yeah. Yeah. from Arkansas. No one dated your cousin so what else was on the feast? What was what else was on the feed everybody

24:19

greasy deck?

24:21

No, it was not greasy. Okay. It

24:23

wasn't your first duck. Was it? No. It was a dry

24:30

quack. They get better after you get broken.

24:34

You know, I've never had duck.

24:37

Swear to God.

24:40

Yeah, so you went on something amazing. And I said like kind of like sitting back and thinking about Thanksgiving the other day. And basically, the realm of the vision of Thanksgiving has been that our the Pilgrims came from Europe. Okay, but most of this country now. Most of their ancestors all come from Mexico or China or Japan and on the west coast in the west part of United States. Everyone has come from someplace else on the western hemisphere.

25:10

Where's next range?

25:11

I just thought well, the whole meaning of Thanksgiving is like, like how can you explain to someone who was third generation Japanese born in Seattle? That Thanksgiving is because the

~~SOMEONE WHO WAS THIRD GENERATION JAPANESE BORN IN SEATTLE. THAT THANKSGIVING IS BECAUSE THE~~
our forefathers came from? England? Yeah, I think kind of strange. What a wild country live in Serbia. Anyone know something I'm thankful for. And I'll put that I'm such a big old fag. I love being gay.

25:36

I just love it. I think God has just blessed me so much. How about you Silvia?

25:47

Flipping the radio station.

25:49

She's got duck juice.

25:52

Well, Sylvia, if nobody else calls then you might be a winner. You might be the venison in a pumpkin pumpkin pie pumpkin. Whatever it was in a bad bag was

26:01

actually the Indians birthday. Get a bag Sylvia.

26:03

Oh, no. One of those

26:05

brown bags.

26:08

Brown and serve.

26:12

The one way they could do it is take the cornhusk and like film together with whatever and

make a bag out of that. That seems

26:21

to get underground. You are stuck girl I can tell

26:25

them cookies. Hey,

26:26

listen, Sylvia. Thank you and you left your phone number of furniture.

26:30

No. Oh, opportunity

26:32

arises.

26:34

I tell you if you're the only caller you back.

26:38

Call back. Just call back.

26:40

Okay, so back to Roy

26:42

and give me the number again. Okay.

26:44

5265738 Or five to 6k P

26:50

F T Thank you Silvia. Okay, you're happy Thanksgiving.

26:56

No word the Pilgrims get them pumpkin pies from

27:00

what? She said pumpkin in a bag with something where they get the bags but I want to know
Oh, I don't

27:05

know. Maybe they're waiting for the seats to pop. I don't know. I don't know.

27:09

But I think that's a wonderful trivia question.

27:11

Probably. I think pumpkin was native here. Was it native? I think so. Girl backhoe sir.

27:18

I've seen your buns ever pretty native this neck of the woods been peeking again?

27:26

I just can't keep him away from my but

27:30

those pounds you're putting out wow.

27:34

I thought you were gonna pick up on that line a minute ago. Which one went about goose and duck and whatever. It's it's a dark meat. There's it's not like getting a big turkey breast with white meat. What do you like? Do you like dark meat? And I thought you were gonna jump on that line of questioning that Lock.

27:51

Lock. Lock. Where are you going with this?

27:57

As you always so now it's every weekend? How much you like men of color? I thought you would jump on that.

28:05

I'm tired of them. big ol white pale boys. Aren't you anyway, tonight is the Thanksgiving show here on KPFT. You're listening to Big Daddy Howard McHale. Little daddy Jim. Gracie get down share guys right Garcia rock girls and Jimmy Kapur she's up there man the dials and we're taking your phone

28:30

calls and we have another one. Okay.

28:33

What do we do? One girl

28:35

hit it hit it. Hit it hello you're on the air.

28:40

I'm on the air

28:45

the whole world knows

28:46

bring it damn thing as I recall. That's what they taught me in school. What didn't bring who first of all would you go to high school at what do you need to know as well? Are you a local in the Midwest?

28:59

Go Blue. Give me a city. Yeah, I

29:02

thought the pilgrims were like starving to death at this point.

29:05

Oh no no no no just got

29:06

off that boat and didn't have a damn thing need everything on the

29:08

way oh they spent on the boat. If you think about it, if you're traveling from Europe, on a boat.

29:18

What are you doing?

29:20

What are you What are you our drill?

29:25

It's not a DustBuster I can tell you

29:27

that sounds real asking me to me.

29:30

She's a dentist. Come over here and drill me baby.

29:37

Your answer is that they did the dentist and bring it

29:39

everything. You know Sylvia went off the forehead and your wife on the other end. They did bring

29:45

something they brought cheese plenty of cheese. They didn't bring any cheese. What's your name? William.

29:51

William. What do you do for Thanksgiving?

29:55

Ah, this is really a strange Thanksgiving I don't really want to go any detail.
