06:06

.....

06:39

I don't like female wrestler. You got it.

06:43

That was by request. Even the

06:45

guys in here got that? I don't like female but it sounds like that. Lumberjack song by Monty Python. Yes, I am. Yeah. I love that. One of my favorites. Okay.

07:03

Laurie, actually, you're not quite a newcomer.

07:06

Well, we could say I am I will have to tell you when I'm not know you used to be on Wildenstein? Is it lesbian? gay boy? Yes. I took over for Deborah bell when she went to the March on Washington. And then when she came back I relinquished that's the way to do it.

07:22

Was it I always wanted to ask you this. And I probably should ask should ask you Off mic, but I'm doing it on mic. Was it tough to relinquish?

07:30

No. No, it wasn't tough at all. I was very happy to relinquish Ah, okay. So but I did enjoy it. It was a really good learning experience. And, you know, I learned a lot from it. And I met a lot of great people and got my toe into a little bit of everything, right, because you get to see a lot when you're working here at the radio station, your mission comes across to you. You get to meet all kinds of people. I got to meet you, Jimmy.

07:53

Yes. And now you're involved with aware. That's right,

07:57

that Southwestern Bell is gay and lesbian employee group. And we're having our meeting

and Southwestern Bell is gay and lesbian employee group and we're having our meeting tomorrow at the hobbit hole at 6pm. The Hobbit Hole and we're doing it word of mouth pretty much we have just got on the company intranet. We're being recognized by Southwestern Bell. Cool. Okay, so you have made progress, you have made progress, but mostly seems to be word of mouth. I've gotten probably 2030 calls. So people are talking about it and telling people about it. And so it's really starting to

08:26

your group also is getting the PR out because I know I've been getting memos and public.

08:33

Well, you know who our PR person is know Deborah bow. Ah,

08:38

see, well, she knows how to work it. Yes,

08:40

she does. Yeah, amazing. invaluable.

08:43

If there's an expert in town, she's

08:44

it? Yes. Well, you know, she is the spouse of Southwestern Bell employee. Is she you know, I've

08:51

known a lot of Southwestern Bell employees who were, oh hell, we're everywhere. Worked for the switchboard for a while. The cops are out. I keep bumping this mic.

09:06

You have a meeting tomorrow, at what time

09:08

09:00

6pm At the hobbit Hall. Okay, and let me get my voicemail, but anyone has any questions. They can also get on our mailing list. Our voicemail number is 713-235-7929.

09:21

Now this is for Southwestern Bell employees and

09:25

retired employee and their spouses. We are trying to be very inclusive.

09:32

And so what what are you going to be talking about?

09:36

Well, at this point, this is only like our fifth meeting. So we're pretty much just talking about what we'd like to do. Our particular goal at this point is to get domestic partnership benefits. That is something that seems to be really important to us because Southwestern Bell has a lovely Bolton they give us an A says you are more than your pay. And then of course it names all your benefits, but it doesn't really apply to gay people because we don't really have the same benefits, you know, you have what they call the soft benefits. Like, if someone if your partner's parents die, you get bereavement time. Well, you that's not guaranteed if you are gay. If your second line feels so inclined to give it to you, you can get it. But that's about how it works. And there's like your pension and so all

10:21

kinds of so they're they're giving benefits to one group, but not all right. Right.

10:26

Perfect, right? We just, you know, supposed to live, we had a merger with PAC tell, which is California telephone company. And they have just announced that they're giving their management employees domestic partnership benefits for their managers, not the other workers. So they're working towards it. But then we want it to be

10:46

the bet really seems discriminatory. Yeah. There's I don't want to give the impression that I'm calling them discriminate discriminatory company, but that just seems really

10:58

well. I know, that always bothers me when you hear these people who are against all this, you know, our rights and stuff, especially that far religious, right? People who say, Well, we're giving special rights, and you made it very clear, it's not special, what we're asking what she's asking for, and what we're asking for us the same rights, same rights as that as that straight employee has. And that's what she's asking for the same rights, that if a spouse's parent dies, you'd have the same right to go as if you were married, and that was your married spouses, parents,

11:27

and I'm so tired of, you know, well, you're not you're not a real couple, because you're not married. Right? And then on the other hand, we're, we can't get married because it's against it. You know, something is wrong here. You can't have it both ways.

11:42

Well, I'm glad to hear that somebody in Southwestern Bell because it's a large organization there,

11:46

you know, and there are probably heterosexual couples who are not married, right, straight but not narrow. Yes, exactly. So we

11:55

try to be pretty inclusive. We're just starting out, though, at this point. So we're, we're open to having any kind of people come. And you know, if you have any interest in stuff like that, and we are respecting privacy, so that you don't have to worry about your name being given to the company, we do keep our membership list private. Oh, good,

12:12

good. That's very important. Because I've got a lot of people might not attend your meeting, because they afraid they'd be looked at

12:21

the ad or something. That's why we do it off profit off of company property and things like that. Either. We understand that everyone's at a different level of coming at Sure. I hear you talk about all the time, you know that, you know, there are times when it's appropriate, and it's not

appropriate for that matter if you're young, or you're not. And if you've been in the company for a while, especially some older employees, they tend to be a little bit more fearful about coming out and probably the young queers do Sure, but you know, you do it at your level of comfort, and that's okay. You need support, we need all kinds of support, whether it's the vocal support of being visible out there and happy LeClaire or whether it's working behind the scenes and using your computer skills, or using your other kinds of skills that you have.

 13:01

There, that's great to know, when is it again,

 13:03

it's tomorrow 6pm at the hobbit hole. Number is 713-235-7929 it always gives you the time and the date of the next meeting, which is always the third Sunday at 6pm it just the place changes. And if you want to be on my mailing list, just leave your address and I will return all your calls.

 13:24

Thanks Laurie for stopping by Thank

 13:26

you very much. Okay, and you're probably gonna Yeah, I'm gonna hit the road. It's a long drive. And it really is a long drive. It's a nice drive which is really yes really specialist because you get once you get outside Sugar Land area, then it's all country opens up. It's really nice and pleasant, but it's a long drive. So I'm gonna hit the road and I'll see you all the third weekend of next month and we'll do something special. I have a new book that you don't want to miss me reviewing for Michelangelo's Signorelli That's right, the report on gay man sex, drugs, muscles and the passage of life. I can't wait to dig into it actually. Okay, so we'll see you then.

 14:34

going to happen Monday at the city streets route seven o'clock.

14:39

14:45

Topless dancers, that it's just not all the time. opposite answers. It's for the adult clubs. Your favorite adult club. You're gonna have any male dancers and dancers are gonna have I understand there will have some males there. And the some of your porno stars. Oh, great. So it's good. As you know, Alf is the adults

15:15

15:17

And they had a lot to do with sponsoring. I don't know if it's the right word sponsoring Ray hill. They support they supported Ray Hill.

15:28

It's against the sob

15:31

sob help us by Helen Hale. Huey. Alright, Helen, who he Yeah, and she will be there. I know. Not her but I will I will be Oh, you will be in personally the

15:48

16:00

be awarding this. It's gonna be a big thing. I understand. Some of the clubs are even closing down just for the rumor. Yeah, it's gonna be a big thing.

 16:07

Well, this is of interest of the gay community. A lot of the topless dancers are lesbians.

 16:12

Right? And even some of the there are gay. You don't. In the adult entertainment world. There are a lot of gays at work. Oh, they style hair for the girls. They do makeup. I've known some drag queens that have worked at adult entertainment places they make the outfits girl and some of the answers like No, yeah, you never know. I mean, I used to work if you remember probably first time you saw me. Yeah. Do circus club when it was time or it's now a bicycle shop. It was called a circus club. Yeah, and it was totally new dancing. totally nude male dancers? Yes. The first and only one in Texas at the

 16:57

 17:01

I did the queer policeman and then the cops told stole my shirt because it looked so real. I said well I got it at the Purple Heart you can get a whole bunch of the only dollar 31 The next day I went there there was not a shirt

 17:16

 17:21

you'll see Ray hill there of course I've been told him I'm with a city streets up like the old girl from City Hall.

 17:26

The hell else are you doing on Monday? Seven that's right six. And speaking of your your old entertainment let's go to a little of it. Right now.

 17:39

If you ever need a policeman all you got to do is holler they're always there right on the job. For instance, here's the best one that money can buy. Oh

 17:53

I'm a real police. Oh, would I love to give you the third degree. My gazing at my sexy farm with rapture you'll be stricken. Take one look at me fellows. In me you'll find some chicken ruffian wants to bite me. I gave him one call gays. And as I rarely met with her, I said to him, I said you're arrested. You're arrested. Not covered once with me. We're going to the station and the sergeant shields. 30 Now stop that tittering I am Cisco hard, hard man. Because I'm a real policeman now honest to God. I am. Oh, you're a large. Walking down the street one day with my girlfriend by my side. She said look at that horrible fistfight I think all running high. But instead of fanning it, just suppose my smelling salts I drew and dashing mascara on my eyes and to the fray. I flew. So I said to him, You booger. You're ready. You're ready. Now cabbage wants with me? We're going to the station and massaging she'll serve tea. Now stop there. snickering I assist you horrid hard man. Because I'm a real policeman. Honest to God, I am. Cruising in my squad car last night. I came upon two lovely boys parked in a car. Damn, they are. So I showed my face like the car and I says Okay, fellas. What's going on in there? One of the boys said, well, nothing officer would is sitting here talking, just chewing the fat, you know? So I said, Well, how long have you been parked here? He said about an hour, sir. I said You mean you've been parked for an hour and nothing has happened? He said No, sir. I said, well hear you get out and hold the place like lead me in there. Well, I'll never forget my toughest arrest was a bartender big and rough. He says I wasn't a policeman. I didn't look happy now. But did I bought him out something terrible, right said I called his bluff and funneling my kerchief in his face. I said I've had enough. I'm somatic it's bit. So I says to him with authority in my voice, your rent. Your rent that not Thomas was with me for going to the store. A massage filter might hold everything. You said three times the sergeant she'll serve tea. Certainly I said it three times. You mean the sergeant He'll serve to you don't know your English well you don't know my sergeant. That's not that's thick right guy and says You hired hard man. Because I'm a real policeman now honest to god eye.

24:31

Scotty must have been an engineering for weeks trying to fix that. Yes.

24:35

I am substantial. Yes. imagining this guy. What's going on with hatched?

24:41

Well, I had recently had a talk with our one of our head co directors. He was a little bit concerned about us doing a What is that noise? I don't know on the background.

24:57

I don't know go on.

24:59

But he was concerned about doing a program on transgender youth, so soon into our, our time on the on the air. So what we've done is, I'm going to talk to Sarah set a definite date with her.

25:16

So so we won't be doing transgendered stuff on the next

25:21

one. I'm a bit disappointed, but it's, you know, it's really not a big part of what hatch deals with. But we have dealt with it before it to be a larger part. And I think it is still something that we need to deal with. But, you know, I'm going to try and set a definite date with Sarah. Actually, you know, say, the show will be this date, and we're not going to break

25:50

that actually. uneres last show, we had a discussion about gender and how, as gay people, and then I include lesbians in that, and bisexuals that we are with the transgenders, in that we also question gender, what it means to be a man what it means to be a woman, the roles that that are assigned to men and women, we, we tend to ignore them.

26:18

Yeah, we do create our own. Well, a lot of times, especially being gay or bisexual, and not transgender. There's always questions, you know, well, who's the man who's the woman? And a lot of times,

26:31

it's like neither just do away with right lately, because

26:34

it doesn't matter.

26:34

Yeah, it doesn't compute.

26:37

I mean, when both teams are playing with the same equipment, where do you where do you put the definition? So apparently, so

26:47

Mr. Spock, yes. He knows what he's doing. Well

26:51

check the captain's log for evidence. So, the show for next month is under construction. Okay, so I'm working on that. I'll probably do a lot of work on that over the next week. Soon as I finished getting registered at UNH,

27:06

ah, got to get the school back. You have a life.

27:10

I've finished my year hiatus. And now it's time to return to the drudgery of school, which I'm looking forward to anyway.

27:19

Okay, speaking of Sarah, I want to announce that on August the 23rd, the tats will have the unmuting at Sarah C's tats, the Texas Association for transsexual support. And that meeting is at seven o'clock if you want some more information. Give the Tatts hotline a call at 8275913
