04:28

just Richards got turned on.

04:31

So he got boy braces off.

04:41

What is this movie

04:47

okay Arlington. Okay, now, we better cut that out. We don't want because of any divorces here. Especially when they were so these guys were so generous. For sure. Do these poor volunteers to give us this? The wonderful entertainment that we've had for the last 40 minutes? Yes. Thank you very much. And we hope they do it again soon. Leftover mental illness. Yeah, yeah. Oh, well, you know, recruit works hard and plays hard. I'm serious about that. And they can I really, I really appreciate it hard. Yes. He said hard.

05:28

We know what you mean by that. But they, but

05:33

they say they work hard on and

05:36

they work hard. They play hard. They have a great time. Yeah.

05:37

And raise what lots of lots of 1000s of it must be like 30 \$40,000 or something like that. You know, just incredible

05:45

cams that are but yeah, going crazy in this town.

05:49

And the nice thing about it is that you know, some of these organizations do one big thing a year.

05:55

People are

05:57

and the crew is doing stuff like every month every other month. Yeah. Yeah, fun

06:03

things and let me tell you, those kids do know how to party. Am I

06:13

okay, they are very, very nice guy

06:17

was a great crowd tonight.

06:19

Good. Good. I'm glad

06:20

a lot of fun. But that's what it's all about. One of the members Holmes, lovely, lovely. Lovely. Over by me yes over by you as a matter of fact, and it was just a big fun time.

06:31

Good. Good. Good, fabulous food.

06:33

Oh, God, how often?

06:35

That is

06:36

one of the things I always talked about that there were five things a year a crew always has great food the Phaedo dough. Oh, honey.

06:47

Is a great party. Yeah, yes.

06:50

For I thought that was extinct. Let's party. Yes.

06:55

Yes, it's a French thing. It's about a Mardi Gras theme out of New Orleans and and today in New Orleans are suffering they're suffering there. They are suffering some people will be suffering. Yes, they will. But they are celebrating the same damn thing. So we decided suffering for Mardi Gras groupie, but we would drag it over here and we did good. And we did. I'm really glad you did fifth or sixth night or whatever that 12th night party and we have oh just loads of fun.

07:24

I want to say hi to rashid al out in southwest Houston. Listening to us. Hey, good, dude. How's it hanging? Yeah. Oh, I don't know.

07:33

Raphael sounds Hispanic and God knows. I love Hispanics. I bet I know where I feel.

07:39

Like there's like there's only one.

07:43

No, I just think Sophie is one. I really I wish

07:48

probably you do anyway.

07:51

Please, honey. White woman?

07:58

Yes, you certainly are that? No. Thanks. Oh, hey, it's not quite

08:07

not Oh, I'm sorry. I missed it by five minutes.

08:10

Are you gonna wait till one to say bitch as opposed everything else he said tonight. Hello.

08:16

Well, you want me to the seven words?

08:18

No. Okay. Trust me on that. All right.

08:22

We can trust you on that. But not did you not think my van Gogh thing was too fabulous. That was cute. That was cute. Rainbow the clown was wetting your pants. Ian.

08:38

Yeah, she

08:38

was wondering, man. So what I can write those on her back.

08:46

You'll see my van Gogh's you'll see the yes, the pink flamingo the plastic

08:56

money. Got it? Well, we have. We

09:00

have Paul outside of Paul. Who else do we have

09:05

that big role?

09:06

Here so big Roy? No. He's out in the lobby. Well, yes.

09:10

He buys those cheap cigarettes.

...and you must keep your pants on.

09:12

Now he hasn't brought anything else around. So now

09:15

ladies and gentlemen be some beauties. Yes. I think a mere pledge of a measly, measly Lowe's bottom rung pledge of 35

09:26

would just be fabulous. Yes, it was just

09:29

nine cents a day, please. You could lose. Oh, it's

09:33

like you know, there's so many other things you can you know, there's fabulous things you can get. We've got the terrific. Thank you gifts for your pledges, like for 60 bucks, you get a t shirt or a mug. Hey, and you know, and like I said, Any pledge on plastic 35 and up, get some I'm gonna send I'll send you some gay music.

09:55

Now you can't beat that. This is what the show is all about. I'll have it just craziness gayness fondness sets that's what we're hearing what you're seeing that gay people are realized fun folks that a bunch of degenerate idiots. Well, that's the exception of a mother clown in the other room now, and the two birds have dropped their panties in the front yard. But yeah.

10:20

Oh, no. They can drop their panties on my front yard anytime.

10:25

I'm a pulley.

10:27

You'd probably be a bit. Oh, no. miss the show?

10:32

Oh, I don't think so. Oh,

10:35

let me tell you that was a fun little thing. Now. Yes. Imagine if the rest of the crew would have shown up out here and

10:41

didn't and didn't on did all that. And on my I don't think I could have stood it did

10:46

a moon number

10:49

out? Well, you know, I have to be honest. That

10:51

would be like 60 or 80.

10:54

Right. I have to be honest. I you know, I I've been to lots of crew functions yesterday. You know, there are several people there that I don't want to see mooning. No.

11:13

Oh, good. Somebody else doesn't want to see it either. Please, the 35 bucks and I'll give anything bleazin other crew man? No, that would be wonderful. Yeah,

11:23

yeah. Yes, it would. Yes, it would. And you know, 90, you get two T shirts or a CD case. And we've got onwads and upwads. We've got desk clocks and caps and briefcases and, you know, the fabulous leadership circle. I am so proud of

11:42

breakfast clubs and things with the leaders. Yeah,

11:45

I'm so proud of this show that we have two leadership circle members

11:49

until they can also use them out of their checking account.

11:53

Oh, yeah. The EFT thing. Oh, that's, yeah, that's what you do. Don't you rainbow? Yeah.

11:58

And every year and you get a local attack statement at the end? Yeah.

12:02

How would you how much work? Oh, cool. Yeah, because if you if you'd like to do it that way, it's very easy. You just sign a couple of forms and send them some a blank check or two or I forget the exact I don't know the exact thing but it's very simple. And once a month at you know, as your there's a designated amount like four or five bucks, maybe that just automatically gets deducted from your checking account. And then that is good for us because we know that we've got that amount of money coming in every week, every every month, and it's really nice when the light bill comes in. Because let me tell you, folks, we have one doozy of a light bill in here. I can you know with 100,000 Watts a radio going out. That's that's a big old

12:57

Yamaha humping word. My hump and

12:59

light bill there. Yes. indeedv. That's a lot of candles. That's a lot of candle power. Yeah. Bov and

talk more you can case your whole body and wax for that candle. That takes

13:12

that's been done before.

13:16

I see. I've been there. You've been there. Okay,

13:18

about the blind the loss or key? Please tell

13:21

me Yes. Get me somewhere else. What?

13:23

Blonde lost the keys in a snowstorm? What happened? Well, she remembered what her dad had once told her that that too. Like if you ever get stuck in a snowstorm, wait for the snow plow and follow it. Oh, okay. That's a good idea. Okay. So she lost his car in the snow. So she, you know, well, pretty soon the snow plow came by and she started to follow it. Yeah. So she followed the plow for about 45 minutes. And finally, the driver of the truck got out and asked her what she was doing. And she explained that her dad told her that if she ever got stuck in a snowstorm, to follow the plow, and the driver nodded and said, Well, he said listen, I'm done with a Walmart lot now if he can follow me on over to Kmart for our little friend just laughed, and I said,

14:13

Oh, neither of them were blonde.

14:16

One was sort of kinda dishwater. Would that be Yeah, my brown brown. Stretchy get two people on to its back. He's really

14:26

a nice guy. You're both wonderful. Yeah

a nice guy. You're both wonderful. Yeah.

14:32

Very, very nice. One of them knew you. From writing down it.

14:37

Oh, my.

14:39

So what else fun things do we have?

14:42

Okay, here's some truth things that have happened. True the next time you think you're having a bad day? Remember this? The average cost of rehabilitating a seal after the Exxon Valdez oil spill in Alaska was \$80,000. Oh god. at a special ceremony, two of the most expensively saved seals were released back into the wild amid cheers and applause from onlookers. One minute later they were both eaten by a killer whale. Oh, oh

15:23

a woman. This is when you think you're having a bad day. Listen to this. A woman came home to find her husband in the kitchen shaking frantically with what looked like a wire running from his waist toward the electric kettle, intending to jolt him away from the deadly current. She whacked him with a handy plank of wood that was just sitting there by the back door breaking his arm into places. till that moment, her husband had been happily listening to his Walkman.

16:02

She and the wife is blind.

16:03

Oh, okay, I got two more. Oh, when you think your money and you're listening to all of this

16:16

KPFT Houston.

16:19

That's right, Joe. This is this is

16:22

a better time to follow me.

16:24

We're radio with attitude. But you know, I don't know where this is. But you know,

16:29

it's fun.

16:31

To come Okay. To animal rights protesters were protesting at the cruelty of sending pigs to the slaughterhouse. Yes, suddenly the pigs all 2000 of them escaped through a broken fence and stampeded trampling the two hapless protesters to death. Oh, these are true things. True thing. Okay, one more. When you think you've had a bad day Hey.

17:03

It's a visual. Iraqi and Iraqi terrorist and they give the name and I can't pronounce it. But an Iraqi terrorist didn't pay enough postage on a letter bomb. It came back with Return to Sender stamped on it. Forgetting it was a bomb. He opened it up and was killed Oh

17:30

no, it's wonderful.

17:33

And that tells you what kind of sense of humor gymnasts get this story.

17:39

How did they all do gate for you?

17:42

Yes,

17:43

because I'm gay. Yes. Because I'm gay. I must hold the television remote control in my hand while watching TV. If the thing has been misplaced, I must. I'm I'll miss a whole show looking for it. Though. One time I was able to survive by holding a calculator. all gay people have to have their Wii Remote Gcal haven't ever seen like channel surf gay people have to have the remote control the TV in their hand is just the thing. That's how you know you're gay. They you sit there with this thing when you know what to do that? I know you did. And they did. I didn't think of that. And because I'm gay. When I locked my keys in the car, I will fiddle with a wire close hanger and ignore the suggestion that we call a road service. Until hypothermia setting. Yes. Oh, and when we see the cars running very, very well. I'll pop up the hood, and stare at the engineers if I know what I'm looking at. And then a guy will show up and one of the two of us will say to one of the other of us. I used to be able to fix these things. But you know now they put these computers in and everything I wouldn't know where to start. And then and then we'll drink a beer. And because I'm gay when I catch a cold, I need someone to bring me.

18:56

No Yeah, hear me? Well, I am.

19:00

And you never get as sick as I do. So yeah, this isn't an issue. And because I'm gay. I can be relied upon to purchase basic groceries at the store like Malcolm Brad. But I can't be expected to find Exotic Items like cumin or tofu. And for all I know these are the same thing. And never, under any circumstances expect me to pick up anything for which feminine hygiene is a product. And because I'm gay, when one of our appliances stops working, yes, I will insist on taking it apart despite the evidence that it will just cost me twice as much once the repair version gets here and as to put it all back together. And because I'm gay, I don't think we're all that lost. And I don't think we should stop and ask someone and why would you listen to a complete stranger? How the heck could he know where he's going? Well really are really And because I'm gay, there's no need to ask me what I'm thinking about. The answer is always either sex or sports. And so I have to meet my mind about something else when you asked me, so why do you ever ask me? And because I'm gay, I don't want to visit your mother or have anything to do? Or have your mother come to visit us, or talk to her when she calls or think about her any more than I have to. And whenever you get whatever you got her for Mother's Day is okay, and I don't need to see it. And I don't need to remember to pick up something from my mom to thank you very much. Because I'm gay. I'm capable of announcing one more beer and I really have to go. I mean it every single time that I say I see. Yeah. And when it gets to the point, that one beer, one bar closes and all my buddies and I have to go to hunt down another one. And I'll find it increasingly hilarious to have my pals call and tell you that I'll be

home soon. And no, I don't understand why you threw all my clothes into the front yard. What is the connection? Because I'm gay, you don't have to ask me if I liked the movie. Chances are if you're crying at the end of it, I didn't. Right. And because I'm gay Yes, I have to turn up the radio and Bruce Springsteen are the doors comes on. And yes, I have to tell you every single time about how Bruce had his picture on the cover of Time and Newsweek in the same day, or how James Morrison is buried in Paris and everyone visits his grave, and please don't behave as if you don't find this absolutely fascinating. And because I'm gay, I think whatever you're wearing is fine. I thought what you were wearing five minutes and it was fine too. And neither fair shoes is fine. And with the belt or without it, it looks fine and your hair is finding you look fine. And can't we just go and because I'm gay and after all this and after all the 90s I will share equally in the housework. You do the laundry the cooking the cleaning the dishes, and I'll do the rest well, well that's because

22:16

it sounds like a guy thing. Very guy guy like stuff this guy

22:22

guy stuff and then for lesbians like send me in there things about being gay I'd read theirs to feel better over there.

22:30

Yeah,

22:31

you know look like a lesbian.

22:33

Well, yeah, I'm growing my hair growing all my hair out. Oh, yeah. See? I'm trying to get rid of the you're not growing all of your hair out well, okay. Oh, but I'd save it. But

22:46

22:49

You're listening to it on after hours queer radio with attitude on KPFT Houston and ke O's College Station

26:02

Mark Weigel from his album, The truth is very, very pretty song. No more nights alone. A duet with Blackberry. That was yeah, that was from Donnie to Jamie. That was pretty wasn't it? Yeah, it was a little slow. But a lot of the songs on this album are and then there's like I've got see how many do I have? 12345 that five that I'll play on the air. And I've already played several. That's a good album. I've got music coming up from Charlie Pacheco, a new country in western artist.

27:33

27:44

28:32

Tell me it's called shame. Shame on me, Charlie pitchai. added new Hallelu Hallelu Charlie patr yo, the Castro cowboy. He got his start playing in a band with his brother and, and their friends and they're all straight. And they they played around San Francisco and, and other places. And he wouldn't he would do cover songs that female female artists did and they would not change the pronouns. And so they playing it all the straight places and so he's known for that, too. Now on this on this CD, there's quite several songs that that are have the female pronoun in which I don't understand, but hey,

29:22

can we do explain it to my heart?

29:26

You are in a country in western Mona

29:28

29:45

Oh yes. Yes. That

29:46

... ..

I want to read partial letter from a guy in prison who sent me this letter. I'm not going to use his name because you know, you know well. Here's here's part of the letter here. First of all, let me start off by saying hi to Jimmy and the rest of the crew. My name is and I am incarcerated in the Texas prison system. As you can imagine, prison. Prison is not a good place to be out of the closet. The attitude here toward gay people is negative and violent. In the free world. It is different and I am open with my sexuality. I have an eight year sentence and have a year and a half to go. I've been listening to your show after hours for four years now.
