SUMMARY KEYWORDS

kelly, worm, manny, sex, butt, people, listening, funny, finger, hear, felt, bathroom, penis, sheep, story, movie, lube, sexual, pencil, girl

00:00

Hey how's that got to do with you? I'm talking about a doctor having his finger up my butt. That's pretty much it was

00:06

a doctor not by choice. You're like all like it's making me feel really stupid over here because you won't talk.

00:16

Therefore, I'm alone.

00:17

I'm not disgusted by I'm intrigued. How I mean, how else would you call having a whole topic about it? That's intrigued. I'm intrigued by it. Well, a

00:25

finger is is very small.

00:27

But to me, it felt like going poop. I didn't like it. It felt like it. Like, I don't know, it just felt like I was

00:33

intimate with your doctor

intimate with your doctor.

00:35

Well, that's another strange you, Vicki, maybe listening. So

00:41

you weren't turned on in the first place? I'm assuming because you were at the doctor.

00:46

Right? That is I mean, do you get turned on in your butt to enhance the feeling? That's what I'm wondering. I

00:51

didn't start off like that. It wasn't just okay, hold

00:54

on. Let me review but

00:58

it wasn't like that is a bunch of other stuff. And then we tried it. Hard to turn on in the first place. So how do you

01:04

go about asking someone about? Can I stick my? Yeah. Well, it's like,

01:12

I don't ask

01:18

you to? Come on. Come on, Kelly. I don't ask. Don't ask. You asked. You just do it. Yeah. No, no, no, there's no good.

01:37

Do ask him to stick your finger anywhere you want without having someone's permission.

01:45

You and your boyfriend have been together for how long?

01:47

I'm not saying? Oh, well. They're right.

01:50

I hope he's listening. Hey, Paul, what's up?

01:54

Yeah, we've known each other since

01:56

for 11 years. Okay, your fingers been up his

01:59

how we've dated on and off for 11 years. So then you at that point, no, no.

02:10

So you were you start paying when you know, you I assume you asked when you were 13 If you could stick your finger up?

02:18

When I was 13 I had no interest in this, but that was

02:21

fifth Well maybe years later

man. Well, maybe years later.

02:27

My boyfriend Oh, he is the cutest but he's no but jeans is kind of like swag right there. But I think it's really cute. Oh, I like that.

02:37

So cute. They totally don't look paired together. He like came in he's got like his computer thing. Bad job is you know, pocket.

02:46

Like pocket protector

02:50

came in and it was like it was so funny. And then like, Kelly time she's like, Oh, hey, this is Paul. I was like, cannot wear an all black. It was weird. Unexpected. Sorry about that.

03:04

So at least you don't have

03:06

to ask him you just do it apparently.

03:09

Okay, would you use lube or do you like how do you do? Oh,

03:13

sorry. Go ahead. That's your question, ma'am.

03:15

I'm sending it out to both you.

03:17

What's What's that movie? That's the sequel to doom generation.

03:21

Doom generation that would be I made a sequel to doom generation it's

03:25

not the sequel, but it's nowhere Nowhere. Nowhere they didn't use anything No way where was it doomed generation yes they did

03:33

when they were doing generation I saw them

03:36

what limb generation Rose McGowan looks her finger she looks

03:39

her finger okay yep sure did so there's your answer the finger

03:45

this is this mutual or just

03:47

I'm not speaking from personal experience at all. Yes, you are like down the barrier I'm trying to be funny thing is too much lube.

04:02

Coming from a gay man

04:05

that that I don't I just

04:07

for my first experience I refuse not to use anything I didn't know how that was gonna feel lube. You mean Yeah. Ky so you wanted it to be dry? I used as well so I did not want that to be good. I had no idea what I was gonna feel I was scared man. Would you stop laughing at me you

04:27

know buddy I work

04:30

so much now you don't even

04:32

know me. Not even talking so much about great

04:37

blackmail or now or you want to know something about no okay.

04:43

Hey, Michelle knows about this show. I wonder if she's listening

04:51

it'll be back to full T shirts for me.

04:56

Kelly and her but stories that she won't admit which makes us Think there's many to hear?

05:02

Well, I am fascinated with mooning people. Okay, you haven't noticed. Apparently I've

05:06

met him. I've never seen a manager's but before and today I have. So Lisa wasn't at work. He know what she probably would have, she wouldn't get a ride or something

05:17

I used to do to my old job. We had cameras, video cameras on on the register. And the owners would sit in the back and watch them while we worked, and I would move them and then if they weren't at work, they were videotaping it. So they come in and they asked my best friend worked in the back office, and they're like, Do you know how many more times we're gonna have to see Kelly's but on this video?

05:37

That's funny, cuz I know is your button.

05:39

And then I felt

05:41

like it was your boyfriend wrote Kelly on

05:42

the bag. Just lined up mooning the camera. No, it's because it was shaped like a heart. You guys,

05:50

as we all have noticed,

05:53

and she's probably wearing a purple D string. Probably is.

05:58

But we don't know that for sure. Because we haven't seen my butt today.

06:01

Yeah, we have. Oh, yeah, we have.

06:05

They already knew that. We already told them. Yeah, we

06:07

kind of like screamed when it

06:10

was like, oh, there's Kelly's but and it was funny.

06:13

Everyone's like, I wish this was TV.

06:15

I think it's time to move from minus to Uranus.

06:20

What Uranus

06:22

minus minus is is is non is a virgin. Besides that one doctor. I just know. I'm just too paranoid the whole idea of pain, just and it's just something that I've never foreseen as something sexual. I don't know. It's like you see those movies? You know when they're just like, going at it? And it just really repulses me.

06:51

Are you talking about pornos? Well, because I don't see many like, you know, romantic flicks or sticking the penis at the anus.

06:59

My parents have Skinemax So, yeah, late night shows on Showtime and Cinemax Movie Channel. And, you know, you know, when whatever, but uh, and, you know, so I just, it's never looked appealing to me. And that's why I have to get, you know, really messed up and go to gay bars and ask the guys and see what it is that they like. But then I asked like, Okay, I have these two roommates living with me. And they both loved sticking their fingers up each other's butt. And they said,

07:30

information for me. Candace said it

07:33

felt like really well. And I was just like, What about it, you know, and they just said like, it was really tingly. And there was really sensitive and that it was just a great experience. But then I'm wondering, okay, if all you have you know, like, Is something going up your butt Can you climax from because

07:50

are these men or women, women? Oh, I don't know women, for males and your prostates there and massages the prostate and supposedly that

07:57

goes back to different things from different people on

08:01

so you can like find maximum crime. No. I'm not people who could. That's That's funny. I don't know. I mean, I

08:13

know people who like I don't know, like they say that on the female. You know, there's like internal orgasms and external orgasms. And some people have only experienced either one or the other or neither.

08:24

08:27
That's I've never gotten about straight girls. Why they love going out and Sorry, guys.

08:31
That's exactly the whole point. Then I'll like turn them on and it won't do anything for you.

08:34
Oh, I know. I'm getting turned off.

08:38
Well, apparently you like a penis and you you're straight, aren't you?

08:47
Oh, no, there's another story lingering by that we've got a bisexual over here something

08:53
No, I'm more asexual than by bisexual. Paw.

08:59
Like asexual like no sex, or sex.

09:02
No, it's called masturbation. Like

09:08
high fives all around.

09:10
That's funny. So anyone have anything to say about masturbation now but's anything.

09:11

09:19

aspiration but penises.

09:22

Anything sexual? We're going for people give us a call your KPFT 713 Jim KPFT you got to start we want to hear we want to dissect everything. Because I'm a curious person I've lacking of experience and I want to know what's out there. What's, what are funny things to do? What are good things to do? I

09:39

don't know. Why don't you try it get drunk. Get some lube, try

09:42

it on myself.

09:46

I would suggest with your girlfriends you can get it manually turned on.

09:49

I think we're kinda in you're gonna take yourself We're friends. We're good like that. We're not We're not asexual. I just Boom, personal relationship information on No, I just it's not all about that. Like, hey, maybe we need to have sex tonight. You know? It's not it doesn't

10:11

mean that it doesn't happen

10:15

okay, apparently, I know

10:20

just is no

10:21

one is are you sexual? Yes. Okay, thank you. Yeah. My graphic gets like this sometimes too. I'm in I'll be in the mood to like make love or something and I go like, weeks I don't know. And it's just like awful. Awful. I'm sorry. Well, I mean, I'm sorry if it's a sexual relationship has something to do with sexual activities. Does it not rolling over and going to bed and pray to God she doesn't even know I'm on the radio.

10:51

I'm pretty sure she doesn't

10:54

Why didn't tell her so I know she doesn't she wouldn't be listening to the station because we don't get the radio on the house anyways. Jaycees or whatever, okay? I mean, I'm sorry. Okay, so I'm a sexual person. Okay,

11:13

so then what's your favorite type of sex? Just like if you've seen the movie kids, there's making love their sex. Then there's blinking. You come up with the radio safe term.

11:24

Blinking, blinking. Bree helped me out on this. Okay. Please don't leave me alone. You go first. No problem. So we'll go after you. Okay, what

11:31

was the question again? Okay. What are you making love? And then there's, you know, sex, you know, hey, let's you know, blah, blah, blah. But then there's blinking just hardcore blinking.

11:42

Out of those three question,

11:44

what do you prefer?

11:45

11:45
It depends on him with.

11:46
Okay, do you have what I did till

11:50
this morning? Oh,

11:53
did you read? Did you like them a lot? Um, yeah, I did. Then what do you prefer with him?

11:59
Probably just sex. I mean, I wouldn't say making love or in love or anything, but

12:03
you know, there's making love all like slow and like, you know, whatever. There's like,

12:11
hands on. Sexual Kelly to handle.

12:18
I guess it would just depend on what movie we're in. And if you've been drinking

12:24
Well, I think there's there's a difference when you really are in love with someone and you really do care about them. Then you can move on to different levels of making love that would be considered maybe blinking to you, Candace, but I can't say hear that term. No, I'm saying. I'm saying blinking. I mean, I could never blink any one. I couldn't because there's no emotion behind it. And I couldn't just have sex with anyone because like, yeah, that that's all it is sex with anyone.

12:24

12:48

I did that once. It's really boring. Anyway. Yeah.

12:51

Even mention what you did.

12:55

Oh, no, I wasn't thinking of that. Oh, okay. Nevermind. No, gross. Know, Like, when I was 16

13:03

Y'all want to know, I

13:04

know. This, this this

13:07

when I was 16. I was like with this guy. And it was just like, oh, kisses bisexual. Um, I was with this guy. And it's the most boring night I've ever had. I was just staring at the ceiling. I was like, Oh my God. Are you having fun? Because I'm not. I just wonder like, I mean, it was just really not fun. And it made me I mean, it's funny because like, my attention was so diverted, I was just like, Well, my bed makes a lot of noise. I mean, it's just really uninteresting to me. I was just like, is this what I have in store for me? You know, because it was like, so built up. And then I was like, Oh, this this sucks. And that made me realize, you know, I think more leads to the girls because that just wasn't fun. I was like,

13:47

I've never even had sex with a guy. I have no

13:52

one nothing. I've no desire.

13:54

Yeah, it's not it's not that fun. But maybe those two have a different Kelly anytime. Evil. I don't get what happened to miss. You're like boasting the whole time. I'm gonna talk this. I know

get what happened to miss. You're like boasting the whole time. I'm gonna talk this. I know. You get on the radio. And she's like, does anyone have a scary story to tell about Kelly we'd like to hear? Oh, my God. Come on. I know you have some she has some friends out there listening. Give us a call and we will make it anonymous. Yeah, I think Kelly might never. But come on. Let's let's get the dish out. They don't want Kelly to beat them up like yeah, they're

14:33

scared. They live in fear of killester.

14:37

Alright, that gives you enough motivation to call I'd call but I'm already on the air. And you don't know anything? Yeah, I don't. Well, I know she sticks her finger up in someone's butt. And she doesn't have to stick my finger

14:49

in B we've got a call.

14:54

But they went by well, maybe. I hope it's for us. I do too. out here story

15:02

have been known to stick your finger on people but

15:05

oh no, come back. You're on here

15:12

is anyone on Pacha network

15:15

that they talk they will be on? Yes, you're on.

15:18

 15:18
I have a bad story.

 15:20
What's your bud story? This is going on. I

 15:23
had a worm in my butt.

 15:24
Oh my god. Really? How?

 15:27
Well I'm not sure how it got there. It was like a virus

 15:36
did you pull it out? No.

 15:38
Did it feel very good. I had to go to the doctor and get like medication. A word or but was it a big long worm or one of those small little maggot kinds? It was a little why were

 15:49
was it sexually stimulating?

 15:51
Not really thought.

 15:54
Oh, I've heard it.

15:56

Was it a toilet worm or tapeworm?

15:58

Wasn't a tapeworm. It was a little white. worm in my book is so light. I got a mirror and I looked at down there my butthole and I saw the worm peeking out.

16:12

Really? Got there. Do you know how it got there?

16:17

I'm not sure. No.

16:18

Was it like one of those worms that are in the apples?

16:23

I'm so sorry. You had to go through that. Okay, that's kind of funny.

16:28

So what did you think when you first saw the worm? I don't

16:31

think it's oh my

16:31

god. There's a woman.

16:35

You ever think like well, maybe I'll keep it for a pet. I don't know that.

16:43

Doctor said that I probably wouldn't survive outside of my butt. So I couldn't keep it as a pet.

16:49

Once it was gone. Did you miss it?

16:52

Did you have a name for it? Or did you have a name for it? No. No name for your butler.

16:57

No, your butler.

16:59

It was a worm in there. But wasn't it about we're all right. All right. Do you know Kelly don't have a story about Kelly's. But come on. Give us a story about Kelly's but

17:12

I'd like to hear about her book. Tell us about your book.

17:20

Come on. Kelly. Give us a bad story. You have callers in Houston. What Where are you from?
Caller

17:25

from North Houston.

17:27

Northeast. Was it up like spring coarser? Because somebody I know might be listening. Yeah.
So we don't get a name.

17:41

My name is Manny Manny.

17:46

Manny here, but

17:51

we're sorry about that. Manny.

17:54

Manny, do you have any other butt stories you'd like to share with us? Not really. Ranier you're up kinda late, aren't you? Yeah. Well, that's cool. Manny, thank you very much for sharing with us your butt story. Anytime.

18:13

Good night, Manny. Bye. Bye, Manny. That was Manny from somewhere north of Houston and close to spring close to spring somewhere around there. And for many of the foreman there, but

18:27

I think it was a it was a female.

18:29

I think a female worm.

18:30

No. Poor man. He had a worm in there. But not distinguishing sex.

18:36

Well, you never know. And I didn't want to offend Manny so I'd like to keep it up there.

18:40

Fine. Mandy had a woman there but meaning more than one person and his or her but correct.

18:50

Kelly Have you ever had a woman your but is that where you're so not that I know of? Because you're biased. Maybe you had?

18:55

I'm sure my butt's it's several times in your life.

18:59

It is right now. Pencil.

19:03

I got it for you. Thank you,

19:06

Kelly and her

19:13

anymore. That's funny. Well, hey, I want to play a song. It's called Jack of all trades. It's by the lunatics once again, because they're a great band and I helped those hands. So we're gonna hear that. So are you better

19:31

but that

19:33

No, but I did. You know, hold her hand and she did hold a butt plug that maybe could have been in our hands. I'm in her butt. So maybe yeah, I didn't touch her. But we'll leave it at that. Okay, we'll be back after Jack of all trades.

19:56

All right. That would be enough of the lunar chicks and And we are back. We've been told that we're kind of dragging the butt thing through the dirt. I think it'd be more exciting if Kelly would let on a couple stories. You know, maybe some she's heard, you know, but uh, she's, she's not gonna shy. She's. Yeah, right. It's got a grin right now reaching ear to ear. I know their stories back there. And that dusty little mine of hers. They're all but you kind

20:27

of have to be there kind of stories, though. But anything. Okay, I've got a story. I went to my friend's band played a show in Amarillo. So we went on this little road trip to Amarillo. And we're drinking at the club and one of the guys JP he was like, he grabbed me. He's like, let's go to Burger King. There's a Burger King down the street. So we walked to Burger King, and he's like, I gotta go the bathroom. So it goes in the restroom. And like five minutes later comes running out grabs me and he's like, we gotta go. We gotta get out of here now run run. So I'm thinking what happened? Did he pick a fight with somebody in the restroom? Did he like pee on someone's shoe? What happened? So I'm like, you know, petrified running down the street in these big platform high heels like trying to eat it. And then like what happened? JP would have been Tell me Do we need to call the police. He's like, I pooped all over the walls all over the seat in the sink on the mirror.

21:22

Oh my god. I barely managed

21:23

that.

21:24

I don't. I don't want to know. Amen. Apparently, he's pretty talented. This is not the first time

21:31

apparently he didn't mind touching it. And we know

21:34

his name. JP JP

-- --

21:37

JP is one of those people. I just regret going into the bathrooms after

21:42

I feel sorry for the people I have to clean that.

21:45

I always make my crew members

21:47

the thing that happens often and talk about

21:49

I wouldn't know only the guys bathroom is really bad. I don't know what the problem is males and peeing and pooping because they can't handle

21:57

it really is. I mean, you guys even got to Amer is it really that hard? They like

22:01

it's all over the wall sometimes I just I just don't get it. It's it's a whole territory thing. Girls bathrooms like nice. Every now and then there's like a piece of toilet paper on the ground? It's because for much more proper,

22:15

proper Yeah, that

22:16

obviously you've never been to the Katy Mills Mall. You'd have another story to tell but the bathrooms there

22:21

really? I've always had positive. See to me the worst bathroom to use is a Walmart bathroom. Never use Walmart bathroom.

22:30

No, the restaurant in Chinese buffet. Oh god.

22:33

I use the Walmart bathroom a couple times. One specific I remember with your girlfriend. When we went to Galveston. Oh, it wasn't bad. It was very clean.

22:43

Manny might have used Walmart bathroom. Maybe that's how Mani acquired a worm.

22:50

Acquire a worm.

22:51

Who knows Have you looked Manny had to get a mirror out? Man he felt something. Manny itched.

22:59

Does anybody have a mirror? You?

23:04

Kelly Kelly had it so she's got a check. You know? With the pencil whatever happened in that pencil? Did you lose it?

23:14

It's gone.

23:14

I haven't seen it is sucked it up.

23:18

Oh, it's pretty long. But she must be one big large intestine because it's pretty long pencil. All right.

23:30

What do you want me to put it in my button? Write my name with it.

23:32

I'd be very impressed.

23:34

Anyone seen a fart on fire? Yeah, really? See, I've never hung out with guys enough that much because I always hear about guys shooting lightning parts on fire.

23:43

I had a friend that hurt himself that way really didn't like Scarpa's. But it singed it. It was painful for him. That sounds like painful.

23:51

Yeah. I was like the South Park movie. Kenny killed himself doing that.

23:55

He kills himself.

23:56

I know but I'm just saying he killed himself by lightning.

23:59

So you've seen it live? Yeah. Is it?

24:03

Really? No, it's it's kind of a it was over? Does he ever Harry but he had his pants on. I would not have looked at my brother's booty. He did it

24:13

with his pants on. Couldn't be dangerous when like catch a fire on the jeans and like, you know be stuck. I wish

24:18

it would have been funny.

24:24

You deserve it type thing.

24:26

Yes. Like my brother. Apparently. He's not listening. So I don't care.

24:31

Maybe your parents aren't.

24:34

My parents not up at 245 in the morning. They're like 50

24:38

We got another call. I hope it's for us. Okay, they went by now they're back.

24:46

They're probably trying to order a pizza really catch that was

24:48

 24:40

really? I want I want Mandy to come on phone. Oh, you like me any? No. Oh, man. He has a worm in their blood count like anyone the warmth of their butt.

 24:59

Ah,

 25:01

that's That's gross. It's like I'm joking.

 25:03

God

 25:06

it's like unsanitary

 25:10

worms and booties would be very unsanitary. I would agree.

 25:13

But um so since we're kind of yawning on the whole butt thing does anyone have anything else to talk about?

 25:20

Everyone looks at Kelly

 25:24

Marie that was funny

 25:26

because you want to see my buddy again? Go for it the first time is free.

25:30

This is now a he's never seen it. Maybe you can see it. Do you want to see it? Kelly just making sure but

25:41

Well, only for gonna step dollars in my G string.

25:45

Maybe whenever maybe if anyone wants to come up to the station and you know see Kelly's but she'll be showing it after the show. Three o'clock when we get out of here. So if you want to come see your butt come by KPFT not coming directly. Hey, don't you know give you some ones. It'll it'll let you buy you know, dinner. I mean, breakfast at McDonald's tomorrow morning. Oh, we've got to be up so early tomorrow.

26:13

Mean? Eight o'clock. I mean

26:16

11. But you told me eight just so I can know.

26:20

I gotta be up at 811 versus the woodlands. This probably really uninteresting to the people listening but there's a lot of butts in The Woodlands there. You know what really? Matter? Maybe we can have but competition tomorrow. I don't know.

26:37

I've seen some of the people who work with this. And

26:40

really, have you seen any other people outside of our store? Okay, I'm avoiding the whole work thing because it's just not cool on the radio. They're like, what? But come on you guys since Kelly. You know what time it is. Time is the time to get ill. It's time. It's time to do the Humpty dance on Kelly and we'd be seeing it with me. No, Kelly. This is all on you. I can't I couldn't even

aspire to be as talented as you are when it comes to the Humpty song. She was singing in the car. She was she was doing a good job. Come on, Kelly. I can't remember the words. Now. You put me on the spot. Kelly. Come on.

27:16

I like big but no, no. I have stuck in my head. Like big. cannot lie. That's a lie. No.

27:23

No, Kelly come on the Humpty dance as your chance.

27:26

No, but I'm trying to remember the one certain part that I like and I can't remember. I

27:30

just got busy in a Burger King bathroom. Gives me You ruined it for me. Thank you. Come on Kelly. Sing it.

27:36

You just did.

27:37

I didn't sing it. I can't

27:38

sing it now. I can't top your act, Candace.

27:40

I won't show you

27:43

know your

27:44

big butthead. She is the queen. Don't forget that. She has was

27:48

talking about butts and doesn't say anything. Except she doesn't have to ask anymore.

27:51

I didn't think you'd go through with it. I was taught campus.

27:56

I know that now. That's

27:58

noticed.

28:00

We've had a peep out of reach. Except to say you're not talking Kelly.

28:05

We admitted she liked she liked sex out of making love and blinking.

28:11

Well, I've never made love. I don't think I have. Really? If I don't think I have another habit.

28:15

All right. How many people here Has everyone been with? Oh my god. It's kinda like a truth and air thing. Tracy three? Kelly?

28:25

No way.

28:27

We got that information. Kelly how many new NEW NEW NEW NEW NEW? How many Kelly? Not ever gonna tell?

28:33

Is it past? 10? No, no. Well, then we'll just assume 10 You breathe?

28:40

What's Kelly's like? All 45

28:45

Do you have a calculator? Oh my

28:48

kidding. I'm kidding. That's not safe. It's not safe. 11

28:53

Oh my god. Yeah,

28:55

very bad. Yeah, there was a period of my life wasn't very well.

29:00

Have you been tested? Yes. Yes. Good girl. Yes. 100. Okay.

29:07

Including guys and girls or even to exclude including, okay.

29:14

Oh, please do top three. I don't know. I always get confused when it comes to the lesbian thing. You know? Like, What? What?

29:23

Oh, I have a question for you. Okay. Okay. Because I haven't really ever done much with a girl. Does it become sex?

29:31

I'm wondering. That's very personal

29:34

issue some people because then it may be 10 Oh I don't know.

29:42

I've always wondered is fingering considered sex or is it only I want to talk about my sex she considered it's not sex when a guy does it to me though. I

29:51

I don't consider it I don't because

29:52

I think that's foreplay. Yeah, I think that's definitely that's far but it's not sex. I think when you go down on a person, either guy or girl If you're having sex, I don't think just penetration. So it's like oral oral sex is sex to me. That's my definition of it. And then as people are being ring, finger sex, it's fingering. Yeah, I've never considered fingering or else I've been with a little more than three

30:17

people. Wow, all right there, Tracy.

30:21

I'm like her. I had a nice little phase in my life that I'm not exactly proud of. Yeah. I'd like to

consider that. But

30:29

you know, it's funny. It's like what guys like if a girl's had plenty of oral sex with guys. She hasn't had sex with them.

30:34

Well, that's because of the whole virgin thing. virgins are defined as not having a penis ever inside them. With with heterosexual and so therefore, they can hide under there. I've never had sex because I'm a virgin, but they've

30:46

gone on, gone down the whole football team and stuff, you know, Kellyanne Lynch right then so I know what you're done with the football team.

30:55

It's a lot different for heterosexuals and homosexuals. What I said that's why it's a lot different because I know a lot of gay guys that wouldn't consider like, oral sex sex, because anal sex is sex because it's penetration. I know a lot of gay guys that think that. But for us, there's really I mean, penetration. It's just fingering I guess it's basically unless you get some toys involved. That's a whole nother topic. That's about um, and all sorts of that's about all you can do with penetration. So that's, that's a very touchy subject for a lot of lesbians because I've never had sex.

31:27

But they've had plenty of toys and fingers up them to

31:31

I've never ever had sex with a girl because she doesn't have a penis. Oh, I get

31:35

it. Now. You can buy one down the street. Like \$30

31:40

I got offered an inflatable penis tonight. Really? But if you think about it, how would that work? Like fold? Flight? I don't get it.

31:51

Kelly had a little story once. Oh, well, no, it's it's not an interesting one. It's that they're really bored at work. And they took a vibrator. And there's this there's this blow up pig doll. And, and you know, yeah, yeah, hump the pig. And so they stuck the vibrator where you humped it, and then the pigs started walking.

32:10

Oh my god. Oh, cool. And then we made it race with the blow up sheep.

32:14

It was pretty funny.

32:17

Shadows, the pigs in the sheep. The sheep was called the love you.

32:23

Oh my God, that's

32:23

funny with what was being called together. Remember

32:25

if the pig had a cutesy name or not,

32:27

you know, I was watching one of those like, hilarious home videos once. I don't really see how this was hilarious. But um, it was, you know, like surveillance cameras. And this guy who had was like the security guard and Opinio auto shop. Okay. Imagine how fun that would be. And

there was a sheep Kenyatta. And so when no one was there, and he was on surveillance, he went and had will be with the little sheep Kenyatta got down on all fours, and gave it to that little pinata

33:03

people just love sheep.

33:04

What is up with that?

33:07

I've never really heard about it. So I don't

33:09

know. That is I'm just like, I don't know. But when I saw it, I was like, oh my god that is

33:14

doesn't relatable sheep I've never even heard of until what tonight, they gave a gag gift because I went out with some friends tonight. And they gave a gag gift to one of the guy friends who had been single for quite a while they gave him a blowup sheet to keep them coming out with a black sheep. Not a person and then that's when they got the whole inflatable penis thing. I

33:33

don't know. But yeah, I was like a sheep. That would work really well.

33:40

I don't see how this thing would work at

33:41

all. Well, I

33:43

guess maybe. I

33:46

can imagine about and Kelly so

33:48

I had my encounter with the blue sheep. I was really drunk. Well done there

33:57

I can't wait to work tomorrow.

34:00

Forget she's not gonna be there. But it wasn't the email shape. So

34:04

Oh, God. That means bringing him back. Did you hear what was said on the radio show? Kelly doesn't have to ask anymore.

34:12

I'll just stick my finger where I did well.

34:17

I don't know. Every time he points, points on us. We'll be like, where's that finger? Wash it,

34:25

make sure there's a bottle of hand sanitizer under the counter.

34:28

Can we wash your fingers? Then just whatever. I'm just I'm glad certain people aren't listening because I know. We're not be able to even you know be in the same room after this

conversation. You know, and we haven't even even touched on you haven't even

34:48

scratched the surface. Maybe Manny can help be a writer.

34:56

I swear you've got some great things.

35:00

zinging

35:01

you know, the into the net. I don't know this dumb jokes like South Park does all the time. Nevermind.

35:09

Okay, well, we've got about three in something minutes and count. 45 seconds. 45 seconds. That's already passed. Because seconds keep moving. So does anyone want to say anything to anyone you know, get some shouts out before we head off the air. Okay.

35:29

Hi, Vicki. Hi, Vicki. Hi, Vicki.

35:32

i Why am I saying better?

35:37

Yeah. And I want to I want to tell Manny, whatever happened with the warm? I hope you know, you live on strong and yeah, and I hope it doesn't happen again. You know, well, I just

35:50

hope that the worm is safe and happy. Loving.

35:56

Found another but because as Manny said, it can't live outside the butt. So maybe if Manny had been sex,

36:03

it could have gone on to the person who's having but sex right? Yeah, exactly.

36:07

Maybe it moved in on the blow up sheep. Maybe,

36:11

maybe, man, he's the one who did the pinata. Who knows. But anyways, who we're gonna say hello to Kelly.

36:16

I'm gonna say hi to Paul ster.

36:19

Paul, we know a little too much information about

36:21

you. And hi, Magda, and Lonnie if you're listening to and he should have called in I didn't talk about yours. But

36:26

in all your stories.

36:29

Even though we've poked and prodded her to.

36:32

I've been poked.

36:35

We got the pencil to prove it.

36:39

Did you want to say hello, goodbye to anyone.

36:41

I want to say hi to Joanna.

36:46

Brenton Brian, you meet. They're all listening all asleep by now but just in case or up. Just wanna say hello.

36:55

I didn't tell anyone to listen. So

36:58

the whole idea of it. You don't want to tell anyone hello or anything?

37:03

Hi, Aaron.

37:05

All right. Well, then, you know, that's cool. So anyway, Candace, how,

37:10

y'all if you weren't here, I'd be like, Hi, Candace and Vicki. And Aaron.

37:15

Mutt? Um, okay, well then yeah, anyone listening from Hot Topic? I

37:24

look forward to the meeting tomorrow. I'm gonna be wearing all black and

37:27

37:30

37:34

Now they'll have a face to go with it in case they just know you have a butt. Kelly 10

37:42

Look for the girl with the heart shaping string.

37:46

Yeah, maybe Kelly will be happy to display it to everyone but hopefully she'll change her.

37:51

Well you boy you finally get Kelly Yeah. Oh gosh, you
