And what else? Christmas Christmas in Dallas. All was wonderful.

**S** Scott Lewis 29:12  
The Melrose hotel was just incredible. Beautiful it was so you could stumble back to the hotel from all the

**H** Howard McHale 29:18  
romantic it was all over look at vou.

S

Scott Lewis 29:23

You should have heard Howard at the front desk to make sure that there are two beds in a row I'm not sleeping in the same bed with you tell him about the room once we go in the room. You know we usually stay at this little you know, days in it's a real small hotel you know just cheapy and it's like 50 bucks or something. And we usually stay over there well you like walk in it's like bed bed, dresser with TV on it small bathroom, that's it. Smuggle, you can spit on the wall at the other end when you walk through the door. I mean, you walk in the front door, you're on the other side of the hotel. I mean it's just really small. And so we walk in to the Melrose And the entry hall is as big as an entire room at the dais. Then you go in, there's like this chest over here with a big mirror, way down over here, like 10 or 12 feet as a little writing table. I mean, it's just incredible. And so how it goes, Scott, what did you do? There's no beds in the room. The room? This is the entry hall.

H

Howard McHale 30:23

The bathroom was bigger than my bedroom and oh, boy, he had some bowel movements in there. I'll tell you melody was a singer.

 Howard McHale 32:27

Okay. Okay. So Christmas in Dallas. It was wonderful. What a wonderful time. We weren't on a promotional tour. So we didn't sign any book covers.

 Scott Lewis 32:36

We're not saying after that Sheriff fryer got so mad at us in Galveston. We had a promotional tour. That and Sheriff fryer was there as well. Sheriff fryer who's the anchor on what's it 30 She

 Howard McHale 32:47

was mad at you.

 Scott Lewis 32:49

She was so well livid, livid, first of all, I kind of said a little too loud about how bad her hair looked. And that didn't that didn't you know, make her too happy. But then our line for autographs was like, literally down around the block. I couldn't believe it. I couldn't believe it. I mean, we were sitting on the corner. So it wasn't, you know, very long to get around the block. But besides that Phoebe will have sex for food. But um, no, our line was around literally around the boys. It was wild. Sheriff fire was sitting there. It was like, You know what it reminded me of? Did you see that? Nobody cared. Nobody cared.

 Howard McHale 33:30

That 13 Crowder, kind of SMIDDY anyway, I

S

Scott Lewis 33:32

told her finally when we left I got up and I walked past her table and I looked at her I said, Honey, if you had fixed your hair and paid a little attention to what you wore down here today, somebody might have actually wanted your autograph. Right. But and so then she was calling security. So we had to leave. We ran like

H

Howard McHale 33:50

talked about Dickens on this.

S

Scott Lewis 33:55

So anyway, she was not thrilled with this at all. Not at all she was they were not happy people. Not happy at all. But hey, we have a fall young hip following and stuff and insurance tired. That's right. And they will. Marlene McLennan I'm sorry, I'm a Marlene kind of guy. I love my lane. She lives here in Montrose. Well, that's because you have a wig just like that. Well, it's true. - S** Scott Lewis 35:36

But anyway, so I did win one coffee award though the final the the last coffee award, the finale went to me and it was sled of the year 1994 So that you should be proud of and I am very proud. It's a very it's a cute little little coffee mug. And I have it on my desk at the office and I brag on it very highly so Steve you know it's gonna be very easy to get me home and stuff as a matter of fact promise in case you need to leave at one or something when these guys leave I'll just go ahead and give you my address on my keys and you can just wait in bed for me there so anyway 526-573-8526 KPFT you know normally guys don't laugh.

Anyway, so there's this guy Fabian. Gorgeous. Oh, adorable little boy. I've been hitting on him forever. So I went up and I told him up in the booth I said, I want you to put on the video walls. Fabian, you will be mine. And so they put it up on the walls everywhere you know, then so they put that up for like two minutes. Well, of course I was out of the booth down walking around, you know, have a good time. Suddenly next message. But Fabian, if you're smart, you will run far far away very far, far, far away some
