Are you just the follow up unit? How does this work? We have the commander in charge with us.

00:25

We don't have time for an interview now. Thank you. Okay. You're gonna get hit with a barricade just back in the office.

00:36

I sympathize with the people that are marching because a lot of the people in the rest of the world are one sided and their way of thinking, since they're already exploiting what we do in private via their little watchdog groups, that they should acknowledge the fact that everybody in the world has sex. Otherwise, we wouldn't be here. I'm wearing

01:02

a shirt. And it shows two women going down on each other in explicit fashion. One is in an obvious state of complete extra woman wearing a tank top and a very attractive bracelet with her hands on the other woman's thigh. And the other woman in ecstasy is wearing also nail polish. And well, they're going down on each other in ecstasy. Them is power breakfast. What's it about him? No, it's

01:36

about first of all. It's about women and AIDS, women and eights. very touchy subject,

01:43

very touchy. I know very little about it. Women die faster. Disaster. I'm from community united against violence. And I'm sort of observing and also trying to keep the police at bay a little bit. So I worked with police in the last few months to try to set up a plan that would make it so that people could demonstrate without getting hurt. We've been I would say about 75% successful in that

02:14

you guys have our lab be what it is

02:19

that you get to try and take your attention away from you.

02:32

Your conduct in the name of the state of California, bordering us

02:45

all the individuals that are standing in the street or sitting or lying in agreement will be arrested. I'm ordering you to go onto the sidewalk immediately or you will be subject to arrest. This is your final warning
