And the boy is handicapped. And the boy's parents found out he's gay. And they want to put him in an insane asylum. That boy needs help. In the gay mood is about the letter I got from Southwest Africa when he read about a gay person getting elected here. And that

person has hope. And that 17 year old kid in Minnesota has hope. And we have gay leaders not understanding that and are more worried about their own personal power. They're not Elite is the offensive. That's right, Mike,

Jimmy Carper 20:28

Oh, wait, was there do you know? No. Okay. Well, we're gonna be talking about that rodeo because it's coming soon. And we're Oh, guess what else is coming on video in about a week and a half?

Jimmy Carper 22:15

Girl Ooh.

**B** Buddy Johnston 22:17  
So when you hear Ron Ron and Paul saying,

**J** Jimmy Carper 22:20  
let's give me a homosexual? Yeah.

**B** Buddy Johnston 22:23  
If you're the 25th Caller, you'll get a copy of well, you won't get a copy of anything you

**J** Jimmy Carper 22:27

There's a terrific interview with Paul Phillips in the voice last week. By oh really by one of the guys from the Montreux singers with this really good thing that Rocky Horror thing you played.

**B** Buddy Johnston 22:54  
It's from a new site

**J** Jimmy Carper 22:57  
never heard that?

**B** Buddy Johnston 22:58  
Well, it's the Rocky Horror radio commercial. It's from CD called Songs from the vault. A collection of Rocky Horror rarities that is to fun, it's part of a four CD collection that Rhino Records just put out in conjunction with the 15th anniversary of the video, which is actually the movie the video, the anticip. pagination is almost here. Because November the eighth you'll be able to buy your own copy of Rocky Horror. And then it's gonna go away for a couple of years. Yeah.

**J** Jimmy Carper 23:31  
What is worth the hell is that?

 **Buddy Johnston** 23:35  
Oh, turn that girl off.

 23:38  
And they've got they have four CDs, the original movie soundtrack, the original stage production soundtrack, or the stage show recording. And then they have this CD songs from the vault. And then they have another one titled international Rocky Horror. It's music from other recordings or other countries Mexico, Norway, Sweden. It's fun. Oh, yeah. In all of these other languages, the same songs that we all grown up with Rocky Horror by then, but in other languages, singing and screaming girl in these other languages. That's right. And we're supposed to ask about, what are we supposed to ask about? What's his name? Jeff Stryker.

 **Jimmy Carper** 24:20  
Oh, what about Jeff?

 **Buddy Johnston** 24:21  
Somebody wants to know, we had a call from Beaumont. Yeah. Anybody in Beaumont list? No. And this queen wants to know about Jeff Stryker made a video other than power tool. Is that right? Oh, he made like, no, he made power tool too.

 **Jimmy Carper** 24:37  
Powerful too. He made there wasn't any powerful one. But really, he made a video called powerful too.

 **Buddy Johnston** 24:46  
And there was supposed to be another movie that he made after that. If anybody knows what it is call us. Oh, okay. And let us know because we're all gonna go over your house and watch it with you. Oh. Who said that? I mean, what did you do if you watch the video of homosexuals all naked running around?

 25:05  
Is that f is in Frank.

 **Buddy Johnston** 25:06  
Oh my god probably. What else is going on? Boy isn't that in the rodeo? I'm kind of thrown

because I'm waiting on the rodeo people to get here. Yeah, I know. And then the time is going to change it.

 Jimmy Carper 25:20

At two o'clock becomes one o'clock. Yeah. Then we get another two o'clock so I'm really confused. I heard this

 Buddy Johnston 25:27

song the other day and I dug it out because it reminds me of a what's the word bumpy relationship? I'm trying to start with this guy. Oh, yeah.

 Jimmy Carper 25:38

Cuz don't ever try to start up on the relationship. You get one that kind of?

 Buddy Johnston 25:43

Well, I wasn't here. I wasn't here last week because we went to the Renaissance fest. I recall that if it rains like hell, yeah. So we didn't get to go to the festival. Back home. It was an awful trip. Oh, I'm sorry. It was the most awful trip you've ever

 Jimmy Carper 25:57

Oh, that's terrible because I made such a big deal last week talking about it how you were getting out of town with somebody special and you needed to get away and you know all that kind of good stuff. And everyone was so thrilled because they're really tired of your advertising. For hairy chested man, you know, but really, you haven't talked about that in quite a while and we were afraid you were gonna have to start well,

 Buddy Johnston 26:27

it may start again. You never know because you know what they say men are

 26:31

the most horrible preachers honey, they will ruin your life. You must my word

 Buddy Johnston 26:35

how. That's the truth. But anyway, I

boy. That's the truth. But anyway, I

 Jimmy Carper 26:38

agree with you. I've got the most wonderful husband at home.

 Buddy Johnston 26:44

And Stanley it's only like 62 shopping days till Christmas. I found this I heard this this song because I was mad and I was driving around listening to the radio and I heard this and it reminded me of what just my this is what I want to say okay, okay. This is after hours KPFT Houston 90.1 FM and it's 20 to 23 minutes until one two it becomes one again so god I can't figure

 Jimmy Carper 27:11

all this I know that's really strange.

 Buddy Johnston 27:12

Well listen to this girl

 27:29

men are the most horrible creatures honey. They will ruin your life You mark my words

 27:46

men are the most horrible creatures honey. They will ruin your life You mark my word.

 27:52

Josh little buddy ain't nothing much to see no drinkin unless we get a nice quiet crowd name can be just squat no come to play an oven to ha just lots of goodwill maybe one small three but there's nothing dirty going on

 Jimmy Carper 28:42

I like that that last chorus coming in. Boy that's so high.

 Buddy Johnston 28:48

 **Buddy Johnston** 28:40  
You know what I like about country music and we got a lot of country music with this this morning. Oh good. So much of it tells a story like this little story and that too funny. Where

 **Jimmy Carper** 29:08  
do you come up with this?

 **Buddy Johnston** 29:10  
Listen to this. That was Ray Stevens in Mississippi squirrel revival. Yeah. Did you remember the guy that sang the song? Conroy? Oh, yeah, they're called listen to this

 **Jimmy Carper** 29:28  
whatever. Immediate I've got friends that have trucks like that.

 **Buddy Johnston** 29:38  
My whole life with automobiles has been like that. But I love the stories that they tell in some of these songs. They tell the stories the same way in a lot of rock and roll but it's just not the same. Ya know what I mean? This is one of my favorite all time stories. Okay. Willie Nelson.

 30:00  
Oh by the way this

 **Buddy Johnston** 30:02  
is after hours radio celebrating live from the heart of the Montrose we're here at work where we certainly are at about seven minutes until one the first one yeah

 30:18  
live out on

 30:20  
the road my friend what's gonna keep you free and clean now you wear your skin like our and your breath is hard as kerosene

30:35

watch your mama's all her favorite unwanted seen she began to cry

30:50

sad to your dream

Jimmy Carper 31:06

I've always liked that

Buddy Johnston 31:07

Waylon Jennings and what's his name? Willie Nelson

Jimmy Carper 31:11

kidding,

Buddy Johnston 31:12

of course. Willie Nelson. A Texas man.

Jimmy Carper 31:16

Yeah, I think he's put out more albums than anybody else. He's really been prolific

Buddy Johnston 31:22

really? Even want pro lifted? Oh, I thought you said prophylactic

Jimmy Carper 31:27

that he may have been that something.

Buddy Johnston 31:30

You scared me for a minute.

Jimmy Carper 31:32

And just lately his ex wife and and he and a bunch of those his friends put together a concert for AIDS.

Buddy Johnston 31:43

Now, girl, when do we do this way out at 130 this time? Or at 130? The next time? Oh, gosh, I

Jimmy Carper 31:48

don't know. I'm confused. I guess 130 this time? Because that's kind of what we're used to doing. Okay. What what do you think?

Buddy Johnston 31:59

I guess I don't know. That's what I meant. Yeah. Because I don't know. Two o'clock, it becomes one o'clock. And then we have to do now we're all over here in Connecticut. And then it's like four o'clock? Or? I don't know. So

Jimmy Carper 32:11

well. You know what we can do? We can just do the regular one, one to two. And then when two becomes one, we can just repeat it.

Buddy Johnston 32:24

That's no good. We'll figure it out. Okay, so then in half an hour at 130. Okay, we'll do this way. Just like we always do. So then what are we going to do the next time? It's 130. Wow. Just get naked and run around the building.

Jimmy Carper 32:41

We haven't done that in a while. We'll do that. Okay. We'll be back this way

Buddy Johnston 32:45

out with Greg Gordon and Lucius Bell coming up in 30 minutes. 130 As always, and then the Texas gay rodeo is coming soon. Yeah. And they're circling the wagons. It'll be here shortly.

Jimmy Carper 32:57

Jimmy Carper 32:57

I hope me too.

Buddy Johnston 33:00

If not, well, we'll play country music and have a good time. They will. Here's Harvey Milk. And we'll be back in just a minute.

Harvey Milk 33:06

The legislators and the executive offices be the the local supervisor be the statewide run your life. They run your life and they spend your money when they collect tax money from gay people. Don't give us anything back in return. Take it for their golf courses, take our tax money for their pet projects. And give us an Taavet insult us by not giving us our rights. That's not motivation if you like being harassed by the police, if you like being third class citizen, if you like being beat up by pugs, if you like the church yelling at you don't register don't vote. But don't complain. If you want to shove you be shoved back in your closet. If you want to be the traditional gay person who gets beat up and whip his home and say, Well, I'm gay and I deserve to get beat up by otherwise the only thing you could do is register to vote.

34:02

Or seeing children spellbound as they watch their first ballet? Likely none of it would have been possible without grants from the National Endowment for the Arts.
