00:01

Yeah, that's a kickoff a little bit. The plan there, they will have a kickoff dance you know, just get everybody there and registration for all the kid tests it's out of state and so forth. That can register also. Like I said a little bit of Texas will be playing that evening at 11 o'clock. Normal nice Western, you know, just come out and cowboy dads. It's not

00:23

we got no kid would

00:24

you best get so

00:27

I just got told.

00:30

So we can set you up with some place somewhere to get you some cowboy dads out there looking never so good.

00:37

So then Saturday morning at 10am the box office opens right? This will be at the Sam Houston Coliseum

00:45

right downtown which is another thing that's real nice about the writing of the show that is different from rodeos on the past. The last time we had the rodeo here in Houston, it was out in Simonton, Texas. So it was quite a drive for everybody to get out there. This year. It's real close to Montrose. It's close to downtown all the people are excuse you're not doing I know. I mean \$5 cab ride Max, you know, if you're not walking, you can take a cab there buses. I mean, somebody's just too great. Yeah, it's too convenient. You know, and if you feel like you're gonna be out partying too much you can catch a hotel at the Hyatt you know, and so yeah, he also is going to be partying.

01:22

That'd be fun. I'll get a room at the Hyatt that night,

01:24

so it'll be too much.

01:28

And then Sunday, the box office, it opened again at 10. And the whole thing starts again at noon, right.

01:33

And then Sunday evening after the final rodeo event Sunday afternoon, early evening. They'll have the awards banquet again at the Hyatt ballroom where they'll pass out the ribbons on the buckles and so forth like that. And that's that's made you if you've had a favorite rodeo performer, bull rider, horseback riding bareback rod or pole band or whatever, any particular

01:55

Wait a minute contest. A couple of questions here. Paul bender.

01:59

It's an event before you pick anything up.

02:03

No, no, no, no, no. I mean, you actually bend the pole.

02:08

No, it's It's, it's there. The ripples on the barrels with the horse runs and burn.

02:15

Oh, okay. Okay. No, no, no.

02:17

Don't try to explain.

02:18

I am not a rodeo. I'm not. I'm not a cowboy. The BRB it's not the only bar I go to because my friend,

02:26

I work there and Oh,

02:27

okay. Slap him again. No. Lie to me.

02:34

I've got my friends are what are the Renegades? Oh, really? Yeah, good girl. Yeah, good group. Good group. Anyway, it's something else. You're saying you're you're talking about ribbons and buckles. I don't understand that.

02:48

The contestants in the rodeo they don't just do this just to do it for the fun of it. I mean, which there's a lot of fun and they enjoy it and they they're out to win money. There's a parse involved which with each event, they have ribbons, you know from first place all the way down to sixth place I believe. And then at the end of the day, they take your totals from the two days and from both from both days, whatever that is, and total whoever got the most points gets a buckle for that event

03:20

... .. - - . . .

like a belt buckle a belt buckle. Okay. Great. Big one. Yeah.

03:24

Oh railroad Nice. Most of the buckles are on display at the back pocket at the BRB. Oh, he engraved not what the contestants name who won of course because we don't know who that is but with the event and so forth are on display and case at the back pocket at the BRB. Speaking of the back pocket that tickets are available, you were talking about the box off, opening 10 Tickets are available now. If you buy them in advance, they're 1250 If you buy them at the box office the day of the ready, they're 15 so you catch us up the DLP bomb in advance. You can buy them through ticket Tron any ticker Tron office. The number at ticker time we have it here on the flyer it's a one to 751 1000 number but if you any tickets, Ron, you can find tickets to the rodeo or the browser's back pocket again at the BRB, you can buy them there also. So we're gonna

04:20

have to start That's right. In fact, you can probably go tomorrow afternoon because if I know the BRB, they're having a fundraiser at seven o'clock, okay, because it happens every week everywhere.

04:33

So, we have to start that on Friday baby at this kickoff thing and interview the contestant

04:39

I don't know you have to start on Thursday. Thursday contestant you have to start

04:42

on Thursday. Okay, because I'll be at the police department on Thursday night. I took off Friday Saturday. Okay, okay. Why

04:50

don't we have somebody that representing notice, come out Louise

04:53

will be there. He told me I had to sell tickets for Thursday night show. So I'm before I walked out of this radio station I'm here that Vicki. Yeah, listen, Vicki. We're gonna be calling you and you'll be here next week.

05:13

You don't know it yet, but you'll be here next. Since we were since we were watching this

05:24

that's something amazing. People don't think about and I'm gonna bring this up. Actually because I am a candidate. The candidates here in Houston they have really done an outstanding job this year, all of them. Like I said, there are six. If nobody's offended, I'll mention their names. No, go right ahead. There is Mark Coleman. He's running for Mr. T. Gra Winegrape. I'm also a candidate for Mr. T. Dr. Doug toman. For Mr. Teacher, I myself or Mr. Teacher, I, BJ summers who is running for Miss TJ right. Yeah. And Felicia Webb, who is running for Ms. And all six of us this year have just done. They have done an outstanding job of raising money for almost every organization that we've gotten this community to. They've done Houston proud that we have today. I commend them all, you know, pat on the back, they don't get enough recognition for all the work that the candidates do. And I like to say that not not downplaying to TJ members, because PGA members have been working their tail off to put this rodeo on this year and they also deserve a round of applause. Candidates

06:38

putting together one fundraiser. I know what it's like because I've worked on it for like the switchboard and we but these people are putting on fundraisers every week.

06:51

We know we come down here. This is all volunteer right? We don't get no no, no, no. We don't get a paycheck. So we know for three years, hanging out every Saturday. Saturday night, my Saturday night at the BRB.

07:10

I just got off work there. It was, it was fine. We had a good time tonight.

07:15

Well, listen, thanks for coming by until Vicki that she's in hot water. She can paddle to the other side. If she shows up next week.

07:25

Bye. I'll be more than happy to come back.

07:27

James here. We'll be calling her up. Yeah. Yeah. We'll bring some folks back next week because we're going to be talking about this rodeo next Saturday. And then, of course, of course, Saturday, the ninth or 10th or whatever date Saturday is cool. Yeah, that's all we're gonna be talking about. Yeah, our absolute honor. So we're really excited about working out of the rodeo. Well, we can go home and a little bit the blues ladies are here, looking at us getting ready to play some blues. And David, you just tell them that we're all excited. And we've been yelling rodeo for weeks, and we can't wait. We've been listening. Be fun, right?

08:02

We appreciate all the work y'all been

08:04

doing? Sure we love it. We can't wait. We're just

08:07

all we're all hyped up and we're all eager for this radio and I'm looking forward to it. And I know it's going to be one of the best yet.

08:13

It's going to be good. And we'll have to take Jimmy out to Don's Western where I play this just for you Louise. Are you ready? I'm ready. Thanks, David, for coming out. Thanks for having me, Vicki. We'll see you next Saturday. This is just for you. Okay,

08:27

okay

08:38

Okay, girl now who's who's Colin? Ken?

08:40

Yeah. He evidently has not been listening because we've been talking about little bit of Texas.

08:47

You said that didn't

08:51

I did Can I did mention that a little bit of Texas would be there. You know, I wouldn't forget about okay. I do expect Sheila to play daddy's hand just for me because I did give you all that plug at the BRB when I believe the Saturday of the rodeo, so they'll they're playing at the Hyatt for the kickoff dance, I believe and then either that Saturday or Sunday, they're gonna be at the beach. So there'll be out about that weekend.

09:15

Okay, we can go home and about oh, Lord God. When can we go home? 20 minutes. Okay. I'm easy tonight. He's easy every night. Hey, we'll be back in a minute.

09:31

Put on your socks me now.

09:38

We're gonna be up there. Bah bah blah. We're gonna be bopping at the rodeo You bet you that the ninth 10th and the 11th of the Sam Houston Coliseum. You bet. Right? You waterfall the candidates look as good looked at as good as that guy did.

09:58

Oh,

10:00

But he said he said that magic word. He's got a lover. Oh, well. There's always hope. 30 to 40 million faggots and all I need is one at a time

10:24

Oh yeah, one way or another we're gonna make it out of this mess. Point one FM KPFT Houston after hours radio celebrating live from the heart of Montrose. We're here and work when he was a nice looking cowboy. Very nice. That's why I want a little

10:41

fun fun time. Great all weekend. Great looking cowboys. I'm really looking forward to that. I'm excited.

10:50

I really am too.

10:52

It's a new experience something I've never done before. Can you

10:55

ain't got no Western wear?

10:57

I don't either. Well, I've got a couple of things. I don't have boots. I'm gonna have

11:01

to go dress like a poor Pacific reporter.

11:04

You are

11:15

we haven't played that in a while. That's what

11:19

it is. Yeah, I always think of Rainbow. Rainbow. Do clown. Why is that? Because he got to start by pantomiming that song. Oh, really? Yeah.

11:21

11:51

You know what I think about when I hear that song What? The very first time I went to Pride week meeting or a Pride week meeting. Oh god bite my tongue. Oh. Oh, hurt the very first time the very first time I went to to gay pride parade Yes. And down on Westheimer. And as the crowd of 20,000 or so was milling around there in front of Mary's they had a big speaker up on top of Mary's and that was blasting out oh really loud was going down the street just clapping and having a It was great. Mm hmm. But then I remember in 1987 calling in sick to the police department and go into the parade and hiding in the crowd and a dark pair of glasses and then next year column in March and in the parade for after hours and KPFT Yeah, so that was a switch. Anyway, we've been talking about the Texas gay Rodeo Association that T gra is bringing the rodeo to Houston on the ninth 10th and the 11th at the Sam Houston Coliseum. Yep. romanovski and Phillips will be in concert here in Houston next Friday night

12:37

November the second at the Episcopal Church on foreignness

12:42

and you can hear Ron and Paul on break through Friday morning. Eight o'clock. Jack and Deborah will be here for Wildenstein on Mondays at nine. So there's a whole lot of stuff going on next week. We're going to have the minister Mike Show, Mr. Mike saw a program on excess Houston called Todd's greatest regret. It's an awful, awful video of a young man dying of AIDS and now his mother and some crazy church lady get together and made this video about how God had taken his life because he was a homosexual and was condemned as if it's horrible. But a young man by the name of Mike Morrow saw it and got angry and reacted and did a video which will be running on access Houston. All this month. The month of November Yes. Which is going to be here in like three days girl. Can you believe it's already November? So Minister Mike will be here and the lovely Linda and the lovely Vicki knew from the Texas gay Rodeo Association. We're going to pass since she's ill and not feeling good. And we're going to invite her down here. And then what else? What's on the next week? Do you know?

13:56

I forget.

13:57

We'll be here. Anyway, write us and let us know what you think.

14:01

Oh, the next week is the rodeo that's what girl I'm so tired. I

14:05

can't believe we've done like five hours.

14:07

I know.

14:10

The girl we're not gonna get to play this.

14:11

We've got a play and we have got to play it at least let's start it we can start it and I'll tell you why. Because this is a dedication from Darrell to Craig and Darrell. I introduced this This is Chris McKay doing if ever you need me and Darryl was the one who said you know I listened to your show because I love this song. We played this the last song one week and he stayed up till four o'clock just to hear this song. And it looks like he's got to do it again

14:49

I can be there right now I'm not saying I could set you free I got

15:03

to at least for four hours, right.

15:07

Deb you waited and you do your destiny. Destiny destiny as well

15:30

16:04

16:06

16:13

Oh, Clay. I'm gonna slap you silly.

16:19

This is that nice man that that came up here with clay last time. Oh, really? Yeah. This is the one that wants to hear it. Yeah, here it's from Darryl to clay.

16:29

Oh, clams are? Sorry. We didn't know that. We'd have done that earlier. Well, oh, girl. You know how it is live radio. We'll see you next week. Let's start with this next Saturday.
