muscular guys with the bald head type, you know? Yeah, Mr. Clean. Yeah. Oh, yeah. And he's on his album, restore. It's a very, very nice album. It's all very kind of slow. And this was a kind of a country in western song. It had that kind of the guitar stuff going on in the background, trying not to disappear. He does a wonderful acapella version of a song called by the waters of Babylon. I drove my car. It's, that's my favorite off the album and starting it out with Jeff Miller, who we interviewed last month, in a little on the leather side. Yesterday, now, we're gonna go straight here for a little, just just for a little while. We're gonna go straight. I've got a joke. And I've got a promo that I want to talk about the hit Houston headline Awards, which is sponsored by KPFT. And then I'm going to play one of the bands who's going to be there at the Houston headline award show, Carolyn Wonderland and the Imperial Monkees. Carolyn winterland. has a has a large lesbian following. I met her in the studio and she's just wow, she's one of these. It's like a it's like a kind of a, she can play. She can sing white blues, you know? Kind of Janis Joplin that stays on key, you know? Man, she is good. Anyway, I'm gonna play her but here to two guys in the bar. Here are two guys in the bar joke. Okay. Okay. This is kind of gross. So get ready. To buddies Tony and Steve are getting very drunk at a bar when suddenly Steve throws up all over himself. Oh, no. Now Jane will kill me. Tony says don't worry, pal. Just tuck a 20 in your breast pocket. Tell Jane that someone threw up on you and gave you \$20 For the dry cleaning bill. Good. So So Thanks. Stay for another couple of hours and get even drunker. Great. Eventually Steve rolls into home and just Jane starts to give him a bad time. You reek of

alcohol and you puked all over yourself. My god. You're disgusting. Speaking very carefully, so as not to slur he says I can explain everything is not what you think. I only had a couple of drinks. But this other guy got sick of me. He'd had one too many and he just couldn't hold his liquor. He said he was very sorry and gave me \$20 For the cleaning bill. Jane looks in the breast pocket and says but this is 40 bucks. Oh yeah, I almost forgot. So Steve. he crapped in my pants to oh, I told you, I want you I want you to know and you're hearing all of this stuff on after hours queer radio with that attitude on KPFT Houston in ke O 's College Station. I'm Jimmy Carper.
