SPEAKERS

Kirk Keevert, Jason, Roy

Roy 00:01

announced the results of the internal review to about three dozen gays and lesbians during a meeting at the gate Houston gay and lesbian Political Caucus that I was

00:14

present at. Yeah, that was about four dozen

Roy 00:18

and patrol officers will be provided with information about shelters and counseling centers for domestic violence victims, including one designed for gays and lesbians. Police officers sometimes don't understand how gay males can become victims of domestic violence. Though attitudes among the rank and file officers are improving according to police chief Bradford. The police chief also added that seven positions to the family violence unit increasing personnel to 53. More staff could be added after officials review changes to the unit in January, Roman said if more victims seek help and report violence, the department may need additional staff. So this is a this is a pretty good deal that the police chief Bradford is following through on when he met with us back in June. Also, I want

01:23

to jump in here. Sure, sure. Because I read something that's really neat and we need to push. A lot of things are going on at the new community center, a whole lot of things and one of that is Miss potshot al Azim meets for Shabbat services at the gay and lesbian community center at 8pm. On the second Friday of each month. Everybody is welcome. Rosh Hashana is this Monday, September 21. And Yom Kippur war is coming up on Wednesday, September the 30th. For there's there's a number for more information. It's 713-748-7079. And for those of you who are not aware, Mitch per shot, I was EME is a gay and lesbian Jewish group. And what a fun

group it is to I went to a couple of their events. Well, they had an event during Pride week when you and I went to that and it was a whole lot of fun. A whole lot of fun. A lot of fun. And someone who's a frequent guest on the prison program, which is every

02:41

Friday night Friday from nine to 11. He

02:45

is running for the Court of Criminal Appeals place to his name is Winston Cochran, really nice guy.

02:55

I know I've met Winston several times, yeah, once can use an endorsed candidate of the

03:00

of the caucus see? And really, really nice guy,

03:05

very intelligent, very smart. We're doing all kinds of all kinds of work on behalf of prisoners. And that puts together risks and you just just amazing the amount of work.

03:21

Yeah, yeah. And while we are a 501 C three, and we cannot endorse any candidates over the air, we just wanted to tell you about Winston because he's running and he's a friend of Kp fts.

Roy 03:35

Okay. Okay. Now this is for all of our gay, lesbian, bisexual, transgendered audience, even though I know most of our audience is young people. Yeah. And, but someday, if we're lucky, if they're lucky, if I'm lucky, we'll all grow old. And we may need assisted living. Well, as it is, in times past, there has not been any kind of retirement community or anything like that for gay lesbian or bisexual, transgendered people. Well, guess what, now there are groups that are developing retirement communities, for older gay people. And these are for couples who have been together for many, many, many, many, many, many, many, many years. And have grown old together and as it is right now under the traditional nursing homes and stuff of that nature.

You cannot really go in as a gay or lesbian or bisexual couple, transgendered couple. You had to lie about it. And we have many places that are in the works right now. All over the country. Oh, from

05:01

Florida retirement homes for fags. That's right. Okay.

Roy 05:05

You know, and it's

05:08

we don't just die of AIDS we get old and retire. And actually it is, it is kind of a problem a little bit with people in my age group because we've lost a lot of our friends. And though we make our new families of choice, some of us, some of us haven't. And so we made the alone.

Roy 05:33

And this is a word of encouragement to all you young folks out there. By the time you get to that age, these things will be in place. Oh, yeah. They will be in place. You're lucky dogs. Started lives do you have? Do you have any?

05:54

Pardon? Sorted lives?

05:57

Oh, that was any.

06:01

That's it sure is.

06:04

I know it's a

06:05

it is a play put on by a Joe watts. It is the first openly gay play written by Dell shores, who's written so many Texas plays before. And that's happening at the paradox theater. That's Washington off law 3722, Washington on Friday and Saturday nights at eight and matinees. And it's happening right now. Give them a call.

06:32

I'd also like to mention the Women's Network. From the Montrose Counseling Center meets on the second and fourth Wednesday of each month Bureau service Wednesday is the fourth Wednesday. And so between seven and 9pm. On Wednesday, they will be having a little get together called coming out to parents, parents experiences and advice. So they're asking if you want to join them. There is a panel of parents from PFLAG parents, friends and family of lesbian, gay. And they're going to share their stories of the process that they went through after their daughter or son came out. And there'll be a time to ask her parents questions and exchange experiences and everything like that. So I think that's really neat. Andres Counseling Center is located at 701. Richmond, and we'll be held in room 15. And the number to call is very code 71352900372900 to seven.

Roy 07:36

And don't forget talking about the gay lesbian community service center. There's gonna be a

07:46

picnic. It's called next Saturday, next Saturday, between around four o'clock and six or something like that.

Roy 07:54

Yeah, you're all invited. That's cool. Yeah. Well, guess who's having a birthday? Deborah Danbury. Yes. Our State Representative Deborah Danvers. Kind of a big bash kind of fundraiser right. And her annual birthday bash will be held this Thursday at Amazon 2050. AD, scared of that, at 3745 Greenbrier and it's going to be from 630 to 8:30pm. Supposedly. And then Berg has represented district 137, which includes the heights, Montrose and the museum district. Greenway Plaza and the Gulf turn area. Okay. Which I formerly was a resident Oh,

08:42

sorry.

Roy 08:45

And, and she's in the Texas House of Representatives since 1981. And for more information

about her birthday party, and you are invited, call area code 713-523-3272. That's 52332720.

09:07

And I also like to mention that this this year is going to be the fourth annual Houston women's festival. Now we're mentioning it now so you can get it on your calendar.

09:17

That's right. We're going to talk about it every week, every week. So

09:21

let me tell you when it is October 24. It's a Saturday, and it's going to run from 1pm till midnight. That's perfect, perfect. hours. Wow. And it's going to be at garden in the height that's located at 3926 vegan. There will be tons and tons and tons of entertainment, comedians and everything.

09:47

That means continuous that's why it has to last 11 hours.

09:50

And the tickets are \$10 in advance and \$12 at the door now

09:56

that's cheap for 11 hours entertainment. Yeah, you

10:00

Put your \$10 up and spend hours upon hours. You bet. Get it for less than \$1 an hour.

10:06

You're working out good. Yeah, the engineering you.

10:06

Yeah. So it's open to all indoor outdoor rain or shine. it doesn't make any difference. They're

team. So it's open to all indoor outdoor rain or shine, it doesn't make any difference. They're going to have it. Okay, we'll mention it again next week. And every week. Good. Now we get the 24th of October.

R Roy 10:06

Okay, I have some important information here. We're getting ready to have our full membership. Drive. That's right. And we would like to have volunteers here to help mom and the phones. However, there will be a pre drive training session for the volunteers. And you have two meetings to choose from. And if you want to, man the phones, your presence is required.

10:06

And if you would like to staff the phones. Right? You have to take the sole class to this is something new, they've started but they want to have a formal training class for all phone volunteers. And they have one at night and one in the morning. So and

R Roy 10:06

the first meeting will be on Tuesday, September 22. That's this coming Tuesday at 6:30pm. And meeting number two will be next Saturday morning at on the 26th at 9am. Okay, is it really a 9am? On a Saturday, not to me. At any rate, you have to call at Mondo at 524 1000. Extension 316. No,

10:06

no, try that again. That number five to

R Roy 10:06

six 4540 526 4000 extension three, one SAS right. And both meetings will take place in the KPFT lobby. And there'll be discussing pitching tips, pitch clocks, scripts, fundamentals of on air fundraising and how it relates to off air fundraising, phone volunteers and answer question. So okay, refreshments will be provided. Don't forget you have to attend one of these meetings I know is mandatory do it. Okay.

10:06

Do we have anything else?

10:06

Yes, I want to mention a fundraiser. That's why everything is put together. Oh, You know when

Yes. I want to mention a fundraiser. That's why everything is put together. Oh, you know, when they went and looked at since the committee is now stricken with the unfortunate fact that we have an increasing HIV infection rate. Yes. among white adolescents and young young adults. Yes, we're averaging has joined forces with local musicians for a fundraising event designed specifically to appeal to this audience, the late adolescents and young adults. This benefit will begin at 8pm this coming Wednesday, Wednesday, September 23. And it will be live music at instant karma. And Instant Karma is located at 1617. Richmond. soiree averaging has been around for about eight years. And so far, they've raised over \$200,000 for the parent community services Foundation, which works at trying to educate the youth. So I think this is a really great thing. And

10:06

I'm glad to see this where Ray is doing that, because they have done a lot in this community.

10:06

Wow. And, of course, this story averaging was founded by Barry Petrie and he's, he's just done fabulous work. Yes,

10:06

yes.

Roy 10:06

And I just have one last comment to make. You're all invited to help celebrate hot chocolates 25 years in showbiz. That's going to be fabulous. And this woman has this queen she has done so much for the community. Sure has. She has done so much fundraising. Anyways, it's good to get your calendar ready because it'll be gone at 10pm on Tuesday, October 6, and if there's no this is not a benefit, it is a party.

10:06

It is a party not a benefit. It's not every drag queen and tan will be there performing

Roy 10:06

and oh my goodness. There's not enough time on the air to read all the names that are that are on here. But let me just say that hot chocolate has been around since I'm not gonna give away her age but 25 years right 20 or 2020. Anyways, what else we got you there and well, last week I announced the possible demise of TV Montrose tonight I'm going to say the possible resurrection of TV Montra they're getting Have some funding from New York's New York financier. And that's about all I have time for

15:06

the night. That's right, because you gotta get your Shiny Hiney back out by the phones, because I'm giving away some more of those tapes. Yes, yes. All right. He's this tape a family of friends, a women's music sampler. I've got a whole bunch to give away. And I want to give them away to everyone who wants them. So I'm going to take caller number two and number three. Right, as soon as the next song starts, and Roy will be answering it. This is, this is great. I have played half of this music on the air at one time or another. It's the sample has been around a couple of years. And the record company had some extras and so they gave them to radio stations like KPFT if they would give them away.

15:57

Yeah, so is that

15:57

cool? So

16:01

that's all I've got. You got anything else? No, that's it. Okay, so good. And

16:06

I've got a piece of music coming up. Oh, I'm sorry. Go ahead.

16:11

I just wanted to say goodnight to Jimmy Roy, and good night.

Roy 16:15

Good night everyone.

16:28

Oh yeah, I've got this is new music nine. I'm telling you folks, because I've got new music from pansy division. They're brand new CD is out called absurd pop song romance. And I really like a whole bunch of stuff that's on it. Let's say 123456788 At least eight, eight tunes on it that I'll be

playing. And I want to start off with this one. Because this is a fun tune. And they played it at their last concert if you were there, and you're listening to it on KPFT Houston and ke o s College Station and Hatch is waiting in the wings or be right with you.

∅ 25:04

I met a couple of those tonight at crossroads and matter of fact, one of them was really cute though

J Jason 25:08

and you know, I'm glad to see that were accepted a few people that were there, but it really irritates me when they go out to our clubs. And then you know,

∅ 25:16

and they expect not to get hit on that makes me mad.

J Jason 25:19

It's just that it's like it's lower. You know, it's hard to meet I keep on hitting on all the straight guys that is just

♂

25:26

so well your gaydar is just kind of all whacked out anyway. Look at some of the guys who really does

K

Kirk Keevert 25:31

J

Jason 25:38

Why do you have to call me well

K

Kirk Keevert 25:39

28:15

K Kirk Keevert 28:21

Oh, well, all those straight people at crossroads.

J

Jason 28:24

It's not crosswords. It bugs me. It's Richard because I don't hit on people in the crosshairs. But I hate when people are riches. I'm like some people we know in the straight people just do. I really do. You know, I as a matter of fact, my mother's a street person. Imagine that.

♂

28:39

No, you know, as long as you like keep up the yard and everything. I mean, I really don't have a problem with

J

Jason 28:43

what they're taking over. They really are. First I start getting checking accounts together. Then they start buying houses.

♂

28:50

I mean, I went into the bank yesterday and they were everywhere. Everywhere. As long as they don't do it in public, you know. Anyway,

K

Kirk Keevert 28:59

actually, you're driving and traffic southmost oak itself built westbound feeder, there's an injury accident. I wonder why

J

Jason 29:07

K

Kirk Keevert 29:11

It updates all the time. It does. I don't date all the time. I have to be able to tell them when the drunk people have run into

♂

29:19

don't drink and drive. That's not good. Don't drink and drive.

♂

29:21

That's no good for heaven's sake. smokeable before you go. so much better for you

J Jason 29:28

You know what I've just realized, here I am talking about wanting to talk about gay socialization and I have two of the least informed people.

♀ 29:36

Oh, what do you talk

J Jason 29:38

about his heart? Okay, you know, y'all both know, crossroads. Okay. You've been to riches all of once for about five minutes and Okay, okay. You won't be old enough.

♂ 29:48

Jason Jason. I will be going back to

K Kirk Keevert 29:54

you, mademoiselle. Flying that guy. socialization only takes place at the place at riches

J Jason 30:05

no that's not what

K Kirk Keevert 30:06

dad is certainly what your how would they go by socialization he's only been but let's let's face one fact what I always been the richest since I've been back in town

J Jason 30:16

most most gay socialization revolves around the clubs and bars oh

I'd rather I'd rather talk to people face to face. I mean, I like around four or five o'clock in the morning after I'm done clubbing. I'll go into my friend's house because you know, I'll play on their computer, but I don't have internet access on my computer.

Kirk Keevert 31:17

You don't have a computer and yet there are new pictures of you on the internet.

31:21

That scares me. How do I block that?

Kirk Keevert 31:26

Don't leer in me. You know better than to spill your tea out in the lobby. You bring it right in here just

Jason 31:33

trying to figure out how you knew that. And then I remembered you were sitting right next to me.

Kirk Keevert 31:38

I can't say not nothing more than one picture me out when I've

31:43

seen that picture, I think.

31:45

Yeah, was it on the site?

Kirk Keevert 31:50

Just because I'm hot like a horse? I was not on the BCRs. Actually, I wouldn't call it home would you know?

Jason 31:57

K

Kirk Keevert 32:29

I will No I was I'm trying to I mean the conversation long and talk internet and this whole social. And you just you just make it

J

Jason 32:39

dirty. Clubs are not dirty. Jobs are not dirty. Clubs. I actually think clubs are quite healthy.

♀

32:50

Yeah, get all your vitamins. Nevermind. Your vitamin D supplement. Is that what you call them? Jason?

K

Kirk Keevert 32:57

I don't recall calling clubs dirty.

J

Jason 33:00

— You said you just make everything dirty.

K Kirk Keevert 33:03

Talking about putting your you're the

J Jason 33:05

one that mentioned it. To me. I mentioned it in the lobby. You brought it back on the air. Okay, keep your headphones either on your ears or under the table because we're getting some feedback and we don't like feedback. But actually,

K Kirk Keevert 33:24

well then Well, let's talk about let's talk about where hatch kids which I know is a bad word and bite me. Whatever, who aren't fortunate enough to go into tasty enough to go into riches. They gotta Well, there's plenty of socialization going on there. Isn't there?

J Jason 33:46

Well. Then and hush fills the room. Actually, okay, am I wrong?

K Kirk Keevert 33:56

I mean, I haven't spent that much time. Well, I mean, one thing I want to maybe I need to start some socialization there.

J Jason 34:04

I keep going back to the clubs because well, I like I love the clubs. Yeah, why isn't that bad boy, don't touch. The clubs have a negative stereotype in the coffee shops have a positive stereotype. And I think the coffee shops are great. And it's great to see them out there but I think the coffee shops can be just as bad if not worse than the clubs because I think a lot of negative things go on at the coffee shops.

34:36

Name negative things.

34:39

I like name one name will

K Kirk Keevert 34:41

make you buy stuff to make you sit at a table.

J Jason 34:45

I have no issues with having to buy something when I go to a coffee shop. But there's just as much picking up going on.

34:52

Not for me I need to pick nobody up.

34:54

And yet never anybody.

J Jason 34:57

Bad stuff. No no I'm not okay. What's one of the major net negative stereotypes of the clubs? That people go there for sex? I don't. I don't. I'm talking about stereotypes. I'm not talking about you in general, in your personally, I'm talking stereotypes. What is the negative stereotype of the clubs? They go people go there just for sex. Right? Yeah. Is that not what the community in general thinks?

K Kirk Keevert 35:26

They think that there's sex going on there. That's what they asked.

J Jason 35:33

For there was but that was the only time I've ever seen that.

K Kirk Keevert 35:39

Never seen it happen at crossroads. But

J Jason 35:41

I know that I know, several incidences in the bathroom so or another and I was not involved. I was not involved. To just make sure that everybody does i
