And you said all of that without your teeth popping out. I am amazed.

Jimmy Carper 02:26

Oh, I can pop them out for you. No, not

Scott Lewis 02:28

again. It was scary. Last was it two weeks, two weeks ago? No joke, Jimmy for three or four years on this show about his dentures and his to pay and all this stuff. And you know, you just this little stuff you joke about last week. He just popped them teeth out. shocked me. I didn't know. I didn't know he had dentures.

Jimmy Carper 02:46

I have a little bridge. Gigi is with us tonight to beguineage kind of you know, it's like Gigi doesn't just have to be here on the first Saturday of the

Gigi 02:54

month. I pop in anytime.

Jimmy Carper 02:58

And I see. I've heard and I see Dr. Rob the love Dr. Rob the live doctor. Yeah, yes, yes, yes.

Gigi 03:04

Dr. Judy has nothing on him. Or he tried to get on him once. Or in him? Was it on him or in him something?

Scott Lewis 03:12

We're not going there. That's my first prescription. Oh,

03:21

what are we doing tonight?

Jimmy Carper 03:23

Well, first of all, I want to make an announcement. I want to plug KPFT because we just won a a some money Houston press and you will best of Houston award with money best radios gonna get some Jack in the Box best radio station for local music KPFT. And that was there and the Readers Choice. So I'm really proud of that, because of our text, text fifth sounds of Texas in the world and other shows like avant garde, with Scott Summers and especially night sounds which comes on Sunday nights at midnight now. Like tomorrow night. And they feature lots lots of local music. And in fact we have to it's just queer local music, so we didn't get a plug on that. Also. Awesome.

Scott Lewis 04:22

Oh, can we heard about your plugs? Eg?

J Jimmy Carper 04:25
Best Local. Best Houston access was Montreaux 770.

S Scott Lewis 04:32
Yes, Jason accesses your ass on the weekend. Tony. We know that.

J Jimmy Carper 04:36
No, I mean, I was really happy to see that to Montreux. 7706 is a locally run show by Map Mad Dog Matt Lachlan and crew. And you kind of have to hunt for it. The schedule is out sometimes I don't have the schedule of when the next one is going to be yes because

S Scott Lewis 04:56
you think television is a phase and you have not got one Much less cable.

J Jimmy Carper 05:01
I Do I Do I Do I have cable. In fact, I taped the first episode of it.

S Scott Lewis 05:07
Really Okay,

J Jimmy Carper 05:14

G Gigi 05:15

S Scott Lewis 05:32
Oh, wait a minute. Hello, I'm awake now what happened?

G Gigi 05:35
.....

We're gonna have a bunch of naked bisexuals running around getting campy. If anybody wants information and wants to join us, the number is 4674380.

 Scott Lewis 05:48
Yeah, photos are the people that are going to be there.

 Gigi 05:50
There's going to be I'll be there. From from from where I'm from Dallas, San Antonio and Austin, New York and Houston.

 Jimmy Carper 06:00
And so there's gonna be quite a few folks there. Yeah, all kinds of bisexuals running around naked and half naked and skinny dipping and that's right. You don't have to decide what to wear

 Gigi 06:10
and I'm even going to do quite a performance around the campfire. Oh my oh yes girl.

 Jimmy Carper 06:22
Oh boy. Oh boy. Oh, big Roy came from the lobby to remind me that in the kitchen he came from the kitchen that to that at least he was listening.

 Gigi 06:35
In the Houston press, turn my hearing aid at

 Jimmy Carper 06:37
the number one gay and lesbian bookstore was voted on and it was crossroads. They knew crossroads with the with the coffee bar and all of that.

 Scott Lewis 06:51
Is there another gay and lesbian bookstore

 .. - - - -

Jimmy Carper 06:53

Lobo Inklings

Scott Lewis 06:57

prices being bookstore

Jimmy Carper 06:58

Half Price Books, book stop. I mean, you name it, we've got them.

Scott Lewis 07:04

Hey, you name it. You've had them.

Jimmy Carper 07:07

Frankly, I've been to the crossroads. And I think they've kept themselves out of the market. I mean, it's

Scott Lewis 07:14

just somebody else said that. They said it's just all the gay stuff. It's gotten to conservative

Jimmy Carper 07:19

Well, not that it's just that you know, the old location it was. I know the people seem friendlier. Now. It's kind of, I don't know, just doesn't have

Scott Lewis 07:30

seen that Hispanic manager. He looks pretty damn friendly. Well.

Jimmy Carper 07:33

I think the operative word here was Hispanic.

Scott Lewis 07:42

The operative word to me was stick

J Jimmy Carper 07:44
it in. So what have you got going tonight? Well, 20 Something

S Scott Lewis 07:48
was supposed to be here. And I guess I don't know. They didn't call me back. So I'm pretty damn bothered by 20 something. So I just I don't know what you want to do anything but each other.

J Jimmy Carper 08:00
For Tell me. Jack's got it here for the second half of the show. And in fact, he is already in the house. I just saw his smiling face. I don't know what he's got planned. Oh, boy. Here's some loser stuff on this.

S Scott Lewis 08:17
Well, you know, it's this is your life.

J Jimmy Carper 08:22
Nikki French. The famous Nikki French. Yes. Right.

S Scott Lewis 08:24
What was that all about?

J Jimmy Carper 08:27
About a week and a half? Boy, that's the first real laugh. I've gotten out of you. And

S Scott Lewis 08:40
it's the first real funny thing you've said in a long time.

J Jimmy Carper 08:46
Speaking of music, Pet Shop Boys having they went out? Buy something I think by Yeah, well, is this thing on? Now you said that the one that they're pushing is called before?

- S** Scott Lewis 09:05
And let me tell you have you seen the cover of that? 12 inch? You know, 12 inches, the 12 inch? They called the record. Oh, the record? I haven't Well, let me tell you. There's a 12 inch on the cover of the 12 inch
- G** Gigi 09:18
No kidding. Yeah, no kidding.
- S** Scott Lewis 09:21
Big close up shot of a penis. My shock when I open that package?
- G** Gigi 09:29
Oh, I want to see.
- J** Jimmy Carper 09:32
Well, I have the whole CD. In fact, Atlantic sent it to us. Well, you know, Atlantic, they're
- S** Scott Lewis 09:41
fabulous. They're a division.
- J** Jimmy Carper 09:43
Yeah. It's terrific. I mean, they're really putting emphasis now on their game market. So, hey, I'm all for it. But I happen to like the very first one that's on this album called discoteca. Well, that's because
- S** Scott Lewis 09:57
it reminds you of the bands in the 60s.
- J** Jimmy Carper 10:01
Maybe that's right. Let's go to it. And we'll be back in just a little bit who was that?

S Scott Lewis 10:18
That's the new Martha wash. Huh? It's called. Yeah, whatever it's called. What does it call? I don't know. It's called keep on jumping. Not to be confused with my theme song keep on pumping, which is also available in Spanish.

J Jimmy Carper 10:34
Oh, bedded? It's only available in Spanish. What are you talking about?

S Scott Lewis 10:38
Girl? What are you doing? What's the grease? What's the dirt? What's really going on?

G Gigi 10:44
I don't know. But I can tell some dirt.

J Jimmy Carper 10:49
I know you can. Maybe

G Gigi 10:53
in the gay world.

J Jimmy Carper 10:55
I don't know. Stanley is in town. You know? i Oh, I want to finally did you what a great, fabulous. It was really? Now I know. I'm biased. Because I was around at that era. But. And the only thing the only criticism I'll have on it is Maddie says damn whippersnappers starting all that trouble. No, no, no, it's that. You know, I was of that era. And I never met anyone like Maddie. No one was that open? No one was that much of a rebellious figure. politically. The point was

S Scott Lewis 11:29
that he was from well, then so he didn't think he had any.

[[Together] 11:33
Well, I know. I want to finally did you what a great, fabulous. It was really? Now I know. I'm biased. Because I was around at that era. But. And the only thing the only criticism I'll have on it is Maddie says damn whippersnappers starting all that trouble. No, no, no, it's that. You know, I was of that era. And I never met anyone like Maddie. No one was that open? No one was that much of a rebellious figure. politically. The point was

Well, I mean, forget about Maddie for a second. I mean, what about everything else was great. Well, I mean, what about bostonia? I mean, only what? Wouldn't I don't miss

J Jimmy Carper 11:42

a single frame of movie that has bostonia in it. She really makes the movie Judy stays. Oh, man. She is so good. Really, really good.

S Scott Lewis 11:54

That's a fabulous movie. You know, we did an interview with the lead actor in that movie right here two weeks ago.

J Jimmy Carper 11:58

Guillermo Diaz. Yeah.

[[Together] 12:00

Who's in a new movie? As a matter of fact, with Lilly Taylor. Right. He talked about the girls town. When saw that? Just this evening? What's the BAP really great movie?

S Speaker 5 12:11

It's about a town with girls in it. No serious, nothing you'd want to see. Seriously. It's,

[[Together] 12:18

it's a really good story about some high school girls that kind of pulled together and find an identity and, you know, out to out to change the world. Cool.

J Jimmy Carper 12:31

What kind of part does Guillermo play?

[[Together] 12:33

Guillermo actually plays the boyfriend of one of the the girls that we're talking about.

J Jimmy Carper 12:41

How was his acting ability there?

S

Speaker 4 12:43

I don't know. But he certainly looked good.

J

Jimmy Carper 12:49

No, he's he's a very good actor. And then actually back to Stonewall. I love the guy who played Matty Dean. I thought he was very good to everybody. I thought everybody did a good job in that movie, actually. But bostonia did steal the show. Dwayne bootay is the man's name. I hope to see him in more stuff. You're looking through Scott. The new Looking Glass INSIDE OUT magazine for teens coming out of San Francisco. Oh, wow. Yeah, gay teens. It's a terrific magazine. Because it's well, there's there's there's two new magazines for teens. Now this is inside out and the other one is x y, which is really for gay. Teen white male gay teens.

S

Scott Lewis 13:41

Oh, that was

J

Jimmy Carper 13:42

X Y. X Y.

S

Scott Lewis 13:44

That magazine is that see? It's like her

J

Jimmy Carper 13:47

Brit Ritz for these beautiful little boys throughout the well. They say it's hurt like young gay. Ooh. I think it's for life. I think it's for like old gay male teens. Like, pedophile? Yeah, no. But beautiful photography. And yeah, Inside Out is is great because it is gay and lesbian. Lots of women's stuff and lots of issues about really being different. Why like fat issues, like looking different issues, you know, rather than just you know, the buff bodies and lipstick lesbians and all of that it's and racial issues too. So if look, give me this thing. Because I want to give some

S

Scott Lewis 14:39

reading an article on fat oppression.

J Jimmy Carper 14:41

Well, you should. It comes out quarterly for issues. People free and it's 12 bucks for a year subscription to INSIDE OUT magazine P.O. box for 60268 San Francisco California 94146 Now I know some teams out there can't, can't get it. But, you know, maybe your friends can get it. You know?

S Scott Lewis 15:09

Are you talking about the magazine? Still?

J Jimmy Carper 15:11

Yes. And if you know if if you can't get it sent to your house, then maybe you can sneak out because I bought this issue at crossroads. They carry it. Right there at 1111 Westheimer. Right across the street from the fabulous Charlie's. Oh gosh, not that I want to push them one over the other. But have you been to two peas lately?

S Speaker 5 15:38

I haven't been to two peas in a long

J Jimmy Carper 15:39

time. Whoa, whoa. I mean, that is the place for omelets. Most fat. Oh, sandwiches. The best fruit set fruit plate that I've seen in forever for cheap, like 3.95 for a fruit plate that you can barely finish. Fabulous egg dishes, omelets, just scrambled eggs. And of course, the most wonderful cinnamon and coffee cake in the world. Absolutely. You know,

S Speaker 5 16:08

I've done too much time on your hand.

J Jimmy Carper 16:10

I must. I must because I've been going there two or three times a week lately. And I don't even get a plug. I don't even get a free coffee for this.

S Scott Lewis 16:19

time on the phone. There's one thing I've learned don't plug anything unless you get it for free.

—

 Jimmy Carper 16:27

Shall we talk about some of your recent tricks leave your boyfriend so what's been going on with you and all of the wonderful stuff over at heaven and stuff?

 16:45

Not a damn thing. You know what I think? What? Not a whole lot well, this is cute. Where's that? Do you have a copy of X? Y? No,

 Jimmy Carper 16:57

I didn't bring it booty. He's flipping through. Inside Out. It is a great magazine.

 Scott Lewis 17:04

J Jimmy Carper 18:06
They wouldn't let me and

Jimmy Carper 26:03

Which one do you want to do first?

Scott Lewis 26:05

Let's do Gladys first. Oh, yeah. And, and then we'll see.

Jimmy Carper 26:10

It's night but not with her pips. She's not what their pips it's, she's with some other group.
She's, oh, on.

Scott Lewis 26:17

Tomorrow night. She's the spinners open for

Jimmy Carper 26:22

Gladys Knight and the spinners and I'm going.

Scott Lewis 26:26

Yeah, they're the opening. Ah. And she's fabulous. She was here about nine months ago. And I saw her perform out there. And she is incredible.

Jimmy Carper 26:36

And I have a piece of music. That's my particular favorite from hers. It was sent in by a listener. I don't know where they got it from. But

Scott Lewis 26:47

pulled it out of your app. And it's amazing what's in there. I was in there the other day, and there's a new park and ride. And you know, you just pay your \$2 Honey, I leave your car right there. Anywhere in town. I

Jimmy Carper 27:02

am a park and ride but what's that got to do with Gladys? I don't know. But let's go to this. It's a beautiful ballad version of an old disco favorite. You'll recognize it
