Oh of Andre wants a husband. Well, you know, standing in line. You know, if Andre you really don't want a husband, because they're all pigs, and they'll tell you, they love you. And they don't want to be with anybody but you. And the next thing you know, some little bitch across town is pregnant, so. So anyway, on that note, that wouldn't be considered dirty laundry, would it?

J

Okay, do you got me now? Yeah, guys, nine six. Whatever nine. Oh, how you doing? Fine. Well, I was gonna remind everybody about the parade next week up in Dallas, the gay parade. Did you know there was gonna be one? No, yeah. Next week, next Sunday.

J Jimmy Carper 11:02
It's their gay pride event.

R Rainbow de Clown 11:04
Yeah. They have theirs in the fall. And we're gonna have an entry in the parade. And right now I'm up to my elbows and paper mache.

J Jimmy Carper 11:13
Oh, what kind of entry are you doing?

R Rainbow de Clown 11:15
Well, next year, you know, our theme is going to have to do with a nighttime parade. Yeah, so I'm making 12 miniature size life size. Like Christmas bolts, we call them venture sizable. We'll have a strand of weaving down the street. There'll be about five foot tall. There'll be the there will be a replica of a miniature size bowl. There'll be all rainbow colors. And we're gonna be working on it tomorrow at two o'clock at EJ so if anyone wants to help out, Oh, okay. It will be inside. Ah, so it's gonna be fun.

J Jimmy Carper 11:55
Inside of EJ. You're going to be working on this for the blow boys take off their clothes. Spill the dirt.

R Rainbow de Clown 12:07
Ball. It'd be an individual ball. And the person gets in it. Oh, okay. There'll be about five foot tall. It'll be interesting. Yeah. And it's gonna be next week is the parade at three o'clock up in Dallas. Have you been to the parade?

J Jimmy Carper 12:21
No, I never have because I know they have a different that they have a Freedom Day parade or is that what they call it?

- L** LuJack Tyler 12:28
I think this was Colin razzle dazzle. Isn't that what that was? That's like a Roman numeral right behind it.
- J** Jimmy Carper 12:36
But well, it's nice that they have it at a different time. Because yeah, on our pride parade. They have we have a lot of people from Dallas who come down and and are even in it.
- L** LuJack Tyler 12:46
Yeah, really? Yeah. win awards and stuff.
- R** Rainbow de Clown 12:48
Yeah. That's why they really changed it was so they wouldn't be competing with they they move it to a false everything that nice. So everybody thinks it was because they hate but I understand it was because they just want it at different times in Houston.
- J** Jimmy Carper 13:01
That's right. And then nice of them. And because it's the fall and they don't want to call it gay and lesbian because they still have problems.
- L** LuJack Tyler 13:10
Yeah, first Lona while they call it-.
- J** Jimmy Carper 13:16
Freedom Day. It was used to be the Alan Ross free Freedom Day parade or something.
- R** Rainbow de Clown 13:21
I think it still hasn't do with that too. Okay. Yeah. Yeah. But I'd like to help out tomorrow at two o'clock and then if they want to join the parade it'll be a three o'clock next Sunday at the Dallas sounds flawless.
- J** Jimmy Carper 13:33
So what's what's happening with with the Houston Gay Pride stuff?

R Rainbow de Clown 13:37
Oh, eyes is gonna be at nighttime next year.

J Jimmy Carper 13:40
First one in the car. Yeah, you got it.

R Rainbow de Clown 13:43
And it'll be on a Saturday night, which will be June 28, which was the actual anniversary. So it's gonna be a lot of fun. And right now we're working on it. I can't remember the dates because like I said, I'm up to my elbows and paper mache and I can't.

L Lujack Tyler 14:01
You always have true elbows in something. Paper Mache drinks

R Rainbow de Clown 14:06
In my hand, right. But look at the local game media and find out what days the meetings are and stuff like that. Okay, I know we're gonna start meeting at the place right across the street that are robbing a Wesco.

J Jimmy Carper 14:22

R Rainbow de Clown 14:39

...and they want to get more people in.

L Lujack Tyler 14:41
I got more space and more conference rooms over at the multiservice I don't know you don't have to sweep up the vomit. More morning after crowds,

J Jimmy Carper 14:51
The clubs and emos.

R Rainbow de Clown 14:55
I wasn't involved in the choosing of the play whatever. Hey, but it's a good place.

J Jimmy Carper 14:59
Yeah, it is. It's a good place. It's until we get our own community center. It's it's really wonderful center to meet.

G Gigi 15:08
And it's almost that now.

J Jimmy Carper 15:11
No, really? We can take it over. Yes. Yeah. Well, Rainbow-.

R Rainbow de Clown 15:17

Hello Houston and welcome to the QMZ the queer music zone with Jimmy and for the next though Oh, I don't know 15-20 minutes or so we're going to be playing music by openly queer artists. We're starting with a brand new one by Tom Robinson. He's an old kind of funky tight been around for a long time he was openly gay in the 60s 60s and he's got a brand new album out that's had some good critical reviews called having it both ways. And this is a great song for anybody it's called-. Yeah, Tom Robinson brand new and just respect its offices album called having it both ways. Now Chris, in Copperfield is at work and he is requesting Romanovsky and Phillips now he's he asked for a very strangely titled thing that I never heard of. So I'm going to play about two or three which cover the subject so how's that? First of all from their second album called trouble in paradise? This is called Lost Emotions. Oh gosh, I was just gonna go right into the next Romanovsky until up song but the CD just kind of like stopped on that player. So here is a another song dealing with similar subjects but in a different way. Whoo, yeah. Little Romanovs again, Phillip Phillips mini concert. They're on the QMZ, the queer music zone. And, you know, we're not going to be here much longer in the QMZ, but I gotta play some Melissa. You know, it can't have a QMZ without Melissa. And I want to play stuff that you don't hear on the radio. And that maybe my favorites. Or if you have a favorite that you don't hear on the radio, give us a call at 5265738 and we'll play it but for right now. This is chrome plated heart.
