SPEAKERS

Speaker 2, LuJack Tyler, Jimmy Carper, Gigi, Speaker 1

J Jimmy Carper 00:14

That wraps up another episode of The QMZ the queer music zone that you hear almost every week, right here on After Hours queer radio with attitude on KPFT Houston and KEOS College Station. That was that last one was Melissa Etheridge Occasionally. And that was for Zane in Crosby. Glad to do it. Now. Whoa. Hello there.

L LuJack Tyler 00:44

Making an entrance.

J Jimmy Carper 00:45

Yes. Gigi is still here. Yeah. And now LuJack.

L LuJack Tyler 00:52

The one and only. Hey.

J Jimmy Carper 00:55

What's been going on with you?

L LuJack Tyler 00:56

Well, you know, it's that political time of year where we decide who we're going to vote for. And so we've had a lot of conventions, Democrat, Republican, and we even had the first ever gay and lesbian out vote convention with HRC

J Jimmy Carper 01:11

I mean, so many conventions until you want a-.

L LuJack Tyler 01:14

Ain't it maddening. Yeah, you know, and then you have like Ross Perot, and his vice presidential candidate who just put out a new book. Not even I know me.

J Jimmy Carper 01:26

I mean, what apropos?

L LuJack Tyler 01:29

Where do they come up with these with these people?

J Jimmy Carper 01:33

And his, his vanity convention?

L LuJack Tyler 01:37

Dumbo, when Disney made Dumbo? So many years ago, they were modeling it after Ross Perot.

G Gigi 01:45

Maybe it's the other way around?

L LuJack Tyler 01:48

No, no, no, no, he's older than Dumbo. But, you know, the conventions were great. They were both absolutely wonderful. And, and my favorite was the Republican National Convention, when when Colin Powell walked out and Peter Jennings was saying, He's going to really stir it up. And he gets out there and he smiles and he compliments and he carseats like the queen. I know he is. And, and, you know, he says, You know, I stand behind abortion, and I stand. I stand behind my views on a woman's right to choose whether she has an abortion. But let's get back to the real issues that bond does. And he's just such a gutless, spineless individual. You know, and I

say that very proudly. And then the next night, the head, Susan Molinari, get on there, and we kept showing her kid, I bet he's gonna grow and be a big, fat, ugly homosexual, with a little pee pee. And then KKK Bailey Hutchinson, we had a storm her office.

J Jimmy Carper 02:47

Susan Mellon, narrow, I mean, in the dictionary next to clawing climbing, cloying,

L LuJack Tyler 02:54

They're all averages, wannabes. They're all average just want to be, you know, I wouldn't have been surprised to see them, you know, say that Bill Clinton was born with a silver spoon up his butt. But, you know, they, I guess they had more taste in that. Or at least they actually read that he was that he was a poor person. You know, what I don't understand about Republicans, when they attack the President and the First Lady based on things that they write, or their opinions on movies, why don't they watch the movies and read the books? I mean, they get on television, and they try to convince the American people that, that the things that the President in the First Lady writes, or the films that they talk about, are saying one thing, when in reality, they're saying a completely different thing where you're, you're a saint, you're assuming that these people want to deal in truth. No, no, no, it doesn't work that well. They're playing on our ignorance assuming that we won't read stuff. And and this Jack Kemp did I mean, you know, for 20 years, he's he's been saying he's pro affirmative action, and he's pro a woman's right to choose. He's pro this he's Pro that he was the lone wolf in the Republican Party. And and now it's like, you know, he has his lips glued to Bob Dole is rear, I mean, or his one arm one of the two, you know, and it's like, he's a puppet. You know, I guess Bob Dole has had his wooden arm of Jack Kemp's but and he's just kind of so like maybe they'll write a book.

J Jimmy Carper 04:30

Have any other nice things to say?

L LuJack Tyler 04:35

I've been away for a while. Nice.

G Gigi 04:36

I have things about Republicans.

J Jimmy Carper 04:40

I'm not too thrilled with anybody.

L

LuJack Tyler 04:42

No one will nor am I and so what do you think about the sex scandal with the Republican Dick Morris? On the eve of the President's acceptance speech?

J

Jimmy Carper 04:53

Well, I personally, I have this thing about what's the sex scandal? You know, we all have sex games. Everybody has their own little kink in life and yes, so what? Really? What's that guy?

L

LuJack Tyler 05:05

Oh shit pay me \$200 an hour.

J

Jimmy Carper 05:07

What what in the world does that have to do with the job that he can perform? Absolutely nothing.

L

LuJack Tyler 05:13

Well what my theory is, is that you have cute little gay boy George Stephanopoulos. Yeah. And James Carville and in John Panetta, and they're all you know, good diehard Democrats and Dick Morris was getting all of the publicity. I was at well being the lone Republican who got Reagan and Bush in office and, and now he's whispering in the ear of the president. And so what I think happened was that I set him up that just makes him a horse. That's, yeah, well, he's a political opportunity. You know, but he's but strategizing getting the president reelected is what he was hired to do. And he's doing and he was doing a fantastic job. By the way, did I mention that George Stephanopoulos is cute?

J

Jimmy Carper 05:53

Yes, many times.

L

LuJack Tyler 05:59

And so now that I've talked about Ross Perot, and, and his unknown, and I've talked about the Republicans in their show Intel, you know, the Democrats had a fabulous convention, although Jesse Jackson and Mario Cuomo were not on airtime. And Ann Richards was nowhere in sight except my politically incorrect. I wonder what type of matches they were trying to send to America because Jesse Jackson gave a very passionate speech. It was actually non controversial. You know, usually he gets up there and he rounds people up and any actually makes them think, well, why am I really voting democratic? Yeah. Is it because my mother did it? Or is it because I actually care about the issues and he brings truth, truth, truth, delicious, to

light, but this year, he actually gave a pretty mild speech. You know, and his son introduced him. They talk like the Kennedys in the Jacksons, they talk like, it must be some type of hormonal thing and-.

J Jimmy Carper 06:53

It happens. Well, you know, I did not watch either convention. Why? I was watching politically incorrect.

L LuJack Tyler 07:03

Yeah.

J Jimmy Carper 07:03

I just thought it was much more interesting watching those two people in bed and I know and, and saying other Political figures in a different venue. You got it. Yeah, I really did enjoy that. And at times, I thought Bill Maher was like, really rude.

L LuJack Tyler 07:22

Yeah, he was. Yeah, he was that again. He was rude to Phil Gramm. He should have been, you know, yeah.

J Jimmy Carper 07:28

You know, it's like, he was rude to everybody. Yeah. It was bipartisan.

L LuJack Tyler 07:34

Yeah, yeah. And then his Greek counterpart, man, she was really rude too. I don't know.

J Jimmy Carper 07:42

I don't know. I don't know.

L LuJack Tyler 07:43

The President turned 50 last month. And this in in the month of October Hillary will turn 49. She's a Scorpio who knew Leo and a Scorpio man. I bet that sex is like.

J Jimmy Carper 07:56

That must be like off the ceiling. You know.

L LuJack Tyler 07:58

I bet that you could like hear them way up the street. Oh. Wow. Speaking-.

J Jimmy Carper 08:03

the other thing I want to say about Clinton, that that-.

L LuJack Tyler 08:08

Other than the fact that he's poking Barbra Streisand. Oh, please get in the head, Marilyn. And you know, Bill is poking the nose?

J Jimmy Carper 08:16

Wow. Wow. Well, first of all, it's like, people are here a lot of queers that are very upset about Clinton because he didn't do this. And he didn't do that, and blah, blah, blah. And first of all, I've got to say, first of all, who, in the queer community ever asked to get into the military? Who in the queer community ever asked for, for for same sex marriage? Nobody. It just these were things that came up. It's not anything that we were fighting for. No grassroots thing. It just came up. Because Because yeah, now we're all mad because it didn't work out.

L LuJack Tyler 08:57

Well, I mean, Queens just have to, how have you seen we'd have wanted it in the first place. Have you seen the it's not the IKEA commercial, but it's a commercial where these two queens are fussing over some type of furniture. What-. Oh, no. Some some type of clothing department store and these two queens are fussing over this fashion sell or what have you. I mean, Queens just have to have a reason to be better about something. You know, but but one thing about Glenda I will say is that he is the only president in the history of the United States that continuously includes gay people. As a part of the American dream. We with the word Yeah, yeah. And-.

J Jimmy Carper 09:39

Yes, he hasn't been talking about bisexuals or transgenders yet, but we're working on it. Yeah.

L LuJack Tyler 09:44

Well, I mean, I mean, potentially, you know, he may not I mean, but but it's not to say that he's not setting the example for presidents who will come in the future.

J Jimmy Carper 09:56

Yes. Yeah. That's kind of my point where you mentioned about Clinton but If you don't like He's the first person to say the gay word. He's and-.

L LuJack Tyler 10:04

He's hold a press conference for gay people there you go gays in the military was a get was a press conference on the lives of gay and lesbian people appointing openly gay people seven days after he was inaugurated as President of the United States of America.

J Jimmy Carper 10:19

So, you know, we ain't got it so bad kids.

L LuJack Tyler 10:23

No. And and and one one thing that has absolutely nothing to do with this. I'm in love What? Channel 36 AMC because every Saturday they show they show hello dolly with Barbra Streisand. Have you seen that?

J Jimmy Carper 10:40

I don't I don't get your animal 36 You have to pay extra for that.

L LuJack Tyler 10:43

Oh, God. You simply this will make tonight made me like my 10th time seeing it. Hello Dolly. What? Barbra Streisand it is flawless. It ain't funny girl. No, it's not. But But But when she walked it ate it. There's no comma there. No, no, no, but it was. I just love the scene when she walks into the restaurant. Oh, yes. And she is so I mean, she's no Carol Channing. And she's so sexy with it. I mean, it's like, you know, I've never been sexually aroused by Barbra Streisand and the nose thing. But I mean, when she does that, I just can't seem to get enough of it. I don't know. Maybe Maybe I have a new fetish or something. I don't know. Do you watch the Rosie O'Donnell Show? No. You You are missing a flawless television show.

J Jimmy Carper 11:36

No kidding.

L

LuJack Tyler 11:37

It is absolutely flawless. I'm upset because they're, they're changing it from nine o'clock in the morning to poke like an afternoon. Which means-.

J

Jimmy Carper 11:44

Yeah, that's why I don't watch it. Yeah, it's up at noon. Thank you very much.

L

LuJack Tyler 11:52

But it's got to try to compete with Oprah and Oprah. It's gotta wash it. I mean, that'd be delays. Gotta stop watching Oprah to watch Rosie O'Donnell.

J

Jimmy Carper 12:02

Tape one while you watch the other.

L

LuJack Tyler 12:04

Yeah, well, definitely. Yeah.

J

Jimmy Carper 12:06

That's the only that's that's the only solution. You got it. You're going through these subjects here.

L

LuJack Tyler 12:15

All in seven minutes. Incredible. Folks, me and Jim decided that we're going to start calling out conversation fireside chats, after Franklin D. Roosevelt who communicated what us so eloquently on the radio, I think that we can put ourselves in that bracket. If Hillary can't compare herself to Eleanor. With those hips, we can certainly compare ourselves to Franklin Roosevelt with our lips. This is the month for dinners for four political dinners locally. Yes, the log cabin errs are having this tonight. Oh, that's all seven people showed up.

J

Jimmy Carper 12:53

They got a lot of folks. I've been really kind to the log cabins. I have to state first of all that. I don't agree with much of what they stand for. But it takes a lot of guts to go to a convention where they don't want you. You got it. You know, and I have to applaud those folks for doing

that.

L

LuJack Tyler 13:14

Well, am I outsmart article coming out. I finally found the exact words to to actually publish something and the title of it is don't let the sun catch you cry. So be sure to check that one out.

J

Jimmy Carper 13:31

This year about no no, not the sex.

L

LuJack Tyler 13:34

No, it will be the November issue speaking about my magazine. Yes. The caucus with the leadership of Pat Gandy,

J

Jimmy Carper 13:41

What's going on with this? Because I mean, we keep hearing about how maybe it's in Walgreens now and maybe it isn't and then-.

L

LuJack Tyler 13:49

We are at a stalemate because because Walgreens has agreed to let our small magazine comeback and but then the voice that did such great that got the community so riled up with its Oracle decided that it also wanted to be-.

J

Jimmy Carper 14:06

Well let you say when they were at their own location. Yeah, it used to be there.

L

LuJack Tyler 14:09

Yeah. Well, Mr. Anwar, I don't know what his first name is. But we're stating facts. I don't mind. I don't. I don't mind using using names. His point of view is that they don't have enough space.

J

Jimmy Carper 14:24

Come on. They've got twice as much space as they had in their old location, then they carried it. So what's the deal? Well, get some Queens over there to redecorate and they'll find-.

L

LuJack Tyler 14:38

You know, I just I just, I just have some serious concerns about their attitude.

J

Jimmy Carper 14:45

It's like pitting one. One. Guy, Deborah said, it's like pitting one publication against another you got, you know, that don't that don't cut it.

L

LuJack Tyler 14:58

But I also want magazine and And the boys have been in communication with each other and and they have both decided that Intel, Walgreens decides that both publications are important for people to pick up and read that neither publication is going to, it's going to put itself in Walgreens.

J

Jimmy Carper 15:22

So go over to records and pick them up. Yeah, yeah.

L

LuJack Tyler 15:25

Yeah. And so that's that's the situation on that week, we actually came up the winners in that one. Um, because, you know, we we asked the caucus decided that they had no business discriminating against an important news publication for our community buyer by our community. And then we just decided to let the out vote magazine and the new voice and Walgreens decide what they want to do. But as far as the caucuses is concerned, we actually accomplished what we decided that we wanted to accomplish.

J

Jimmy Carper 16:03

There actually still isn't another factor involved here because Tom Richards investigated this two or three months ago, and reported here on after hours about that issue, plus the issue of homophobia, discrimination in hiring openly gay workers that had been at the old location. It was sort of like a cleaning house and and getting rid of folks. And we still haven't had an answer to that at all at that Walgreens location.

L

LuJack Tyler 16:38

No, maybe I should bring Pat in and she can talk about it. While we're on the subject of the caucus, we have been doing a lot of stuff. We've, we have been instrumental in in being forced with the mayoral candidates for next year. We are continuing to have power brunches. We recently had one with Sylvester Turner. Yes.

J

Jimmy Carper 17:02

And now what's going on with Sylvester Turner with this? I mean, it's just it's just opening up all over the place here. All kinds of things. Yeah. I mean, there's there's a now a charge of bisexuality here.

L

LuJack Tyler 17:17

Well, they're being nice about it. They really just want to let it all hang out and say that he's gay. And that he was-.

J

Jimmy Carper 17:24

He was married, so I'm, yeah, well, we have a bisexual person here. So yeah, I mean, I mean, if you're married, and then you have a male lover, rather than being gay, I would call that more bisexual, you know, so Well, that depends or if like Oscar Wilde was not really gay.

G

Gigi 17:41

Yeah, he was.

L

LuJack Tyler 17:42

It was a vicious race. Yeah-.

G

Gigi 17:44

He was bisexual.

L

LuJack Tyler 17:45

I mean, it was

G

Gigi 17:46

Some gay men that marry for the front. Oh, that's true. That's true. And don't really have a relationship.

L

LuJack Tyler 17:56

It was a vicious race. And and I just wished someone Turner all the luck in his pursuit to see

IT WAS A VIOLENT WAY. AND I JUST WISHED SEMESTER TURNER ALL THE LUCK IN HIS PURSUIT TO SEE THAT JUSTICE IS FAILING. FRANKLY, POLITICS IS UGLY. YEAH. AND THE REALITY OF IT IS WHEN YOU'RE RUNNING FOR MAYOR, HAVE ONE OF THE MOST POWERFUL SEATS IN THE NATION BEING MAYOR OF HOUSTON PUT YOU IN A POSITION NUMBER FOUR, WHERE YOU ARE ONE OF THE MOST POWERFUL INDIVIDUALS BECAUSE WE AS THE MAYOR OF OUR CITY HAS SO MANY THINGS THAT HE OR SHE CAN POTENTIALLY DO. AND WHEN THE TWO OF WHEN THE TWO CANDIDATES DIVIDED THE BOAT AND GOT RID OF CAT CAP AND WHAT WHAT MY REALISTICALLY THINKING GOOD OL BOY SMS ATTORNEY SHOULD HAVE HAD HIS EGGS SHOULD HAVE HAD CHICKENS IN A ROW. YEAH. AND BY NOT DOING THAT, AND BY CONTINUING TO BELIEVE THAT THE FUTURE MAYOR WAS GOING TO BE HIS FRIEND AND PLAY POLITICS. IN A FASHIONABLE GOOD HUMOR WAY, WAS UNREALISTIC. AND SO MY POINT OF VIEW IS, IS THAT IT WASN'T RIGHT. BUT AT THE SAME TIME, IT WAS THE GAME OF POLITICS, AND IT WAS A GROWING PAIN FOR SO THAT'S A TURNER, IT WAS A GROWING PAIN FOR FOLKS THAT WANT TO BE POLITICIANS, AND THAT MY BEST ADVICE IS TO LOOK AT THAT. AND WHEN YOU DON'T HAVE MONEY, AND YOU DON'T HAVE A POLITICAL BACKING, TO JUST MAKE SURE THAT YOUR DUCKS ARE IN A ROW. AND IF HE WENT HIS LIBEL SUIT, IT'LL BE A VICTORY FOR THE UNDERCLASSMEN WHO, WHO WHO, WHOM TRIED TO RUN FOR ELECTED OFFICE LIKE JUDO AND BONEY. LIKE VICTOR MORALES, YOU KNOW, UNDERDOGS WHO COME UP AND EXCEL IF HE LOSES, ON THE OTHER HAND, THEN IT WILL JUST PROVE THAT MONEY BUYS AWAY A MAN'S CAREER OR MAN, A WOMAN'S POLITICAL CAREER BECAUSE IF HE LOSES, YOU KNOW, HE PROBABLY WILL NOT BE VERY SUCCESSFUL IN A BID FOR ARE THE MIRROR OF THE NEXT YEAR?

J Jimmy Carper 20:01

Not at all? Not at all.

L LuJack Tyler 20:03

But it looks pretty good so far. Mm hmm. Speaking of Victor Morales I had the opportunity of screening him for the ACL PC, and I'm going to try to get him in on the show next. No kidding. Next time that I'm here. He's a very interesting, interesting individual.

J Jimmy Carper 20:23

If you can get him in the station, we'll take him on the air minute he walks in, you know that?

L LuJack Tyler 20:28

Yeah. Well, I mean, he's the type of guy who will come simply because-.

J Jimmy Carper 20:33

Jew Don Boney has been on the show.

L LuJack Tyler 20:35

When Jew Don ran for district D, if you remember, I brought him in with Dell and Scott and I interviewed him and he was very successful. And this is one of them

J Jimmy Carper 20:45

He was on before that. That wasn't his first time.

L LuJack Tyler 20:50

You know, here at here at After Hours, we try to target specific races, specific races, and we like to try to bring those folks in and if we can get the midnight folks to-.

J Jimmy Carper 21:03

That's one of the reasons you're here because I'm not the political person that that that you are or that, you know, Jack Wolinsky, is, you know, persons of that ilk, it's just not in me. So, if you don't, my my idea is if you don't have the talent, get it.

L LuJack Tyler 21:21

Or at least marry it. One more note about the ACL PC, just a quick plug. They still PC awards banquet. Is next Saturday night starts at seven o'clock. It's going to be at the Holiday Inn select. Our distinguished speaker this year is the save you money guy himself. Mr. Jim McKelvey Mattress. Mac. Yes. Talking about utilizing the free enterprise system.

J Jimmy Carper 21:46

Is he real? Is he going to run for mayor? I mean, I've been hearing this hearing this but nothing from his lips.

L LuJack Tyler 21:52

Well, you know, Robert Mosbacher is is another one of those people who, whose whose name is always out there. And, you know, it's just like being the who's who. So, in all honesty, I don't think so. But he may, you know.

J Jimmy Carper 22:08

Okay. Okay. Yeah, you are listening to After Hours queer radio with attitude on KPFT Houston, and KEOS College Station, we're going to be back in just a little bit.

S Speaker 1 22:37

J

Jimmy Carper 23:51

Ah, a couple of things in your ear about what's going on here at the station. We're back at after hours. And LuJack Tyler and Gigi. Yes, so what else is going on?

L

LuJack Tyler 24:09

Well, you know how much I love music. And I think that music is the is the freer of our souls as gay and lesbian people as African American people, I suspect as Hispanic people as women as it's all people. You know, some some people believe that music is just a waste of time and they don't care for it, but I love it. And I think that it just frees ones so and so. A friend of mines that used to be in radio with another radio station gave me the wonderful idea of having a mini concert of perhaps gay or lesbian people or gay or lesbian icons. And so my show what I'd like to start doing is having what I like to call the mountain mover 20 minute mini concert. Okay, and so, this week We are going to be celebrating a person who I think when the infamous Maya Angelou wrote, I Know Why the Caged Bird Sings, wrote it to illustrate but the longing for the delicate and caged birds cry for the song of Song of freedom. And tonight I like to celebrate the musical and personal freedom of one such icon to the gay and lesbian people everywhere. In July of 1960, the world was introduced by her husband Ike, to Tina Turner for 15 years, the pair of I can and Tina Turner's review set set the stage of fire with hits like a fall in love, Proud Mary, shake, shake a tail feather, and I want to go higher. In 1973 Tina was asked by the by the infamous genius producer, Philip Spector to recall a river deep mountain high. The record was a hit in the United Kingdom. But due to personal marital problems, I continue to split and went their separate ways, and Cena began recording later tunes did guest television appearances, and she had one disco hit during that time Disco Inferno. In 1982, Roger Davis became Tina's manager and Tino produced top chahti hits like what what's love got to do with it? Our greens Let's stay together and her record Record Label Label title What's Love Got to do with that one or the Record of the Year Grammy 1983. And nationally raid because of her legs and her energizing stadium sell out performances. Tina Turner at 50 years old is still going strong with her latest album. What Wildest Dreams introducing with our first 20 minute mini concert, the fabulous Tina Turner-.
