 Howard McHale 00:02

They kind of go away or

 00:05

rededicate, and everybody has their in January.

 00:08

Hopefully they have lives. I

 Howard McHale 00:09

think we just we

 Jimmy Carper 00:10

were just talking about this actually that, especially especially for q patrol in January is a real tough time to get to get people. Cold. Yeah. You'll be surprised. Where's your nipples off out there? What do we do to get people? Yeah. What do you buy? They cry? Oh,

 00:28

me and me,

H Howard McHale 00:29

we beg we borrow.

J Jimmy Carper 00:31

It's the same way with the gay and lesbian switchboard. It's, for the first time in our history. We've got enough money to see us through for six months. But we don't have enough volunteers to cover all the phones. And during all the shifts,

H Howard McHale 00:45

you know, oddly enough, believe it or not, you know what our biggest surge of volunteers are? The day of the parade. Oh, I'll bet we'd get we get 100 People who say I want to help you with the parade. Where are they all year round? You know, the one who really need planning. And because I mean, you don't have to have any talents. You know what I mean? You don't have to all you don't and your co chair?

Ω 01:07

Will most of us guide each other along the way. So you really don't need talent to volunteer to participate. Not at all

Ω 01:14

willing, willing spirit.

J Jimmy Carper 01:17

What's needed for any of these, any of these groups? The game must be in switchboard Q patrol. I mean, there are grandmothers who do Q patrol. I mean, it's not that there's a group of people going out there with guns strapped on them. In fact, we're non non interventionist, non interventionist I intravenous

H Howard McHale 01:35

what that is

Ω 01:37

non intravenous. Non enema you

H

Howard McHale 01:41

always talking about enemas? What is it with you? I think we're talking here. We have a serious show. And you're talking about all this. I had to break it.

J

Jimmy Carper 01:50

Terry, how do you stand it now? I mean, you've worked with this guy before. And you volunteered again, no way.

♀

01:57

Shiva. I don't live with a man.

H

Howard McHale 02:01

She ever comes to my house. She loves my little

♀

02:03

weenie. And the reason why she doesn't live with you is because he knows that your boxer shorts smell like Fritos. There's a couple of people down and love your little way.

H

Howard McHale 02:16

Anyway, let's get back to the subject. Oh, which is volunteer is Oh, no. But you know, I'm really happy to see that the people that we have. And and there are so many organizations out there. We have

♀

02:31

fabulous ones we really do. But it's it's it's hard. You know, it is it's hard to keep me going. But we're the ones we got a great. I mean, I couldn't ask for a better group of volunteers. As soon as I was I couldn't ask for them. They're wonderful.

H

Howard McHale 02:42

And well, you know, I want to do some volunteer

♀

02:44

work over there. I'd love to have you come up over there. The night you interior both over the

summer, guys, everybody was

 Howard McHale 02:49

there, everyone was there. And we were going to tie people up. You know, I have a friend.

 02:54

It's bad dog thing again. I

 Howard McHale 02:56

got to start. I don't get tied up. You know, I know where I

 Jimmy Carper 02:59

come from. He doesn't

 03:01

call Rosalind if he only knew

 Howard McHale 03:04

this. That's my dog. Anyway, I had a friend in high school and this is off the beaten path and I'll go there.

 03:10

Right down the road down there. He

 Howard McHale 03:12

used to work in a nursing home. When we were in high school. I did that. Yeah. Well, what he used to do is there was this one black man who was blind and used to take an eye dropper on his head because he was bald and tell him that the roof was caving in it was how rude you are the sick as

 03:27

demanded.

H

Howard McHale 03:29

It was years ago. I was when I was on high school three years ago. 30 and I always remember that I could see me volunteering at Steven's house and I'd

∅

03:42

have to graduate.

∅

03:44

No, you wouldn't have any of them died. But don't tie up. You know? And you and your dog are into bondage. We're not. Anyway. Their little tail

J

Jimmy Carper 03:56

got a B and D weenie dog Ryan do. We need B A D? What's

∅

04:03

a B and D Jim bondage? And this? Was those big beans. I only know Stan and model and so what are those big beans called b&m

J

Jimmy Carper 04:14

member in the jar. Now that's what they give you.

H

Howard McHale 04:18

That's what makes melody thing. Hey, she'll sing some Christmas Carol.

∅

04:25

Back off with broads like barley.

H

Howard McHale 04:28

Anyway, now let's get back to our subject. You. You too are just too crazy for words. Who? Me and Terry? Glenn. Oh, how do you say man? Glenn, what do you say? Really weird.

G Glenn Holt 04:39

This is the kind of banter that goes out on on q patrols.

J Jimmy Carper 04:41

Yeah, we do this all night long. It's great fun. Oh, I

H Howard McHale 04:44

couldn't do it all that long. I'll bet you I'm good for about five minutes.

∅ 04:49

You've been doing this for 25. So yeah, I'd be doing

H Howard McHale 04:52

serious now. Pose. Yeah. How do you think? Why do you think what are we going to do?

∅ 04:59

It How do you think Pride Parade happens?

H Howard McHale 05:03

Yeah, I mean, what people out there and you know, honestly so

J Jimmy Carper 05:06

right and that's how Q patrol happens. That's how the gay and lesbian but there

∅ 05:09

are actually people who do the mega house.

H Howard McHale 05:12

There are people out there who think that this parade iust happens. Believe it or not. I know I

know. They come up to us and they go You mean you? There's a pride committee. You mean you guys have been working on this all year round?

05:23

They think it happens the last minute that we are Saturday afternoon, everybody. Can you imagine

05:34

30 claims on the back of this truck and go whoo.

05:39

Don't forget to publicize

Howard McHale 05:42

dirty clean. Ooh,

05:43

what's that dirty Queens back of his truck and let's go woohoo.

Jimmy Carper 05:46

Sounds like a Q patrol.

05:50

I always liked that big. The mic me always has that big go. Cat of caterpillar. Look at thing. Same thing every year. Can't be too difficult.

Howard McHale 05:58

No, I can't be. I wonder where they show you know, you know why? Why I have the answer. I really missed that.

06:08

I was on the plane. I missed the whole thing.

 **Howard McHale 06:10**

What happened was above pride fest. Yeah, there was the airport, the airplane flying with the banner on the back that said Yeah, was Armstrong celebrates whatever, whatever money for that. And the money went to the advertising. It was kind of nice. Yeah.

 **Jimmy Carper 06:24**

But I missed the backhoe. That's the name that's the name of the machine. You should

 06:34

know backhoe that's a front end loader.

 **Howard McHale 06:36**

Maybe you should do a tobacco anyway. What is a backhoe

 06:41

loader? Oh, on this radio station child. It takes one to know what I see. That's a front end loader girl talking about backseat, a backhoe and a front end loader. I'll bet you do. I've been chatting up with mine again.

 **Howard McHale 06:57**

Anyway, and more than one of the things that we need also, and I'm gonna go out this big ol plea plea plea is money.

 **Jimmy Carper 07:06**

Oh, oh. Oh, wait, everybody

 **Howard McHale 07:09**

needs money. You know, do you know that I'm gonna pat ourselves on the back we are a banner district Gay Pride committee and lower Western we know the polls. We want to put up holiday banners this year up and down for all the Christmas season and we didn't have the

money Oh, we couldn't we couldn't get \$1,500 to put up Christmas banners throughout the season. You think that someone that's in this community businesses along Montrose let me tell us timer

J Jimmy Carper 07:35

Yeah, but everyone is being gets hit in the in the December for all kinds of good things and you know we have AIDS in our community and that's taking

∅ 07:48

the money has been really happy note it's tough and

J Jimmy Carper 07:52

I know gay community really puts out a lot of books

∅ 07:55

a lot of books a lot of them and they've been doing it for a lot of years and nobody really knows and the federal funding that's like we got a seems house was thank God there's some hopple funding we don't get into March as I'm playing this little trick with the credit card last of the month and hope it covers me it's awful I mean I'm not sure I can make it

H Howard McHale 08:14

oh girl your boy that the trick I know or no

∅ 08:18

I'm gonna be selling my body on Wednesday. We're not getting much they said Mike staff told me try pencils Don't drag your body on you'll make more money. I tried.

H Howard McHale 08:28

I have pencils.

J Jimmy Carper 08:30

I have a little sign that says since 1966 still only 15 bucks

H

Howard McHale 08:38

get bored 15 bucks. I know you but it's true. There are some desperate feet out there

O

08:46

but it really is true we I mean it's it's really I mean I'm in really financial crisis and so are other oh yeah other you know agencies we were all like Cuba center had they lost a bunch of funding everybody lost funding with different things. It's really hard. I mean, I'm sweating March when that kicks in. And I hope it kicks in and took them seven months for the city to kick in the make the thing happened to begin with.

H

Howard McHale 09:08

I have to tell you well, a fundraiser that Pride Week is doing and I and I want everyone to be watching for it because after the next two weeks, the last three weeks in December on the weekend. What we are doing what we are doing is that we'll be on the streets begging for cash. Why we've got member rainbow the clown yo Yeah, what she's the mother Montrose, so I

J

Jimmy Carper 09:28

know rainbow rainbow calls calls in all the time. Yeah, exactly. I spy every Yeah, well.

H

Howard McHale 09:34

Anyway, what we're going to do is she's the mother Montrose and we're going to have her on Pacific street in a wheelbarrow, begging for cash.

J

Jimmy Carper 09:43

Rain, shall do it. She'll do it.

H

Howard McHale 09:46

And she'll get and she Exactly. And everyone kind of looked at me when I asked no shame if you can go to the bar and drop \$10 and tips a night to a bartender. Matter of shame. No, no, it's

J

Jimmy Carper 10:00

work Yes, yeah. And rainbows always out there

H

Howard McHale 10:02

but be looking for the pride committee and rainbow the clown. Up and down Pacific Street in another various places out there begging for money just like the Salvation Army.

J

Jimmy Carper 10:11

I mean, it wouldn't be a pride parade without rainbow. Exactly. And we marched.

H

Howard McHale 10:15

We marched in Dallas with rainbow Yeah, she was crazy that those girls were flipping up there.

♂

10:22

They loved her.

♂

10:23

You know what I think about primary school is PFLAG you know all I mean, parents and there was some really elderly people that like walk that long hard row and when I used to do that with the mastery workshop, we just have a float and we took a truck when you and did the thing we just picked up because people couldn't make it. But those that group of people is amazing. You know, there's been there's another very elderly that was really I mean, a bunch

J

Jimmy Carper 10:50

of low with low low. Being over age 50.

♂

10:54

Is that it? That's Terry why no matter girl gorgeous hunger. burnin love

H

Howard McHale 11:00

she over 50 Hell no, she

♂

11:03

headed that way. A long way to go pushing it baby.

11:07

Where do you pull it honey? Real? Anyway. But it's true. I couldn't believe David most spirited or foe?

J Jimmy Carper 11:18

Oh, yeah. I mean, usually on the show. Those women come out and do this show. Is that right? These are women who go to bed at 1030. And they stay up to do after hours. Whenever Yeah,

H Howard McHale 11:29

exactly. God love you.

J Jimmy Carper 11:30

It's great women, great women. You know, and I'm sat standing on the sidelines, I've noticed that one of the groups that get the biggest round of applause and it's usually one of the smallest groups is the gay group from Texas a&m, or the gay group from Yeah, that's from Texas, Texas a&m. Because it's it's tough to be a gay Aggie.

11:53

Really? Yeah. I'm not even touched. You know, I can't I have 45 Aggie jokes at this flashed through my brain. I'm not even touching it.

H Howard McHale 12:03

I never I never understood the fascination with picking on Aggies anyway. Is that like Polish Polish jokes?

12:10

Same? When I was in Detroit, when I came down here, they started telling jokes. I'd heard all of them seven years prior to that only they were Polish jokes. Same difference. Really? Yeah, girls.

H Howard McHale 12:20

Oh, God. But anyway, back to money. Yes, they're all back to Money Back to money. You know, I mean, like I said, we need money. We need money.

J

Jimmy Carper 12:29

What other kinds of money? What are the kinds of fundraisers Do you have plans?

H

Howard McHale 12:33

We have we have a Valentine's Day pan dance point. Oh, yeah. I know if people kind of look at we kind of want to do a warehouse party. Call it basis for you. Because you know, that's kiss in Spanish. They say me.

J

Jimmy Carper 12:47

So may Kulu.

H

Howard McHale 12:52

Selena, she's alive. I heard her she's here. She's back. Selena.

J

Jimmy Carper 13:00

Jun. Me Me. The phone lights up.

H

Howard McHale 13:04

Why would happen? I heard you singing Mexican. It sounded like Selena.

∅

13:08

Yes. Is it Mandarina? Miranda? Anyway, anyway, we're looking for money. We're begging for money.

H

Howard McHale 13:20

We're begging for money. Everyone thinks for money.

∅

13:23

We need money, Howard. Because it

H

Howard McHale 13:25

cost us \$60,000 a year to put on this thing. Do people don't know that? No, they think it's free. They think it's free. From from insurance, you know how much insurance cost us

13:34

I wouldn't even want to think about I know what it costs me.

H Howard McHale 13:37

We have to those banners. And in order to have the parade and the festival, we have to pay over \$1,000 insurance. Wow. And you know, and then in order to have the banners on the poles, we have to pay insurance in case the banners fall off the poles on someone

13:55

have to pay \$4,000 a year in case somebody falls down.

13:59

And then we have to pay for the HPD we have to take years. While we're there.

H Howard McHale 14:04

Exactly. And in blue, and then we have to pay Who else do we have to pay for? We have Is there someone who are paying off?

J Jimmy Carper 14:10

Well now there's no like parade fees and oh,

H Howard McHale 14:16

well, we will we kind of charge people for being the bride. Yeah. But um, but you know, I mean, it costs that much money a year. That like \$60,000 Almost, I mean, that festival alone, I mean, the pride guide.

14:29

And think about that's like only a day with all this planning that takes preparation in a day and it takes me basically well over \$130,000 a year just to keep 15 or 20 people free all the time. So exactly. And then you multiply that by all these agencies and all this organizations and Oh

god,

H

Howard McHale 14:50

it's amazing. How do we just just look at the dedication that

♀

14:53

white knight I'm trying to move to a to a five bedroom house which is larger because I need to take care more People my lease is running out in April. I need a White Night. My bedroom house big time need somebody to come along go. sweep you off your feet. I need a House honey.

H

Howard McHale 15:09

I had a brown husband.

♀

15:11

You advertise to that every week. We haven't gotten anything yet. Here I

H

Howard McHale 15:15

am at the red card. Howard wants brown husband still buy the damn thing.

♀

15:19

I saw that and I didn't see it there. I told you I saw it. And I did. I saw it in there. Black was anybody of color right? Yeah. I said, Why don't you ask me how to spell something I think.

H

Howard McHale 15:30

Was it when he were a brown?

♀

15:33

No, I think it was how to spell it

♀

15:34

had to be committee and you're listening

J

Jimmy Carper 15:36

to all of this nonsense on KPFT Houston and KEOS College Station Bryan That's 90.1 FM, and 89.1. FM, respectively. It's after hours queer radio with attitude work.

∅

15:51

Oh, it is definitely.

H

Howard McHale 15:53

We need some phone calls in here. We need people I want to

∅

15:56

I want I want that guy that was that was on our last show. That one to meet the other guy. I want that guy to call in and tell him if he ever met that other guy. You know, remember the two that Yeah, you remember? They really liked one another and I'd love them to call in and say if they ever finally

∅

16:11

connected, you just want to make good volunteers. Yeah.

∅

16:15

And they could volunteer. They could volunteer we have a wonderful really young guy that volunteers so it's a great way to meet people. I mean, I really think he's trying to figure out you know, well he's always is and what's going on is

J

Jimmy Carper 16:28

the number to call in is 5265738 and let's go to another song while we're waiting for the fall we can

∅

16:34

do another gay Christmas carol we are Are we Elton country

J

Jimmy Carper 16:38

dedicated to Christmas.

♂

18:40

...

Is there anybody out there?

J Jimmy Carper 18:43

Oh yeah, Pat and Rosie from night sounds a great show. If you're on in the middle of the night, your mic isn't on dear. So don't you know. And before those those little words of wisdom we had Venus NV with what's it to ya take off on the Hallelujah chorus. And prior to that was Elton John with stepped into Christmas and now back to Howard and Jim. And Terry. Oh,

o 19:15

and I was just getting ready to ask is there anybody out there too and we got some calls and while people are driving around listening in, they

H Howard McHale 19:24

were calling and threatening. They're gonna blow up the building of me talking.

o 19:28

That was raining. You kept talking, but that's okay. Oh, no. They wanted to know they want them to gain one volunteer.

H Howard McHale 19:34

We had a volunteer and so

o 19:35

we know you're out there. So if you're really I feel like Rosie on the three to six ship. Is there anybody out there? Please call us and let us know. And you can give us your views on volunteers and there are

o 19:46

plenty of people out there. I was just wear them at the Magnolia party. It was packed

o 19:51

the magnet but are they listening to this? That's Is there anybody out there that loved them? Well, I need this guy called in. Ernie Ernie called All in and he was getting ready to volunteer and do stuff Yes. So we want to know is there anybody else out there even listening to all the

chatter

H

Howard McHale 20:08

wondering something funny too and I'm gonna mention this I give up what's the hardest part of volunteers also are getting people of color African American and women that's our hardest there they just don't want to volunteer I wonder why that is you know and rainbow have to apologize I'm sorry girl we won't put you in a wheelbarrow

∅

20:32

we will try

H

Howard McHale 20:33

and she called and just shipped me a new but

∅

20:35

didn't yes mean Melanie's got a sister, sister now

H

Howard McHale 20:40

that'll label the cloud and tell me she's mad at me because it's putting her under a wheelbarrow. But now we have a big barrel of cash that will be out on the streets. And basically we're just be begging for cash because we need money. And

∅

20:52

no, but you haven't told them why we need money. We want to provide air conditioned tents exactly for the bleachers,

H

Howard McHale 20:59

bleachers, the next year.

∅

21:01

A lot of fun things. I get tired to stand on the street have to do that. Yeah. water

21:05

meters water sprinklers.

21:07

Because man that would be really

21:09

wonderful. Well, anyway, take money. We can do it without money and volunteers. Okay. One of the major one of the

Howard McHale 21:18

major concerns the the parade being in June is because it's so hot. So this year this year we're going to try to do is we're going to try to alleviate some of the heat for people who want it. air conditioned in tents. Were trying to put interesting things for that. People complained as I said, Well, I'm HIV and I don't want to be segregated but it's not we're going to try to supply things for everyone in the community.

21:42

We're going to do an A you're gonna do a party thing this year. No, I mean, like a like a member thing like you did last year. Party.

Howard McHale 21:48

Not we haven't

21:50

probably because it's moved up to five o'clock. So let's write the praise at five this year. We'll be ending the festivities with pride fest.

22:00

10 Wow, that sounds fun.

Howard McHale 22:02

And there's we're trying to plan you know, last year was quite you're gonna get you're gonna ~~not your mother~~

get your mother.

22:08

My mother she don't think

Howard McHale 22:10

and she don't say she don't bear good looking children either. Oh, she

22:13

bears go just chillin. My mom's done bad. Go. Just. She doesn't bear a big day. Whoa, whoa, wait. I'm telling your mother when you get here that things you said. Your fingers being shocked at you. You cannot say that word on the air. The FCC is coming in and cut it say that. We're

22:34

sorry. They went back to work today. Oh, FCC. Oh, that's right.

Howard McHale 22:39

They're off. They're off. These are not off anyway. Yes. So you know, we've got some big fundraisers planned. We do you have a group that's

22:49

going to come in and do the the what's called Thinking fest big pride fest thing. Now we're working on it. Because you know, the who's there last year they they came right from the Gay Pride la it right into here because I was in LA when they were leaving for here right after?

23:11

Well, there have been some named droppings but we don't have we have not signed any contracts with anyone at this moment. And we're

Howard McHale 23:16

not going to tell you because it's a big surprise.

23:18

I just love that.

Howard McHale 23:19

There are so many big names.

Glenn Holt 23:22

Okay, what is the name dropping? What does it look like? Oh, you said name dropping? It's big.

Howard McHale 23:30

But you know, the funny thing about it is that you know, we don't know we work. We don't start really getting into JIRA how to reunite the Beatles know what the genre name was mentioned. Did

23:41

you hear how to reunite the Beatles? No. Three more bullets

Howard McHale 23:51

that you are this I'm sorry. You get

Jimmy Carper 23:55

the tasteless award now.

23:58

Sorry, the taste of the Lord. Hear it come

Howard McHale 24:01

out. You are the sickest white woman I know. Thank you very much. You're terrible. And that rainbow in a wheelbarrow? I can't wait to see it.

24:11

Anyway, do you know what I have another real clever one? You know what? Terry may know the answer this? What? A woman of the 90s and a computer have in common. Oh good. I'm still living in the 70s. Jim, tell me when I'm like five inch floppy? Neither one I'm like five inch floppies

H

Howard McHale 24:37

you're sick. Anyway, let's talk about volunteers. That's the subject is tonight and that you're sick and demented.

♀

24:43

Oh, I just got pinched by Ms. Terry. She gave out of the seven days. She's grabbing my

H

Howard McHale 24:48

living in Huntsville attitude. Anyway. We don't get enough people of color. We don't get enough women in our organization. That's strange. And we don't get enough money. We don't have enough people. When do you ever get a chance

♀

25:06

to run a house and see what it's like?

H

Howard McHale 25:08

I know. So we need more people. We need more money. And we need artists need artists. Now

♀

25:13

that's the thing you really ought to get right instead of crying in your beer, Howard, you ought to tell him that anybody out there that's an artist that wants to come up with a major the pride for the Gay Pride slogan slogan

♀

25:28

for 96 and that logo you know, borders

♀

25:31

pride knows no borders. Now. Don't tell me there's not somebody out there. That's an artist that didn't want to make 300 bucks if for no other reason the money anyway, but preferably

that didn't want to make 500 bucks if for no other reason the money anyway, but preferably because you're gay and you're proud of it. But anyway,

25:45

I mean, we we listened to merchandise. T shirts, like us was

25:50

right is to be turned in to the twit office by five o'clock on Monday. It's gonna be the logo for the major gay hole pride daily, everywhere. If I was an artist, I would like I would like well, my jeans see my banners all over. Oliver Westheimer however, our boxer shorts all over t shirts. God I would,

H Howard McHale 26:13

girl but it's better an artist out there. That logo than you have in your forehead that 666

26:20

Looking at it upside down, it's 999 Get off my body. Oh,

H Howard McHale 26:25

God, you are such a fruitcake,

26:27

we'll be serving me when I come down. I wish somebody would Kevin my Gibney job has been so long.

H Howard McHale 26:36

If Christmas. You are a sick fruit.

26:38

Thank you very much. I'm just quick tonight. You'll just have to admit it.

26:42

You ain't. I told you that. isn't always good, though. Is it? No, Howard. You know about that? How can I mean a little booth? Anyway?

26:54

You've been in those little booths before? You told me about them books though. I never been to them little booth. Told me big data. You told me what it's like

H Howard McHale 27:04

we need to find I told you I can't do that. We're not talking about croutons. croutons, things that give you in you drop into machine and croutons.

27:18

I got that that croutons went on salad proton palace. Anyway.

27:23

Anyway, do they know who to call for getting the phone number? Have you given them phone number he's giving

H Howard McHale 27:31

them the fuel. So know that this year? You know what happens is that the pride committee they change. One year one change one year they're the lesbian gay and the next year there we fly. And this year, we all

27:47

one thing we love its versatility.

H Howard McHale 27:49

Do you remember that joke about the rolling the woman and flower

27:55

and leaving the spot on the watch? Oh,

27:58

I pardon me.

Howard McHale 27:59

I was just thinking about something real funny.

28:01

Nice. We're being our fingers are being waved and again as the FCC aircraft goes over our head and president comes out of society. I just had a vision. I don't even want to think about that. When you have visions girl. It's really scary. I had a vision of you and your dog. Oh, it's the sky

Howard McHale 28:20

was the Madonna. Was it? Yes. You and Madonna. There are actually people in my neighborhood who have come to feel that I looked like the Virgin Mary.

28:30

And to believe that, I can't believe you ever gone with that as you can be married?

28:40

For Roslyn, Howard? Okay, see your dog here? I'll

28:46

marry their right virgin. I think we got problems. What are

Howard McHale 28:50

we talking about here?

28:52

At the small room, it's okay to cry.

Howard McHale 28:56

The End of the World as We Know It

The artist we need for the logo.

28:59

We touch that base. And if they're out there and they don't get the message or something dead wrong.

29:04

I know. Right. The number to call. You have it again. Five to 96979.

29:11

Edward, Attorney your thing at twit Friday. I mean Monday, five o'clock. I

Howard McHale 29:16

actually I have one night turned in. You turned one and yes, I did.

29:19

Is there some kind of thing about nepotism when you can't win the money because you're the co chair? Absolutely.

29:24

Howard were you not told you cannot win the money you are the co chair

29:29

of you'd like it just because you're a little weak.

29:32

The entry and the effort, Howard.

Howard McHale 29:34

No one was gonna enter anything so I had to run out vigor. One guy told

29:38

me I can't. I said come on, hired me me out. Let's have a cocktail. I gotta work on this logo. I've got to turn it in. Because I said if you think you're getting a bunch of crazy, no, he we did this. We had this little talk the other night on the phone. It was too funny.

29:51

He wasn't listening. Jim.

29:52

I know. He never listened. That's when I'm gonna win. You may win and your little logo maybe up and down Wednesday but you ain't getting paid at all.

Howard McHale 30:00

I gotta pay that lawyer off.

30:01

What do you mean? divorce courts are expensive. Aren't they precious? The dog suing him for divorce was like this thing. Your your what you call it? My big weenie? My black meaning your black lady. She's suing for divorce. Now she's really she's tired of that group of shit. You've been feeding whatever that

Howard McHale 30:22

is. A dog food. I gave us kitty food the other day. You gave

30:26

your dog kitty food. No wonder she's eating Rocha. She doesn't know what she is.

Howard McHale 30:32

Well, you don't think about and I use I have flea powder. She will not use the dog flea powder. She wants to Kitty flea powder. It smells better. Seriously,

30:40

~~she has the fact that dog I don't know but you know I got to give a phone number I mean~~

SHE HAS THE FACT THAT DOG I DON'T KNOW BUT YOU KNOW, I GET TO GIVE A PHONE NUMBER I MEAN everybody else been phone or bring themselves? Give a phone number do I get to do I get to give. I mean, I love volunteers. You need to vote God knows when you promised you would get to come and volunteer something I will. And I really want you to I really will. And also anybody that might have a really keen lead on a larger facility in a in a friendly neighborhood because I mean, we threatened to need first of all, you didn't want this burden in our front yard. At one point. We're looking for a larger house five bedrooms, at least so we can do we can make gender diversified. And if anybody wants to volunteer or if they have any great ideas about housing and larger facilities, wardens grow mode, they can call 5225757. And

 **Howard McHale 31:31**

I'll sell my knowledge answer the phone. Or every time I call someone answers the phone. We're good. We're good. And they

 31:38

say the name of the facility. Name the

 31:40

facility Stevens house.

 **Howard McHale 31:41**

And what it is because some people might not know it's an intermediate care facility for

 31:45

persons living with AIDS.

 **Howard McHale 31:47**

Hmm. Pretty serious work. Yeah, fun. I'm pretty sure I got God wonderful.

 31:55

Not worried about God love me for that. I know he did it anyway.

 **Howard McHale 31:59**

Speaking of don't do it for level, one angle we never got on with volunteers is how it makes us

tee. It's been volunteering.

32:06

You know, it's amazing, because I have I have to take my volunteers every three months. And we have volunteer support meetings. And why people volunteer? Have you ever read books about that? Why they do that? Writers? There's a bazillion reasons why people do things that they do. And when they're doing it because their goodness glands are secreting beyond their normal mode. For the kind of work like they do people have goodness glands to heal the body fluids again, well, never goodness glands to secrete beyond the normal reasons. You know, there's that when that's when it gets to be in my kind of work now, maybe not for gay pride or whatever. But then there's like a lot of hooks, but people who just really they've been touched by this thing. They've had a friend, a son or a daughter. They're just really in touch with the whole thing. They're getting themselves whatever, maybe those people who have a real affinity for this. They make the most fabulous volunteers. Oh, yeah. Somebody who's a trying to like it. Yeah. But somebody who's like trying to pay off a debt. Or they think that they you know, somehow that kind that's really hard. They don't last long. But the ones that are really just really genuine, easygoing, loving, warm people, which are like, everyone I've ever had. Did you ever get a last year? I've had people that sent the door opened have been there. On the night. They've committed to be there the Saturday, every single time for 15 months straight.

Howard McHale 33:32

You know, I also find a mate, I find out that sometimes I see volunteers come and go. And I'm sure you do too. Oh, yeah. Sometimes I see volunteers who just want to do it because it puts them in some kind of a Limelight or they can say I do this, and they never land on

33:46

it as board members. You know? No, gee, tell me about that. That's a whole new you don't have boards?

Howard McHale 33:54

boards. You have a board. We have an executive board. Yes. We have YouTube, though.

33:58

No, there's actually six or seven of us that are actually on the pride committee board.

34:04

Board members boards are just too fun for words. And

34:09

it goes beyond that. I mean, it goes beyond that. It goes to the satisfaction of knowing that you have volunteered.

H Howard McHale 34:15

What brings you the most joy? Terry, as a game was been supporter volunteer something giving back to me, what gives you the most satisfaction? Because you don't get an answer, Howard? Well, no.

34:31

It's just the recognition of bringing everybody together, you know that we are a stable community and we are there for each other. That's the satisfaction, not the time that you've committed to or that you've put into it, but bringing everybody together and enjoying themselves

34:46

as a thank you girl. You couldn't have said that better if you'd had down.

34:51

What there is nothing like it. What am

H Howard McHale 34:53

I one of my biggest joys of working with the pride committee is writing in the parade. I just I remember just tearing

34:59

cars Oh no.

35:01

There it is done about getting nobody together. It's about sitting in that car on that front loader getting the glory to get the recognition. Oh, how you're just such a winner,

35:13

I'm gonna put you in the trunk. Otherwise got a wiener dog.

H Howard McHale 35:15

I mean, let me tell you. Last year, Terry and I drove, we were in the first car in the parade. And I was so nervous. And I said this 100 times, but driving down and seeing all those gay and lesbian people 10 deep. I cried, I tears through my eyes. That was the biggest joy the most I could ever achieve in my life, to just see and to know that I had a part of something. And I had a part of that parade and something I did months of work hard work. And I looked up and I saw those pink banners I looked over and saw this lesbians sitting next to me waving going Shut up. It's just wave.

35:52

I'm gonna teach you either way.

J Jimmy Carper 35:53

I mean, the whole the whole thing is wonderful. Just just walking in the parade. It's the same feeling. Oh, but when you get to that corner, by marriage, turn that corner and you'll see 1000s of people on either side coming together it just it does take your breath away and tears do come to your eyes. It

36:10

just can't help it. I bought the braid with the mastery because it's like I haven't done this

J Jimmy Carper 36:15

is my family right there. Absolutely. And for

H Howard McHale 36:18

that one the two hours out of the whole year we actually come together as a community we're actually all there white brown, black man woman

36:28

children children parents.

H

Howard McHale 36:32

Were all there that one day

J

Jimmy Carper 36:35

and then and right then and there everything is worth it.

H

Howard McHale 36:39

And it is so beautiful to see and if

∅

36:42

you can magnify that didn't even even the to Washington or to Austin or those kinds of deals. Talk about take your breath away we marched in the in the March on Washington I mean to tell you I have never been in anything so moving and I thought the one I did about four or five years ago to Austin was like minor but oh, I mean major but Washington was absolutely to die for and you really got to start here it can happen here can happen here. And the other thing I would tell you as people get ready because the quilt is going to be in Washington in the I think it's a fall October of 96 or whatever. Everybody like that should do the parade here and be there everybody ought to like get on buses trains ride on each other's backs Howard love that. Anyway get to Washington and be there if we could come out of the bazillion strong I mean wouldn't it just like I mean it just not

H

Howard McHale 37:37

I think that's it really makes me mad.

∅

37:39

What Clinton it was on the news the other night he said good stuff. I mean, he could get the quarter vote if he really worked it'd

H

Howard McHale 37:45

be you know, the thing about it is that at that point when I'm when I see the parade, I see us all together and for him to just to have Pat Robertson or any of these Republican politicians set up and say that we do not have family values and we are not family for that. Two hours.

∅

38:01

Do we have a we are any family? We can't play that whether we do it he doesn't have that

song. We don't know why he's waving that

H

Howard McHale 38:10

finger down.

o

38:10

He waits but anyway, I think I said a swear word. Anyway.

H

Howard McHale 38:13

We need volunteers get you to lunch you did?

o

38:16

What I say Didn't I say we are family I'd say

H

Howard McHale 38:19

I think you said you're a heterosexual.

o

38:22

Did I? Why am I like you? I think

H

Howard McHale 38:26

you're you're confused. Anyway, let's get

o

38:30

the beginning whatever brings everybody together is the pride knows no borders. No. Some slogan for 90 So we already have the slogan we need we need oh I'm gonna win 296979

o

38:47

Your dogs gonna be so unhappy. We get no more dogs.

 Howard McHale 38:50

I entered it. Rosalind McHale

 38:54

No it does just sister and families can't win either.

 Howard McHale 38:57

Speaker why? I did I did go I finished all my Christmas shopping. No, we're not talking about Christmas.

 39:01

Given me. I didn't get any because you you didn't know. Roslyn choose? You could have if you got Roslyn Rawhide tooth You didn't give me anything corn chip flavor. Well, no wonder she smells like what you call anyway. We're out

 Howard McHale 39:15

of here. Almost gang. We want to say thank you almost because we're out of here and we're getting out of here.

 39:20

Are you gonna go to the court for a quickie? No. I'm

 Howard McHale 39:22

gonna go home. I had to lock Rosalyn in the bathroom. I'm afraid she'll chew the Christmas tree. I can't leave her outside because it's cold on the frozen black weeny popsicle and I

 39:33

guess you'd love that. Hey, we got some more Venus envy for you. Hey Venus. Let me know you can't say that word.

 39:43

Why not? It's a legal

H

Howard McHale 39:44

word. It plus with that probe and Jupiter

o

39:50

gravity we're not going for last call.

H

Howard McHale 39:53

We always do. We're going. We're out of here again from from Big Daddy Howard McHale. And it'll do that edge And Terry,

o

40:01

Danny Howard. That's where you got your name.

o

40:05

bonyen who's always late?

H

Howard McHale 40:07

We're out of here guys. Good night, Houston. Jimmy. Thank you for the wonderful time. Glenn. You're a beast. You're an animal. I'd like to see naked out of here, you're crazy.
