o

03:37

right Hi Francine Did you read the paper today? Every time I read about George Bush raisin

right ... I mean did you read the paper today, every time I read about George Bush raising taxes it just makes me

04:31

go

04:43

Got a cigarette, got a cigarette, got a cigarette, got a cigarette.

Scott Lewis 04:48

And that's going out to the straight man that's listening to us this evening. Yeah, and I just wanted to let him know that you've turned your dial just a little off you're looking for at 9.3 That's a little to the left. That's a big hit Central and Uh Oh, and did you one other thing that I talked about it here one or two shows ago? Of course we've always known as gay people that people that hate gay people are proving to themselves and most importantly to everyone else that they are not gay here let me let me well there's a study now isn't that funny I got it that study I got it right here and there's a university study now on it proves the reason men hate homosexuals Can I read prove to themselves and everybody else that they're not one because inside they know they are. So guess what, sweetie, bring it on. I'll take it off.

Kirk Keevert 05:34

Let me read something. From the march 4 from the March 4 issue of the advocate. It's been it's been long been held deep down. homophobes are really self hating homosexuals. Now comes evidence to support that notion. According to a study published in the Journal of abnormal psychology, a fitting place for homophobes. Homophobic men are far more likely to be aroused while watching gay sex videos than our non homophobic men. Our research team led by Henry Adams they call him Hank, a Professor of Clinical Psychology at the University of Georgia recruited 64 young white male heterosexual and showed them a video depicting heterosexual sex, and another depicting homosexual sex. Their responses were measured by a gaze detecting penile erection. And that's what I did when I was Atlanta was was attached the the detectors on to straight boys penises. The result 80% of the homophobic men showed a response to the gay video, while only 1/3 of the non homophobic men did. Men who are upset by being around gay men probably have these tendencies themselves, Adams said in the February issue of Esquire, the thing you dislike most in yourself is the kind of thing you might jump on somebody else for.

Scott Lewis 06:45

So what we're trying to tell you here is that you want so bad you want it and you want it now. And you want it bent over your couch. You want it and you and you know what, if if and so this study is saying if we put a gay porno in front of you, you'd be about 30 seconds for you whacked it out and went to town buddy. So why don't you just go ahead and do that and quit

calling up here because you're boring me to tears because you know, the closet doors right there. Come on out baby, get over it. You know go ahead and file for divorce. The kids are not going to abandon you. Mom is not going to hate you. You're not going to go to hell. Well you make these phone calls. I think I've met that when I was talking to God last week. He was telling God hates God hates gay bashers God hates gay bashers. God, you know what there? I don't believe God hates. No it doesn't. Well, gay bashers? No. I don't believe God hates God loves everybody. Did you hear about of course we've talked here about the bombing. There was a lesbian club, right? Atlanta, the other side? Yeah, reported in the Houston voice as the other Wives Club saw that's just a typo, I'm sure was crack reporters editing team over at the Houston voice as opposed to crack reporters

08:09

Can you can you believe that? They said can you believe that they said we don't think that this is a hate crime or we don't know this.

Scott Lewis 08:18

But they're the government is on top of this because the bomb happened and the local authorities by the time the Atlanta Police Department got there. Attorney General Janet Reno had already been at the club for two hours.

Kirk Keevert 08:32

Isn't that amazing?

08:35

What are the odds? Isn't she a lesbian?

Scott Lewis 08:40

That's kind of the point of the joke. I mean, Misurina

Kirk Keevert 08:44

and, and okay, just Oh, okay. And you know what? The other big lesbian news and and not

Scott Lewis 08:56

Besides, this girl's breasts over here

K

Kirk Keevert 08:59

are rocking. around as I'm sure everybody knows by now, April 30 is the big day that Elon comes out and Elon comes out everybody. Everybody acts surprised. Okay, just for her sake.

S

Scott Lewis 09:11

No, just just rock up would you do Ellen do you find her special guest on the night? Who is rock up? Oh, you're gonna be on KTRK TV 526573852 6k P ft

K

Kirk Keevert 09:28

unless you're the basher

S

Scott Lewis 09:32

call krB is waiting to hear from you. What's their number over there? 3572339 Okay RBE area go call them the things you have to deal with where is your friggin mother where's the mother of this man to raise some but some crackpot like this? That's right. I called you a crack pot. Not your crack pipe

o

09:56

probably in jail. No, I think she's what the lesbian that That's what I'm talking about. I love her.

S

Scott Lewis 10:05

She's bonded. So anyway, he's calling 526-573-8526 KB ft. No, because he'd want to watch you and your girlfriend's ex. Typical. That is why he's going to hell. There are many reasons why, but that's one of them. That's probably one of the main ones being homophobic but yet wanting to watch lesbians have sex. That's why you're going to hell, buddy. I wish we knew his name at Tilray to get his name next time he calls because there was Dick. I think it is. So Steve, why do I always want to call you Steve. I have no clue. So Daniel, I always want to call Danny Steve. So Danny you have to talk real close into the microphone when you these are directional so they only go this way you have Chuck right in front of it. What What have you been doing since you've been in Houston? Having so we're gonna have to simplify the questions just a little bit.

o

11:04

To to Texas barbecues. He loves Texas barbecue had been to Texas barbecues. They have been very good. The margaritas especially actually there was no margaritas in the last one. There wasn't there was beer and Jack Daniels. But Jack Daniels. Yes. But no, no. Lamar, which explains a whole lot to us right here right now. Why the Jack Daniels

Scott Lewis 11:25

picture is in focus. The picture is in focus now. So So Danny, I almost did it against Steve. So Danny Are you aren't so what's the dating situation here?

11:38

Dating? Like as in like the dating game or like,

Scott Lewis 11:41

well, you know what, we do something we do something here that actually is very popular on this show. And if anybody's listening wants to do this, we'll take calls and we'll do it right now.

11:50

I'm not doing the dating game.

Scott Lewis 11:51

It's called we call it here. Actually, it was the husband hunt originally, which Brian Bradley and I started about four years ago. You know, Jen is just gonna kick your butt. And then like every time he goes out of town, I do this because he doesn't like me doing it. Jimmy.

Kirk Keevert 12:03

I'm going on record right now because I know you're typing this. I'm going on record right now as as putting forth protest. However, however, just because Scott's The producer on tonight, I'll play along

Scott Lewis 12:14

just because I'm doing this for you. But anyway, so it was the husband hunt. But the only people we ever hooked up were two women so it didn't seem appropriate to call the husband. So we changed it to the love connection is what we which we stole from Chuck Woolery. Don't see we don't have any money. We're poor. 526573852 6k Now let me show you how this works. Danny, you're just all obsessed with that, aren't you? I love KPFT I love you for loving KPFT syntax with listen to KPFT 90.1 FM in Montrose, Texas. You know what, Mark? If they heard you say that they already are. So you have no clue. I know. So and I just want a quick reminder.

 Kirk Keevert 13:01

Just think I just gotta comment on that real quick that what kills me on a lot of the shows here on the station, that people will play their promos during their show. Get a clue is like sure and listen to the Matthew Momo show. Which you're listening to right now.

 Scott Lewis 13:16

Okay, the police scanner I just checked the police scanner and there's a stop and go on Alabama that just got robbed. So I think Neff is getting closer. As Neff watch 97 continues. He should be here shortly. And at that point, we will put in a dance mix tape and nefyn I'll be in the production room if you need. So what we'll do is I'll I'll show you how this works and you're gonna play the love connection like we do with the people that call in.

 13:47

Oh, were you planning this before I came here? It was just like

 Scott Lewis 13:49

no, just spontaneously as somebody told me they found you attractive. That's when I decided to do it was Oh Hey Mark

 Kirk Keevert 13:56

526573852 6k PFT Where the hell where are you? Oh Mark. No, I'm looking for five twos. I say

 14:07

five to 6k p f t 90.1. FM, Montrose, Texas.

 Kirk Keevert 14:11

It's like being on the air with a tree. I swear to God

 14:17

for Scott Lewis and the rest of the party crew Hey, that

 Kirk Keevert 14:20

has my name on it.

S

Scott Lewis 14:21

Well, it does.

K

Kirk Keevert 14:22

Somewhere in Houston. I'm a straight white male. I love listening to you guys. There are a lot of straight white guys who love you and are not gay bashers and we love you too.

S

Scott Lewis 14:31

I love we're straight. I love straight people. Yeah, we love you gotta love You gotta love it. No. And I didn't mean to be too harsh on I hope that was not construed that I was going up on straight people. I was going off on one particular undereducated. Yeah, got

K

Kirk Keevert 14:47

upset primate substructure

S

Scott Lewis 14:51

dropped out of middle school failed his GED, Pasadena food. No offense against people in Pasadena. It's just kind of we love people. When passed away love there you know there are a lot of gay people in Pasadena. Just really I've dated several it is very bizarre. You live from Pasadena but anyway.

K

Kirk Keevert 15:11

Where are we gonna drive into love

S

Scott Lewis 15:12

connection? The love connection. This is how this works. Danny, can you hear me?

♂

15:18

Yeah, can you hear me? Can you hear me? Give me Barbara

S

Scott Lewis 15:26

...

did you remember the Roseanne with AB tab. We have red dots on Barbra Streisand things she live forever. Get she had to be there. So anyway, sorry. Danny, Danny, how old are you? 2323 years old. And what's your your Italian?

15:45

Probably yeah, that's what my parents told me.

s 15:49

alegebra mind. I'm reminded of a line from Steel Magnolias. Where is it about track lighting? Wherever you heard that one? No, this will be a new one for you. They're smart. Oh, this is the cup of cup of cup of recipe. No, not a cup of fruit cocktail with the juice? No. I'm reminded of the line when Ouisa says to Daryl Hannah's character, whether you're married or not, these are not difficult questions. Okay, so you're 23 and you may or may not be Italian. What size shoe do you wear? A nine. With the day you were born. Would you say that your parents did or did not believe in circumcision. On that day, I believe on the day they did they did on that day.

16:39

I'm Catholic. So Okay. Okay. Catholic, Roman Catholic actually, which is very close to Jewish.

s 16:50

Okay, which hell we should get married. Okay, so now, okay. Catholics, just a sidebar on the whole Catholic thing. You know, the Pope says that it's okay to be homosexual, just can't pray, but you just can't practice homosexuality, you have to perfect the before, which I think is interesting, because my philosophy has always been that it's okay to be Catholic, but not to practice Catholicism. So, if you were to join the military, not that you'd ever get by them. But if you were to join the military, and you're the first person into the barracks, would you pick a top bunk or a bottom bunk? Of course,

17:27

I'm versatile. Yeah, it depends. Whichever one was warmer.

s 17:37

Okay, your ideal date. Tell me about your ideal

17:42

day my ideal date.

Scott Lewis 17:44

Or not tell me about an ideal date. You saw Charlie's Angels one time.

17:48

Oh, actually, that was really good. Actually. There was my ideal day my ideal day would probably either buy me or cook me a very good meal.

Scott Lewis 17:59

That he was just gonna say buy either we'll just buy me buy me or cook me a good meal. Italian maybe? It could be an Italian dinner.

18:10

Now. There's got to be funny. There's got to be funny. If they're funny. They can make me laugh. That's that's a good date. Good food. Good humor. No ice cream.

Kirk Keevert 18:21

Why no ice cream?

18:22

Why no ice cream cuz it gets messy and sticky.

Kirk Keevert 18:25

Well, you drink like coffee or something? You

Scott Lewis 18:27

don't eat it off their stomach. Sweetie, you use a bowl. Sorry. Oh, now we're now figuring things out. So you would eat the lasagna from their stomach?

18:40

If they asked or if they were funny. Have you figured it out?

s

Scott Lewis 18:50

So go ahead you would y'all would have dinner they would cook or you would buy? I could? Yeah. Well, not you you would they would do that for you. Well, it depends. Your ideal date you tell me. Well, these are not difficult

o

19:05

to be cute. They have to be funny. I haven't made me laugh have a good time. Period. Dot dot dot.

s

Scott Lewis 19:15

Did your ex just kick in just now sweetie?

o

19:18

Not yet. Can we bout another hour?

s

Scott Lewis 19:22

What about what about the what about the person? What are you looking for? What would they be like?

o

19:28

What would they be? That's a very tough questions God because I'm I'm very

s

Scott Lewis 19:34

did see diggy confused conflicted. Last

o

19:40

K Kirk Keevert 19:46

I'm trying to get laid here. Go ahead.

S Scott Lewis 19:50

Did you catch that sweetie? I caught Okay, that's not all your kit

∅ 19:58

What was that about red before? Right?

S Scott Lewis 20:02

So I thought I was on a prints record or at at fadeaways new play

K Kirk Keevert 20:13

you know, I gotta tell you let me let me interject here real quick that the really the reason that I brought it up not for 120 We'll talk the reason that Faye Dunaway was here doing masterclass was because there were they're going around the country filling in for two shows that were in like subscriptions that got cancelled. So one of them was one of the showboat, right, no, one of them was applause was Stephanie powers. Which which I think might be kind of cool hard too hard.

S Scott Lewis 20:46

Yeah, yeah. And then Stephen about Robert defined powers collection at Sears

∅ 20:51

so I could be one Stephanie powers. And you had big breasts and long hair too, right? Like our guest studio.

K Kirk Keevert 21:02

And the one that there took the place of here was funny girl with Debbie Gibson canceled Funny Girl Yeah.

S Scott Lewis 21:12

You know Michael gave the love of my island to Carlisle he and I were gonna go see that together because funny girls my favorite musical.

 Kirk Keevert 21:19

Belinda Carlisle she got weak I got it.

 Scott Lewis 21:26

Is that a reference to Belinda Carlisle song I don't know because the only I get we get weak when I look at GFC I hear that and I think I get weak in the presence of beauty I listen we a

 Kirk Keevert 21:39

oh yeah, so far out there man. You are so

 21:42

far it's awesome. Limerick though. Oh boy yay. We got the B pansy. Panzer Division and that's DJ rocky b Let's hear it for her music knowledge

 Scott Lewis 22:03

I thought I was doing what was his shoe size? We have a repeat question from the peanut gallery. The shoe size was nine

 Kirk Keevert 22:14

Okay, I need some hands.

 Scott Lewis 22:16

Oh I think we need we do need a little break.

 22:20

We just just a little wise this side a or side b Now Scott

 Scott Lewis 22:23

we're gonna play some pansy division first.

22:27

You don't have even have an in Scotch stick it in. Find that find it. It's not a definition.

22:34

Equal Rights. Oh, I'm definitely for it. I always have equal I carry it in my purse. I think that it's a very good product. It's certainly a better than a sweetened low and much better. And then sugar twin that's kind of gritty. Yeah, I'm Oh, I always have the blue packet

Scott Lewis 23:08

that was kind of clever.

Kirk Keevert 23:12

Were you were so much trying to keep me off the air tonight. You hateful Queens how you

Scott Lewis 23:14

went? Well, you know if you had anything valuable to say. So anyway, oh, you know what? That's deep. Hey, quit talking about my house like

Kirk Keevert 23:32

like, I'd know. Please, like I'd care to know we heard some Panzer Division in there. I just want to point out again the Panzer Division is playing tomorrow night at Fitzgerald.

Scott Lewis 23:42

We heard pansy division. We heard Boy George. Same thing in reverse from the cheapness and beauty album. What else? We listened to something else.

Kirk Keevert 23:51

Well, that dance thing.

Scott Lewis 23:52

The dance thing. Well, I don't know if it's a dance thing. I don't know if it's a dance thing.

I hat dance thing. Pulse. Roy, do you still have a pulse? Roy pull up your pants. Good lord.

 Kirk Keevert 24:03

John from Houston. I love your music, but you need to get more lesbians on the air. And how many

 Scott Lewis 24:08

are here? What are their three year? Your breast count is too rocky. Wait a minute. Wait a minute. What I'm confused about though is this guy. John wants more lesbians on the air. Is this another straight person? Message to the straight people. I'm telling you. What is this all about tonight? Coming Good lord. The station you're looking for is at 9.3 and so are we Scott Lewis, Kirk Ebert. Miss Rokeby? Whatever the hell you point that? completely cut.

 Kirk Keevert 24:47

Are you leaving? We're in the homestretch.

 Scott Lewis 24:49

We are in the homestretch there or they come late. Leave early. Right in the middle right in the middle of Neff watch 97 And if that little shomo

 25:00

Public Television leads me tomorrow seven.

 Scott Lewis 25:04

And you do have a little ROI. We're not doing a radio program. They're

 Kirk Keevert 25:10

not we're not leaving until we take another break.

 Scott Lewis 25:12

We'll we'll take another break. Well, I

 Kirk Keevert 25:14

mean, not so much. Take a break but play music.

 Scott Lewis 25:16

Okay, I know okay, we'll play some music so you can go talk to Danny. Okay. Good. Lord.

 Kirk Keevert 25:24

And here, here's my tea. Just spill it on the air. Thank you.

 Scott Lewis 25:27

Did I drop some tea on the floor now, Rocky, though, Rocky, you can't leave yet. can't leave yet rocking. Because because we got to hook up here. Got to hook up the brothers. Rod those? Well, I'm

 Kirk Keevert 25:44

so often referred to as a brother. I'm the whitest man on the planet. What do we

 Scott Lewis 25:50

have nothing. I have nothing prepared. I'm not here play

 Kirk Keevert 25:54

this. Oh, is this what you brought this? This this thing? Is that what you brought that

 Scott Lewis 25:59

you said? Or did you bring play?

 Kirk Keevert 26:00

I'll play that one. Yeah, actually, you know, the last one is pretty much my favorite, favorite song of theirs. No, no, no, not that 111 11 is my favorite song

 Scott Lewis 26:09

of theirs. But it's depressing. Yeah. Oh, like this is

K

Kirk Keevert 26:13

a charming little beat number.

S

Scott Lewis 26:17

What about what about midnight train that's kind of midnight trying to work. We'll do a little midnight train. Those of you who are too young to remember this is back from what's the 72 those of you who are too young, I was three. This is 774 this is Gladys Knight when she still had her pips and she sent in somebody on a midnight train to Georgia. And obviously, they traveled by train because you know, planes are expensive. Anyway, Gladys Knight and the Pips
