And you know, she's she's, she's you know, she's got to be like real gay friendly. I don't think she's a dyke. But I think she's like real gay for

05:32

I used to have a trick in Missouri City. And I really pick him up was a maltol drive. No, his name was not Walter and I won't say his name here because he's extremely closeted. And his father's a Pentecostal minister I Raju so anyway. He and he has a cocaine habit. But anyway. No, I'm teasing and I made that name out who the hell has a name like that? I made it up. Anyway. Walter,

06:00

06:03

Oh, we did we need to tell about the music. We played. We played pulse. We played.

06:08

We played sidewalk sale from pan side who are playing let me say it again tomorrow night at Fitzgerald's gay punk band go and go and support the community.

06:18

And then we played one of my favorites from another one hit wonder. Robin s. O member her yeah. That song we just played was once in a lifetime love one of my favorites off her CD. Well, what was her

06:31

one hit though?

06:32

You got to show me love. Well, yeah, but then but the same exact song. But then I read it in words. And she had a second hit. Love for love. Yeah, what's that group now who are so fun and I would I would not push any of them out of my bed and love to have them all three there at the same time. No mercy. Have you seen these guys? Gorgeous. No songs. They've their second song. Same as the first. Yeah,

06:58

that's true. That's true. That

06:59

first one was Where did you go? And now the new ones something about

07:04

it sounds exactly the same. Yeah, same damn

07:06

song. Oh,

07:07

you know who I've got? You know, I've got a big ol boner for who? The guy the lead singer in live.

07:13

Oh, I don't know what he looks like Oh, shaved

07:15

head and he's a wall chick. Oh,

07:19

God, she go for that kind of just. Sometimes you just want to nasty poor construction worker prostitute looking piece of trash.

07:29

Oh, man, every time

07:35

I just came back from New Orleans and I went to a club I'd never been to there before at the Phoenix. And I was in that bar long enough to get a sky Cape Cod sky vodka. I was in that bar long enough to get a special vodka of the homosexual. Miss Scott Lewis. I was in that bar long

long enough to get a special look at the homosexual. I see Scott Lewis. I was in there but long enough to get a sky Cape Cod and set it down on the counter. Before some man had attached himself with his lips to the back of my neck like a suction cup. And then I'm so sorry. And then proceeded to move south. Let me tell you, if you've ever tried to keep an erection while people are watching you, it's not easy. So anyway,

08:13

John from Crosby call.

08:15

And on that note, I'm a straight guy. But I like your show. Well, good for you. I love straight people. My parents are straight.

08:21

Let's see. I want to know who wrote if Scott are I'm sorry. If John called Crosby, the land of mobile homes or if that was just if that was just the the sly wry comment of one of our

08:33

well, you know that controversy right now about the mobile who made the big comment about Senator from Arkansas some Yeah, the governor, the governor of Arkansas. Oh, James Carville. Yeah, White House like executive assistant. The President made some comment about Paula Jones who's suing the president and said if you dragged \$100 bill to a trailer park, don't be surprised when it latches onto it or something like that. Oh, there's this little there's this little town in like north of wash hat somewhere. And the town has six single family homes and 2500 mobile homes. It's like the whole city is mobile homes. Well, they're raising this huge ruckus and protesting and sent letters and all we have

09:19

we got senators in our trailer park.

09:23

Exactly. Oh, well, yeah. The mayor lives in a trailer. That's what this article in the Chronicle says the mayor and several city council members registered protest from their trailer. They have changed. Did they have running water? They've changed it from mobile homes. It's not gonna I don't live in a mobile home. I live in a manufactured home. That's what it's called

09:43

pre manufactured home

09:46

manufacturers. Aren't all homes manufactured. Well,

09:50

just some of them. Some are manufactured on on chassis. Yeah.

09:56

We have a couple of axles and some of marnus July Beauchemin So what are we going to do to get you laid here?

10:05

Well, I like I said, I'm going to the sidewalk sale. I'm going to read. I'm going to read this now. Please do. It's very

10:10

526-573-8526 KPFT. The sooner you call, the sooner we can get him off the store he's about to read. Exactly.

10:16

This is from Canadian mail magazine. Jimmy left this for us. And I think he wanted to do it another time. But you know what? I hate it for you. It's written by a gentleman by the name of David dem, Chuck. And this is what David has to say. Consider a fond acquaintance whom I shall call Alan because that happens to be his name, who lives in a one bedroom apartment decorated in a manner that even Barbara Barbara Cartland would consider a weensy bit fufu or fatwa. as the case may be, here's a man who calls the local phone chat line and in a voice he bunches up in order to sound as big and burly as Suzanne Somers describes himself, masculine, aggressive bottom straight looking and straight acting, six dominant aggressive, masculine top, blah, blah, blah, it makes you wonder if the whole world has gone mad. Earth to Alan, masculinity is not a faux finish. You can't sponge it on dim the lights and hope for the best. Now if Alan was the only one resorting to these desperate tactics in order to get laid, one could shrug and sigh and skip over and without another thought. But it seems that just about everyone these days is dropping their voices and clenching their sphincters and claiming to be masculine, straight looking and straight acting. It sounds like a convention of Agnes Morehead impersonators And is anyone actually getting laid because of it? No. And why not? Because everyone's running around trying to be someone they're not because they feel bad about

themselves and about who they really are and who wants to have sex with that I asked you better to just give up and use your right hand knows at least it's not trying to pass itself all travelled down that road already. It's not like it's trying to pass itself off as your foot or your elbow the back of your head. This masculine straight looking straight acting thing has been going on for far too many years now. I've waited for it to blow over and is not yet blown over and so now I am compelled to decree it is time for us all to get over ourselves. I for 1am not a masculine straight looking straight acting man and I don't know

12:08

about that getting over ourselves. I would much prefer somebody else got over me. Sorry, just had to interject.

12:16

I for 1am not a masculine enough. He has been Neff has been

12:23

he is a has been good with me, Mary. Now is this a man or a woman? Okay. You have to clear that because you know gay men college or they're married. Yeah. Okay, well, you give me a look. Go ahead with your story.

12:36

I for 1am not a masculine, straight looking straight acting man I did and I do not want masculine, straight looking straight acting men. i On a good day, at least am a man who is comfortable with himself and his body and his sexuality and his place in the world and I'm seeking the same many times over non smokers preferred but not essential. And an essay question may be assigned. I thought it was kind of funny. It's a bit of a

13:00

Moorhead convention now will tell them the truth that that's that was your term paper you just turned in your Mary

13:09

what's Mary's saying? Mary's and Crosby to Crosby. Good lord. It's a plethora of Crosby heights. It is and Ross Binion's Rambo you

13:16

want to go tell? Big Roy have spelled Crosby. Okay. Um, you should see what he does the work a lot of people that live outside you should see what he does the word case A D. God, you should see what the hell he does when he tries to cook. Oh, I was in the hospital for three days. Neda pump my stomach wasn't very same. Mary is on the phone. She wants to go on the air. And she's looking for a woman. Kirk's taken was a

13:51

number one that wasn't funny. And number two, no, I'm not. Do this one. This one. Mary. Hi. I'm doing good. How are you this evening? Good. You're

14:05

sounding wonderful.

14:07

What are you doing? What are you doing up alone and you are alone? I know. But you're still looking for a woman will tell your husband to roll over and go to sleep. So

14:20

what? I've been away for a long time, but actually I'm not married and with my boyfriend. And I'm not from Cosby. I'm from the woodlands.

14:28

Well, you know, those are easy to get confused. Roy, you're getting replaced. So woodland

14:35

actually really want a man I've always always been attracted to girls. Since I was a young woman. I've always wondered when,

14:45

really? And is that what you called us tonight? I see. You're looking I have

14:52

14:57

14:59

We No, we don't.

15:02

We don't know.

15:06

So what do you desire? Me? I'm just not.

15:09

Well, what do you look at? When you look at women? You find them attractive? What kind of women? melt your butter.

15:17

Yes be real lean. I guess. You have to be sexy but sweet, innocent. I guess I want to control her. Oh, I want to overpower her.

15:31

Alright, so all our 17 year old listeners. How old are you Mary? Yeah,

15:37

Mary, how old are you? 20 Are ya? Okay? And you say that that the person that you're looking for would be somebody that you you would want to dominate? Absolutely. Yeah. What? What? Yeah, these

15:52

15:56

Yeah. What the? What? What size gal? Are you? I know y'all like being called gals? size five, size five. See that mean? That means nothing to

16:10

me. It's nothing to me either. But I think it's kind of small. Z

16:14

36 See now see, I think that's healthy. Yeah. Yeah.

16:20

I have a drag queen friend who wears a 3060

16:23

I work out. I do. 100 setup today, do ya? Oh, yeah. You got me be very nice body. I work hard at it. Do ya? I want a girl to fucking Hey, hey, hey, hey. I'm sorry

16:42

16:49

Somebody who's sweet, somewhat honest. Very sexy.

16:56

How old? Are you?

16:58

I'm 22.

17:00

And looking for someone in the same basic age range? I'm guessing. Yeah. And I'm assuming

17:06

flight that younger so I can have the upper end. Maybe? I I've had this feeling in me since I was a young girl. So I'm saying? Probably like 1213. Really? Yeah. And always Have you have you had a guy who has never done that for me? Do you understand what I'm getting? I do.

17:30

I think I understand exactly what you're getting at. Literally talking

17:32

about an organism.

17:36

I know what I want. But yet I haven't done that. That's my question. Me and I'm like, I'm 28. And I, I know what I want. And I want I want a woman. But but it has to be right. If you understand what I'm saying. I'm right.

17:53

Sure. Makes makes perfect sense.

17:56

good morals. Good background. Yeah. But yeah. To be honest, I'm tired of wasting my time with with men. I don't I wonder

18:09

well, if, if, if anybody out there is listening and has some interest in in Meet Mary. Is that where you call tonight? Mary? Is that what you call tonight? To see if maybe one of our listeners might be interested in finding out more about you?

18:27

I guess I wear a lot of silly phone calls. Do what? I don't know. I wear a lot of silly phone calls. So I just want something sincere.

18:37

19:15

i That's exactly what we're trying to get.

19:17

I had a husband and Pasadena twice Color me surprised. Same husband, not two different ones. But had him twice. married him twice. Anyway, I am hopelessly heterosexual but I love your show. And he also wanted us to remember not to neglect the left hand. His name's Connolly and Conley. Obviously you haven't been neglecting the left hand. Column A

19:41

leaf. You know my left hand. Thank you. My left hand hadn't gotten getting enough lately.

19:46

To choose where to stick my left hand. I tell you what a wild show. 90.1 FM KPFT Houston and 89.1k E O 's College Station. Nobody ever did call in from College Station. And

20:00

now we haven't had one from College Station. Well, I didn't say that I said nobody has called. We should probably look at this list again, to do to do to also schedule on the map. Okay, so Jimmy wants us to talk about the schedule that's on the map. So today's the 15th. Now, coming

up during the next week, one thing, hams for hams elvio PW a holiday fund at the Brazos River bottom in Houston. That's it. Thanks for calling. 21:07

So why are all those people going tomorrow?

21:12

Come here tonight. That's right.

21:14

Tomorrow I'm going to the new flea market on Long Point Road. A Scott haven if I recall from my last visit there

21:26

you've caught my attention now your flea market I'm like why does this matter to me but you've caught my attention now it sank in and excess kicked in sweetie I know where we're at now. Okay, get us in already come on my lineup that bad

21:44

22:04

And the address is what you're you're picking me up when it's on Long Point. I want you a little gay club over there on Long Point little Hispanic gay club. You're making things up now. 22:43

Oh, I'm sorry mayor. Didn't mean to do that. What I'm talking to full day tomorrow. Mexican wrestling and Panzer Division and I'm jealous. I'm there man.

22:54

There was I a very busy day. There was a Mexican wrestling was it two days ago? But I don't know if it dome days. It was at my house. Oh.

23:04

Well, I think in this case there there will be two actual Mexicans wrestling each other

23:09

there were at my house as well. But and I was the referee.

23:15

You deserve to masturbate tonight.

23:16

What if you know what there wasn't an announcer to

23:23

Jared was it more like a color and a squared and

23:29

thank God for a little who's Jose who always brings over at least two friends. I tell you what, and they told two friends and they tell two friends. And so

23:38

I just want to see if I understand this. Basically you you've got Jose, your little Mexican gangster boy pimp.

23:46

Basically, who says

23:48

do you want to come over and do my little white boyfriend?

23:53

Yeah, but in Spanish. I see. Okay. Speaking of Spanish,

23:57

they say muddy gone.

23:59

I Meurig

24:08

Oh, man.

24:11

It's a wild night. Certainly. It's gonna have Jim's gonna have a field

24:14

day with this tape. Oh, he's gonna be livid.

24:18

livid? No, we've done much worse.

24:21

Yes, we have. Yes, we have your correct yes. Mark our XR. Masa Selena

24:28

monster Lena.

24:30

You can never have too much Selena. You can never

24:33

have too much of her husband. Did you ever see Chris Perez, her husband?

24:38

A hot little piece of flesh playing him in the movie though. Oh, who cares? I never saw him. Oh, he's fine.

24:45

You know, she was getting ready to run off with a doctor in Mexico right before she died,

24:49

which it was wasn't

24:53

me, Larry today. I've never dated a Hispanic, with above a seventh grade education much less a doctor

25:00

Oh, you live in a place with a roof? I'm sorry. I'm not interested.

25:05

No, no, no, no. If you if you can use a broom on your floor, then we can talk

25:16

with this hurricane season really worry you come on over.

25:25

I tell you what Steve's getting kind of busy

25:30

over there. I know a bunch of bunch of bunch of cars coming and going. And they're you know, they're they're steadily trying to do something with that that little pool hall place they're on.

25:40

You know, about that, because I was I was coming over to the station tonight that's live about three blocks away here from the station. And so I just walked over course that didn't have anything to do. In fact, I don't have a car. But since I lived so close, I was walking over. And I looked in and it seems like a nice clean, little respectable place. And there were a couple of 14 year olds playing pool. And,

26:02

and yet you still made it here. Yeah. Which, which

26:05

was very difficult. And I'm just trying to figure out what kind of place this is. And if the 14 year olds were for sale are you know what exactly is going on over there?

26:15

I can't I can't quite tell. I mean, it opens and closes with the regularity of someone who's been chatting on brand for a week

26:27

was the last time I went in there. It was during pride pride parade a couple of years ago. And it was it was mostly gay, but it was mostly kind of biker kind of gay.

26:41

That's a segment that's a segment of our community. The biker gays.

26:46

Oh, honey, I got oh, wait,

26:48

those are the lesbians. No, I'm teasing you that when I went to

26:53

the March on Washington, I found a sub segment of the gay population I had no idea about. Because I ended up taking a flying to Cleveland. And then taking taking a bus from Cleveland to DC. Learn this whole new subsection of the gay community called bus bags. Oh, honey, my favorite part was as we stopped in some little I think it was called the The Jesus loves you diner somewhere in Pennsylvania. And he does. And he does. Thanks. So we get back on the bus. And this lesbian who has been on a bus since Chicago. takes her shoes off. She's sitting right behind me. The bus driver comes back and she says, Oh, our girlfriend you are not about to take them nasty shoes up on my bus. No, ma'am. And then of course, I saw the bus driver at the March two. So that was kind of fun. It was just it was just a bus full of bags. It was very fun.

27:51

We have an exciting message for Mary to call in because we have Do we have a caller that would like to speak to her and that's all Hot diggity. That's all we can say. We will respect her okay, that yeah, we'll just not an enmity what?

28:07

Okay, we won't we won't even say her name. Yeah, this is what college gets you I can't so Mary, give us a call back. We've got some information for you. A phone number Cedric sweetie.

28:16

Here's a lady interested in talking to you one for ourselves. But we can take care of them lesbians, can't we? Yeah. And that Sam and what I was saying

28:24

earlier if anybody else ever wants to get laid, give us a call. We can't we you obviously don't want to sleep with us. But but we can hook you up with somebody else. Yeah, that's all we're good for.

28:37

You dikes Have you heard of that organization? Dykes on bikes? Oh yeah. Big fan. A friend of mine just brought me gave me a tape videotape of the San Francisco Pride Parade, which is broadcast live on the W Dooby. Dooby. dooby dooby. In over that damn station. In San Francisco. They broadcast it live for four hours. The first contingent was dykes on bikes. It took 20 minutes for them to pass. There were so many I've no, I mean, it's just incredible.
