- J** Jimmy Carper 01:07
This car do you got for those
- S** Scott Lewis 01:09
Who get that? I get this card. I can't like I tell you. I thought Ray Hill did the prison program. But-.
- J** Jimmy Carper 01:19
So who's this guy?
- S** Scott Lewis 01:20
Okay, that letter right.

J Jimmy Carper 01:22

Give me that letter. We have got. First of all, I've got to do that joke at the end.

S Scott Lewis 01:27

Straight, which this is what confuses me is that his name is? Well, I don't know, his name is Wayne. Yes, I want him to first and he's straight, which depresses me in the first place. But then he sends me this card. And it's just a neat little card. And one thing I love about getting mail from from people that are incarcerated, is that, you know, they have to make everything Oh, yeah. I mean, it's not like they can run down to Hallmark. You know, they and their, I guess, you know, they have a lot of time and everything. And they put so much time and effort into making something for you. And it's just so nice. It's a beautiful card. And I mean, this is like you could you see this in a store? Yeah, no, I mean, it's that high quality, but it says you're always on my mind on the front, which is so sweet. Thank you, Wayne. You'll be on mine later tonight. And in my right hand, and then when you open it up, it's a pop up card. And there's a puppet penis on the inside. To Scott Lewis from your friend Wayne, aka hunk studly. Now he's getting me all worked up with this big luscious looking paper penis. And look at look at it's just thrive it and it even has the little sticky stuff rolling off the Yes, it is. This is a mate look at it. It is circumcised Wayne. Just for future reference. So it's got it's got like I guess this is glue or something. He's dribbled glue on it. So I hope he's fruitful. Anyway, but it's very nice and brown, Hispanic, getting me heart. And but anyway, but not so. Great card and gets me all worked up. And then he tells me in his letter that he stray well, also, Wayne would let me talk a lot about what mine would let me suck it. He's incarcerated.

J Jimmy Carper 03:20

But he talks he talks a lot about winching Wayne, the Republican that out and all of that which we're going to be talking about later, but he ends his letter. This is the greatest Joe. This chunk is so funny.

S Scott Lewis 03:31

Actually. It's based on a true story.

J Jimmy Carper 03:35

And I'm going to read this word for word. Now he's writing this letter to Scott, Miss Scott Lewis. So keep that in mind. Now, but before I go, let me share with you a dream I had the other night. In my dream, you Ray Hill and Jimmy Carper. We're walking down the country road when you noticed a sheep that had become entangled in a fence. It tried to jump. The sheep was entangled in such a manner that its rear end was pointing up and facing the three of you. You

looked at the sheep and side. Damn, I wish sure wish that was Erik Estrada. Ray Hill looked at the sheep and side. Damn, I sure wish that was Antonio Banderas. Jimmy looked at the sheep and side. Damn, I sure wish it was dark. Isn't that great?

S

Scott Lewis 04:29

I don't understand how he knows about that.

J

Jimmy Carper 04:31

I don't know. It was the dream. It was okay. Okay. But I shared that with like all the management here at KPFT.

S

Scott Lewis 04:43

It's a great letter. It's a letter and he talks a lot about the Republican convention. Yeah, this week and the Republican attitudes. And the only thing that that impressed me about the Republican Convention was well the showmanship I mean, you would have thought Liberace had put the damn thing on it. And because it was just a big glitzy it was a TV show. Yeah. But I wasn't impressed by my average man. I was impressed by Elizabeth Dole, who went down into the audience and spoke ad lib with no teleprompter, no. cue card,

J

Jimmy Carper 05:16

She spoke, she went down and walked among the peasant walked-.

S

Scott Lewis 05:19

Walked among the peasants. And, you know, told about her beloved Bob, and-.

J

Jimmy Carper 05:27

Yeah, yeah-.

S

Scott Lewis 05:29

There's a big article in the Chronicle. A few days ago, they all blend together at this point, I say, and but it was talking about, I guess somebody that's big in the gay rights movement was somebody big in the religious rights movement, met just not too far away from the San Diego Convention Center where they're having the Republican Convention and had a debate. Yeah. And of course, they said the only thing they were able to agree on was that it was a logcat was the head of the Log Cabin Republicans with oh, okay, set religious right group. And they said, of

course, the only thing they were able to agree on was that neither one of them were going to endorse Bob Dole. But yeah, that's which confuses me. But anyway, LOGCAP Kevin, Republicans confused me but to each their own.

J Jimmy Carper 06:13

Well, no, it takes a lot of guts to be a log cabin Republican because I mean, it's not it's not easy to to work inside of a group that does not want you there. Now, a nice Parker talked about that. Same thing with the Democratic Party in the early 80s. So you know, it takes people like, Dale Carpenter, although I do not like Dale carpenters politics at all. That I think he's a very brave man. For being in log cabin and putting up with it. Now. 10 years down the road. Probably the log cabins will be.

S Scott Lewis 07:01

Yeah, and they're making.

J Jimmy Carper 07:02

Yeah, there. Yeah, there'll be a part of the group.

S Scott Lewis 07:09

So back to the card with the penis in it. It's beautiful. It is great.

J Jimmy Carper 07:16

You get all the great mail and I get nothing.

S Scott Lewis 07:18

That's because I always tell people on the radio that I love to get mail. I love it. Love it. Love it. Love it. Love it. Then you can write to me. Are you going to write this guy back? Absolutely. I always I always reply to my mail. And especially somebody who sends me a card with a beggar around his soul. I know that's just beautiful. So lifelike. I'm taking this thing home, I'm sitting on it. So Wayne, you are just going to make my night. So anyway, but I really liked his letter because he's really liberal. And really, yeah, I mean, he's straight. But, you know, he says that even even though I am straight, who is who is it to? Who Has anybody to tell me that? I shouldn't be able to go with a hairy chested man if I wanted to, you know, just because I don't just because that's not who I am doesn't mean that I shouldn't have the right to to be that person if that's who I was. And a couple of things that were in his letter that really, I thought were interesting that I just wanted to point out before we moved on was that they use the Bible of course to tell us that we can't you know, this is why Oh, yeah. Married. This is a course on the marriage issue. Says in biblical times divorce was a crime. Adultery was a crime theft was a

crime and lying was prohibited by the 10 commandments. That being said the Republican nominee for president has been divorced the only Republican expelled from the Senate in the past 10 years. Excuse me, Bob Packwood was expelled for forcing himself upon women who were who were not his wife, thus constituting adultery. Two of the most conservative talk radio host are G Gordon Liddy and Oliver North, Mr. Liddy, convicted of course of participation in the burglary of the demurrer kradic National Committee headquarters Watergate, making him a thief Mr. North was convicted of perjury for lying to Congress during the Iran Contra fiasco. He goes on to say, that wasn't the exact part I wanted to read. But he there's there's a part he talks about in here about how it was illegal to marry outside of your race, years ago, which here it is that the recent defensive Marriage Act was a joke. As was pointed out, in recent newspaper articles of marrying a divorced man was illegal. It was illegal at one time, if that law hadn't been changed. Elizabeth Dole could not have married Bob and Nancy Reagan could have never married Ronald Reagan, marrying outside of one's race was illegal about till about 20 years ago in some areas of this country if that law hadn't been changed. Phil Gramm couldn't have married his wife, Wendy, who's of Korean ancestry and Clarence Thomas couldn't marry his wife, Virginia, who is white? That's right. I personally don't want some hairy chested man as a spouse but I would like that decision to remain mine not Newt Gingrich's or anyone else's.

J Jimmy Carper 10:10

Thank you. Yes. So Wayne, that's cool. I think that's, that's that is great.

S Scott Lewis 10:21

Wayne I think that's a wonderful wonderful letter and I think that when you get out of that so and you just hadn't had any in how long you're just going to want some so call me.

J Jimmy Carper 10:30

We better go to a piece of music.

S Scott Lewis 10:31

I tell you we better go to a piece. What are we going to?

J Jimmy Carper 10:34

How are you gonna play that Patti LaBelle song? Yeah, Patti LaBelle song from the Stonewall CD is about getting married Patti LaBelle, and the bluebells which is like like her first group way back.

S Scott Lewis 10:46

These are like late 60s 6768. This is real stuff. This is all the music from the motion picture

Stonewall, which is opening on September the sixth at the landmark theater. As a matter of fact, I got a copy of the movie right here. I'm gonna go home and watch it tonight and talk about it. Talk about it on my next show in two weeks. But yeah, this is a neat song by Patti about getting married and it's all the music on the soundtrack. There is supposed to be like the official movement, the official music of a movement, whatever. Yeah, whatever. Hispanics about getting married, so I want to dedicate it to Michael Guinness.

J Jimmy Carper 11:26

Oh, yeah, Patti LaBelle and the blue birds. That's before she was, you know, like, the big star that she has now. You know-.

S Scott Lewis 11:34

I went saw her in concert, Michael Ganga and I went saw her. Six weeks ago. She's the tea. I bet she didn't sing that. Now she didn't. But she did get down on the floor in a flawless sequined dress and roll around on the floor. While she's saying you are my friend.

J Jimmy Carper 11:48

Ah, that is something that I would expect her to do. Yes. She's still doing that.

S Scott Lewis 11:54

Well, no, you're my friend. Oh, yeah. That is a great so it is it is.

J Jimmy Carper 11:59

We have someone on the line. Let me see. Let me get it all set up here.

S Scott Lewis 12:04

Get it all going on. Yeah. You know if there's a united cab driver listening, I need a cab. I'm gonna go home. Listen for 19 Love it. Oh, you know what? We didn't give the address for more prison people to write me. This is after our slash the young prison program for 19 Love it. Don't write the prison program because they don't ever see or say After Hours-. 419. Let's see. Give them the address. Jimmy.

I was walking down the street holding hands with my lover when suddenly we were attacked after being publicly identified. This breeders-

S Speaker 3 20:08

Hetero phobia can kill education is the only lasting weapon against bigotry, which is why the National Federation of contributors to overpopulation wanted you to hear and think about this message. Oh I've already real police are what I love to give you the third degree. My gazing at my sexy farm with rapture you'll be stricken. Take one look at me fellows. In me you'll find some chicken. I ruffian wants to fight me. I gave him one cold gaze. And as I really met with her, I said to him, I said, your arrest and your arrest was with me. You're arrested now cabbage wants with me. We're going to the station and the Saudi she'll serve tea. They'll stop there. snickering I insist you Harvard hard man. Because I'm a real policeman. Honest to God, I am. I cruising in my squad car last night. I came upon two lovely boys parked in a car. They are. So I shine my flashlight in the car and I says Okay, fellas, what's going on in there? One of the boys said, well, nothing officer what is sitting, you're talking, just chewing the fast you know? So I said, Well, how long have you been parked here? He said about an hour, sir. I said You mean you've been parcher an hour and nothing has happened? He said No, sir. I said well, here you get out and

hold the place light led me in there. Well, I'll never forget my toughest arrest was a bartender big and rough. He says I wasn't a policeman. I didn't look tough enough. But did I bought him out something terrible, right? Then I called his bluff. And finally my kerchief in his face. I said, I've had enough. I'm so mad I could bid.
