Jimmy Carper 00:03

Ok K-E with a little accent on that from his album I am and that was called I don't want to go let's bring it up a little Joe in the Montrose wanted to hear anything from Paul Parker and I just happened to have a little something on it. It's a cover tune he's doing called right on target. Those of you over a certain age may remember this-. Oh yeah, Boy George same thing in reverse from that great album, cheapness and beauty. Kevin in the medical center wanted to hear something from Sid Spencer. And those of you who listened last week will remember I had to do memorial for Spencer and I really hated to do it because he was really up and coming and out of the closet cowboy singing cowboy and so we're gonna remember him by some of the more lighter work that he did and this is my favorite off of the Out and About again album it's called All I can handle this is for Kevin Okay, well let me put the right one on a I've been pushing buttons too long tonight. Okay, all I can handle Spencer-. Oh yeah, sit Spencer all I can handle well, that closes out a nother episode of a QMZ the queer music zone. So let's make it official,.

Speaker 1 02:17

What do you think of the gay liberation movement? At the the gate the gate? Oh, the game? Right. Right at this is I think a person I think I mean, I think first of all, we're gearing up in the bill in the concert in the in the bill of in the Pentagon Papers. So I'm gonna summon some important documents. It say I mean, there's there's there's a passage of men about men about men about to has an inalienable right you know, has the has the right to be to be I mean, I think that includes being I mean, you should be able to do any, you should. I think that has to do with if you want to practice your own prefer in whatever any place I mean, wherever the effect takes, but I think that that certainly is your I mean, what I mean what is what is freedom of speech, what is freedom of speech, I mean without without, without freedom of freedom of sex. I mean, not not much to speak of, I assure you and personally in my I think there's there's in my view, the I mean after I mean after all pervert pervert the perverted. I mean it's in the it's in the eye of the beholder.

J Jimmy Carper 03:17

Oh yeah. Lily Tomlin with the sputtering woman talking about the gay and lesbian movement. You're listening to after hours queer radio with attitude on KPFT Houston and KEOS College Station Roy's here. We're going to talk about some news things. And first of all, let me tell you, I forgot to mention that earlier. But the front page of the voice not only has a picture of Kevin May with Scott Kennedy, but has a picture of me. So I mean that I thought that was pretty clever. Kevin and I worked together at tenneco many years ago. And now we're both on the cover of the voice. I am in my position of treasurer with the game lesbian switchboard accepting a check for \$500 from Yes, thank you very much from the pride committee. We did that one day last week at noon time I had to get up early.

R Roy McCarthy 04:15

You getting up earlier we met it. Oh my god.

J Jimmy Carper 04:19

\$500 I'll get up at noon. Okay. Because that \$500 is gonna run the switchboard for an entire month. Thank you very much pride committee. And thank you very much rainbow. You are a member of the pride committee as as I recall. Yes. So what's what's in the news?

R Roy McCarthy 04:38

Okay, first of all, I want to say that we had a little bit of a good news to come to us from out of San Antonio. Yeah. I forget her name, but there was an Army a female army major that had been accused of lesbianism by some civilian supposin ex former lover And the former lover said that when that army major broke off their relationship, that she the Army Major held a gun to the former civilians head and said that if you say anything about this, I'll blow your head off. rather well. Needless to say there was no evidence and court martial group came up with the only verdict they could come up with was not guilty.

J Jimmy Carper 05:26

Wow. Well, yeah. I noticed on the cover of The Voice, which is really becoming a news paper.

R Roy McCarthy 05:34

Right. Thank you.

J Jimmy Carper 05:35

We're getting we're getting news stories and articles. It's really great that they're talking about the Walgreens yes, that AIDS built target of protest. And it's because the Walgreens pulled not only outmost because one woman called and complained about one of the issues about smut

only outsmart because one woman called and complained about one of the issues about smart because they talked about safer sex. They didn't have pictures of penises or anything like that. They just talked about safer sex. She didn't like it. And so the manager of that Walgreens decided to pull all gay and lesbian publications. Now we brought this to EA two months ago. Tom Richards at least talking about it two months ago now all of a sudden that finally got the coverage. I don't want to get into that can of worms because it just pisses pisses everybody off, but-.

R

Roy McCarthy 06:36

Oh, I hope Jesse Helms wasn't listening. The hell with Jesse. Nightmare on Jesse Helms street.

J

Jimmy Carper 06:42

Regardless, I'm just glad somebody's doing something about it, and that it can get some. I hope queers get out there with what's protest signs, really and close that sucker down.

R

Roy McCarthy 06:53

You know, it really gets me and this is a truth that Walgreens on Montrose is the Walgreens that AIDS built. Oh, absolutely. I mean, you go. You just go like a block or two down Montrose. And you can find the old abandoned Walgreens building exercise. And I'll tell you something, that big Walgreens as big as it is, and as nice as it is, was built by the gay community here was dying, people paid for.

J

Jimmy Carper 07:25

That and to take out the community newspapers, it's just ridiculous because one person complained. But you know, what, also really ticks me off. And I mean, a lot of gay people have complained about some of the straight publicans, that's cool.

R

Roy McCarthy 07:42

Or that's I was just gonna say, I mean, it's okay to have knife and dagger magazine gun and ammo Hunter, Swat and all this other Let's kill them. Yeah, you know, I mean, that is the that is the that is the normal heterosexual thing to do. To go kill people, you know, and let's go hunt and kill animals just for the sport.

J

Jimmy Carper 08:03

I know. I know. I know.

R

Roy McCarthy 08:05

Roy McCarthy 08:08  
Oh, don't get me going. I know, words that-.

J Jimmy Carper 08:11  
I've been saying this for a couple of weeks now that he's the voice is so good that I mean, we could just come on the air and just read the voice.

R Roy McCarthy 08:19  
I know. That's my hours.

J Jimmy Carper 08:20  
I mean, it's really so fine.

R Roy McCarthy 08:22  
There's a little there's an article here and I really want to take this moment to respond to this guy, Eric Rick Ehrlich. He wrote a letter. He's with the Avondale Civic Association. And he just wrote this big ol long article and letters to the editor that really want to make me puke. What's it about? It's about the Avondale Association calling in HPD. To bring about a zero tolerance to drug pushers and buyers and wrestlers, and hookers that they were so concerned about, you know, anybody who buys this trap, I mean, who buys this stuff now now, who buys this stuff? Just this bunch of baloney that this guy is putting out? Well, now I'm gonna tell you that there have been hookers and drug addicts and pushers, for the longest. What their whole thing was about the Avondale association is uptight about is the m bar. That is what this is all about. They have been getting defeated, left and right. And they wanted to use HPD as their strong arm and Rick even said in his articles that there was some unfortunate incidents occurred near the cluster of gay bars like Ron Jr's and the mining company. Now we should strongly he said that we should strongly emphasize that all the program was supposed to help all the legitimate businesses in our area, and that hopefully the affected individuals will not mind too much. Wrecking Now using it as a major side effect to a greater worthwhile effort. Well, that's a bunch of bull.

J Jimmy Carper 10:05  
Well actually it is because giving out tickets for jaywalking where there's no crosswalk, no crosswalks in the residential area is ridiculous. And if you want it to get, you know, get the pushers and the the hustlers moving, you can do that without issuing tickets to the general population.

R Roy McCarthy 10:05  
And you don't need to go to the stone soup and start carding. Now I have. I've said this before. I

And you don't need to go to the stone soup and start eating. Now I have, I've said this before, I have been involved in it, not as a police officer, but I have been involved in security and law enforcement for last 25 years of my life, this is my life. This is my study. Right? Okay. You before a police officer can card anybody he has to have probable cause. And just by the way you dressed or the where you are standing is not probable cause. And so that's what falls as a violation of the Fourth Amendment unreasonable search and seizure. I know. Because this is one thing that we have been stressed about in academies and at the college campuses in the, in my classes that my professors have taught me that just asking it is, if you aren't uniform, and you've got a gun, just asking it, asking it is illegal. And, and any, anything you get from that. It's called the fruits of the search is inadmissible is called the port, it's falls under what's known as the poisoned tree. If the tree is poisoned, and the fruit is poisoned, it's inadmissible evidence in court. That's why a lot of times, evidence gets thrown out of court because it was illegally obtained evidence. Ah, so in other words, if there's outstanding traffic warrants on me, and through an illegal search, police officer discovers that there is outstanding warrants on me. Yeah, that's there really is nothing he can do about that. You cannot go break the law to enforce law, you cannot commit a greater crime. To prevent a lesser crime, you cannot violate somebody's civil rights to enforce a traffic ticket. Okay. That's the way it goes.

**J** Jimmy Carper 12:36

Oh, gosh. I like to say something about this too. Yes, rainbow. Go ahead. But you have to get closer to the mic, right?

**R** Rainbow de Clown 12:43

Concerning this thing with the stone soup, where they did the arrest and all that stuff. This week. If you read the Thursday, Chronicle, you will find out that if you are an illegal citizen, an immigrant they have a place for you the city built this place. It's on Canal Street, and it's gonna have a grand opening. Here they are. They have people that are illegal immigrants law, and the cops can't touch him because they're in this safe zone. They call it a sanctuary. Down on 59 south they even have a basketball court that the city bill so these illegal immigrants can play basketball looking for a job, and yet they go arrest people at Stone Soup for standing on the street corner.

**J** Jimmy Carper 13:30

I know.

**R** Roy McCarthy 13:33

I'm sorry, but Rick Eisenerz letter to the editor is a bunch of crap. A bunch of phony baloney.

**J** Jimmy Carper 13:40

Whatever, whatever.

- R** Rainbow de Clown 13:42  
Then they want to do background checks of all the strippers that work at strip clubs, yet they have I mean, this is what the city wants to do. And yet, if you're an illegal citizen, you can go be on Canal Street in his safe zone built by the city and county.
- R** Roy McCarthy 13:58  
They even have one out in the southwest here.
- R** Rainbow de Clown 14:01  
And according to Joe Roach, they're going to build three more.
- R** Roy McCarthy 14:05  
All right,
- J** Jimmy Carper 14:06  
Okay, well, I got started here first,
- R** Roy McCarthy 14:09  
I got something a little bit lighter, a little bit more pleasant happier, which is bound to become quite controversial unsure.
- J** Jimmy Carper 14:15  
Right after you hear about what's going on with the Royal Sava and Imperial authority of the single star. These folks do stuff all the time. I can't possibly get all the information to give to you but tomorrow at the Brazos River bottom 2400 brazo Street. Crystal Ray Lee love presents the Grand Ole Opry benefiting Colt 45 stone soup. That's tomorrow at 8pm at 2400 Brazos rock, the process river next Friday, August 23.
- R** Roy McCarthy 14:58  
My birthday is it yeah.
- J** Jimmy Carper 15:00

Yeah, Chances is presenting. Sometimes I feel like a nut another crazy show hosted by Duke the 12. JD Lee love and Lord, the 12 Lloyd Watson neck Hoon? Yes. Okay, benefiting the psychotherapy unit of the Montrose clinic. That's next Friday night, August 23. At nine o'clock at Chances, the court is just doing stuff all over the place. I can't keep up with it all. It's incredible. What a great organization.

R

Roy McCarthy 15:38

And glad that Rainbow is still here because I may need you here for a second.

J

Jimmy Carper 15:43

I was doing a show tomorrow night. Oh, yeah.

R

Rainbow de Clown 15:46

I'm gonna be where's that bar? Oh. Get her. I said Joe gay city inside joke. The Briarpatch is having a show tomorrow at eight o'clock. For the first stone soup for stone soup. Cool. Yeah, good. I'll be there. Eight o'clock. They want me to do Mr. Vaughn, Midler.

J

Jimmy Carper 16:09

Oh, he does a great catch rainbow at at the Briarpatch.

R

Roy McCarthy 16:14

Now here's the new here's a new thing. Here's a new one for us. Okay, whatever. All right. Bank united. Yeah. That runs the Thanksgiving Day Parade, formerly known as the Foley's Thanksgiving Day Parade. Downtown. Yeah. has got a putting out the help one in. They want the they want our participation. They got a big old thing here to march in the Thanksgiving Day Parade. Rainbow. I think you marched in the Thanksgiving Day Parade downtown before, haven't you?

R

Rainbow de Clown 16:42

And 8182 83 Until Foley's decided to charge \$5,000 to march. Good. Yeah. Cuz if you're a business back in the late 80s I believe it was you had to pay \$5,000 Because it was televised. And it pays for all that other stuff. Well, I don't know what this thing does now, but I will check it out. But I used to paint the faces of clowns in the parade. Oh, he taught people how to do it.

R

Roy McCarthy 17:11

Well at any rate, they want you to get in touch with Beth Craig at 7288 11 to march into

Well, at any rate, they want you to get in touch with Dean Craig at 7288 11 to march into Thanksgiving Day Parade downtown, and they they're looking for people from our community to to be a part of this.

R

Rainbow de Clown 17:28

I'll check it out this week. I'll call them and find out exactly what it costs if there's any charge or anything.

J

Jimmy Carper 17:34

Great. That'd be good to now.

R

Roy McCarthy 17:36

Also, yeah, what else you got dumped into them? Our own ever biannual candidate is going to be running for district seat. Number four, Bray Hill is running for city council.

J

Jimmy Carper 17:52

He announced that on lesbian and gay voices and I ran that tape. Was it last week or week before when he announced?

R

Roy McCarthy 17:58

Oh, I didn't get to hear it. I will probably on the phone. I'm very busy on those very popular show.

R

Rainbow de Clown 18:06

Did you know Mr. Peavey gets about 30,000 a year. Is there going to be City Council? Oh, the one that he'll wants to replace. But it costs 100,000 to do the election.

R

Roy McCarthy 18:20

Anyways, Ray was saying. Ray was saying that basically, government needs to stay out of people's lives, which we all agree in. Yeah. And that Helen Huey wants to decide what choices adults have to spend their entertainment dollars on. And Martha Wong wants to decide what books magazines and videos we can read or view? I don't think so. I don't think so. But you know what, I'll tell you something. All that's necessary for evil to triumph is for good people to do nothing.

**J** Jimmy Carper 18:53  
That's right. Let's get Helen Huey here and get her a new hairdo for us then.

**R** Roy McCarthy 18:55  
Let's get out the vote. Talking about Ray Hill. Ray Hill offered an excellent excellent suggestion to counteract these people with the like the Avondale Association and the near town Association and Ray Hill was right on target as possible. When he said go to the meetings and John's right. Go. Don't let these people dictate to you.

**J** Jimmy Carper 19:24  
Yeah, this this is a group of about 20 people who are making all these decisions for a larger group of people.

**R** Rainbow de Clown 19:30  
So you know, I've been there about four gays that show up to these meetings.

**J** Jimmy Carper 19:35  
I'd be embarrassed to live in Avondale and be represented by those folks. I know, you know.

**R** Rainbow de Clown 19:41  
Going out to the meetings. Miss Wong last week said something I could not believe she said. She said that corporate America supports the sob is Miss Wong as a Republican. What is corporate America I cannot believe she said Right.

**R** Roy McCarthy 19:59  
Well There are a bunch of-.

**J** Jimmy Carper 20:04  
Not so basic, but I mean.

**R** Rainbow de Clown 20:07  
EOE like essential oriented enterprises.

**J** Jimmy Carper 20:11

But the sexually oriented oriented business is a corporation. Excuse me.

**R** Roy McCarthy 20:18

No, that's right. And furthermore, and I don't know if any of the listeners out there have any more knowledge on this than I do. But I was doing some channel surfing on the, on the basic cable that I have. Yeah. And one day this week, I came across gay TV on channel 54, which is not listed in our channel 54, right, which is not childhood before and even listed in the TV Guide. And it had the gay pride parade from Long Beach, California, which is great. And then they also had a drag show. Then they also had a discussion show and they also read a a, one of the old fashioned type burlesque shows, and it was really great. It was really great.

**R** Rainbow de Clown 21:11

Well, I'm waiting for that blue line on the bottom my TV to say, it's coming in my area by live out rednecks.

**R** Roy McCarthy 21:22

And so that's pretty much the news that I got for this week. Ray Hill, the Avondale Association, Thanksgiving Day Parade, and of course, don't forget our Army Major who got not guilty.

**J** Jimmy Carper 21:37

Okay, well, hold on then.

**S** Speaker 1 21:40

Excuse me. Can I ask you a question and your pardon? Can I ask you a question? What do you think of the gay liberation movement? The gay liberation movement when I say all human beings have the right to do whatever they want to do of course i i don't understand how they do it. But from all reports it is getting done somehow. So I say as long as it's going to be done let's go ahead and get on with it. So it doesn't make them seem foolish. Thank you

**J** Jimmy Carper 22:25

Oh, okay, that was earnest. No, that was who was that? That was literally Lily Tomlin the tasteful lady. And what what they think of that? This is what I wanted to do. This is Stephen Cowell sick in the background. With big boys favorite song, you know, who do you do?

R

Roy McCarthy 22:54

You everybody I can.

J

Jimmy Carper 22:57
