J Jimmy Carper 00:04

Okay, hi, this is Jimmy with QMZ. And you just heard for the last time ever, this radio station Jimmy Somerville doing coming from the movie Orlando,

E Eric 00:18

Doing tired, new from Jimmy Somerville. But you know what? That's the exact same thing. Remember when somebody, y'all hear this story 100 times, yeah, heard of it. Remember when somebody called and said, hey, this was about six, eight months ago. Hey, I want to hear some new Boy George and went down and he got The Crying Game, which was, nobody had even heard of it, it had just been released.

J Jimmy Carper 00:40

Yeah, in fact it was an import.

E Eric 00:41

It was an import. I paid 12, 13 bucks for the single CD. It was ridiculous. We came down. We played it. And we said, oh, girl, this is sad, this is bad. We're never playing this again. And now it's like

J Jimmy Carper 00:53

Two months later, exactly. But but the soundtrack for Orlando. I mean, the movie looks visually gorgeous. But the soundtrack, don't bother buying it. There's only one song with words and the rest of the instrumentals are really lame.

E Eric 01:09

And once again, that's only a majority opinion.

J Jimmy Carper 01:11

That's right. But you will never have to listen to it again. But I thought you know,

E Eric 01:17

Well, Michael likes it. Yeah, but Michael likes you.

J Jimmy Carper 01:22

Yeah, that's true. Hey. And before that was of course Fem2Fem.

E Eric 01:30

That was hot.

J Jimmy Carper 01:31

Was "Woman to Woman," that's my favorite.

E Eric 01:33

Oh, that was hot. A segway into this because we played Fem2Fem and other wonderful,

J Jimmy Carper 01:41

Well, I planned on, yeah, and I'm gonna play more Fem2Fem.

E Eric 01:43

Play it anyway. Yeah, we're gonna play. When are you gonna play Miss Tourette?

J Jimmy Carper 01:49

Miss Tourette will be coming up after Annie. Okay. Yeah. Because I've already got her queued

up. Annie and then Miss Tourette doing a little number.

 Eric 02:04

The big pussy?

 Jimmy Carper 02:05

Yes. Thank you so much. And after that, we'll be going back to, if you've been listening, we've been doing maybe a little classical piece every once in a while by gay artists.

 Eric 02:19

You're the only classical piece I know.

 Jimmy Carper 02:21

That's exactly right. Like I said, I'm you can see me this week in the TWIT page. 78. Same as my age.

 Eric 02:29

Age girl. She's advertising her, her new hair weave product.

 Jimmy Carper 02:35

Hey. Anyway, um, after that, yeah, we'll do that later. Let's get to, it's confusing when, you know you, think it is and you got,

 Eric 02:48

Alzheimer's.

 Jimmy Carper 02:48

Right. So let's get on to and Annie, who is I mean, this is the QMZ and everybody. No, no, this is Andy DeMarco, DeFranco. Whatever. Isn't this the Italian festival?

 Eric 03:11

In honor of the Italian festival and all of us with big

J

Jimmy Carper 03:15

And Annie has something for everybody because she's bisexual. As she tells you in this next song, and we're gonna go right to it. DeFranco, and I want to really thank God, we're gonna thank you later, I want to thank Carrie right now. And Carrie, this one is for you. Ooh, Miss Tourette, that was for Carrie. And we sure do want to thank her. Because she has been very generous to KPFT and After Hours. Coming up next, this is a song, kids, that you've heard all of your lives. And it's by our good friend and gay man, deceased, Peter Tchaikovsky and let's see if you know what it is under two minutes. Give me an A for that. Oh, yes, that was Betty with Picnic Love Affair. And don't let it rain on your picnic. Betty who was at, the group was at the March on Washington. Two sisters, one lesbian, one bisexual and the other person I'm not sure of. Anyway, before that we had Yer Girlfriend favorite here doing from their last album a song called "Remain" and before that Pansy Division. Yes. We haven't heard enough Panzy Division around here lately, that was "Boyfriend Wanted" off of their new CD. And we need to get in touch with them because they are coming to Houston, October 21. So we need to find out where they're going to be playing if, if they have struck a deal with anybody.

E

Eric 05:23

And we need to once again, ask for more money.

J

Jimmy Carper 05:26

Well, no kidding.

M

Michael Crawford 05:29

And talk louder when you say more money.

E

Eric 05:31

Yeah, mo money, mo money.

J

Jimmy Carper 05:33

We need lots more money. We haven't really given you the hard pitch, or talked about what, we've talked about the thank you gifts, we, we've talked about where we go, and we talked about if your employer happens is, if you, you give and your employer matches things. I mean, you can, you can make your donation twice as much and you don't have to tell them. I mean, if you're in the closet, hey, you know, as you listen to the beginning, hey, we're there, here for you too. And, you know, there's only two gay and lesbian programs on KPFT. There's a whole lot of other kinds of programs so if you work for the phone company or noon, and you're in the closet, go figure. You can

E Eric 06:20

Say you listen to Esoteric Adventures.

J Jimmy Carper 06:22

Sure. There's a queer working there, too.

E Eric 06:26

But they don't know that.

J Jimmy Carper 06:27

See, See.

E Eric 06:28

We're everywhere.

J Jimmy Carper 06:29

We are.

E Eric 06:31

Five two's? What's the number?

J Jimmy Carper 06:32

5265738 or JAM KPFT?

E Eric 06:41

Or that's it, 526-KPFT.

J Jimmy Carper 06:44

Okay. Okay. to close out the QM7 we're going back yes we will no no no no. That'll be later

Okay. Okay, to close out the Q&A, we're going back, yes, we will, no, no, no, no. That'll be later, much later. No, we're gonna play another Fem2Fem because they are so hot and their music is really, really fine. And I think this is kind of the hot one going around right now. It's called,

 Eric 07:11

"Switch." And you should see the X rated video.

 Jimmy Carper 07:13

X rated video?

 Eric 07:14

And you can only see it Heaven or JR's.

 Jimmy Carper 07:17

Only at Heaven and JR's?

 Michael Crawford 07:19

And you know Jr. is is the world's greatest bar according to the press release sent out by Scott Lewis promotions director.

 Jimmy Carper 07:27

Oh, was he the promotions director for, for the Charles Armstrong investments?

 Eric 07:33

And it was also mentioned in Details Magazine.

 Jimmy Carper 07:35

Oh, okay.

 Eric 07:39

It was also mentioned in Details Magazine.

J Jimmy Carper 07:43

That Scoot Lewis is a

E Eric 07:44

Yeah, probably.

J Jimmy Carper 07:45

Oh, okay. And so let's get, let's go to

E Eric 07:58

Okay, that was House of Pain with boom chalok clock boom.

M Michael Crawford 08:04

Except that that wasn't the name of the song. Why are you guys looking at me like I'm crazy?
That was "Shamrocks and Shenanigans" off the album Fine Malt liquor--Lyrics. Hello?

E Eric 08:14

You wanted to

J Jimmy Carper 08:15

Well, I was in the lobby and I was listening to this and it reminded me of Strictly Hip Hop, which is on Sunday night at midnight.

M Michael Crawford 08:22

Get your nose out of there.

E Eric 08:24

Which is a wonderful program that you can sponsor by just donating some money.

J Jimmy Carper 08:29

Yeah. And not only that, there's, there's something else, you know, if you haven't listened to that show, and you like hip hop music, there's also the Hip Hop Coffee Shop that's run by Mad Matt. Every Thursday night, in the Heights.

M Michael Crawford 08:44

At Hoi Polloi.

J Jimmy Carper 08:45

Hoi Polloi?

M Michael Crawford 08:46

Yeah, yeah.

J Jimmy Carper 08:47

Have you been there?

M Michael Crawford 08:48

No, but I've listened to him do his pitch on street vibes. Let's see what do they have? They have freestyling, it's really peaceful and the buyers are really positive. And well, okay, I forget the rest but

J Jimmy Carper 09:03

Well, yeah, you know, nine says it's okay, and it's cool for queers.

M Michael Crawford 09:10

Yep, so

E Eric 09:12

I want talk to our wonderful operators at 526-KPFT.

J Jimmy Carper 09:15

That's right. Give us the money.

 Michael Crawford 09:17

Yeah, well, yeah, we're nearly halfway at our goal and we will still need another \$515, so please call us at 526-5738, 526-KPFT. Our lovely phone operator was sitting there discussing religion with skinheads, so call up and give them something to do. Scott Lewis, Lewis. Hello? Once again. Excuse me. Okay. Well,

 Scott Lewis 09:23

Hello?

 Michael Crawford 09:24

Okay. Recent

 Eric 09:24

Hello, is the caller there? You're on the air. Go ahead please.

 Michael Crawford 09:50

No, you're not.

 Eric 09:50

Yes, Scott.

 Michael Crawford 09:52

You're not Donahue. Okay. We're being

 Eric 09:54

What's your question, please?

 Scott Lewis 09:56

My question is

M

Michael Crawford 09:57

We're being serious now.

S

Scott Lewis 10:00

Wait If we're being serious and we have to mention that Sandra Bernhard is in the new cracker video. Lesbian power.

J

Jimmy Carper 10:13

How do you put up with him?

M

Michael Crawford 10:15

Well, he lives in Alief. Thank God

S

Scott Lewis 10:19

No, I don't I live right here on Dunlavy now.

M

Michael Crawford 10:22

Yeah, right. He thinks. Um, okay. So, lately there have been several, you know queer bashings in what recent weeks and including Christopher Dunning who was stabbed outside the 611. No jokes now?

E

Eric 10:40

You're sitting here talking about

S

Scott Lewis 10:41

You are so mean tonight.

M

Michael Crawford 10:43

Thank you.

S

Scott Lewis 10:44

Churning it out with all that damn. You're Satan.

M

Michael Crawford 10:47

I'm not Satan. And Robbie Kavanaugh, who was bashed on his way home from the stop and go at Monstrose and Westheimer, he was beaten up California and Wilcrest caressed by a couple of Hispanic boys who jumped out of a Ford suburban. Three Hispanic guy stepped out of a Ford suburban, beat the crap out of him, Robbie's now is, now in 12 Oaks Hospital with a broken jaw, both eyes are swollen shut. He has water on the brain. But he's conscious now at least. And in light of all the recent bashings that have happened and the fact that queer activism has watered down to nothing, a new group has been formed in Houston called

E

Eric 11:30

Outrage because we are outraged.

M

Michael Crawford 11:34

Okay, and Outrage is basically the successor to Queer Nation. It's taking over where Queer Nation left off. It's a direct action group started by Michael Cooper and Scott Lewis.

E

Eric 11:46

I think you should say it isn't an extension Queer Nation, it's something new.

M

Michael Crawford 11:51

No one said it was an extension. I said it was a successor and it picked up where Queer Nation left off.

E

Eric 11:58

It has nothing to do with the other. Anyway, it's a better group. Outrage is a better group for Michael Cooper and Scott Lewis. And this is a really important issue.
