Oh yes, you've tuned into after hours queer radio with attitude right here on KPFT Houston 90.1 FM. The crew of after hours is ready to bring you news interviews, dialogue and music geared for gay, lesbian, bisexual and transgender people and their friends. Hear it after hours, we may be diverse, but we have one thing in common. We are all out of the closet and urge everyone to come out of their closets. That means standing up for yourself taking responsibility for your own life and being proud of who you are. Realistically, we know not everyone can do that because of age job or frame of mind. That's okay, we're here for you too. So sit back, relax, and enjoy this week's edition of after hours. Hello, Houston and college station and Huntsville tonight I believe since Kay shsu is on vacation. So after hours north folks probably are listening in tonight if they can get us in. This is after hours queer radio with attitude. I'm Jimmy corporate. And this is the December 23 edition. That's right, December 23. And a couple of things because we've got always got a lot of stuff tonight. We've got giveaways, and the first half is hatch. And the second half is Jim Savini with a leather line. And he's the one who has the giveaways. We've got all kinds of wonderful, wacky and serious queer Christmas music and by that I mean Christmas Christmas music by openly gay, lesbian, bisexual and transgendered artists. Except for the first two you heard, that's probably going to be the only music straight folks you hear tonight. That first song was from the Dr. Demento holidays in dementia album, and it was called the pretty little dolly by Mona a bound. And that second one was of course Garth. With go tell it on the mountain. Nobody sings that song like he does. Nobody. Now it's time for Hatch.

o

03:35

All right, I've already played the song and stuff.

J

Jimmy Carper 03:38

No, it's right there. Oh, you want me play the song first? Yeah. Okay, let's play this. Let's play

the song first. Yay,

03:44

song

03:52

All right, that was oh, that was my Uncle Jack span called the unit is singing. Christmas used to be. He's great. He's my Uncle Jack. All right. I don't know which microphone I turned on over there Friday. So try him. I can't hear you. No, no, no, no. We'll turn on more. There we go. No. All right. Yeah. No. Okay. Well, then I'll just get started in stuff. Then maybe someone out there will come in fix his microphone. Okay, this is the hatch segment. Oh, what do you know? I might want to turn this. Oh, yeah. And stuff. Okay. Tell me. Yeah. Okay.

J Jimmy Carper 04:46

You were sounding real good.

04:49

Okay, this is the hatch segment on after hours. I'm Tommy. Next to me is lovely Gabrielle. Hello and And right across from us is Freddie. Freddie is going to talk more tonight because since we don't have any buddy else here, he might actually talk and that would be fun. Right, Freddie? Hello? Yes, yes,

05:13

there. I can hear you now. Okay.

05:16

We can hear you too. That's very good thing.

05:19

Okay, so this is hatch. A little bit about hatch ship. We meet on Fridays and Sunday nights. Fridays at seven Sundays at six. We don't have a meeting for next couple of weeks do the all the Christmas hubbub and stuff. And the number for Hatch is 713-942-7002. Did you tell them what touchstones for? Oh, yeah. Good job. Give me I know. Wait out show me. Hatch stands for Houston area teen coalition of homosexuals. Very fun support group. We do a lot of stuff. Just Friday. Yesterday, we had our annual holiday bash. We did the white elephant gift exchange. It was great. My mom made food. It was very good food. Good

👤 06:08
food.

👤 06:09
Yeah, good

👤 06:10
food. What did you get at the white elephant party?

👤 06:17
I actually got a lot of things and then some got stolen I first I got a little magic eight ball, but it was a sarcastic magic. Explain

👤 06:26
what the white elephant processes?

👤 06:29
Would you like me to do that? Yes,

👤 06:30
go ahead.

👤 06:31
I can do that. Good job. Wait, elephant. Everyone chooses a number. When your number is drawn, you can go pick a present if you're the first person, the second person has the choice of whatever has been opened or present from the table and so on and so forth. So the last person has the choice of any gift that they want. And against maybe stolen three times and then third person to steal it owns it. No matter what.

👤 06:54
Yeah, Tara had to figure her way out of that. Who is on her way to Seattle tonight. We will miss

her. We are missing her right now. Yes. I don't know what Justin is. He told me he was going to be on here. Which I have a bone to pick with him about last month saying I didn't tell him he was going to host stupid okay.

07:19

Yeah, you forgot the violin

07:23

stupid Oh, yeah. So I got at first I got a magic eight ball thing that was sarcastic stuff. And my friend did end up stealing that from me. And I got a videotape it's mission impossible to I haven't watched it yet. But I watched like 800 movies today. Then I also ended up getting a anti masturbation patch

07:53

I didn't see that one.

07:56

It said on top of it to use like a non smoking patch. So I tried it out. No, not yet.

08:05

We know what he was doing.

08:08

Okay, as I hang my head in shame at the

08:11

end of that conversation.

08:14

I don't think my president was quite that interesting. What did you get Miss Gabrielle I got this really cool book about the profiles lives of important gay and lesbians. Have you started reading it? Yes, I did. And it's got Katie Lange and Melissa Etheridge. And and Martina

Navratilova, Billie Jean King and all those wonderful lesbians. Oh, and in Gore Vidal and, you know,

⌚ 08:38

focus on only the lesbians Gabrielle we know what your mind is on? No.

⌚ 08:45

Of course. Being a lesbian, yes.

⌚ 08:48

Okay. Well, I

⌚ 08:49

guess you can have that. She wants to win the toaster again.

⌚ 08:54

I'm still waiting for my toaster. Thank you very much.

⌚ 08:57

I converted you Friday and I still haven't gotten it yet. No,

⌚ 09:01

I wasn't the one convert ready.

⌚ 09:08

But enough about me.

⌚ 09:12

Friday, you're reading something instead of paying attention to me what's wrong with the

09:16

intention to you? I'm just trying to figure out any marks

09:19

though. Okay. Yeah, so hatch is a fun place to meet. And gather and still. We're supposed to have a lot of people here today. Two other people from the steering committee. April and Donna. We're gonna be here. But Donna's mom got sick.

09:39

Yes, yes. She's very sick with a little stomach flu things. So they thought it would you know, we were still gonna come do this because I was supposed to go have dinner at their house and they called and said, Well, maybe you shouldn't so I said, Okay, well, you do you still wonder radio? And they said, Yeah, we'll do radio. And then I went out to see a couple of movies. And then I came back and there was a message saying, Mom's not real good. Maybe we should stay home with her. And I said, that's, that's probably a good idea. So, a shout out to them. We wish they were here.

10:17

We give you our condolences and sparkles. Justin, whatever you want to call him. He was going to be here to he's not though. What's up with that? Gabrielle?

10:28

I have no idea. I walked in the door and I heard sparkles isn't going to be here. And I said, why? And they said we don't know. Okay. And if you're listening, and you know why you're not here, please inform us,

10:42

which he better be listening since it's his job. My best friend Blair will not. Oh, no, she's my best friend. But she's a good friend. He's very good friend. She came into town. I'm very excited. I haven't seen her in almost a year. She was going to be on the radio show tonight too. But she ended up going to see some of her other friends who she hasn't seen yet. So shout out to her. If she's listening. She better be.

11:11

Which brings us only to the people that are here.

11:13

Yay. We have limited numbers of people here today. Yay. All right. Oh, and then I wanted to tell you all about the book Halbert concert, which I missed the radio show last month, but I went to see them last month. So fantastic. Oh, I had some huh. It was pretty cool. It was really neat. They ended up playing 22 songs. They told us that they're gonna start playing breakfast after 10 on the radio, which is cool because they were just playing James. Very exciting. Justin's freaking hot. So yeah.

11:56

He's there.

11:58

He's very hot.

12:02

Not as hot as Tori Amos. But hey, it's okay.

12:06

Gabrielle ended up bringing us a treat today. She's got two things for us. Which one do you want to read first?

12:14

Um, how about the game night before Christmas? Sounds great to me. Okay. The Game Night Before Christmas and I get comfortable.

12:23

Okay, get off your shoes. gathered by the fire.

12:26

Grab a nice fuzzy blanket curl up with a little cup of cocoa or

12:30

mother or cat or dog whichever. Okay.

12:35

Everyone snuggled in. Twas the Night Before Christmas yet, that time again the bush snuggled tightly against her sweet femme. They needed a man like a fish needs a bike and wondered what Santa would bring for a dyke. The Gay Guy was tucked up in bed with his lover to chaps quite content to love one another. All that they wanted for Christmas that year was to come out of the closet with nothing to fear. When Santa came by with his reindeer and sleigh. Would he bother to visit the lesbians and gays, whether passive or active they wanted only one thing. No more persecution and some understanding. Now sex toys and presents Oh, they would be great, but they settle for respect from everyone straight, no more condemnation of their inclinations and end to gay bashing and discrimination. Santa's went to each household his presence to share about sexuality. He didn't care. And when he departed Skywards in his sleigh, he cried. Season's Greetings be you straight bi or gay?

13:37

Right. Now there's a Santa. And

13:41

to our readers, we add here a small dedication peace and goodwill to you all, regardless of orientation. Yes.

13:50

My dad always reads us The Night Before Christmas on Christmas Eve it's kind of tradition Haven calls my nice see calls my sisters who are in Japan and in Oklahoma, and reach out to them also. Oh, I

14:04

think he's reading this one, but we

14:07

never got anything like that before.

Jimmy Carper 14:11

Well, Justin is calling in. He has to correct something you said earlier. Okay.

14:17

I'm gonna get told that I didn't tell him. But I did. Before he gets on. I did tell him Let me let y'all know. I did tell him. So Justin, hey, hey,

14:32

am I on? Yes, yes. All right. No, I wasn't gonna say that you didn't tell me doesn't mean I can't hear you because you're on the radio and stuff. No, I was gonna say that left a message earlier but since you arrived at the radio so late

14:50

on time, I got here on time will not

14:54

have enough to get my message because I left it like an hour and a half an hour before the show. Yeah,

15:00

why am I gonna get here? Like half an hour before I get on here?

15:03

So anyway, that's your message, but I'm sick. Yeah. Why? I don't know why I'm sick. I'm just sick. I have a sore throat and I don't want to go out and like risk getting a fever because like Christmas Eve tomorrow, and if I'm sick somebody

15:20

15:35
