R

Roy McCarthy 00:02

Chris and I have decided that Singh is here at Houston. We do have such a large influx of people from south of the border, who come and go quite a bit, especially in the gay population. We're going to cover some of the other new events that are coming on the south of the border in Mexico. something besides Ricky Martin. I said Mexico, not Puerto Rico. Anyways, Mexico incident Mexico City has one of the most fabulous gay pride parades ever in the whole world. I mean, it's a daytime parade. But if you ever get down to Mexico City for the Pride Parade, it is magnificent. Anyway, city councilors from Mexico City's ruling Democratic Party, revolutionary party, the pred are in the final stages of preparing a measure to recognize gay unions and let gay couples adopt children. Now Mexico is supposed to be so far behind. We're supposed to be so far ahead. Yet when it comes to gay rights everybody else in the whole world is ahead of us when

C

Chris 01:02

it when it comes. I mean we're we're progressive in so many avenues except sexual freedom and diversity.

R

Roy McCarthy 01:10

Anyways, it says it is not known. If the bill will pass the left this PRD holds 19 seats in the body. The center right pan or the National Action Party has 17 seats and the Senate was PRI has 16 it is sounds like it's pretty well split up evenly amongst the three. And it is very significant from our point of view to advance the human and civil rights of people that are supposedly born free and equal under the Constitution. The council's PRD leader Armando Quintero told the reformer newspaper and once again, folks, other people are just leading the way we could go on to say how one European country after another is giving, recognizing same sex union, one European country after another has gays in the military. You know, study after study showed that did not

disrupt the military at all. And people do not have a hard time with it. But yet, you talk about gays in the military here and radical right goes into a collective cardiac arrest and don't let the church people hurt their miters will fly out

Chris 02:19

the head. I'm sorry, the reason I'm laughing is there's a recent stuff.

02:26

Jeremy, did you hear what I was laughing?

Chris 02:30

Yes, we heard you. They put down carpeting but they didn't fix the walls.

Jimmy Carper 02:37

You know, I could have a lock installed on that door.

Chris 02:41

Please wait till at least one of us are. But no reason I was laughing when you're talking about gays in the military. There was a show on HBO called shock video 2001. And they were showing it very infrequently. There's a gay theme in there. But there was a segment from a German thing called the gay Green Berets.

03:04

Green, gay green.

Chris 03:05

It was. It was it was very it looked like a porno. I mean, it was that quality of a tape. And I'm and I don't know if it's fun. Oh, yeah, they were disciplining one another and they had a little rebellion. And they had to kind of fuss over a few things because HBO can show certain things, but

03:27

Showtime will show erections is that

Chris 03:30

it? Yeah, yeah, basically the staff. The staffs can't be a full staff. You can't fly the flag off of that kit

Jimmy Carper 03:36

yet get the kit show that stuff of life when they're living. Yeah.

Chris 03:42

So it's a it was very interesting watching this portrayal of gay military life in Germany because I think they had the rainbow flag upside down. PFLAG the next peak like Houston meeting will be on Sunday.

03:57

Sunday, Sunday, Sunday, January

Chris 04:00

Roy McCarthy 04:57

Okay, now folks forgot Got a new thing coming up over here. It's called live on the web. It's called a dating game.com and starts this coming Wednesday on the 27th at 9pm. Whether that's eastern central or mountain or what I have no idea. But it says here to tune in for the all gay uncentered half hour game show airing live from cathode rayed club in Fort Lauderdale. So I guess that would be Eastern time. I assume. From well, actually Florida to timezones I do believe depinho has a different one. Yeah.

Chris 05:41

That there's a little Republican section in the panhandle. Right and

**R** Roy McCarthy 05:45  
I think is that we're full Fort Lauderdale is no. Well,

**C** Chris 05:50  
just started at 8pm our time and eventually you'll get to it

**R** Roy McCarthy 05:53  
anyways, it's the dating game as in ga yme.com. The dating game.com is pro choice. This show is live every Wednesday at 9pm. Begin the 27th vote online during the show for the match of your choice. Also check out our website including a directory of dating, a directory, a dating page and a chat room all beginning on December 28. From Castle great club Fort Lauderdale. We want to thank the people out there for mailing us this lovely little postcard to tell us about it.

**C** Chris 06:31  
Okay, now Jimmy, for the item is for the item here. I'm going to mention this because I feel it's something we don't talk about on the radio enough. The Astro Rainbow Alliance for the deaf will meet every Saturday from every second Friday 7:30pm at the Montrose clinic. If you're a radio we need to do something for the deaf community

**R** Roy McCarthy 06:56  
as if they're gonna tell your friends you know, we could do sign language you know,

**J** Jimmy Carper 07:04  
we I guess we need to reinforce that we are the best Dean's of bad taste here. Students are bastards. Yeah, something like that. This

**C** Chris 07:14  
is the holiday season. But on a serious note, everyone this is a time for a lot of people needing help and support in our community. Few little groups here that might be interesting for you to get in touch with for help. Men's gathering of Houston brings together African American gay, bisexual and same gender loving men to dialogue about issues that are important in health in forming healthy relationships with ourselves and others. You can contact them at 713-528-4461 Well, I

 Roy McCarthy 07:49  
don't want to contact

 Chris 07:52  
then don't. Okay. Last time I checked you're not African American. Oh, no. Also the bearing support group has to organizations gaydar, a wellness community for 22 to 35 year old, gay lesbian, bisexual, transgendered persons interested in making healthy connections and personal growth meets on Mondays at 7pm They won't be meeting again until it for two weeks on the eighth and for mature audiences only. It's an inclusive multi issue health and wellness community for persons over 35 celebrating the successes and sharing the challenges of midlife changes. They meet on Tuesdays at 7pm and that's over at bearing United but I'm sorry bearing Memorial United Methodist Church when

 Roy McCarthy 08:43  
do you get it out sooner or later?

 08:47  
Overall at Hawthorne unhearable no

 08:49  
don't get that out.

 Chris 08:52  
You know, I'm doing the problem is this I'm thinking of doing it so far. That's That's my problem.

 08:57  
Maybe that's it?

 Chris 08:59  
I mean with not without going on patrol. I needed some type of lubrication anyway to get everything working. So to speak.

 Roy McCarthy 09:10

You add some stuff. Yes, I

**J** Jimmy Carper 09:11

do. I want to remind folks that the first show in January, we will have a special guests, all the candidates if the from the Royal Sovereign and imperial court of the single star. All the candidates who are running for Emperor Ed and or Emperess and there are eight of them for for each. We've got Cheyenne St. John spectra St. John, buddy Thompson Celeste nobles, J pekovic. Oops. Shawn Carter, Wesley Stewart and Barbara Walker all are running and they will be here. All of them will be here and this will be your chance to hear what they're all about because the voting for Emperor and Empress is by the community. All of you out there members of this community are eligible to vote,

**C** Chris 10:11

except those of us who are running off to Hawaii the week afterward. Well, that's right.

**J** Jimmy Carper 10:17

And I do want to remind folks about upcoming court shows because part of part of what what happens with with these the elections is the fundraising techniques and the amounts of money that these folks pull in. And so the next show next Saturday night, December 30, will be Jays Broadway show at chances at 9pm. And Friday, January 5, spectris St. John, gay charity of Houston pageant at the outpost at eight o'clock PM. And we'll be giving you more shows as they come up as they come along. Yeah, I've got a whole list of them there. But I'm very excited about having all all of the entrance for the the Empress and Emperor positions at the Royal Sovereign imperial court at the single store. I have the utmost respect for that organism and

**R** Roy McCarthy 11:12

I'll say this, I'm glad I'm not one of those judges for that because

 11:17

No, no, no, it's not judging. It's by voting by voting. Yes. It's

**R** Roy McCarthy 11:21

what about Chad's?

**J** llimmv Carper 11:25

 Jimmy Carper 11:32  
He's? We don't allow we don't allow those Dingleberry things. Here No, no, no.

 Chris 11:33  
We allow hanging chads. But it can't be made of paper.

 Jimmy Carper 11:37  
That's right. We want our child's well hung.

 Roy McCarthy 11:40  
I know that right. Anyway, phone dimpled is always good too. Oh, yes. Well, you know, Jimmy, I was gonna say that with this last election and all that mess down there in Florida. The Republicans were against were in favor of terminating the pregnant Chads. And the Democrats wanted the pregnant Chads to develop into full time. Where are you gonna? Go?

 12:11  
Don't go any further. Yes. Do

we're all happy about that. Hey, you've been listening to after hours news and views with big Roy and Chris coming up just right after this next song or two will be Jim sore gagne with the leather line and we're gonna do some fun stuff tonight. Aren't we Jim?

⦿

14:43

Sure are

⦿

14:46

like up on Yeah, like that. Yes, we are. What's some of the stuff we've got? Well,

⦿

14:51

we got some twisted Christmas songs. That's always kind of nice during the holidays. You know, we play a lot of good songs here by gay and lesbian artists. But we also have Some fun songs to listen to. We do. And we have some giveaways too. So stay tuned to KPFT Great.

J

Jimmy Carper 15:06

Let's go right into some music now. Oh, yes, a partridge in a pear tree. That was a thank I thank Jim for bringing that to us because I couldn't find my copy. And I don't even know who the performer the singer is on that. Do you have an idea? Jim?

15:34

I don't remember I had that for many years. And it's one of those that you know, was passed down from friends. Yes,

15:40

yes.

15:42

I'm sorry. I don't remember saying please do not do what they represent.

Jimmy Carper 15:46

No, no, no, no, no, no. But it's a fun song anyway. And Christmas, Merry Christmas. And.

15:57

And I just wanted to say yes. Can you turn my mic on?

16:00

Yes, I Yes. Wasn't that nice of me. Okay, that's okay. That happened.

Jimmy Carper 16:06

What did we say that that people need to hear? Okay, well, I wanted to know that 12 Days of Christmas drinking song Yes. Just do not do what they write. Yeah, no,

16:15

no, that's only for entertainment purposes only. I wanted to do a little recap a little follow up and something we talked about last month. Remember NLA the national leather association was here in our studio. Yes. And the toy drive the toy drive and they were raising money and collecting toys. And this year was their highest total ever. They had shows that wow, it chances EJBs Mary's and decades and all total they raised over \$17,000

16:49

That is something that it's phenomenal.

16:51

And at all. Most of that went to Camp Pope, which is a facility for young Pediatric AIDS patients that they can go to camp and learn about certain things and not worry about to get their mind off what they have. And I think that's a great thing and our hats off to La Houston and give them congratulations for a great job from this Chris. You bet.

Roy McCarthy 17:18

So we also

17:19

have someone in the studio here who do we have

Jimmy Carper 17:23

we have one of the CO hosts of after hours north on ks Hu up in Huntsville we've got Doug with us and no Hello Hello. What are the call letters I keep forgetting ks Hu and I'm sorry what are the what is what's the number on 90.5 90.5 What can I remember that were 90 point well on your 90.5 Ben Hello he's

17:47

seen in a special hello to Spider Man Out there.

Jimmy Carper 17:50

Oh my Yeah. Oh my. So how is after hours north coming along? It

17:56

is doing wonderfully good. We've had several mixed responses some good and most good but some bad.

Jimmy Carper 18:06

While you're out there and kind of rural area most we

18:11

expected that but the school supports is the present university supports this. So we got backing in half place is good. But it's going very well.

18:21

Okay, what what do you do? What kind of,

18:23

uh, basically what you do here?

18:26

Oh, hit the wrong buttons and

18:29

all of that sometimes. Yeah, we inject the CDSS point.

Jimmy Carper 18:34

Oh, you can't be a DJ without doing that. You know, that just that happens. It's just gonna happen. Yeah.

18:42

But we have interviews, you know, you do and our last one for the semester we had a rabbi from synagogue in The Woodlands. And he was talking it was a day before World AIDS Day. So he was talking about his work in AIDS research and in LA in Boston. Wow. So we had him on because he was he's the Rabbi of my co host. So she's converting to from Catholicism to Judaism, Judaism. So we had a demo. coming up in January we have a Jewish singer she is gay, lesbian, rather. And she's going to be on Do you know her name? I can't remember offhand. Okay. I'm sorry. I didn't mean to put you on the spot. No, no, it's shot it's a joy. My co hosts are thing Oh, okay. So she's

Jimmy Carper 19:33

never had that is yeah, you know, I don't actually invite guests too much anymore. They just because I've got all these co hosts and they do that. I just have to push buttons and and play and play songs and I still screw that up.

19:50

But sometimes those guests just kind of just show up.

19:52

Yes, yes. Well, hey was excited. Yeah. Yeah.

19:56

I was wondering Doug your co host joy is she converting because she wants It's more gifts.

20:04

I don't know, I don't want to say anything to get myself in trouble.

20:10

Looking at, also, you had mentioned to me earlier that your stations gonna have a kind of a new name a little buzz name. What

20:17

are you gonna call that?

20:18

Well, I'm not gonna give that out yet. Because we are going to be changing some things, a new look and a new sound sorta. And they'll just have to get on campus and get on the website, the Ks HQ website at [ks.hq.net](http://ks.hq.net). And coming up when we go back on air one more time, just a little slower. S hu.net. Is

20:42

there a W cubed before that? Yeah, I'm

20:45

sure there is okay. I don't know. I'm sure. But on January 7, when we go back on air, we're going to have a new sound, if you will. So. And also if you want to visit the after hours north website, it's an easy one to remember. [www dot after hours](http://www.dotafterhours.com), north.com. Even I can remember that. And there you can find postings about the shows coming up shows when we're going to be

on air, and our email address some links, and we even have links to this station. So nice. So this station is up there right now on after hours. north.com Because we're not on the air. So we invite everyone to tune into tune after hours. Yes,

21:30

yeah. No, I tried to do the same. And

21:33

as you know, you can go there and find KPFT website there. And if you want to hear KPFT on the internet, so that's where you can find it.

21:43

Good. That sounds great. And of course, you're listening to KPFT FM 90.1 here in Houston and Katy EOS in

Jimmy Carper 21:53

college. Yeah, it's technically it's K Pft. Houston, and ke O 's College Station. It's always the call letters in the town.

22:03

Okay. Yeah. Fabulous legal it

22:06

right at two o'clock.

Bobby 22:09

How unusual? Yes. Usually

Jimmy Carper 22:12

it's like 459 to oh, you know, legal ID Whoo. Okay.

22:19

Why don't we do our first do a first giveaway? Okay, what I have is a \$20 gift certificate to Blockbuster. So all you have to do is give us a call at 713526 KPFT. That 713-526-5738. Which color would be the first color so the first caller can call in and big ROI will take your name down here. And we'll get that mailed off to you. Unfortunately, it won't be there for Christmas because the mail but it will be there shortly thereafter. So calling up and we'll get that to you. So how about a little bit of nice Christmas music? Some good things there. Right.

23:00

I do I do. Some more Venus envy.

23:05

Hey, good enough. No, I

23:07

know it's such a

23:08

great album. You mentioned they got together for that album.

Jimmy Carper 23:11

Yeah, yeah, they did. cassette of non Christmas music. And then they put this out quite a while ago, actually, well, 95 is the date on this. But I'm thinking it's even older than that. And I recently heard where one of the women involved is trying to get the other three together or other women to do another Venus envy album. All right, everybody. Great. So this is what's the to you by Venus and V. And of course you're listening to it on KPFT Houston and ke O 's College Station Yes, the late great, said Spencer, with I believe in Santa Claus off of his Christmas album. And he died several years ago. from Oklahoma City. Yeah. Oops. How did that happen? That's strange. That really is strange.

Bobby 24:14

I just want to read a little I must be the Ghost of Christmas Present. Yeah. Thanks, sir.

24:19

I got this. Brian Keever had sent this. Oh, yes, this is it's great. And well, this is actually different ones. He's kind of sappy one here, but it was really kind of neat. Okay, so I wanted to read it Verv short one It says the verv finest Christmas gifts are not found beneath the tree

read it. Very short one. It says the very finest Christmas gifts are not found beneath the tree. They are never tied with ribbons. Nor are they something one can see. Yet among the lights so bright and presents wrapped and gay. They are the finest gifts of all for everyone's Christmas Day is the sense of love and peace that shines in people's hearts. It's the goodwill of the season, in which each may have a heart

 Jimmy Carper 25:02

I have to stop you because I didn't have your mic god. Oh, I am so sorry. I'm so sorry. I don't know how that happened, because I changed it back. Okay, so let's try that one more time. Something

 Bobby 25:13  
wasn't sounding right.

 25:16  
All right. This is the poem. It's called the finest Christmas gifts. By Virginia, Catherine Oliver. And it was in a car that was presented to me by Brian keeper, I thought it was very nice. So I wanted to read that out here on the radio. The very finest Christmas gifts are not found beneath the tree. They are never tied with ribbons. Nor are they something one can see. Yet among the lights so bright and presents wrapped in gay, they are the finest gifts of all for everyone's Christmas Day. It's a sense of love and peace that shines in people's hearts. It's the goodwill of the season, in which each may have a part. So it's kind of nice. I know that. Bobby You write a lot of poetry and things. Yeah,

 Bobby 26:01  
yeah. Yeah, I read my Christmas thing last week. I was like, but that's pretty. I like that. It's hard. It's pretty. It's it's, it gets to the heart of the whole thing, doesn't it? It does.

 26:14  
And it's, you know, kind of, we kind of build up to this. And it's here, you know, Christmas and, and Hanukkah and Kwanzaa. And it's a very nice time of year, you know, we let's we can forget about the politics for a little bit and all the problems and just kind of settle back with her friends and family. And again, we are family here. And I think everyone needs to realize that.

 26:37  
Oh, yes, yes, yes. Yeah. And

B

Bobby 26:39

I keep it's like I keep telling people. I mean, you know, everybody whines about the commercialism and all of this stuff. Well, I've got a simple solution for that. Don't buy into it. Exactly. I have every gift I give, I give out of my apartment. Stuff that I own ends up in somebody else's, or makes housing norm. That's what I'm doing something that may or may I make something? I mean, what, why go through all that madness. When when that's not what it's about? That, you know, people

27:16

it's because we think it's expected of us. Yeah,

27:19

I made my mother a CD. Oh, cool. That's kind of funny songs for

B

Bobby 27:26

I mean, it's, it's, it's about the togetherness thing. And the being together and family. And that and family, obviously to this group of people means much more than relatives. You know, the difference between relatives and family? Yeah,

27:44

that's true. And you know, it's, it's your, there's immediate family. And then there's your family that you grow up with, like here. So, hey, we want to thank Marilyn, who is the winner of our blockbuster gift certificate. Oh, good. Merry Christmas. Marilyn, hope you can enjoy that. And we'll have one later. So you all need to stay tuned. So we're have some music next, and Jimmy's gonna put something in and

J

Jimmy Carper 28:09

yep, I got it. It's a little more serious about some gay groups. This is this first one is by the South Coast chorale off of their Christmas album called Christmas time. And it's it's a very openly gay song which I kind of like and I know JD Doyle out there who's listening also likes so here we go Christmas time by shot sis South Coast chorale and I'll have a cup that's hard to say. It is for me at 215 in the am and you're listening to it on after hours queer radio with attitude on KPFT Houston and ke O 's College Station
