SPEAKERS

Bobby

00:04

Oh yes, I'll be a home. Oh, for Christmas and every other year. Yes. And every other occasion. Yes, indeedy. Oh,

Bobby 00:12

all I'm saying, is that coming out for Christmas thing. I know somebody for whom that's going to be so I

00:20

think that first time was very appropriate because I'm seriously thinking about coming out to my father and Christmas.

00:27

We want to do that. Yeah, I wonder about that.

00:29

But, you know, he's coming over to our house, so

00:33

Oh, so So he's the one he can we? Oh, wow. I don't think it'd be

 B

Bobby 00:40

Christmas.

 ♀

00:42

Yeah, it can be stressful that you think he suspects?

 ♀

00:45

Well, looking back a couple years ago, he gave me a gay Yellow Pages ditty. So I don't know. You know, I don't know if he's gay. Or if he actually knows I am.

 ♀

00:56

Okay, well, that sounds promising. Yeah, it sounds like you don't see your father alive. I

 ♀

01:02

don't see him alive.

 ♀

01:03

So does he live in another state or so now? He lives in Houston. You just don't see him a lot. Okay, okay. Okay. So we'll

 ♀

01:10

see how that goes. Does he live in the Montrose No, okay. She's got fabulous taste.

 B

Bobby 01:21

Well, that does help. Yes, it is

 ♀

01:23

it I don't know. It could be real fun Christmas at your house. Yeah. Hey, we

01:27

need some, you know, entertainment.

Bobby 01:31

I could think of so many other things to use for entertainment when

01:34

we have to have some sort of crisis on Christmas or it's not Christmas in our house.

01:39

I think that's I think that's with every family. Even families of choice you know, some but there's got to be drama somewhere.

01:47

Keeps you exciting,

01:49

I guess, keeps everybody on their toes. When we talk about bout that expectations of Christmas, and we were just you were talking a little you know, during the music about that. And I want to remind everybody they are listening to after hours career radio with attitude on KPFT Houston and ke O 's College Station. I'm Jimmy Carper. Jim sorgi is here with leather line. And we have guests, Bobby and Doug from after hours north ks HQ in Huntsville.

02:24

Thank God, I'm not there.

02:29

Wow, you know, you are you're paving some ground there with that show. Yeah. But you're just talking about coming out at Christmas, which it's not always a good thing to do, because, but Christmas itself, we get the stress levels. And I think almost everybody third sky high. Oh, extreme. And for people like me HIV positive or people with AIDS. I mean, that is not a good thing. But it's, we expect things or we think that other people expect things of us. You must be at a certain place at a certain time with a box with a ribbon on it. But do we do we have to do that?

 **Bobby** 03:15

I tell people that you know, I'm here. Okay. I couldn't afford a whole lot. So, I'm here. That's your present. I made it to the party. You know, it's like, I made it to the event, whatever that event is, you know, that's, that's generally how it works for me. I just show up. And I'm like, sorry, I couldn't get anything. But we're here were together. That's what

 03:42

the people you love should be. That's yeah, it should be. It's

 03:45

the love. Yeah. It's the commercialism, unfortunately, has gotten bad. Everyone has to top everybody with the newest latest little gadget. No, and gotta have that scooter or something like that.

 03:57

You know, I was just commenting tonight that, you know, downtown looks all nice and pretty. But what do you see when you look up there on top of that blue building? You see an advertisement for Rear Admiral Christmas?

 04:09

Oh, yeah, that's, that's, you know, when you start seeing Christmas in July, August, September, each year, that's

 **Bobby** 04:21

to heck with Christmas coming the day after Thanksgiving. It's started the day after Labor Day.

 04:29

All right. Well, Jimmy, you got some more tunes lined up for this.

 04:33

Yeah, we're gonna do some tunes tonight. I love doing all these students. And especially there's I have a lot of music by gay men's choruses. Because I put out Christmas albums and and the more than anyone else, and so this is the only time I get to play it. And

04:50

they're really good and I'm sorry, I missed the one here and used and for just that they had back early part of December. Yeah,

B Bobby 04:56

it was very That was a beautiful thing. It

04:59

was beautiful. disco. Yeah, this is a brand new CD by the capital city Men's Chorus. And that's the Gay Men's Chorus in Austin. It's a brand new CD called Northern Lights. And it's a lot of I don't want to say traditional because it's more than that. It's very, very early Christmas music from Ireland and Britain and

B Bobby 05:26

well it's somebody's tradition. Yeah. Yeah,

05:30

you know it's we're

05:33

working our listeners pick that up, you know where they can get that

05:36

I you have to get it I guess by mail or by

05:42

I don't know if some of those stores like Lobos are no

05:44

I don't think anybody has this that I haven't seen it. It's a capital city Men's Chorus at Box 508 to Austin 78763. And they don't well that's

06:02

okay, we'll find out.

06:03

This is this is a song that you will be familiar with though. There's a lot of songs on here I'm not familiar with and but they're beautiful, beautiful songs and done extremely well. This well, I'll just play it let's get on with the program

06:27

that was from the Boston Gay Men's Chorus off of their CD freedom merriment and joy. It was freedom. Merryman and joy. It was good Hanukkah song. Yeah, Yiddish folk music Yes.

06:43

And that's one thing that one needs to realize other other than Merry Christmas and Christmas holidays there is Hanukkah

06:49

Yes. And which was last Thursday,

Bobby 06:51

Kwanzaa, Hanukkah.

06:52

You'll you'll Yeah. This any number of celebrations and Festivus

07:00

if you ever watch Seinfeld

07:04

gather around the pole. I

 **Bobby** 07:05

can say with pride that during the nine season that seasons that was on the air I never watched a single episode beginning 10 Ouch gotta hate it. I'm sorry. I hate it.

 07:20

Oh, well. Oh, well, but no, there are all kinds of different celebrations going on celebrating the solstice like you said or the winter or the coming of spring or the birth of of a man or whatever. So just

 07:37

whatever you happy whatever you

 **Bobby** 07:39

celebrate. And we're here

 07:41

to celebrate. And

 07:43

remember being a pagan only means that you that you that you should have another co host here.

 **Bobby** 07:54

You got three already. Got three already? What he helps do that

 07:59

you are celebrating nature. Yes, yes. Let's not get into the Satanism and all of that kind of stuff. Please don't get me. Even Satanism because they don't believe in Satan. Yes. Satan is a Christian, I believe yes. And

 **Bobby** 08:14

basically speaking, you have to be a Christian, to be a Satanist. Pretty much because you have to believe in Christian beliefs in order to believe in Satan

08:25

etc. So we just wanted to cover it all. Covered. Also everybody celebrating all these things all have probably the same kind of stress. You have to perform to be somewhere at a certain time and day with stuff in hand and all that good. I'm

Bobby 08:43

guessing actually, Chanukah folks probably have an even bigger amount of stress because she presents Yes. Because their children get presents. One like one present I believe a day one present for each of the days. And I'm sitting there going you know, somebody spend in a bundle a whole bunch of people spend in a bundle during that again, a lot of them

09:05

are from the heart.

09:06

This is true. And on my side. I'm thinking only eight

Bobby 09:13

I haven't gotten many but the ones I've gotten were really

09:15

cool. Yeah, yeah, me too. Me too.

Bobby 09:19

Very cool one this year. Thank you, everybody, including the folks I work with. Yeah.

09:27

And your Christmas Jim.

09:29

Christmas is nice. It's very it's kind of a quiet time It's time that you can finally relax and settle down a little bit and just kind of unwind and enjoy it kind of a personal moment enjoy I like the season very much. And Christmas is a time where you know it's almost Thanksgiving rolls into Christmas. It means a lot a kind of give thanks at that time. I don't believe in all the commercialism so I don't go in For all the big hubbub and like you have to get someone this and because you balance it out where they're saying, Well, I have to get him then equal amount of President Oh are wise I don't like that. That's again here we lost the point. Just kick it on down a little bit. The retailers don't like that. But this is

10:17

now listen, this is coming from a man who showed up tonight with all kinds of drink and presents.

10:24

But again, that was from a heart. Yeah, that's what it was about the money it was because this is my family here at the radio station. And I think you're you're really a great group of people.

10:37

And you are part of it, which helps make it great.

10:40

Thank you. Glad to be a part of it. Good.

10:42

Good. Good.

10:43

And I hope you're here for you're spreading love here tonight.

10:45

We are we are

10:46

and that's what it should be about exactly what should be about.

B Bobby 10:49

It's what people should remember.

♂ 10:52

And I like these twisted Christmas songs.

♂ 10:56

Do Oh, yeah, Chris has tripped. Chris has just walked in with something in his hand. And I know it's gonna be rude. Let's go on

13:30

13:32

I've got yeah, I've got this song to go out with by Sid Spencer. Yes,

13:40

I'm sorry. I didn't get to meet him a few years. Oh, I need to hear that

13:45

13:47

Tip the entertainers and get to know him because they're really good people. You bet they'll do anything at the drop of a hat. I've been happy to say I've been involved in a little bit of that. And it's just it's real fun. And some of them are so good that they cut their own CD. So yeah,

B

Bobby 14:12

and a lot of and a lot of those entertainers who are doing those fundraisers are also benefiting from some of that fundraiser.

14:21

That's right. Because they are living with Yes, you know, yes, we are living with it that much longer than you had never thought I'd see the year 2000 Much less 2001 So things are getting better.
