## SPEAKERS

Jimmy Vaughn, Speaker 11, Speaker 13, Speaker 12, [Together], Speaker 5, Speaker 3, Speaker 9, Speaker 8, Speaker 10

---

 Speaker 5 00:05

Does it seem to kind of when you fantasize about it does it change things for you?

 Jimmy Vaughn 00:13

Maybe a little bit I feel a little bit more cerebral a bit more aggressive and maybe even sometimes a bit more nonnamous Just in my fantasy involve like say a blindfold some sort

 Speaker 5 00:25

Does it allow us side of you to come out that then come out normally

 Jimmy Vaughn 00:31

Occasionally said little beast in me run wild.

 Speaker 5 00:38

And that for me, that's, that's a big part of it is the play aspect of it all. You know, you can role play, you can you can either be the dominant butch or the heroine in distress.

 Speaker 3 00:55

Oh, you can do things you've never do in real life. The cool thing about it is pretend you like a school girl. Or like, you know, stuff like that.

J Jimmy Vaughn 01:08

Or you cheated on your last exam.

S Speaker 3 01:11

Yeah.

S Speaker 5 01:13

Tell us more Stacy.

S Speaker 3 01:15

Okay. Not that that's a personal experience or anything.

J Jimmy Vaughn 01:19

I'm not a girl.

S Speaker 3 01:19

Not at all.

S Speaker 5 01:24

How's it tie in for y'all for being bisexual?

S Speaker 3 01:30

I feel they're very they're very different. In a lot of ways they're very different issues. I mean, in terms of because being bisexual and and being an S&M, I feel are very different things however, it does. It does seem like in the S&M community, there are an awful lot of bisexuals. And I've also met an awful lot of bisexuals here in S&M. I think a lot of a lot of them both have to do with the idea of, you know, having variety in your life, I guess. And both of those being bisexual and S&M both tend to give you that, I guess.

S Speaker 5 02:04

So. Do you feel that- I mean, I hate to kind of categorize, but do you think that people that are

bisexual are maybe a little more open to it because they are more in tune with kind of exploring both sides of their gender?

 Speaker 3 02:23

I think so. Firstly, I wouldn't say that because I mean, I've met that bisexual people- or bisexuals that they're attracted to both I mean genders but it doesn't seem it doesn't necessarily make people more open minded than other areas. I mean, I've met people who in there there are definitely a lot of gay men and lesbians and strike people as well who are very into S&M Maybe it's just my social circle that I hang around that that everybody I know is very open minded about that. It was just me personally I don't know I mean to speak for anybody else but all my friends are.

 Speaker 5 03:00

Yeah what about you Dennis?

 Speaker 8 03:06

Tell Sarah to stop that.

 Speaker 5 03:08

Sara stop that.

 Speaker 8 03:11

We're supposed to be doing that.

 Speaker 5 03:14

Oh, put those toys down Sarah.

 Speaker 9 03:18

This Jimmy just got the sensitive nipples and he just comes over.

 Speaker 5 03:22

Oh I know we need to get Jim in here and talk a little bit on some things [INAUDIBLE] anyway, what about for you Dennis? How does it relate to you as a bisexual?

S

Speaker 8 03:41

Hmm I really couldn't say because I like I said that I just have play with it. I hope to find out soon.

S

Speaker 5 03:49

Okay want to talk a little bit about equipment toys [INAUDIBLE] getting some weird hand signals. Anyway, I want to talk about some of the toys to play with. What kinds of things what kind [INAUDIBLE] of y'all enjoy using and playing.

S

Speaker 8 04:26

We're just being really silly around here with a bunch of hands. Of course you can't see since this this

J

Jimmy Vaughn 04:30

Yeah that's what we're doing with the toys.

S

Speaker 5 04:37

I did bring that toy bag. Do any of these toys excite you? Give me a [INAUDIBLE].

S

Speaker 9 04:45

Let just tell the people out there what things describe the toys that [INAUDIBLE]

J

Jimmy Vaughn 04:48

Can we say this [INAUDIBLE] radio?

S

Speaker 5 04:52

Yeah.

J

Jimmy Vaughn 04:54

Well that yeah. Is that thing legal in the state?

S

Speaker 5 04:59

As far as I know,

J

Jimmy Vaughn 05:01

You don't care to conceal [INAUDIBLE].

S

Speaker 5 05:05

Well this, my gym coach used to use this on me.

J

Jimmy Vaughn 05:09

I guess you should all know we're talking about nice being black paddle.

S

Speaker 5 05:14

I'm talking about big paddle [INAUDIBLE]. I think that was, you know, that's another issue that came up for me as a kid was that, you know, spanking was a sexual act, even infancy for a parent to spank a child, it's, it's, you know, you're hitting the kid on the behind and a lot of time. So what is the father do? Lay you right across the knees, so you're getting your genitals pounded into the knee. You know, it's it's nothing less than a sexual act.

J

Jimmy Vaughn 05:50

Spank me daddy.

S

Speaker 5 05:51

And you know, except it's very repressed in our culture. And I think part of the S&M thing, you know, that's part of what led me into exploring a little bit was that, you know, had all these feelings that I didn't understand back then. And I had to learn more about it.

J

Jimmy Vaughn 06:10

Have you read any of the leather men's handbooks know, all their real good road? They go into great detail about different all kinds of techniques and all kinds of things like that, and just the safety and this and that kind of issues and stuff like that. They're just real good. Real good sex positive books. Oh, cool. So if you happen to see those, definitely.

S Speaker 5 06:35

Where do you get them?

J Jimmy Vaughn 06:36

Oh, geez, I don't know. Lobos places like that.

S Speaker 8 06:43

You know what, Jake. Bring Jim's library here now.

J Jimmy Vaughn 06:48

No mine's well dogeared.

S Speaker 5 06:51

Oh, we do have a caller we want to take we have a someone calling from Huffman, Texas Rory. Let's see what do we do here to pick them on? Punch three Oh, hello, Rory. Do you hear us Hello Rory?

S Speaker 3 07:14

Hello.

S Speaker 9 07:19

Amateur night here on KPFT.

S Speaker 5 07:23

Are we getting Rory, yet?. Can you hear? Rory? Well, let's see if we can figure out the problem here. Oh, here we go. line one. Oh, hello?

S Speaker 3 07:48

He's not there anymore.

S Speaker 5 07:49

Oh, he's not. He gave off. Okay. Okay, well, well. Cut that off. All right, yes. B&D toys, what kind of toys do y'all turn into? Who wants to go first. I won;t put you on the spot this time.

 S Speaker 3 08:12

I guess I like more. I don't know. This is one riding crop that you have that I really liked. But I tend to like more. In general, more toys that are more sensual, kind of like more and more soft, I guess. I mean, I like like, kind of like I like handcuffs, but I like them with like, being a kind of like some sort of protector on and make them softer. So I mean, the person who's struggling doesn't get hurt by them. I tend to like to explore like, non-essential things like wax or ice cubes.

 J Jimmy Vaughn 08:50

Mmm, yes.

 S Speaker 8 08:50

Ice cubes [INAUDIBLE].

 S Speaker 3 08:50

Yeah.

 S Speaker 8 08:52

Yeah, so many fun things you can do with ice cubes.

 S Speaker 5 08:56

What about feathers? Oh, yeah. Tickling?

 S Speaker 3 09:00

Oh, gosh.

 S Speaker 8 09:01

[INAUDIBLE] Roses. Nothing like nice soft roses against your skin?

S

Speaker 5 09:09

What kind of things have you played with? I mean, what helps you in S&M? D&D. To play the fantasy.

S

Speaker 3 09:25

I know for me, it's like more of a mental thing than like, involving any toys. Because if the person I'm with and I have like the same idea of what we want to do, it works a lot better. And that for me, I haven't experienced stuff with toys. Really. It's mostly just, you know, just a mental thing. A verbal thing.

S

Speaker 9 09:42

Even you know, yeah, it's much more of at least at least for me to I mean, it's more of like the toys are just kind of props. I mean, they're not really they're not really the main thing or the central theme or anything. Like more just like I mean simply like, like, like penning somebody down or being pinned down by tieing up somebody can be a very erotic experience

S

Speaker 3 10:01

Yeah.

S

Speaker 9 10:03

Even most people I mean most people aren't in S&M probably have had an experience right that just to think about.

S

Speaker 3 10:09

Yeah.

S

Speaker 5 10:10

Okay. We're gonna try for to get Roy on again. Let's see if we can get him here. Hi Roy.

S

Speaker 9 10:24

We hung up on him. Let's see.

S

Speaker 10 10:25

Hello.

S

Speaker 5 10:26

Hello, Rory.

S

Speaker 10 10:27

Hey.

S

Speaker 5 10:28

How are you doing?

S

Speaker 10 10:29

Pretty good. I just wanted to compliment the station. And I mean, I love this program this this is my favorite part of the whole station. I think it's great that there's a station set aside for openly gay and lesbian people.

S

Speaker 5 10:46

Oh, cool.

S

Speaker 10 10:48

And I just I mean, I know I'm not alone whenever I say it's but I really appreciate I mean the station. And just this main show. And you're talking about sex toys and stuff.

S

Speaker 5 11:01

Yeah.

S

Speaker 10 11:02

Well, I saw in this catalog once they had this this dildo that you could pull. I swear to God, man, it was so big.

S

Speaker 5 11:14

Oh. wow. Yeah. I've got a couple of big ones myself.

S

Speaker 10 11:17

I want-.

S

Speaker 3 11:19

Something interesting that I don't know is if dildo;s are illegal in Texas now. It's kind of a I don't know what it is they pass a law that it was illegal to sell dildos.

J

Jimmy Vaughn 11:30

And speaking of legal I gotta do an ID right now. This is KPFT Houston and KEOS College Station Brian and you're listening to After Hours like continuing tradition and all that nifty business and-.

S

Speaker 3 11:45

Yeah.

J

Jimmy Vaughn 11:46

Before she was so rudely interrupted-.

S

Speaker 3 11:48

Before I was rudely interrupted him- he usually does but just kidding. There's Yeah, the Texas legislature in its infinite wisdom passed a ban on on selling on selling builders and actually if you own more than three dildo's,

S

Speaker 9 12:03

I thought it was 6. They changed it.

S

Speaker 3 12:05

Yeah. If you have more than 3 dildo's in possession with intent to sell. Which makes no sense, why would you have a for sale dildo.

S

Speaker 5 12:16

Speaker 5 12:19

Well, you don't want to tell that.

 Speaker 10 12:20

But I wanted one of those big ones for Christmas. But my mom couldn't fit under the tree.

 Speaker 5 12:24

Oh my goodness.

 Speaker 8 12:26

Very sad. [INAUDIBLE] then, huh?

 Speaker 5 12:30

That must be pretty big.

 Speaker 10 12:32

It came with a leather whip.

 Speaker 5 12:33

Oh, wow.

 Speaker 8 12:34

Oh my.

 Speaker 5 12:36

Right, how long have you been into B&D?

 Speaker 10 12:41

Three years.

 Speaker 5 12:42  
Are you a bottom or a top?

 Speaker 10 12:46  
Top.

 Speaker 5 12:47  
Oh, no, baby.

 Speaker 8 12:49  
Gleaming [INAUDIBLE] here.

 Speaker 5 12:53  
Tell us something.

 Speaker 10 12:56  
What do you want to know?

 Speaker 5 12:57  
Oh, just what kind of things are you into?

 Speaker 10 13:03  
Blowjobs and stuff.

 Speaker 5 13:05  
Okay. Well, thanks for calling us.

 Speaker 10 13:09  
Okay. Thanks for having me on there.

S

Speaker 5 13:11

You bet.

S

Speaker 10 13:11

Okay.

S

Speaker 5 13:12

Have a good night.

S

Speaker 10 13:13

Okay. I think that brings up another issue is laws. You know, we do get a lot of misperceptions in the bigger community. Especially when you start talking about S&M and B&D. Have y'all ever encountered anything? Any problems?

S

Speaker 9 13:43

I am personally I've never really encountered any problems with the law or anything like that but I mean I've known I've known people who have and it's like I mean it's I'm part of it I think is the like that the greater community isn't just isn't educated about that S&M is about consensuality and about I mean, that's like the central theme of like people who practice S&M-.

S

Speaker 3 14:07

You have to trust the person.

S

Speaker 9 14:07

Is that you have to trust the person you have to be consensual there's something called a safe word that's usually used and S&M, which is basically like a word which you say, which will end the whole scene.

J

Jimmy Vaughn 14:20

Usually, it's a word that you normally wouldn't use. But like for instance, the word yellow.

S

Speaker 3 14:27

My girls made fun of me; the word cabbage.

 **Speaker 5 14:32**

We're gonna take a break to some more music. We got some something to put us in the made for S&M. And here you gotta Jim back to some fun music.

 **Speaker 11 14:52**

And for that lovely selection, we have Jimmy Vaughn to thank for that. Jim, you want to say what you played?

 **Jimmy Vaughn 14:59**

Okay. that last cut, there was Monty Python with the lumberjack song. And let's say before that was a little piece from the buggery on the high seas. That was Cheech and Chong, for I don't know which album It Was. It's one of the early early ones.

 **Speaker 11 15:20**

It's off the cart. Jim, it's off the cart.

 **Jimmy Vaughn 15:21**

Well, I know but but it was taped from the album, which I do not remember the title. It's an old one. Back in the 70s, but-.

 15:31

[INAUDIBLE]

 **Jimmy Vaughn 15:34**

Or that.

 **Speaker 5 15:35**

I'll that volunteer

 **Jimmy Vaughn 15:38**

And started that little weird set of stuff out there with Tom Lair, the Masochism Tango off of the Dr. Demento collection. And that's that's always a great little tune.

 Speaker 11 15:51

Especially for this group,

 Speaker 5 15:53

Baby. Ooh, strapped me to that mast. Sailors are so butch.

 Speaker 9 16:08

If you ever see that Saturday Night Live skit where they were on the ship and like the people are like, like the captain's like Oh, y'all have to be punished. Punish me punish me.

 Jimmy Vaughn 16:22

I saw this episode of The Black Adder where they're out on the ship and they of course they were all out of water. Guys are all looking around it says oh my god. Are we at the urine and drinking stage?

 Speaker 5 16:40

I'm not into the drinking. Showers can be fun.

 Speaker 3 16:46

I guess I'm more normal than you.

 Speaker 9 16:48

But that's a different topic completely.

 Speaker 3 16:54

I'm Stacy the normal bisexual.

 Jimmy Vaughn 16:55

Oh yeah right. Wink. Wink. Nudge. Nudge.

 Speaker 5 16:57

But Jim what what kinds of things turn you on and S&M?

 Jimmy Vaughn 17:05

Oh, since we're swapping s&m fantasy. Yeah, I see. It involves a dimly lit pool room.

 Speaker 5 17:11

Ooh, baby.

 Jimmy Vaughn 17:12

And let's see about Oh, geez. four maybe five. Nearly aked people just accessorized with leather things. And you know both sexes of course. Oh yeah. And let's see few lit candles a blindfold a few they'll pull balls and a straight razor or two and a piano. Geez well you know little things like that.

 Speaker 5 17:40

What how'd you get into the S&M thing?

 Jimmy Vaughn 17:42

No, I'm not I just sit around and think of this stuff. I haven;t actually done it.

 Speaker 5 17:48

I thought you'd gotten into it.

 Jimmy Vaughn 17:53

No, no, no. No, I just go to rip cord to watch the TV. I don't [INAUDIBLE] them the sports they're in. Okay, so I was our come [INAUDIBLE].

 Speaker 5 18:03

And he sure gets a gleam in his eye was whenever I bring my toy box.

J

Jimmy Vaughn 18:09

I know that over I go to one of GiGi's parties and I get that whip out and the one that makes a lot of noise and crack it really loud. Everybody in the room goes. No, that's not the right one. That's the brown one the bullwhip that makes all the noise. Everyone turns around and then when they see it's me holding the whip they'll go ah its just Jim. It's just it's just Jim nevermind.

S

Speaker 5 18:34

These ceilings are bit low for the bullwhip.

J

Jimmy Vaughn 18:37

Yeah, I guess so.

S

Speaker 5 18:39

Don't want to catch a light. But anyway, it's anybody ever had a problem? Any problems with S&M? Encounters? Scary occurrences?

S

Speaker 8 18:55

Yes, the strange looks by neighbors. Neighbors Give me when I go outside in my leather.

S

Speaker 3 19:00

I haven't really had any problems with it.

S

Speaker 5 19:03

I mean, that seems to be the big fantasy of straight society is that you know, these people are gonna tie you up and do-.

S

Speaker 3 19:12

Terrible things to you [INAUDIBLE].

S

Speaker 5 19:13

Terrible things to you

terrible things to you-.

 Speaker 8 19:15

Oh yes lots of terrible things-.

 Speaker 5 19:17

And then you're gonna wind up dead somewhere. But on a serious note, safety is important when you get into S&M, and I think-.

 Speaker 9 19:26

Right, it's very important to make sure that the person you're performing S&M With you've made sure you really trust them and really know who they are-,

 Speaker 3 19:35

You have to communicate with them.

 Speaker 9 19:36

You communicate- communication. I think is like-.

 Speaker 5 19:38

Communication is key. I mean, you don't want someone going after your body with a whip and letting him get carried away. You should enjoy it.

 Speaker 9 19:50

It's never a thing you should do when you're drunk or on any drugs, right?

 Speaker 5 19:54

I mean, it does take you know being consensual, safe I mean, safety is real important, especially when it comes to S&M. You got to, you know, besides just physical dangers, there's other risk transmitting disease, so it's important to play it safe. I'd like to bring that up because that's part of the safe, consensual nature of S&M, is- is playing with someone you know, someone you trust. And and someone that's going to respect your limits. I think that's what it's really all about is respecting limits and in developing and growing. And in learning more about yourself and having fun. Anybody want have any last words before we turn the show over to

our next half? Nothing new here. Well, we're gonna be moving on. We've got political stuff coming up, and it should be pretty good. I'll let them say a few words. When they're, and we'll turn it on over to them. And in the meantime, this is Binet Houston, we meet every Wednesday nights seven to nine at MCCR.

 Speaker 9 21:28

If you're-.

 21:28

Sometimes we run a little late though.

 Speaker 9 21:30

If you're bisexual or you're just questioning your identity or have friends who are bisexual even please just feel free to go ahead and come on down.

 Speaker 3 21:38

Yeah, and they're all bunch of really cool people.

 Jimmy Vaughn 21:40

Oh, I got the late breaking story here. We got a call from this guy who said his his girlfriend was into got into just got into kind of like bondage and things like that. And he said that she took these handcuffs out and handcuffed him to the bed and then left for three hours. And then when she came back he had to submit to all these demands before she would unlock like, man, she knows this stuff.

 Speaker 8 22:11

Actually, she's reading your library Jim. Really? Again,

 Jimmy Vaughn 22:16

There's there's another S&M horror story it's Stephen King Gerald's Game Yeah, this woman who gets handcuffed to a bed and then her husband falls over a heart attack. It's incredible it's just incredible. Anyway-.

 Speaker 5 22:33

I had a boyfriend like that once he didn't die but.

S

Speaker 8 22:38

They had a episode of live show on Channel 20 But they actually did that it was a newscasters got handcuffed to his bed and when she left to go change the hand earthquake and well- he was left on the bed.

S

Speaker 5 22:54

Ooh what a position anyway the boyfriend I had he he came back after about an hour and a half and I had to submit to all kinds of things before he let me go that was fun.

S

Speaker 8 23:14

You dog. Are we signing or ending this part portion?

S

Speaker 5 23:22

Yes, we're about to in this portion of the show. And-.

S

Speaker 8 23:27

[INAUDIBLE] sorrow.

S

Speaker 5 23:27

Do remember Binet that we meet Wednesday nights seven to nine at MCCR.

S

Speaker 8 23:34

Supposed to be seven but it really start-.

S

Speaker 5 23:37

7:30 ish. If we're not there just hang out.

S

Speaker 8 23:43

Go be a circle. Keep going, is that what she's saying?

S

Speaker 5 23:54

Oh, ok.

S

Speaker 8 23:55

Is that what that means keep going. Keep going.

S

Speaker 5 23:57

Ready or this to end?

J

Jimmy Vaughn 23:59

Yes, we make like the Energizer Bunny. Just keep going going.

S

Speaker 3 24:02

Some people probably could.

S

Speaker 8 24:03

Let's just sit here and babbling incoherently. Something going there.

J

Jimmy Vaughn 24:08

I think we're pretty good.

S

Speaker 8 24:09

What did she say? I couldn't make out all the words. There were two? Five hand gestures.

S

Speaker 9 24:19

No just one.

S

Speaker 8 24:19

Oh, I see. That's what she's saying.

J Jimmy Vaughn 24:22

GiGi you put your clothes back on.

S Speaker 5 24:24

I have a place you can put that.

S Speaker 8 24:29

Don't even go there.

S Speaker 9 24:30

Please don't.

S Speaker 8 24:32

Sarah G is at the control. She really likes it. You can tell.

J Jimmy Vaughn 24:38

Domination is power thing going on?

S Speaker 5 24:42

So I was trying to find a good topic just so hard to come by around here. Well, anyway, anything you want to tell us about the fantasies you're talking about on break.

S Speaker 3 25:05

Oh gosh, I don't know because-.

S Speaker 8 25:07

Well you brought up some things that-.

J Jimmy Vaughn 25:09

January 20, 2005

Something about cheating on exams or something I believe.

Speaker 3 25:13

Little school girl school girl fantasies my exes are probably listening and going oh my gosh keep bringing this up.

Speaker 5 25:21

Yeah they all are.

Speaker 8 25:24

[INAUDIBLE] in the room with us.

Speaker 3 25:27

Yeah. Oh, gosh. Just like getting the crap beaten out of me. I don't know.

Speaker 5 25:38

Sorry to put you on the spot.

Speaker 3 25:40

It's everybody always does.

Speaker 8 25:44

Mr. Sarah says we have to go now.

Speaker 5 25:47

Oh, we have to go now

Speaker 3 25:50

Bye bye now.

 Speaker 8 25:50

Bye Mr. Sarah.

 Speaker 3 25:52

The world knows my fantasies, bye.

 Speaker 5 25:55

And Stacy, can be reached at?

 Speaker 3 26:01

I am single!

 Speaker 8 26:01

Aren't we all?

 Speaker 5 26:02

Well, this is fine it. We're turning it over to a more political agenda.

 Speaker 12 26:14

All right. Isn't that a really cool song

 Speaker 13 26:16

That is just too cool. And that's why we played it.

 Speaker 12 26:18

Okay. And it's a perfect song to make out on. Well, let's see, we just finished up with part one of the good program, which was, I guess, the good section and we're now the bad section, part two. The song--

 Speaker 13 26:32

...

in stereo.

 Speaker 12 26:33

There we go. Colored stereo. The song we just played was Queer, of course by Garbage from the album Garbage, which it is not is absolutely fabulous. And speaking of queer.

 Speaker 13 26:47

We're here.

 Speaker 12 26:48

We're queer.

 [Together] 26:49

We're fabulous. Get used to it. We're here. We're queer. We're fabulous. Get used to it.

 Speaker 12 26:55

That's right. Your worst nightmares have come true Queer Nation is back. And better than ever.

 Speaker 13 27:00

With a vengeance.

 Speaker 12 27:01

There we go. The next meeting is scheduled for Monday at 7:30 at your Montrose Branch library, which is located at the corner of Richmond and Montrose. And for those of you who don't know what Queer Nation is, it was actually the most fabulous activist group in this the city of Houston has ever seen.

 Speaker 13 27:20

Weren't you were part of that group?

 Speaker 12 27:22

And weren't you a part of that group?

S

Speaker 13 27:23

Well, yes.

S

Speaker 12 27:24

That's that. Well, I mean, yeah, we were both a part of Queer Nation. That's how we met. It's how we got involved with After Hours, I think also has Scott Lewis got involved with After Hours. We were all angry young queers who, you know, went to Queer Nation, we got involved, we learned that the activist ropes we get recruited into After Hours. And here we are now. I must admit, I mean, I think back very fondly on those old Queer Nation days now that I'm an old fart. And I'm not even 30. But that was just the most amazing time. And I think what a lot of people have been thinking lately is, it's time for something like that to reoccur.

S

Speaker 13 28:07

Right.

S

Speaker 12 28:07

Because the current political organizations don't exactly float our boats. And there's still a lot going on. I mean, just recently, on Wednesday, two gay men were attacked, and one was killed by being stabbed 35 times from some self styled Neo Nazis from Montana, who decided, you know, let's go out and beat up them fags. And that's what they did. And it's it's absolutely necessary that a group like Queer Nation is here to respond not only to hate crimes issues, but the marriage issue, which we're probably going to be talking about a little bit later, right is going to blow up this year. I mean, if Hawaii if the state of Hawaii legalizes same gender marriages, that's going to be just the absolutely most amazing thing. And seeing is how it's coming in. In an in an election year. We're re electing the president, Congress, state legislature, etc. It's going to be pretty hot and pretty fun. So.

S

Speaker 13 29:04

So all the all the new people who weren't around when Queer Nation are weren't out when Queer Nation was first enacted, you know, just come out. Yeah, even if you're not queer, because we had a lot of people in there that weren't even gay and gay. Go. Let's not forget, you know, the mother of the group also. Yeah. Claire.

S

Speaker 12 29:26

Oh, sorry.

S

Speaker 13 29:26

Hello. How rude!

S

Speaker 12 29:29

Claire is the mother of everything. She has been everywhere. Yeah.

S

Speaker 13 29:32

That's I'm just I'm just saying, you know, you don't have to be gay. You don't have to be really out. There are a lot of things that you can do behind the scenes. You know, you don't we're, well we don't really know what's going to happen, but I'm getting real excited about it.

S

Speaker 12 29:46

Yeah, it's really in the process of reorganizing. And you know, like Sarah said, if you're not completely out, goodie for me, because then that way, I don't have to push you out of the way of the TV cameras.

S

Speaker 13 29:54

Media hog, she is.
