Roy 03:17

NLA is just so happy as could be to do this.

03:23

Earth Sure. I mean,

Roy 03:25

this is one of the highest the highest points in their in their whole years. Just

03:30

because you your intellect. It doesn't mean that you don't wait. society as a whole or children or you know, things that everybody else likes, right? Hello. You know, I was down at Galveston today for the dickens festival, Dickens on the strand I go every year. And we went

Roy 03:50

in the window folks. I was I've been here for almost three years, three, four years now doing at station here. And every year when Jimmy comes back from Dickens industry and he's always dressed up well, you can see as you can see tonight on the radio, yes. He is not dressed up in his Dickens attire. What happened?

04:12

Well, I was I was able to get home about 10 minutes earlier than the past years and I was able to change last year almost didn't make it. I know I know. Anyway, I was it was the strangest thing I was sitting. It was very hot and I was in costume with a cape. Thank you very much. And I go with with kind of a family of choice. Right straight family of choice. We were sitting on one of the curbs just resting and this large woman came over with a camcorder and asked a guy who was standing if he would move a little because she wanted to take this of this church group that was going to start doing some entertainment. And at first I thought, oh boy church group, and I just sat there and look straight ahead and all of a sudden I hear the bells and it's a handbell group. And I looked behind me, and it was MCC. R. O Metropolitan Community Church of the resurrection. They're famous handbell choir, doing wonderful stuff right there on the street in Galveston. And custom in costume. Yes, it was great. And next Sunday, December 13. They're going to have two performances at 9am oh three 9am 11am and 5pm MCC of the resurrection at 1919 Decatur Street, and that is their music ministries production of the wonderful Christmas musical a light still shines. This inspirational musical will feature the 50 voice sanctuary choir, the praise team, a 25 piece 25 piece orchestra. Thank you very much. And the heavens sound handbell choir, and that is the group that I saw they handbell choir will be playing as you enter the sanctuary. Is that going to be wonderful? It's gonna sound really fantastic. Okay, that's next Sunday 9am 11am and 5pm at MCC er.

Roy 06:36

Okay.

06:36

And now I'll shut up and let you do real news. Not the real I mean, this is real news. But you know,

Roy 06:45

I was good stuff.

06:46

I just just jumped in there with my little favorite stuff. All

Roy 06:51

right. Okay, well, I have a titan Daggy who has apologized. Oh my god, we just love all those tight ends and wide receivers where

07:05

I've not had I'm not going there. Anyways,

Roy 07:08

this Texas a&m football player Dan Campbell says he's sorry for remarks he made during last week's bonfire celebration that offended the gay and lesbian students. The gay, lesbian, bisexual and transgendered Aggies of fish in which is an officially recognized gay student group on campus. They lodged an official complaint, after Campbell's remarks, and his remarks are and I'm quoting here, yes, please, from the triangle. Men were that he was glad to attend a school where men like women and women like men.

07:46

Well, I guess most of that is true, but there's a lot that don't.

Roy 07:52

Right. And he said that he offended some people and he was cited for that. He said that it was the heat of the moment and not necessarily that he directed it at anyone

08:01

but he had a heart on what do you mean?

Roy 08:05

a&m President Ray Bowen and athletic drill director Wally Graf also issued apologies for Campbell statements. And they said that the implied criticism of gay and lesbian people was a personal view and not one condone or embraced by Texas a&m University. They said that their university is one where criticism real implied or intended of people for their differences is unacceptable. So there we have it. A titan Daggy has apologized.

M Michelle Meyers 08:40

Oh, you were passing me number four. That's the NLA Houston toys.

Roy 08:44

We already did that.

M Michelle Meyers 08:46

We didn't want to talk about Okay.

Roy 08:49

Move on here.

08:52

Sorry, folks. I screwed up your gender.

08:55

No, not really. Okay.

08:58

There's a killer of a gay man who trapped was part of the the tempted grub breakout on Thanksgiving night. Up there in Huntsville. That's when we're Martin girly. Yeah. And among those who were recaptured was Henry Dunn, who was 24 and Dunn drew national headlines as

one of three men convicted after a gay man was abducted from a park in Tyler, Texas, shot nine times and left in a gravel pit. And as Martin Grilli has found out, it is not smart to try to escape from death row because if you do, you will find yourself up a creek without a paddle

R Roy 09:46

I don't believe I said that. No, I don't need

M Michelle Meyers 09:50

I wanted to mention that Hatch has for a month now as a new program director and that's Cow protrusion. And cow is now working full time for Hatch. And Hatch has new offices. And they finally after many years have established a set of offices per se. And they're now at the community center. All right,

R Roy 10:17

I heard them talking about it for a while now. Yes.

M Michelle Meyers 10:26

Competition. And I've had an opportunity to talk quite a bit with Carl because we both kind of like work at the center. And either Yeah, we're there alone. And we kind of keep each other company and have lunch and that kind of thing. And she said that her first priority in making the program was making programming that they presently have the best that can be so building on the success of hatch. And then to further involve hatch and outreach programs in the Houston area high school, that's going to be her main thrust for this upcoming year is to improve the situation of the teams in the schools. And she comes with a 12 year background in nonprofit organization work from I think it's Wisconsin. And she's got a lot of administrative skills, everything that she's worked on has really been involved in minority youth efforts and routines. And she really knows what it is that hatch needs has helped define what is actually defined her own job for Hatch and is off and running. She's very easy to talk to so any of the teams that call in could talk to her and get information and also she she does make sure that she mentioned to everyone that calls in that they can have a team call back through them too. And talk more privately with one of their peers so hatches got new director new offices and is off and running again.

R Roy 12:15

Right Jimmy YOU KNOW HOW WOULD How would Jerry farewell has

12:25

always been an a home, right? For

R Roy 12:28

the community. And well, this we don't normally do national stuff, but this is one that I'm just I just could not resist.

12:39

Okay, what happened to him?

R Roy 12:43

Okay, hold on your panties, folks, because Reverend Phelps as Pro has been protesting Jerry Falwell. Why? Yes. Jerry Falwell is being gay bashed.

13:00

I don't get it. Hey, guess

R Roy 13:03

what's going on here? Okay. Reverend Phelps made a trip to both North and South Carolina. And during his trip there ever felt protested at Drew, farewells Thomas Road Baptist Church, and at Bob Jones University in Greenville, South Carolina. He accused both conservative institutions of being too lenient toward gays, Mr. Phelps called Farewell a heretic and set for saying that Christians should love gays. And he accused Bob Jones University of being too lenient toward gates, because it allowed them under a threat of losing their tax exemption to attend to for gay people to attend its museum. So Jerry Falwell has been gay bashed, never okay. Oh, what a thunk.

13:53

The loony right is eating their own pockets. Great. Well,

13:56

when the Reverend Phelps said that, that Christians should no longer read the King James Bible, because King James was gay was gay, and that queers always have a way of sneaking their philosophy into everything, including the Bible, so

14:13

we shouldn't get that that's true. We wouldn't have never put Leviticus in there.

R Roy 14:19

So many writers kidding. Lunia five minutes.

∅ 14:23

And that makes you wonder because King James was gay. That what is the deal? I mean, I think the translation of the kids got kind of screwed up over the years because I don't think he would have allowed it, as such.

R Roy 14:39

I just have to say I wish time Richard was here to hear.

M Michelle Meyers 14:44

Oh, my one of the last stories we wanted to do was was about the Baron community service Foundation, working and putting together A program called getting ready for the ledge. And that means the legislature, January 1 of 1999, the 76, Texas Legislature will convene and we'll start carving up the pie of the taxes and there's some surpluses there and everybody's going to be out looking for more money. Yeah, and what Baron is doing is putting together a workshop on treatment, advocacy and consumer action on those people who are really interested and lobbying are working with the 76. State legislature on aid funding, AIDS, housing, and all that kind of stuff. So the workshop is going to be held on Friday, December 4,

∅ 15:55

right. Sorry. Oh, brother.

M Michelle Meyers 15:59

Screwed up on that shirt up on that one. Oh, went right over it. Well, here's

∅ 16:03

one for you. And it's we're talking about a game business outside of the Montrose area. Say what? Yes, we are a store for all seasons. Located at 224 45 North freeway 2445 North freeway that's ih 45 between i 10, and loop 610. And it is the newest location for all your special holiday coordinating. The store features Christmas decorations, custom made Santos Angel special activities, and blah, blah, blah, blah, blah. Now this is not a plug. This is not an advertisement for the store. It's an advertisement. It's a plug. No.

 Roy 16:49

I don't want to sharing information. Yes,

 16:51

about a queer business. That's not in the Montrose and

 Roy 16:55

that is news. That certainly is. News to me. That

 16:59

means that I mean, we're really getting around folks and it's time queer businesses should be all over Houston, not just in the Montrose.

 17:07

Well, that's it for this week's edition of after hours news and I want to remind everyone to make sure to watch TV Montrose Sacha every Monday night at eight o'clock on Warner Cable 54. It's December Okay, and it's 80 degrees. I

19:34

19:36

What do you think people in LA do? Hello. By

Jason 19:39

the way for those of you are wondering like why Jimmy's voice all of a sudden sudden sounds like it's 20 years old instead of and that's because it's JSON or en depending on my mood. Remember calling your museum now Museum. Okay, I guess I should turn your mic up a little bit so you can actually

19:59

close up Dolores Yeah.

Chris 20:03

Just anyway, doesn't matter what you call them just as long as you call Jason. He'll answer. Yeah. And

Jason 20:08

people usually call it in bed this is the hatch music segment tag. Well, I am a man. This is the hatch. This is the hatch music segment. And

Chris 20:23

Chris actually,

Jason 20:24

Chris is totally surprised because well you know, this is supposed to be Scott Lewis's you know? And Scott Lewis is Scott Lewis is supposed to be on her way. You better be putting that pedal to the metal girl. Anyway. She's putting pedal to the metal it's on a bike. This is normally

Chris 20:42

that pulled up in the window here.

Jason 20:44

This is normally the hatch music segment, but I turned away several hatching who actually showed up to the station. Yeah, I turned them away thinking Scott Lewis was going to be here any tears? Tears

 Chris 20:55

that were flowing down. Love it. We were sad. But since

 Jason 20:58

the two lesbians, which was Candace, and I don't know who her friend was, I don't know who her friend was. I don't know if I've met her before or not either. And if I haven't met you, if I have met you, I'm sorry. I'm really sorry. I'm horrible with names. I apologize. I'm on my knees begging for forgiveness. But

 21:17

as you can meet her because she works there.

 Jason 21:19

No, I don't think it was that one. Oh, it wasn't that one. I

 Chris 21:23

tried to break up a relationship. Jamie. Hey, I don't know.

 Jason 21:25

Um, but since this is still sort of the hatch music segment, even though I'm the only hatchling here

 Chris 21:34

I visited the hatch meeting. So does that count? Not really.

 Jason 21:36

You're way too old. But But Jimmy's ancient. Jimmy, Jimmy, you know, hurry up so I'm not the older one. Jimmy has not been old enough to go to a hatch meeting since you know. Before Christ.

C Chris 21:52

Actually, no, I think Jimmy covers for five five hatchlings.

J Jason 21:55

More than five let me throw let me throw out the hatch number because

J Jimmy 22:00

evil Miss Scott Lewis is not here yet. Doesn't mean you have to take up her slap. Well, yes, I do. And we do want to announce that well loosen College Station

J Jason 22:11

by the way Giga Maggie's big 12 champions. They beat another team Kansas State That's it 3633 And over double overtime. I was impressed because they were 17 Point underdogs. But um, Lewis in College Station wanted me to play spin me round by dead or alive. And I haven't gone through all my CDs yet. I don't think I've got it with me tonight. I'm sorry. I'm really sorry. I would love to play it for you but I'm not sure that I've

C Chris 22:39

got it especially since I think this is one of the few college station calls we get. Yes,

J Jason 22:42

we don't get enough College Station calls.

C Chris 22:46

And by the way you call in remember, I believe it's I think the rule is measurements as well.

J Jason 22:49

Measurements and we prefer picture over the internet so you can decide whether or not we need to drive that 90 Miles drive.

C Chris 22:56

You're going too slow if you're gonna call a driver. By the

you're going too slow if you're gonna call a driver. By the

J Jason 22:59

way the hatch number if you would like to become a member of hatch Are you have any questions or perhaps a speaker's panel is 713-942-7002. That's a voicemail line. All calls are returned confidentially. And

C Chris 23:14

J Jason 23:18

Miss Lewis is here and she's opening up the trunk. Oh, I'm not going to ask what's in that trunk?

C Chris 23:24

She carries a lot of extra baggage with her. Oh, well,

J Jason 23:27

of course. We all do. We are gay man. After all, it's a small world after all. Oh,

C Chris 23:33

and guess what? Scott Lewis there. We have a guest in there too. Elvis. That looks like the DJ from EJ is no no no you miss who was coming out of the back seat. Oh, who was coming out from the former was it a cute boy? No.

J Jason 23:47

I was

C Chris 23:48

I looked like my one of his one of the performers. And Jason Be careful you smack them like I

J Jason 23:52

realized that I did it twice because y'all have to understand the windows to my left and I have

to turn left and the microphone.

 Chris 24:00

Excuse get smacked in the face of something 12 inches. That's it?

 Jason 24:03

Well, you know, it is kind of it is kind of phallic. And especially after my frustrations lately, I'm extremely frustrated but

 Chris 24:10

at least you have something to get frustrated over. Well,

 Jason 24:12

you know, there is a cute way good boy who's getting coming on from Christmas break soon. And so you never know. You never know I

 Chris 24:19

spent two and a half years in Waco where

 Jason 24:21

Miss Lewis Miss Lewis has decided to grace us with her presence. I am so impressed. We love you. We love you Miss Lewis

 24:34

Are you doing

 Jason 24:38

well not really. But

 24:41

I will be talking about well so

J Jason 24:43

far we've been talking about you being late.

C Chris 24:46

I guess I'm supposed to give up my seats. I'm

S Scott Lewis 24:48

not as late as your period. You don't have to move you know because you don't have to move your seat because my seats big enough it'll take over any spot that what

J Jason 24:57

is your opinion of the new Share song do you like it?

S Scott Lewis 24:59

I brought it with why because right now I've got the European import well I've because which which MCs Do you like has let me tell you this has bumped not to be confused with the use of cocaine. This has bumped Deborah Cox with Deborah who I'm I'm in the process right now I've negotiated a deal to bring her and Deborah Cox and Chaka Khan and

J Jason 25:22

shut up and tell me which makes you like that bass which number because I want a new CD

S Scott Lewis 25:27

has bumped Deborah Cox which has been my favorite for a month and I'm I hate drag no offense to drag queens I hate drag but share my friend and I that works at a local nightclub. And he'll put the share thing on and we get on the dance floor and we do drag to share that's how much I love her new song

J Jason 25:46

which which version Do you wish number five?

25.49

Number five,

J Jason 25:50

I want to cue number five?

S Scott Lewis 25:52

The Xenomania mad Tim and the mekon Club mix.

J Jason 25:58

Sounds interesting.

C Chris 25:59

This is the European version it says uncut. Can we have it on the air

S Scott Lewis 26:02

says it's uncut. We've had your penis on the air and it's uncut. So you know we are going to play it so I

J Jason 26:09

gotta get up right now. Since I'm kings of the console, is that the right one

S Scott Lewis 26:14

nine minute seven 915 on this one nine fits. You know what you go to 318 If you go to 318 and started there, fast forward it to 318 and started there. Share this new song is fabulous. And you know her whole new album is dedicated to Sonny and Sonny's widow. What's her name? Mary Mary Bono, Mary Bono who has run for and successfully won his seat in the House of Representatives. I guess a couple of weeks ago, came out and said that she blamed Sonny's death on his addiction to prescription drugs and that the prescription pain relievers messed up his mind so much in his ability to make decisions so much that that's why he said to a tree smacked into a tree

J Jason 27:07

that way. Now smacking something else is a different story. But smacking into a tree

S

Scott Lewis 27:12

was an offense to you a couple of weeks ago, but 70s But 70s By the

J

Jason 27:18

way to have I mentioned ever since that I've gone straight,

S

Scott Lewis 27:23

straight pinstripes in that blouse. You look like a fucking school bus.

J

Jason 27:27

Well, actually, I've been told that this shirt actually looks more like Big Bird. Does it? Yeah, by the way for those of you in radioland, right, this is a bright yellow and white shirt, long sleeve.

S

Scott Lewis 27:37

It's not as bright as your forehead but anyway, you're wondering, you've got a much larger flag and i Hey, I've been using Rogaine for shampoo and the spray and the drop. What about Propecia, but Mary Bono came out and said that she blamed Sonny's death on prescription drug addiction and that's why he slammed into a tree his mother came out and said she's a liar. I can't believe her. She's horrible. I can't wait. Then they share share said no comment. So of course. Exactly, exactly. But of course share also had about four or five chapters edited out of her autobiography that was just really

J

Jason 28:15

okay enough for the share biography. Let's just play the damn song. Just so I don't have to look at it. Fast forward round. Yeah, I've got him in the truck. Okay, but you know what? I need sunglasses for that glare off your forehead. Okay, we're gonna go to the lily

S

Scott Lewis 28:32

did Lily do that to your eyebrows because it's fallen. Definitely pluck those for you. They're fabulous. I've missed her so much. She's fabulous is a great song.

J

Jason 28:41

I hope y'all love the song. Okay. I love that song. I absolutely love that song. And by the way,

that's the song I was supposed to dedicate to somebody who that song is dedicated to Casey because to me that song is all about getting over an ex or somebody who you love dedicate that haircut to Supercuts? Well, actually, no, actually, this haircut is actually fairly expensive haircut, but you wouldn't know about expensive haircuts because you don't have any hair left. Yeah,

 Scott Lewis 29:09

I have what Tony and guy can provide me for \$50 Well, you know, you're like,

 Jason 29:16

wow, you're willing to Miss Lewis Lewis, you're really getting ripped off because you know, you don't have any hair to cut. You just get some tremors and shave, Shave. Shave that little ring around the top of your head and you'll be fine. It's the Friar Tuck.

 Scott Lewis 29:30

I'm not Mr. wiffle sister. You want to get ripped off? Let's talk about that blouse. And get us special ed children.

 Jason 29:38

You know how many compliments I've gotten about this shirt tonight? On like, you're probably the one I've just given you. Of course you know the compliments people give you on the hairs you know that
