- S** Scott Lewis 02:34  
it is I like it. I was a fan. You just bought you bought it because you thought it was cute.
- J** Jason 02:41  
I wish it symbolizes something I wish in some ways like a man or a doll
- S** Scott Lewis 02:44

- J** Jason 02:47

and I tried to call you but you never answered
- S** Scott Lewis 03:06  
20 No I don't have caller ID but anyway

 Jason 03:09  
it's the 20th century it's time to get one you know I feel like a referee

 Scott Lewis 03:14

 Jason 03:17

You

**S** Scott Lewis 05:01

should consider

 05:03

Jimmy by a an Austin queer group called Miss Zanna. doet. And the Waltons Xanadu it

 Scott Lewis 05:11

actually it wouldn't share. It was a share song by a queer group group within backoff sister Well,

 Jason 05:17

this kind of music I play, I'm itching to play my

 Scott Lewis 05:21

generis shirt from colleagues in

 05:25

So tired, go flip over and watch a trailer.

**C** Chris 05:59

I was trying to see some of us actually work during the day.

**S** Scott Lewis 06:05

That was a standard that when did that happen? Do you have a job yet?

**J** Jason 06:10

Besides working your corner, Miss

**S** Scott Lewis 06:12

Lewis? Yeah. Actually, if you didn't come by so often, I would have to get a day job. But I don't know. Actually, I well. I

**J** Jason 06:22

mean, you're the one that pays me for it. Well, we're

Chris 06:24

getting some feedback.

Jason 06:25

I know. I'm not sure why we're getting feedback. I think it's coming off of Lisa's

Scott Lewis 06:29

hair backs always because something Yeah, because lifted too high. Because there's so much on it's the reflection off her hair spray.

Jason 06:36

I actually think it's probably the reflection off of your forehead. Yeah,

Scott Lewis 06:41

I do have a day job. Even though I worked for myself. I formed a company with the owner of the left stuff, but we're doing concerts together working on a few different deals, bringing concerts. So you see you are actually working. Instead of working at it. I'm actually employed and the IRS to know about you for sex, you know, which, you know, would take \$10 a day out of my budget. No,

Jason 07:04

no. See, that would depend on what the name is Jason or Ian. Remember

Scott Lewis 07:08

it was it was always Oh, that's right. Ian was \$10 You were 650. So anyway, yeah, I've I've started a company with the owner of the laughs stop up in River Oaks. together and actually we're working on a couple of exciting deals, Bette Midler late in 1999. bath house bedding, bath house bedding, which, you know, I've heard the other night and I'm beautiful. Dammit. Fabulous. Which is an old. I was five years old with my mom this morning. I haven't because I remember you would sneak in when you were 16 If heaven? Yes. I got it. Exactly. I'm beautiful. Damn it. It was by a little African American girl. She's real cute. I'm beautiful. I'm

07:50

beautiful. Beautiful iammies.

**S** Scott Lewis 07:53  
Fabulous. Bet MEDLARS remade that on her new CD.

**J** Jason 07:57  
That's a fabulous.

**S** Scott Lewis 07:57  
I was enriched Thursday night. Fan. fantastical remake. Incredible.

**J** Jason 08:04  
You know what's really funny about that is my mom and I were driving to breakfast this morning. And my mom bought the Bathhouse Betty CD and talk about your mother and and my mother was playing that song and we were talking about it. And

**S** Scott Lewis 08:18  
it sounds like you're playing Russian roulette.

**J** Jason 08:20  
Anyway, you know what you need to take that little shiny forehead and go because I really can't see I can't see the switchboard. i It's really hard to push

**S** Scott Lewis 08:28  
the Bible's heavy get your tongue out of my ass. You won't have such a problem. Well, you know, it is

**J** Jason 08:32  
such a big asset. Got i Well, you want your song queued up, but I've got Dreamweaver queued up. If

**C** Chris 08:41  
you would have showed up in time you could have been been a part of the studio that was

you would have showed up in time you could have been a part of the playlist that we were putting together. Yeah. All right, Barney. I'm sorry, but when we discussed dinosaurs on the show, it's not supposed to be Jimmy but Dreamweaver

S

Scott Lewis 08:53

is to play your damn song because

J

Jason 08:55

Okay, we're gonna play Aaron Hamilton's mix of Dreamweaver and I love to dance.

S

Scott Lewis 09:01

I really like it. And you know, I originally did home board and playing with yourself especially if you're a blonde anorexic boy call him not to be confused with rainbow to clown. Give us a call at 526-573-8526 KPFT and we want to be sure to remind you that you're listening to after hours on KPFT Houston and ke O 's Bryan College Station just call

J

Jason 09:25

us College Station, which by the way Giga Maggie's they are now the big troll champions.

S

Scott Lewis 09:30

Have you ever talked to have y'all talked about the big controversy with the Aggie football player? What? y'all haven't heard this? No, do not read the papers. Well actually get an educate halau KNOCK KNOCK KNOCK. One of the like one of the top three, four or five football players for Texas a&m. At the bonfire. I guess once the bonfire was like last last week, he comes up he's one of the big football players he comes up and he gives a speech before the bonfire starts and he says to In front of 40,000 people that were there and if you read your newspaper The Chronicle or the voice you would know this. He said, I'm glad to be part of a school where men love women and women love man, you know, well, the year created a big controversy your resume.

J

Jason 10:17

It was the year before. I know it was two years ago when I was up at a&m before I filled out. There was a big controversy about one of the yell leaders making a comment, we were up in Austin having our big pep rally, which is actually called yell practices at midnight the night before the game, which is

S

Scott Lewis 10:33

 Scott Lewis 10:39  
why e I I certainly don't confuse this sister with y a le glyph.

 Jason 10:41  
Anyway, what the yellow leader said something about the only thing comes from coming from Austin is steers and queers. And there was a big hoopla about that, lots of letters to the editor at the battalion, which is the school paper at a&m. And they were reprimanded and you would have thought they would have learned the lesson but obviously they did.

 Chris 11:02  
I think actually a&m Didn't they remove the sheet from that clause that they had required? They removed the sheet from the manual

 Jason 11:08  
you know what you know how they practice safe sex ed, but I am did he say she'd or she you know, you know how they practice safe sex up today and they brand the sheep that kick

 Scott Lewis 11:24  
man, they the very neck. The very next day, the gay lesbian, transgendered bisexual organization on campus, raised a huge ruckus, they issued statements they were very upset. It took three, four or five days and the college came out and said We absolutely do not endorse this opinion that everyone is welcome here. This is what we're this is what we're we're about inclusion and that everybody's welcome here. And I guess about two days after that, that the young man that actually made the statements on stage was interviewed by the newspaper up there the big newspaper up there circulation three. That interview he said, I didn't mean to offend anybody, blah, blah, blah, blah, blah. Yeah, whatever I do, I

 Jason 12:14  
do actually honestly think that the comments that are made are not made in intentional offense.

 Scott Lewis 12:21  
And because I'm being part of a school where men love women and women love men. Well

 Jason 12:26  
that was the thing is the thing is talking about

**S** Scott Lewis 12:31  
their their chocolate did

**J** Jason 12:32  
a thing is speaking. Speaking as an Aggie the a&m ut rivalry is the biggest rival one of the biggest rivalries in the country if you to hold on hold on. The comment was made towards you t or that school up in Austin. That's why I'm

**S** Scott Lewis 12:54  
wearing this out. Let's take this out together. 52657385 to six KPFT.

**J** Jason 13:03  
There's a big saying up in College Station that the only thing to come out of Austin is steers and queers, implying UT is full of steers and queers, so therefore, that's why the comment was made. The comment was not necessarily I'm not I'm not, don't get me wrong, I'm not at

**S** Scott Lewis 13:17  
the finish. But if he's making a slander against you t accepting quote, unquote, queers. Well, that's a you don't accept that as slanderous. Anywhere

**C** Chris 13:27  
in the world. If you're doing a pep rally for a college football game, there's something that is this. This thing is videotape. It's broadcast nationally. I saw it on the one sports channel ever showing all this? I didn't say what it was. The thing is this. Where in the hell do you count? throwing in a sexual reference? One way or another? Well, when you're at being, I mean,

**J** Jason 13:50  
when you're bonfire, you're not really I mean, I guarantee Okay, first of all, let's talk about this. These are football players. Yeah, okay. They're not the cream of the crop and intelligence. So

**C** Chris 14:02  
we're looking at a Texas Aggie lineman football player, which

**J** Jason 14:06  
means your way down at the bottom of the barrel there. I used to

**S** Scott Lewis 14:10  
put two and two together this guy, even if he was directing at University of Texas accepting homosexuals. It was a reference against homosexuals. Bottom line. No. We're running out of time. Yeah. Do your little dream weaver because we need

**J** Jason 14:26  
to do okay, we're gonna play Dreamweaver by Aaron Hamilton. If you want it, go by it. It's readily available and rainbow

**S** Scott Lewis 14:33  
rainbow to clown. I know you're on the line. We'll get to you in a minute. Just watch that porno movie just a few more minutes.

**C** Chris 14:38  
This is amazing. We have got three lines. We need to light the light

**J** Jason 14:43  
on. Y'all need to play the damn Okay, okay, okay. Okay isn't that song so orgasmic? You

**C** Chris 14:55  
know, I almost could see the mirrored ball come down here in the studio. Hear that or think the sunlight had the moon light reflected off Scott had it well.

**S** Scott Lewis 15:04  
It was a little orgasmic and and I was wondering, can I get a towel please? That you need to stand it a little too close to Jason

**J** Jason 15:14  
Well, I saw my fault you cream all over yourself when you're near me we have we have a call

that we're going to take on

S

Scott Lewis 15:24

the air. I read a bus just like that blouse to school. You read the small bus string to was it the short one? Yeah. No shorter than your ego.

J

Jason 15:33

We have a you need to wear a short skirt girl. Alright. longer skirt?

C

Chris 15:42

Long ballroom length. floor length.

S

Scott Lewis 15:47

At this point, I have enough problems keeping your fingers out of my ass. We have a caller on line three. Are you there? Yeah. What's your name? Bob.

J

Jason 15:58

And you went to

S

Scott Lewis 15:59

you went to University of Texas. Yeah. And you caught us talking about our comments about Texas a&m and their comments, the football players comments over there at that game the other day

16:10

back?

S

Scott Lewis 16:11

Do you believe that those were comments directed at University of Texas or the gay community in general?

16:17

16:17

Well, I just think that if we're supposed to celebrate diversity, it's okay. That some people don't necessarily agree with a gay lifestyle as an institution. I mean, I've thought wouldn't it be kind of boring if we all believe that the gay lifestyle was okay. Well,

Scott Lewis 16:36

first, I'll say that it gay is not a lifestyle. Living in River Oaks is a lifestyle. You're born gay, that's that's just the way you are being

Jason 16:49

straight or gay, Bob. I'm

16:50

absolutely 100% gay. And I just think it'd be kind of a boring world, if we were all straight, are all gay, or all black or all green or white or whatever. I don't necessarily think of DAG is want to be, you know, straight. That's okay. I mean, that's their choice. And that's what that's how we celebrate diversity is by as

Scott Lewis 17:11

little different. Well, and I don't want to make the statement here or express the belief here that the Aggies are all straight because my former roommate, was an Aggie and graduated from Texas a&m. And let me tell you, she was the deadliest queen that slept with half the football team. And well,

Jason 17:27

I went up to him for a year, but I'm not nearly

Scott Lewis 17:31

they confused you as straight, I'm sure. But anyway, I don't want to say that a&m straight or that this person was expressing the belief that they were all straight. He was expressing his own opinion, that, that he was glad to be a part of a university where that heterosexuality was accepted and the norm of did so you went to University of Texas, and they're talking to here in the studio tonight about this steers and queers at University of Texas. Is that something you're familiar with there? Oh,

18:04

absolutely. I consider myself quite a steers

absolutely. I consider myself quite a steer.

 **Scott Lewis** 18:08  
What's your address? Can I get a stand over here? I

 **Jason** 18:13  
hear you. I visited Austin several times. And you know, the I had a great time in Austin. I met this gymnast up in Austin. Austin's a great city.

 **Chris** 18:21  
Yeah. Going into the gym the story.

 **Scott Lewis** 18:23  
Yeah. Jason, we were glad you're able to join us here on the show tonight. But Bob would What size shoe do you wear? Bob?

 18:32  
Well, you know, they say about a man see,

 **Jason** 18:34  
he wears bigger the feet, the bigger the shoes tickets

 **Scott Lewis** 18:38  
are? I do know what they say. That's why I'm asking him Bob, what size shoe?

 18:43  
I'm worried about a 1212?

 **Scott Lewis** 18:46  
Would you say that on the day that you were born? on that specific day that you were born? Would you say that your parents did or did not believe in circumcision?

18:58

Well, yeah, they were deficient at the time, but they've since converted.

Jason 19:05

So they weren't Jewish at the time. Is that wait,

Scott Lewis 19:07

let me let me turn Bob Lanier on. You don't answer questions. I didn't ask.

Jason 19:14

thing he did. He said they were Jewish at the time, which means there was a mail somewhere around. Okay, so so. So Paris did believe in

Chris 19:24

now for the new question.

Scott Lewis 19:27

If I were to join the army, yeah,

19:29

well, no, I was kind of more of a Navy guy, I thought were much more of an important fashion statement.

Scott Lewis 19:39

You know, you know, work with me if you were to join any branch of the military twist, are you with me, Bob?

19:51

It'd be the National Guard. Ship thing is just much more cool.

 Scott Lewis 19:56

I haven't finished the question work with me. Go ahead. If you were to join any branch you pick and you're the first person into the barracks, would you pick a top bunk or a bottom bunk?

 20:06

I've always been that I've got to be on top. Have you,

 Scott Lewis 20:10

Mom, you know, I need to get your phone number. You know, Bob, I

 Jason 20:13

find if you switch from the top bunk to the bottom bunk, it adds a lot more variety in your view, and

 Scott Lewis 20:19

you end up in a blouse like she's wearing girl trust.

 Jason 20:24

Great talking to you.

 20:25

I just, I just want to celebrate diversity. And I think that we've got to be a little more tolerant when it comes to straight thinkers and the Christian right and those types of folks because after all, they were born to believe that way. And so we've got to be accepting and tolerant. Amen.

 Scott Lewis 20:51

Thanks for calling in. All right, Jason. I think we have you

 Jason 20:55

know, okay, now if there's any cute blonde boys out there that want to call in since you've got your chance to interview Bob. You know,

21:01

okay, Chris. Isn't rainbow on waiting.

Scott Lewis 21:05

Rainbows call to we don't have time.

Chris 21:08

To George. Michael.

Scott Lewis 21:09

Let's play the George Michael. Talk about him and come back to Rainbow

Jason 21:12

Georgia. Michael be in like the background. How about that? Yes. Okay.

Chris 21:18

To be in the first on the left.

Scott Lewis 21:19

Rainbow. Are you there? Hello, rainbow. Hello. Can you hear a rainbow?

Jason 21:26

Have you pulled yourself away from that keyboard?

21:30

I only had one line. I had to get off from line girlfriend

Jason 21:33

rainbow you did take up all those little clean x's that were spread around the floor right? And put them in the trash can where the

 Chris 21:42  
mangoes are smiling at your place right now.

 21:46  
What kind of drugs? On the air?

 Scott Lewis 21:52  
Or on the air? Well, I

 21:53  
got a comment about those Aggies. What about them? About those Aggies? Where they make in the comments like the idea of the like rain situation? Remember,

 Scott Lewis 22:03  
that was rainbow read the paper? Read the newspaper sister. The chicken ranch type guy? Yeah, no. Rainbow read read your local newspaper. What porno movie? What

 Chris 22:14  
do you got to remember? Where were rainbows at? Okay, it's kind of rural. Rural. I live out in the boonies air, so, okay, well, you're talking about me.

 Jason 22:28  
Miss Lewis said you need to stop jacking off so much. Let's stop what making the monkey what?

 Scott Lewis 22:34  
What movie? Are you watching right now? I am not watching any movie. Alright, trunk uppers.

 Jason 22:41  
Got off the internet. He's not watching a movie. He's downloading.

 Scott Lewis 22:44  
Have you been to teen sex? house.com You should go. Trust me. Thanks for calling in rainbow. We love you take care. She looks just like Bette Midler. Doesn't she? Just like her? But Midler? Absolutely she looks just like so.

 Jason 23:01  
We kind of we need to wrap that we need to wrap all this up. Because let's

 Scott Lewis 23:05  
wrap it up. But and we'll end with this. I want to say a couple of things. First, remember that you can always write us here at

Miss Lewis has a whole Secretary desk up there. It

 Scott Lewis 24:18

 Jason 24:31

Jimmy, by the way that's been playing in the background all this time.

 Scott Lewis 24:35

Kind of like your boring life. Okay,

 Jason 24:37

Miss Lewis.

 Chris 24:39

You're wanting to talk to me. Do you really want to stand in between

 24:42

Scott Lewis 25:05
