God, what a day What a day. Israel lost their Prime Minister today. And yes. Oh, okay. We'll just move right along. And that's I mean, I'm Jewish Hello. way that has has a mild little bit of importance to me just a little bit. Girl so Oh, you know, I want to say hi to I want to say hi to this guy. That listens to me all the time. I understand. He's just quite quite taken with me which is bizarre because we dated at one time. Who's that and still listens. His name is James and he lives in Pasadena and I run into this guy that he dated who tells me that he talks about me all the time. So I just want to say hi James I know you're listening

R

Rocky B 03:36

Hi James

S

Scott Lewis 03:44

but anyway so that's that so Rocky was to Greece girl we were going to have the owner of the new some some girl was like it was like Bosnia Herzegovina down at dreams or something because there was some kind of coup or a honey

R

Rocky B 03:59

or let's just put it this way. We got dissed.

S

Scott Lewis 04:03

All right, because they bought me free drinks and energy okay.

R

Rocky B 04:07

Now where's this going? It's going

S

Scott Lewis 04:09

it's going I love energy because they always buy me free drinks.

R

Rocky B 04:13

Thank you I'm a patron a very very faithful patron Hi James and energy and Miss Alex

S

Scott Lewis 04:22

Alex and the other Alex and oh yeah the other Alex you remember that one date with and then he's all like Oh, I didn't know that it was it was tonight. Maybe I thought it was next Tuesday. I Oh no. You're not gonna dish this me and then and can we do it next Tuesday? No, we can. I'm not bothered with you anymore. You were cute before but not anymore.

R

Rocky B 04:47

Thank you should have picked up that Spanish dictionary and said Lunas badass. The web is something hottie so you can get through to her.

S

Scott Lewis 04:56

I think she just said what I always order over at La mexicana. think that the number six

R

Rocky B 05:08

and the weather out there is just frightful ain't it though,

S

Scott Lewis 05:11

just do you like this kind of weather Gigi, not a bit, I don't like it. So we have some guys coming down later and we're going to talk about being gay and single. And these guys, these poor guys, they're not listening. So I'm getting ready to spill all their grease right here. These guys are 21 and 26. And one of them the longest relationship he had is three days. And when the longest relationship he had was a week

R

Rocky B 05:42

well, I got an announcement to make me and my lover just had a two year anniversary on Halloween. And as a long two years, because I know, I know you too. But now we spent Halloween in New Orleans, which was it was cool. Halloween in New Orleans is it has to be I mean, the place you got to go at least once in your life just to go to New Orleans, get gift for,

you know, hang out, throw down and I did I met the DJ from I want to say he's the one that does a gay talk show from 12 to three, his name is Mike Chase, and they're fixing fixing to go nationwide.

S

Scott Lewis 06:28

Oh, really? You know, I saw that. Chicago just got a gay radio station like all the time, I think it's on like 24 hours. Looks like the first excuse me first in the country. It was on the cover of like the voice or something this week that they're doing that?

R

Rocky B 06:45

Yeah, but he was really interesting. We're driving and he was talking about what the definition of transgender. And I mean, he was just

S

Scott Lewis 06:53

now this is interesting. Speaking of transgender, not to totally change the subject. But in the Houston Chronicle the other day, there's an article that they've done. Did you see this article Jamie, they they have done a study on the hypothalamus and transgendered people similar to the study that they did in gay men, and they have found that the hypothalamus in transgendered men and women are the same size, but in a quote unquote, normal man, that the hypothalamus is 44% larger than in a woman, but interest so what you can draw from that is that they transgender people have the brain of a woman that's, you know, so there's like some scientific backing now to you know, for the transgendered cause to fall back on which I think is fabulous.

G

Gigi 07:46

Yeah, that makes me wonder what are they going to find out about us, bisexuals and androgynous types we've managed to have something really strange in our brain.

S

Scott Lewis 07:58

You got some strange in your drawers Gosh, that's gonna be wild and we have club to go later. Okay, because club to go is flawless.

R

Rocky B 08:13

People we're gonna try to kick it tonight. I'm gonna have a couple of new pieces that I brought in you talking about USC. But I mean, they're pretty cool pieces. And I'd like some feedback on it, you know, later on in the show. Then

G

Gigi 08:31

later, we're also going to bring in androgyny and talk a little bit about androgyny and the gay community, the BI community and what it is to kind of be on a different level. You know, we kind of come off crosses both genders, so that's coming up a little later.

S

Scott Lewis 08:56

You know, that would be a good song to play for that. So do you have androgyny with you? I could be this at all by androgyny. Do you have that I could be this I could be bad. I could be her. I could be a he I could be a she I can be anything. Stick it in.

R

Rocky B 09:13

That's right. So what it's all about a mood. It's gotta be feeling manly one day. I gotta be feeling fish one day. So a lot of mood for me, honey, you know, going back

S

Scott Lewis 09:25

to New Orleans, you're talking about letting it all hang out. Now talk about somebody who has it all to hang out. That's your girlfriend because she has the largest breast.

R

Rocky B 09:35

I call it a gift. She's blessed. I'm blessed

S

Scott Lewis 09:41

program. She's in a magnet program over that elementary school in River Oaks. What's that called the Vanguard.

R

Rocky B 09:47

She gets a lot of she gets a lot of a lot of stuff for you know, for having big breasts a lot. I mean, the bartender's in

S

Scott Lewis 09:56

but a lot of what do you mean a lot of stuff a lot of gifts from you

R

Rocky B 09:59

know I'm talking about just a lot of how cuz yeah you can put it that way but she gets a bad rap for having them but it's a bad in a good sense a rap you know what I'm saying? I don't know exactly you know if they're complimenting her or if they're just amaze if they're thinking like it's the Astrodome though you know the wonder of the world is that the but you know she gets a pretty bad rap for but you know i I'm blessed because you know just where to stick Thank you gotcha new

10:36

yeah

S Scott Lewis 10:39

I want to do a song after Do you have a favorite song off the to Wong foo soundtrack to Patti LaBelle. Jamie says no. You don't even like the soundtrack Do you? You know it's tired of it it's tired of it's not even three months old. You know what is flawless but I don't have it we don't have like nine inch but anyway

G Gigi 11:12

it's it's always greener

J Jimmy Carper 11:15

that's pretty flawless too.

S Scott Lewis 11:16

And I told her I told you know what we're gonna talk about too I want to bitch about shopping and how horrible services at the mall because I

R Rocky B 11:24

don't even go there was service to me oh don't even go there because I'm gonna take New Orleans was cool. Okay, I'm gonna stay on this New Orleans tip I don't know if I can mention names on here yeah bars hotels girl downs roadway in and New Orleans downtown. Do not stay there because they will give you a beat up. Oh, AC that don't work. The roof leaks Okay, girl. I mean it was grotesque. I mean, I was through I had to

S Scott Lewis 11:55

I had to give you a little hell here because girl roadway in Hello.

R

Rocky B 12:02

Discount is too good of a discount,

S

Scott Lewis 12:05

they would have had to pay me. Okay. The clue phone is ringing and it's roadway in on the other line. Girl you should have known Girl.

R

Rocky B 12:16

Girl, let them have it.

S

Scott Lewis 12:17

Motel Six, and roadway end. Let's compare like Hyatt Motel Six

R

Rocky B 12:23

out there, though. You know, we're just hanging out in the street and stuff. But they did me so wrong. I'm serious. I mean, I was through because I must not know who I was. Okay. Because if they would have known that I was rock up in the house, I would have said Come on. You know? Well, you

S

Scott Lewis 12:36

know, if you were anybody, you could actually afford a real Hotel. Okay.

R

Rocky B 12:43

Okay, well let that one slide. Scott Lewis. Let us lag. Well, let

S

Scott Lewis 12:47

me tell you, I went I went five to 65738526 KPFT is the phone number here. And you can call in and get in on the conversation and just just I just want to bid you know what I want to

R

Rocky B 12:58

do I want everybody for Halloween. I mean, if it was exciting, or what do you do for Halloween?  
~~Missing? What have you been just sitting here talking about?~~

MISSING: WHAT HAVE YOU BEEN JUST SITTING HERE TALKING ABOUT?

 Scott Lewis 13:08

I'm sorry, I was listening to the Christian but no, no. So what did y'all get into any wild toward three ways or anything in northern?

 Rocky B 13:20

BC lesbians don't get into all of that. When we don't

 Scott Lewis 13:24

grow Sammy Gaston and I do

 Rocky B 13:35

even touch that one.

 Scott Lewis 13:36

Oh, please already have. So what is

 Rocky B 13:41

different though? I mean, I feel like it's very different for you know, gay men and gay women. They're, I mean, they're just so different. Because it's all about a feeling to guys. gay man. And this is my own opinion.

 Scott Lewis 13:54

Are we talking about next Halloween or New Orleans?

 Rocky B 13:56

We're talking about just in general. And lesbians. Okay, you know, like lesbians are more into the little lovey dovey emotional stuff. You know, the, the whole relationship and guys. You know what I'm saying?

 Scott Lewis 14:11

Get off and get out.

**G** Gigi 14:14

I know some lesbians that would love to have a little pick me up spot where they could find a cute woman for the night and then never see him again. Quick number.

**R** Rocky B 14:27

Do they live here?

**S** Scott Lewis 14:31

Just checking delays in town. Do you have numbers? Phone numbers?

**G** Gigi 14:37

Speak. I don't kiss Intel.

**S** Scott Lewis 14:40

Okay, 526-573-8526 KPFT you can call and get in on the insanity. So you go down to New Orleans for Halloween, which just suck God New Orleans this flowers because you could just drink all the time and you just walk out of the bar and

**R** Rocky B 14:57

the bartender are so nice. I mean, honey, I I feel like they, I mean, the red carpet was just out. We, you know, I told him we'd been together for two years. Oh, here's here's, you know, a beer. Here's another beer. You know, they were just speeding mama honey. It would be to me, it was alright though. I mean, and I just loved it. I mean, the personalities, bartenders there, the manager comes out and just hangs out with you and stuff. You know, it was all that it was all that. I mean, that part of the trip. So there was good service there. That's That's what I'm saying. And we I mean, I had, I had a lovely dinner on Bourbon Street at this. I want to call it Amores or something. It's a steak house, but it was flawless. So flawless. I enjoyed myself a lot. And I'm hoping I'm hoping this thing did too.

**S** Scott Lewis 15:45

Well. Now, let me tell you about bad. Let's talk for a minute if we can about bad service experience, girl because we're going to talk about target today. We're going to talk about the wild pair last night roadway in roadway in New Orleans. And we're gonna talk about Mosa. Okay, we're gonna talk about service. Okay, first of all, I go to Target today. And, you know, I've

said to my friend, when we walked out, I said, you know, the prices here better be pretty damn cheap. Because I didn't get any kind of personality or service when I paid for okay. I mean, she just like, she was just like, she was ready to go. I thought she was gonna catch a ride with me. She was so over the whole experience. I couldn't believe and that was the new target on San Felipe. And, you know, maybe those River Oaks people get off to that attitude, but I didn't like it. I know that last night I was in the wild pear because I was gonna, you know, buy a wild pair of shoes, which I did. They're kind of kind of groovy they have they're like spongy bottoms. And they make squishy noises when you walk on them. But anyway, I digress. Girl now, okay, I give them this. They were cute Hispanic, little gang members, all all the employees. So they had bonus points going in. But I'm sitting there with a shoe in my hand for 20 minutes and finally had to go up to the counter and interrupt the guy on his personal phone call talking about when he was getting off and it was a slow night to tell him and then he just looked at me and then I said excuse me could you go get this in a nine and a half girl like just the worst and but let me tell you I will get because you know if I'm gonna if I'm gonna knock somebody down we'll pick somebody up to him or praise and and bitch Mosa has the most flawless service of any store and that's why they get all my business because you go in there and they'll be all over you like you're just like the freshest hottest piece of trade in town. This is only you know, this is on sale. And you know, don't forget to look at this over here and do you need that in a different size and grow if I could find a boyfriend like that I'd have been in a monogamous relationship for years. Pay me that much attention. So anyway, that's all my pitches. Those are all the people I want to bitch about. Do you have anybody you want to bitch about?

 Gigi 18:04

I don't like to bitch about people. I like to lick them.

 Scott Lewis 18:09

Do you have that song? Rula you got to make it before we kick it you gotta get it something wet so we can kick it.

 Rocky B 18:15

Kinda kinda

 Scott Lewis 18:18

late girl. Well, I'm negative late where was the other day and the music was so late. tardy. That music was tardy they were going to be in detention.

 Gigi 18:32

Probably should have worn my costume up here but on here it's gonna be a little chilly.

R Rocky B 18:40

A little festival mood a costume so what she did to

G Gigi 18:50

all my whips with me,

S Scott Lewis 18:51

honey, anything that moves? Let me tell you I've seen her I've seen her so and costumes please. Actually during costumes. It wasn't even anywhere near Halloween. It was February.

R Rocky B 19:03

Would you Would y'all do it with with a mask on?

S Scott Lewis 19:07

If you didn't know who it was and hadn't seen their face, and they had a good body?

R Rocky B 19:12

Don't matter why it does to me. I'm saying would you do it with with the mask on? Yeah, yeah. And then when you woke up it was hideous. Something up a horror flick.

S Scott Lewis 19:28

You go. That's why they need to keep the mask. With Jim Carrey. This song we'll do. We'll do. Because those single guys are here. I saw we're gonna bring them in and talk to them. And try and find out. Find them. Some will just try to find them a boyfriend right here. That'll work. Five to 65738526 KPFT and we're just bitching and moaning and complaining and feeling these two that are getting ready to come in are gonna do a lot of that too because if they didn't do a lot of it, they probably be married by now but anyway, turn it out. It's the reunion of LaBelle, Patti LaBelle, Nona Hendricks and Sarah dash that Miss Thing is just fierce. Miss Patti LaBelle and Miss pedal the bell is just down just just the one. Well, Girl We have been joined in the house by Mike and Joshua, who are here to talk about being desperately lonely. Just know, boyfriends just never had a substantial relationship and, and see she's all actually like she's gonna disagree with me for a second. But then she said no, I guess he's got it pretty much on target. But why? But why? And that's what I want to explore. And that's what I want to know. And we're going to take calls at 526-573-8526 KPFT. You. Mike, you were telling me earlier today that you have your What was your longest? I asked. I said well, how long is your longest relationship? And he's

like, Well, let's see. We trip together twice. And then we went out to eat like three times and it was all and I said Well Was this all in one day? Or what? How long What's your long you're first of all, how old are you?

21:26

26.

s 21:27

And how long is your longest relationship? About a week? About a week?

21:31

Yeah. Okay girl part of the one nightstands do I'm sorry, tired of the one nightstands

s 21:38

and and. And Joshua, how long is your longest relationship? Three days, three days? And he dumped you? Right? Yes. You know, I just want you to know that I've been doing this show for four years. And I'm always up here whining about my life and my love life and the lack of it and stuff. But let me tell you, I am so happy to have. Because I'm like it like the I'm looking like people's grandparents that have been together for years up here compared to you too. Why do you think I mean, what? Because some people would say, Well, what's wrong with them? And there's nothing wrong with you. You're just normal. You know, guys, as far as I know. I mean, I don't know you from Adam, you could have hit a convenience store on the way over. But why do you think I mean, is it? Is it not what you want? It's what you want in it. Our relationship? Yes,

22:27

yeah. I need someone to cuddle or something. Besides sex. Well, that's good, too. But, you know.

s 22:36

So, Joshua, what? Why do you think why three day? What happened in the 3d thing? Why did he dump you?

22:44

Because I think he was on the rebound. And his he was feeling guilty because he wanted his ex back, even though his ex said he didn't want him back. But still, I guess there was that feeling

inside of him. And he just didn't really you want to go out anymore?

S

Scott Lewis 23:01

So and you're 21, right, yes. 526573852 6k PFT You can call and get in, you can ask them your own hateful question. You can. You can ask them on a day, you could do whatever you want five to 65738526 KPFT. You know, I went through a similar thing recently, but it lasted about two months, a rebound thing, and consider yourself got off lucky because mine went and sold all my things. So it cost me like 14 grand, but

R

Rocky B 23:31

we ain't mentioned it and we won't know who you are.

S

Scott Lewis 23:36

But anyway, so what Okay, Joshua, where do you go to pick guys up? Church?

o

23:44

Yeah, actually, that's the new one. The bar I guess, obviously.

S

Scott Lewis 23:50

Oh, drug deal going down.

o

23:51

I'm really, really not familiar with other areas to

S

Scott Lewis 23:56

take them out to the bars and pick them up.

o

24:01

I really don't go up to people because I'm kind of shy. Yeah.

S

Scott Lewis 24:05

Right Now How do you think you're gonna? How many people do you probably don't meet a

Right now how do you think you're gonna know many people do you probably don't need a lot of people if you don't approach them? Do you? Um, why are you having to look to Him for answer? Not necessarily. So you did meet a lot of people. Yeah. All right.

∅

24:28

I've got up to two people in my entire life.

S

Scott Lewis 24:31

But they approach you,

∅

24:33

basically. Yes.

R

Rocky B 24:34

And why don't you approach them?

∅

24:37

Because I really don't I guess I have enough confidence. I don't know what to say to them as is the first thing Don't feel

R

Rocky B 24:42

bad. I don't. I mean, when I was in that single, single road, honey, I was scared to rejection is like the worst for me.

S

Scott Lewis 24:49

Yet rejection is intimidating. But you know, I've got the great pickup line. If you find somebody attractive. You just walk up to him and you say you just go right up to him and you say, stick it in. Hey,

∅

25:01

Margaret Cho thing.

S

Scott Lewis 25:02

SCOTT LEWIS 25.02

It might Margaret Yeah, right. That's exactly right. Got that

25:05

trick somebody use trickery to cover up with leaves and hope somebody falls it.

Scott Lewis 25:15

It was Joan Rivers who said, If my husband didn't toss and turn in his sleep, we never would have had the kid. Is there a button on that gray box in front of you lit up?

25:25

Yes. Would you push it? One?

Scott Lewis 25:29

Color? Are you there? Yeah, this is Jeremy. Yeah, if y'all put your headphones on, you can hear him when we plug it in. Just stick it in any hole you can find. That would typically well anyway. Jeremy, what? Jeremy, what's your story? Tonight? You are let's say you want to meet these two guys? Yeah. Tell me about you. Jeremy. What do you want to know? How old are you? You're 18 would either one of you consider going out with an 18 year old?

25:57

It'd be hard to decide because a lot of people around my age are extremely immature.

Scott Lewis 26:04

Immature. Yeah. And you're looking for? Oh, because you you'd like to date much older people, don't you?

26:09

Well, not much, much older not like once you're confined to wheelchairs, but

Rocky B 26:17

we'll start with the flat.

26:20

Somebody who knows themselves? Well.

s Scott Lewis 26:22

So would you date somebody who's 18? Mike?

26:28

I look at maturity. I like to

s Scott Lewis 26:31

Mike, you're you're answering some question that nobody asked you. I don't know. Did you say anything about maturity? Rocky? I did a mature question. The question was, would you date an 18 year old? You know where I got that from Bob Lanier? One day that Warner cable was up for franchise renewal. And Bob Lanier said, Well, what about blah, blah, blah, blah, blah. And the guy said you know how they are all those political people. They all weasel around the issue. And they answer some other question you do. And Bob and he's like bla bla bla, Mr. Lanier said, Wait a minute. I didn't ask you that. Don't answer questions. I didn't ask you what I said was. So you would date a mature 18 year old? Yeah. Okay. Jeremy, are you mature? I consider myself mature. Well, that's not what your parents say. But that's a different story. I can be

27:21

really wild but you know, I don't consider it wild. In what sense? Or going out. partying.

s Scott Lewis 27:28

Okay, no drugs. No, no. You can be honest. We're family here.

R Rocky B 27:33

Exactly.

s Scott Lewis 27:34

Never. Never. What you've never. You've never tried any drugs? I have. But you know, what's your favorite recreational drug? Your lemon if you want me to say it? Well, the I wouldn't have asked if I did. Acid okay. What is that? What does acid do in that the one that makes you and I

plead ignorance because I've never done acid it kind of intimidates me, but in that the one that you can, like, see through your arm or something?

R

Rocky B 28:03

You see like tracers and you know, people say you see things but I haven't I never did. I never saw I mean, I used to know a guy that said that he saw little man jumping off his window pain and stuff. I'm like, Well, honey, who you are.

S

Scott Lewis 28:22

So Jeremy, what are you looking for? Are you looking for like a boyfriend? Are you looking for like a one night stand? Or what? I mean, what exactly are you after? What's

R

Rocky B 28:29

up with you?

S

Scott Lewis 28:30

I'm not looking for a one night stand because I've had those and they really do stock. I'm looking for a boyfriend. Long term. Yeah. And so you're 18? What size shoe do you wear? 777 and a half. And if you were to join the military, and you were to go into the barracks, and you were the first person into the barracks, you've heard this routine before, haven't you? Jeremy? I'm not sure. I do it all the time. You're the first person into the barracks, would you pick a top bunk or a bottom bunk? Probably a bottom. So I know you're out with one of these candidates. Well, you're out. Jeremy, you're out. When you were born? Would you say that your parents did or did not believe in circumcision? They did. They did. You know what I think I think he your military selection has blown you out of the water with these two. But what we will do Jeremy is that will be taken other calls throughout the night and I will keep your information right here. And if the phone number that you gave me is not false, we will have it to pass on to somebody else who also might be interested in looking for a boyfriend All right. You take it 526573852 6k P f t is the number that you can call and get in on the conversation. So you You saw your birth bottoms? What size shoes do you wear? Six and a half your six and a half?

♂

30:09

Is that relevant?

S

Scott Lewis 30:10

It's relevant if you're on my show, okay? 10 and a half, you're 10 and a half, and you're a six and a half. And you would go in the bottom bunk. And then when you were born, would you say that your parents did or did not believe in circumcision? Did they both do okay? Tell me about

your ideal date, your just your dream day, what would just blow you away? Either one of you, Mikey go first, what would just blow you away?

30:41

Um, I like the traditional, you know, quote, unquote, traditional type of date. Where, you know, you'd probably go out and have dinner, maybe a movie. And then time afterward, you know, together to talk and, you know, I'm really tired of the bar scene. I have a lot of fun at the bar. But you know, it gets pretty tiring after a while. So you know, dinner movie talking that kind of thing.

Scott Lewis 31:13

Um, I'm, what about you?

31:16

Me? I don't want to go to movie I want to be able to talk to somebody. dinners. Always nice. Maybe go for a walk. What restaurant? It really doesn't matter. As long as the sit down restaurant, where it's basically quiet. Where you can hear yourself think and talk at the same time.

Scott Lewis 31:38

What really turns you off about a guy.

31:42

There was a lot of things that turned me off about a guy. Me too.

31:47

We have everything Go Girl

31:54

Okay, little cheap lines. Turn me off.

Scott Lewis 31:58

What do you get? What's this the cheesiest line you've ever been pitched with?

32:03

Oh, gosh. Wow, you speak English? That is so great. Your English is just wonderful. Well,

s Scott Lewis 32:13

because what's your what's your nation? What's your national origin

32:16

and part Vietnamese and part French

s Scott Lewis 32:22

that really said that you use

32:24

a retard? Yeah, he's like, Can I buy you a beer or another? Whatever you're drinking because you're like, Your English is really good. And he would say stuff out of content and his grammar was sucked. And I don't know. It's a turn off. He's like an old troll. So he like wanted to reward you with a beer. I guess he was so an intellectual Ronna, you

s Scott Lewis 32:51

won the spelling bee. Can we get you a miller lie?

32:55

Yeah, for kindergarten, maybe? He? I don't know. I mean, I don't need to run into someone who's extremely literate. But this guy. It was obvious.

s Scott Lewis 33:09

What's the cheesiest line Mike? I don't know. But I'm not being the one I gave

33:20

this thing? No. I don't know. I think all the lines are basically the same if they're looking to take you home and have their have their way with you.

S

Scott Lewis 33:33

Oh, look at her over there play Miss petite flower. Like she's aggressive one. Well, I've seen her in action out of thin bars, this will work and just work in the crowd.

♀

33:45

It's alcohol. And no, um, you know, I think it's just, I think, you know, you look great. Or, you know, what are you doing later? You know, that kind of thing. The usual. I'm not saying that I haven't, you know, found some really nice people but no one really willing to commit to anything longer than a week. So,

S

Scott Lewis 34:11

well, you know, Mike, if you call them back when you said you're going to that would probably be a good start.

♀

34:15

I call mine back.

R

Rocky B 34:18

What's the best line you guys have ever received? Or been told?

♀

34:25

Just little things like you're very sweet.

S

Scott Lewis 34:29

Things that aren't maybe that grabbing and that overwhelming, but they're genuine and they're sincere.

♀

34:35

Someone who can speak about the mind besides other things.

♀

34:40

Um, the best line I've ever heard might be is are you a top or bottom? I think that's a pretty good

♂ 34:48  
Hello.

♂ 34:50  
I mean, you know, you might as well get it out of the way. That's great. I guess. Maybe that's my problem. I've just had a self realized Question.

♂ 35:02  
Well, this is a problem I see also about dating. Oh, I guess. Yeah. Oh, anyway, the thing is, a lot of people I've run into you sleep with them, and then you get to know them instead.

s Scott Lewis 35:16  
Well, in that the trick, that's the trend in the gay community.

♂ 35:19  
That's the sad thing.

♂ 35:20  
I guess I'm a little old fashioned then because I'd rather much rather get to know somebody first. And then see what goes on from there. But otherwise?

♂ 35:32  
I don't know. I think a lot of people in the stripe community perceive as as these people that are pretty much sexually oriented and I kind of

s Scott Lewis 35:44  
agree with them. That's why they call it sexual orientation.

♂ 35:49

Well, you know what, I mean, that everything is sex x x and the gay community. And for the most part, I see it is and I, you know, I guess that's why I'm really tired of hanging around the bars is because it's like, meat market there.

36:06

I still do, because the thing is, there's always that little piece of hope that you might find somebody because it's, I think, I feel it's hard to find somebody else in other areas.

**Scott Lewis 36:18**

Right, like it book stuff on Shepherd.

36:21

What's a good place to read? Yeah, I

**Rocky B 36:24**

don't know about bars, you know, I mean, cuz, you know, beer makes everything look a hell of a lot better.

36:29

That's a thing. What makes me so unsure about a lot of them, a lot of them will come up to you and talk to you. But it's wild, wild, they are intoxicated. And then you don't know the next day, really, if they were really interested in you, and they give your phone number to you. Right? And are you exchanged numbers? You know, I mean, I'll call somebody back. And then you know, if they don't return the call, okay, well, maybe they some mistake, they didn't catch it or something. Or,

**Scott Lewis 36:55**

you know, what I and that's why I never time, hey, I will not take somebody's phone number. I do not take I give them my number. I will not take theirs. Because if they're interested in they're gonna call me back. And then if they don't call back, then it's like, be bothered, whatever ugly, you know, but I don't I never take guys, unless, like, if I'm just like, there may have been two in the last however many years that I've just been like, Oh, I gotta have this one again. Give me your number. But yeah, I just never I never do. Because then because it kind of puts the responsibility on the other person, I guess.

37:33

Yeah, but I think that's a good idea. But then again, there's always I feel that maybe they feel the same way. They're too intimidated to call? I don't know, it's, it's pretty complex.

 Rocky B 37:50

Right? A whole as a whole was just so ah,

 Scott Lewis 37:54

and intimidation factor seems to be great that you don't, you know, it's like, well, he came home with me. And it was great. We had fun, we had great sex, and we, you know, we seem to hit it off. But, you know, maybe he was drunk, and I don't want to call and well, you know, and then you like, find yourself here found yourself like calling and wanting to get the machine so that you don't really have to talk to him. But you just want to leave a message saying that you call and so then they could actually be the one to call you. And so they're like really instigating it. It's

 Rocky B 38:24

I mean, it's, it's cool. I mean, because it's exciting at first when you meet somebody, but then, you know, just having to meet somebody all over again. And you know, meet the person. Hey, you know, and don't don't chew with your mouth open when you go out to restaurants. Honey, I'm in a relationship two years, she's about seeing me do everything. Okay. I mean, there's just nothing. You know, it's just so new when you're starting when you start dating and stuff, and it's kind of scary. And I mean, you just got to really meet the right person. And my own opinion, I don't think the bars are the place at all.

 38:58

Well, the bars around here. I guess if you go enough, you get to know everyone. So when you go somewhere with someone, it's like almost incestual yes to your sister.

 39:12

thing I like doing. Or the reason why I go to bars often is because you might be at another place. And you might recognize somebody from the bars. And then there's always a possibility that you could talk to them. I'm not, I'm not desperate or anything. Because if I were desperate, I'd be with so many, like, pick the first one. But it's very hard, though. You know, fine. Anyone out there?

 Rocky B 39:39

Do do a lot of traveling. I mean, because it seems to me and I don't know if this is, you know, just me. But Scott, you can elaborate a little bit on your opinion is that everything seems better

and newer in a different town. I mean, it's like you get all the attention because you're the new face. I mean, if you were there for a day,

 Scott Lewis 39:57

what I think a lot of that is that you have or I have when I go to a different city, I have more confidence in a different city not more, not more calm because I don't think it's possible to have more confidence that I'd be walking around here. But I think that when I go to a different city, there's an attitude of like, because here I might be intimidated to go up to somebody or say something to somebody, but in a different city. It's like, be bothered, like I'm gonna ever see them again. Or you know what I'm saying?

 Rocky B 40:23

Exactly, but then it sucks. If you meet somebody that you

 Scott Lewis 40:26

go in that always the way he's always you always meet him in a different city. 526-573-8526 KPFT I want to hear your opinion, you can get in on the conversation and just just

 Rocky B 40:39

held just and girls don't feel afraid to talk. Because you got a sister fish up in here. You can call don't feel intimidated, honey. Don't let these women body. Other women.

 Scott Lewis 40:56

Fala bottoms. Hello. So would you do y'all are you either one of you believe in or interested in in marriage? Like a commitment ceremony?

 41:12

were to happen?

 41:14

Yeah. What we've talked about Yeah,

 41:17

I mean to

41:17

each other. No, no really good friends.

41:20

Maybe that's our problem. Everyone thinks you're going out. Oh, well, well, usually

41:24

had one place and I had the other so Oh, really?

41:28

Oh, well. Yeah. The thing is, if I were to find the right person and fall in love, I mean, I don't know I could give so much from inside to them. And know a wedding or whatever. Yeah, it if they were bothered by it. I wouldn't be bothered either by it. Because that security that they give off insecurity right now, but I mean, yeah,

41:56

it'd be an actual view amendment, I think. Yeah, so we believe in it. I do.

42:06

We just thought we'd elaborate.

42:09

Maybe that's our URL. Your
