That's okay. We're here for you too. So sit back, relax, and enjoy this week's edition of after our. Hello, Houston and welcome to after hours. I'm Jimmy Carper. And with me is I don't know some fat queen.

### S Scott Lewis 02:17

Don't try bitch. Don't even try because I'll pull your teeth right out and throw them on the floor. I'm in that kind of mood. Just right there on the floor. And you know, they can't afford a vacuum cleaner around.

### J Jimmy Carper 02:28

I know. I know. Yeah. This wealthy. They have to go around

### S Scott Lewis 02:32

nastier than you are the French Quarter on Thursdays. I mean, it's just filthy. Did you run into black velvet over there? Black Velvet at the French Quarter? Who's black velvet? a drag queen? Flawless drag queen? She's missed something or another girl the Greeks heard gossip. It was

all in the gossip. Oh of the Houston voice. They were asking her how she enjoyed the movie. Both of them or did you stay for a double feature? Very messy.

 Jimmy Carper 02:58  
Nobody. Nobody watches the movie.

 Scott Lewis 03:00  
Not too busy listening to you.

 Jimmy Carper 03:04  
Only on Thursday once that's cheap, and I

 Scott Lewis 03:10  
never used to I always used to want to call over there and ask them what? What's the movie? And what's it about? And you never would let me? He was never I used to say let's call the French Quarter. They don't know. What's that about who's in a movie. They play movies. As long as I'm not in it. Nobody cares.

 Jimmy Carper 03:29  
I have I have a lover. I have a boyfriend and I still managed to get over there. Okay, now.

 03:34  
You also have a limp.

 Scott Lewis 03:36  
But anyway, hey. God, I love you what happened? Oh, well, you know, it's been a week. I like your hair. It's a color found in nature this week. What little is left of it? Watch it. Hey, don't be calling me Homer again. I'm gonna it's gonna be a wild night in here tonight. Ready? It looks like it's wild. Kevin man, Scott Kennedy who are hysterical gay comic.

 Jimmy Carper 04:02  
I know. And I knew Kevin when he had a real last name.

S Scott Lewis 04:07  
Do I hear? Do I hear a little T there with that a little T? Can we say stage?

J Jimmy Carper 04:15  
I really I knew him when he was a

S Scott Lewis 04:16  
teenager. You knew Louis and Tina. Yeah, so that's not saying Lee

J Jimmy Carper 04:23  
they were really good. Yeah, so what else do we have?

S Scott Lewis 04:31  
Oh, it's gonna be a mess. Now they're gonna be here because they're getting ready to do I think kind of a unique effort we'll talk about how they're gonna do everyone I see. Chances are he did you. They're gonna do kind of a unique event. And one of them's

J Jimmy Carper 04:45  
running around with a shirt that says staff on it. And I keep looking and I don't see it. His staff. Yeah. Stick it in. I see. Don't get me later. Yeah, well,

S Scott Lewis 04:58  
so They're doing a thing over at the last stop called gay. Which is kind of, I think, kind of a first time kind of neat kind of different kind of thing where they're gonna have male dancers out in the front and it's just gonna be like a gay extravaganza. They're gonna have later than

J Jimmy Carper 05:15  
that tacky television thing. What's out comedy thing? That's comedy central thing that's

S Scott Lewis 05:23  
they're funnier than that. They're much funnier than they are funnier than that well not according to the ratings so many wing teasing our ratings are actually very good yes, they are they knock on wood. That's not what that's for my that's all we could afford. Okay, I could run

they knock on wood. That's not what that's for my that's all we could afford. Okay, I could run out to my car and knock on simulated with grain. So anyway, they're doing this this is gonna be a lot of fun so they're gonna be here and cam and carry on and they've done Stephens improved and now they're doing kind of the the fact Stephens improve it all right, all right, all right, we're funnier than students. So they're gonna be they're gonna be here in a few minutes and down well you don't have to tell them they're here. Oh, a drama. Oh, I see. It's a drama effect like you putting your hair on every day. I mean, it's like everybody knows everybody can tell. But if there's a little bit of drama added because you've put your hair I say yes. Kyle from the Texas triangle is going to be dropping by rocky be the DJ is going to be dropping by she's steamed tonight. We've had her come in and spin records before and she's flawless. One of my favorite DJs here in town. She got she got some groups, girl she's got all the grease. We will be dishing some serious grease on MC Faulkner. I don't know if you'll know MC Faulkner that owns DJs in Austin opened up this flawless flawless nightclub. Yeah, they're just pissy and nobody could ever understand where I mean he was doing like Martha wash with a \$3 cover in a bar that only holds 200 people. And he was like writing checks. 50,000 Here 100,000 Here to charity. Nobody ever knew where all this money came from drugs girl they found out yesterday. What was it? Well when he was arrested for embezzlement Oh, let me tell you the grease \$60 million from AT and T it was on the front page of the Austin American. So we'll be dishing all that grease later. So yeah, rocky now she is the grease master. She's always got the grease on everybody. Including on me, so we won't be going there. Just let me tell you last Sunday night at Steam. Whoo. There's a Mexican boy that'll never forget me. Let's see him ever had sex?

J Jimmy Carper 07:34

While you're on town while you're nice. We're all scarred up.

S Scott Lewis 07:38

Stick it in. So and then later in the show. Yeah, of course. We'll be taking your phone calls trying to find everybody husband's trying to find me a date. As a matter of fact, we're going to do that again again. Then at 215 We'll be talking to I'm going to call down to club energy favorite little spot Oh yeah. And they have a new little Best Boy down there. I want to ask out there so Savi call it asking him out right there on the air. That'll be kind of fun. You have no class I have no class not since I graduated. Stick it in. Do y'all know where that y'all know where that comes from? Right stick it in. Remember Margaret Cho oh well hey anyway flawless funny not as funny as Wendy Liebman and certainly not as funny as Kevin May and Scott Kennedy talking to you right after this we need to do a special dedication

J Jimmy Carper 08:29

oh yes I got a call last week

S Scott Lewis 08:32

it from the clinic

J Jimmy Carper 08:35  
no not that call.

S Scott Lewis 08:37  
No this was later that same afternoon.

J Jimmy Carper 08:41  
No, it was from right right here Tom Richards call Do you

S Scott Lewis 08:44  
know John who's done he's been down here all the time all the time.

J Jimmy Carper 08:49  
For listener and fun times fun lots of fun and fact he also is supports us with money you know what comes around the plate and still likes us even though we piss him off half the time same stuff he doesn't he doesn't like to hear agree with but he's still with us. And faith. Let me tell you how faithful

S Scott Lewis 09:09  
he was faithful than you are to your lover. Well, hey,

J Jimmy Carper 09:11  
he's only here half the time. What do you want? Anyway, Tom's here more than he is. Well, where are we going with this? Nowhere nowhere. Actually, no, Tom had an industrial accident at work. Pretty serious. He's He's okay. But he's in the hospital. But to tell you how faithful he is. He went out and bought a radio so he could listen to us tonight. Now that

S Scott Lewis 09:39  
is not only is it a man who obviously has a college education and is very intelligent but a dedicated fan.

J Jimmy Carper 09:46

dedicated fan. Now of course he's on drugs big time so he could have he may be in and out but hey, I've got some music. I know I got some music on Want to play and I know he likes pansy division I'll be playing them later on in the show you know squeezing it in here and there stick it in right but anyway until then our favorite queer heavy metal group he looks revolt doing a song that I know I know Tom will like and oh yes doing a song I know Tom will like and this wow my Bob oh goodness What was that Oh just a little something one of the boys in the production room came up with anyway this this song is for Tom because he I don't know if there's a line in the song that kind of reminds me of him and he'll know what line that is. We love your time Oh yeah, that was he let's revolt and that was just for Tom. And you're listening to after hours career radio with attitude on KPFT Houston and KEOS College Station. Bryan. And as promised Scott Tisha and the boys.

S

Scott Lewis 11:15

Does anybody in College Station Brian even listen have we gotten a phone call from there yet?

J

Jimmy Carper 11:20

Oh yeah. Every once in a while. Not on this show.

S

Scott Lewis 11:26

I when I do why I did want to talk about I think their drugs are kicking in right about now about

J

Jimmy Carper 11:31

that area. They have a they have a little newspaper that comes out that right called

S

Scott Lewis 11:37

out something out a copy of it with me just Outlook or out something way out there out in the boonies. I think it's called out in the boonies. That's what it is. And that what it is

J

Jimmy Carper 11:49

outlook, outdated, outdated, outdated. Good. Like that. Okay. No, it's outlook. And it's actually a good magazine. Yes, but I haven't. I haven't seen it a long time. So how do we get some? If you're in College Station send us

S

Scott Lewis 12:05

some every Thursday at the French Quarter. Yeah, I think they don't call because right about now their drugs are kicking in I know if I lived in a town like that my drugs would be kicking in

now their drags are kicking in. I know if I lived in a town like that my drags would be kicking in right now.

 Jimmy Carper 12:17

And so you were interviewing people now dear?

 Scott Lewis 12:19

Yes. Thank you. That's why you should just go have a cocktail. Okay. Call me later. Love you mean it? Scott Kennedy. Comedians, very funny. I've seen the show at least twice. At least one at least once sober.

 12:38

And it was good. So that's a good sign.

 Scott Lewis 12:42

The skiing thing, the whole skiing thing I love how Don't be jumping into my interview because I'll just I'll just jump up and

 12:53

I know how you are. Don't get me started.

 Scott Lewis 12:57

How do you become comedians? I mean, how do you make a living? Getting on a stage and telling jokes?

 13:05

Hmm, well, taking off my clothes didn't work. So I kept saying no, put them back on please. Here's \$1 Please put them back on? Um, I'll answer first I just started I did an amateur contest and back in 86 or 87. Just really liked it and then just you lose money for about four or five years and then hopefully, you do well and you work a lot.

 Scott Lewis 13:28

Because I because you can get to the point where you make really good money. And obviously you'll have to make pretty good money that it's you're living you know, you don't have to do another job. I read an article just I think today, there was an article in the Chronicle about Jeff

another job. I read an article just I think today, there was an article in the Chronicle about Jeff Foxworthy talking about how he wrote what in the Chronicle it was in the star. Anyway.

13:51

Chronicle Star Wars, same caliber,

Scott Lewis 13:53

how he started 10 years ago, and would drive to Florida. Or drive here drive there. I think they said he lived in Atlanta, that he said his first month of doing stand up he made \$20 the whole month, drove all the way to Florida from Atlanta to do a performance at a club. And when he got there, it was closed and was lucky to make it home without running out of gas. But now, man, how long did have y'all gone? How long did it take to go from that point where you were struggling doing things at night doing a day job?

14:23

Well, my first year on the road full time was 89. And I worked 260 days straight and lost \$5,000 At the end of the year. And it was you know, I'd be in like Seattle and there'd be like, Oh, next week you need somebody in Miami I drive it didn't matter. I guess oh, probably 90 to 93 and then once we started doing like a Comedy Jam that that has out surpassed any of our wildest

Scott Lewis 14:51

dreams that talk about that because you guys were in Vegas and outsold. RuPaul Yes.

14:56

don't like to brag.

14:58

Don't like to blow our own horn and if I could, I wouldn't be here at the radio.

15:03

If I can call her that.

15:05

Yeah, that was earlier this year, the gay Comedy Jam, we started that Kevin and I, we were

both separate comics, touring separately. We met and fell in love. And it was a nice little love story. And we decided that we got tired of being separate. So we wanted to tour together, we also noticed that there wasn't a lot of gay people coming out to the comedy clubs. Because some comics do gay bashing jokes or just wasn't you know, that, you know, wife and kid jokes. Hey, that's great. The 100th one, you've heard you get tired of it. So we kind of talked and said, Hey, do you think if we did a gay show, you know, would it work? We did it here at the last stop in 94 in February, and it sold out and we added another show and it sold out. And it we took it nationwide. And I think we did 80 dates and 80 and 90,

S

Scott Lewis 15:45

well, then then they advocate they advocate magazine became our sponsor.

U

15:49

Yeah, everything just everything took off. All the shows sold out with the exception of two or three. And this year, we've probably double that many tour dates. And yes, Las Vegas and we were at the Riviera and RuPaul was at the Sahara. And we outsold her Go girl last year. But now we're back home. We live here. We're not on tour, which isn't a lot, but we're here.

S

Scott Lewis 16:12

You're more talented than RuPaul. Now, but anyway, see, I

U

16:15

would rather sell RuPaul than me. Yeah, I like recall how

S

Scott Lewis 16:19

many times can you hear those same three songs and that same tired 10 minutes at monologue. But anyway, same ol wig? Is that what you're saying? You're not saying that I know. Exactly.

U

16:32

But, but this thing that we're doing in two weeks here we leave Monday and we're out on the road and we fly back in the first day gala palooza. And

S

Scott Lewis 16:42

they're just kind of getting the blues is kind of taking your idea of the gay Comedy Jam and just expanding it even

16:48

further. tripling it. We're having male dancers, hopefully, female impersonators and I need to get you to help me on that. And it looks

Jimmy Carper 16:57

great in pink, where he looks great.

17:02

Well, we'll talk but and also, I don't know if you heard this or not. We just found this out. America Online is flying in to do a nationwide link up on the 17th On Tuesday, the first night of it for sure. And they may hang around for the second day.

Scott Lewis 17:14

But so what does that mean? For those who are computer literate?

17:18

Um, if you're on America Online on the 17th go to centerstage which is their big interview and we'll be there if we're not on stage or if I'm on stage, Kevin will be answering questions from people around the country like the

Scott Lewis 17:29

Michael Jackson thing Microsoft uh, yeah, yeah. Loving that comparison.

17:34

And if we're both busy, I guess they'll talk to the hot male dancers but I don't I don't think they're gonna be able to type real proficiently so maybe Scott if you were around you can help them spell like cat without a cat. Okay.

Scott Lewis 17:45

What do the hot male dancers have to talk about?

-----

17:50

Euro cute. How do you spell that?

Scott Lewis 17:54

Okay, you t you'll also have it gala Palooza Bob Smith

17:58

boss. This is going to be our very special guest star and

Scott Lewis 18:01

now Bob was the very first openly gay comedian to appear on the Tonight Show with Jay Leno. Earlier he also did an HBO special earlier this year. They did what they did an hour thing with Susanna Weston Hoffer. Suzanne Wesson Hoffer, and they

18:15

run Yes, he's done tons and we're just happy to be a part of this. He's gonna come in and and open up the show and we have lesbian comics MC in the show. And it's just a night of every it's gala Palooza, it's Gala. Palooza,

Scott Lewis 18:29

quite a lineup because you're gonna have Vicki Shaw opening on Tuesday, and then Bob Smith and then yourself and then Nancy Ford on Wednesday. And Bob Smith and yourself. So both nights you're going to have it's going to be sterile.

18:42

If you don't like comedy come out for the Dickie dancers. If you don't like Dicky dancers come out. Can we say that but I'm sure we can I think

Scott Lewis 18:48

with an IE at the end of course, of course.

18:53

We just know God Do you dance part time?

**S** Scott Lewis 18:58  
Now especial cable television taping.

**i** 19:00  
Yeah, that all that is going to be submitted for Showtime has contacted us about doing a special I guess similar to Suzanne's and Bob's only an hour long thing. And this is a preliminary taping, if they like it, they'll they'll do it.

**S** Scott Lewis 19:15  
So you're finally making the big move to cable. And that's pretty quick, isn't it for I mean, because if you started in 98 and 89 and it's 95 Six years later, and you're already being talked to by by cable networks and stuff.

**J** Jimmy Carper 19:27  
Now, it's about on track. Oh, Kevin was doing comedy long ago.

**S** Scott Lewis 19:33  
Um, well, I not professionally though, are what I would consider professional makeup. Does that make him professional? Hey,

**J** Jimmy Carper 19:43  
you should know.

**S** Scott Lewis 19:46  
I knew Jim when he had hair. You're aging yourself.

**i** 19:53  
I bought it. How did you know him? Were you the guy going that mommy? That's the man that's He touched me to be a tiny little one. I was I was I was very young. You're only 20. Now,

**S** Scott Lewis 20:07  
.. .. .

I know. Jimmy knew me when I was just a baby. Yes, yes. In fact,

 Jimmy Carper 20:11  
he took over my job.

 20:13  
I did. You worked at the French Quarter about this? No, no, no. You want butter on that popcorn stick it in the bad thing is that Tom, that friend of yours that bought the radio? Yeah, he's probably on drugs. And he can't tune in right? He's probably listening. Maybe three Q countries on Hale they're playing some crazy stuff.

 Scott Lewis 20:42  
Or worse yet, once the left the Christian stay? Yeah.

 Jimmy Carper 20:45  
We wouldn't know the difference. drugs or no drugs.

 20:50  
Have you ever heard of the reverend?

 Scott Lewis 20:52  
Oh, we see. No spread the word were just protesting. We were in Kansas City

 20:57  
and Kevin.

 Scott Lewis 20:59  
We were in Kansas City. I was doing radio on the rock station there in Kansas City. And they called him at home in Wichita. The radio station called to speak to me and it was no it was not pretty. Absolutely say he was gonna come out and protest and I was like, okay, cool. He but he said exact words. He said, Well, boy, how do I know where to come to protest? Or how am I supposed to know where to come to protest you had if I don't know where you're gonna be? Well, so I gave him the address. He never showed up. I mean, I because you know, we've talked about this before

 Jimmy Carper 21:34  
that was an evil queen when he sees one. I love protesters. We've

 21:37  
never had them. And I wonder.

 Scott Lewis 21:40  
I don't he's like, have you seen him? Like on a talk show show? I mean, he had never seen on I had never seen him. But

 Jimmy Carper 21:47  
this is the fool that goes around in protests. funeral. Yeah.

 Scott Lewis 21:50  
Oh, he was a Rosa Morris funeral.

 21:53  
Yeah, he's a complete

 21:53  
wacko. Yeah, he is. But we had fun with him on the radio.

 Scott Lewis 21:57  
No, that was an accomplishment when you've been protested by Fred Phelps. Called an anthro. unfit. That's what you're in town. That's that's a compliment. He uses the F word though. On the right. Yeah.

 22:09  
Well, that's how I'm sure. And that's how you know he's ordained. Yeah.

**S** Scott Lewis 22:14  
That's how you can tell him? Do you push him by you? Yeah, I've heard him use that word quite

**i** 22:20  
often. Yeah. That's boy, when I was a kid growing up in the Baptist Church, I just don't remember that F word flying around. But then again, I wasn't paying attention a lot. So maybe, maybe it was,

**S** Scott Lewis 22:28  
you know, I was confused anyway, because pre stores word grasses.

**i** 22:34  
Scouting,

**S** Scott Lewis 22:35  
and were asking me to blow him in the bathroom. But anyway,

**i** 22:39  
Lucky. This is the gay Stephens and prove it. I liked it. You're kind of like Boehner over there.  
This is

**S** Scott Lewis 22:49  
you can call him Boehner, but it's actually not a direct reference. Hey, he hadn't had one and so damn long.

**J** Jimmy Carper 22:55  
I'm the one with the with the 17. I mean, the lover of 17 years and the boyfriend So who gets the Boehner and who doesn't hand?

**S** Scott Lewis 23:05  
Anybody here with the French quarters.

23:10

So Bryan and College Station folks, y'all can come out. It's only an hour drive. Drive because I don't think gala Palooza is going to come to college Nation. I'm sorry to say that we

Jimmy Carper 23:19

talked about where it's going to be. It's at the last stop. And where's that?

Scott Lewis 23:23

It's over on West gray

23:24

in the river oak chopping that flag

Scott Lewis 23:27

right by the Chili's right there on the corner. Right behind Chili's.

23:31

If you need directions you can call 5242333 and they'll give them to

Scott Lewis 23:35

you. Don't act like you're all doing the close out on this because we're no

Jimmy Carper 23:38

no no, no, no, no, no.

Scott Lewis 23:41

I didn't know where the laptop was Jim. Well, he's doing that for the for the trunk. of it. Excuse me. I feel so stupid.

23:51

Come on. Be a drama. Tom. I

**J** Jimmy Carper 23:52  
look like a drama queen.

**S** Scott Lewis 23:54  
Well, kinda with all that makeup. Sweetie. Sweetie, darling, sweet. Sweetie. Looks good on you, though. So what do y'all think? You know, I'm gonna have to ask you. What do you think about the OJ verdict? Oh, my

 24:11  
God.

 24:13  
I Whoo.

**S** Scott Lewis 24:15  
Well, you don't have to do either of you do any OJ Joelle has me during the trial, let me just say this. I you know, whether regardless how you feel about it, I think it's it. We all need to move on. And because we've got to get ready for the Selena trial. So this Monday, yeah, they've already started tomorrow, you know, so I think it's important to move on to the swing. I really do. And we have, they're not televising the Menendez trial.

 24:41  
I know. We're all screwed. I know. I know Menendez

**S** Scott Lewis 24:45  
boys were by their parents. But anyway, but I guarantee you Sherman Chow is going to be down there at slaying a trial.

 24:51  
She does she gets the crap assignments if you ever notice. Not that that would be a cramp assignment, but we panic callers No, no, no, no. Wouldn't it would be, but I mean to stand around the courthouse for hours in the hot sun because they're not even like Sherman inside

around the courthouse for hours in the hot sun because they're not even like Sherman inside the cooler and building a truck. You know,

S

Scott Lewis 25:08

did you see her when she was covering the hurricane? She was like on top of a truck holding on to that satellite?

25:13

Winds like, yes. No, the Slingshot is a very important trial. I just wouldn't I mean, it's gonna take months and

S

Scott Lewis 25:19

hours. And they're saying they only think four weeks.

25:23

Really? Yeah. When they? Yeah, we'll say, I think it'll

S

Scott Lewis 25:27

be pretty quick. Compared to OJ, I

25:30

think everything's going to be pretty quick. So

25:31

Well, what did you think at the

S

Scott Lewis 25:34

play it? I think, I think that what's that look about? I think, I think that they if that was to, there was too much against him doing it, that he that he? The timeline didn't make sense, the way the evidence was didn't make sense. And I think it's better for 10 What's this? The thing people will say about the justice system is better. 10 Guilty men go free than one guilty man, one innocent man, go to jail. And if there's I mean, there was definitely reasonable doubt. So I think he should have been set free.

26:10

Is that what you believe Scott? You also believed that if you put foils on your windows, the aliens won't be able to believe that also, you know, I don't know if he's guilty or innocent. I wasn't

Scott Lewis 26:21

gonna get married. Did you hear? No, they said he's gonna get married to the woman that's made the most difference in his life ever. juror number three don't know, that's just a random. He'd be a good husband though. Because, you know, I think he would be a great husband. He's learned a lot about being a good husband important is picking up your socks, of course.

26:52

27:11

I don't even believe that.

Scott Lewis 27:13

I don't Kaito Kaito. Speaking of Cato in the star last week, big layout. Cato has his first apartment ever his first own place? And they have like a two page layout with photo check. He's working for a radio station. Yeah. That'd be cool. We should be able to call him. Yeah, we have his number.

Well, okay, a couple discos. But you bet you do so much more. And then you come here and you want to hit on that damn star. They had the three headed frog and tell you what, it's close to the nuclear plant. It could happen. My goodness. We're just learning so much

**i** 28:31

Question number two is when you were born, would you say that your parents did or did not believe in circumcision? And when and when the candidate says, Hmm, well, I'm don't know. I mean, we never really discussed it. Then you got a winner

**i** 29:19

**S** Scott Lewis 29:23

That's right, because we have a winner.

29:47

I bet you know the words for more. More, more, again, more. Surveys.

Scott Lewis 29:55

I do know two phrases, but I think they might be vulgar. So I don't think I can I am But they might be

That is so gross. I just I've never have understood that whole body piercing thing you're doing though isn't? It is in fact. Weird. My niece had her breasts nipple pierced? You know and so forth. Alright, well, you know, the family. Oh, extremely upset. Yeah, I was loving it because they were off my butt for being gay. But and I got to think, you know, because I told the family I thought you know, look on the bright side of things. Because I'm an optimist. And you think about if she does ever have children, she can breastfeed and tea that the same time. We think and they did not see the humor in that. Apparently I'm suspended from the next family function. Lucky you get over it. Yeah, I think you'll survive through that one. What are your How did your family have your families reacted to y'all being openly gay? Comics? My mama. That's kind of a two part

32:13

question. All of them now are extremely good. My, my family or my parents are divorced. Both

question. All of them now are extremely good. My, my family or my parents are divorced. Both my mom and my dad has stayed with us in our house. And we've stayed with my mom, we go to Phoenix and know everything. I mean, it was a little rough. At first, I think

S

Scott Lewis 32:28

it's gone. And in fact, we're going to be in Phoenix next week to see mother candidate mother Kennedy, as I call her.

32:34

And I don't think she's

S

Scott Lewis 32:36

gonna be listening right now.

32:37

And so yeah, they're great. I mean, it was a little bumpy for a week or so. I kept saying, don't look at it as you're losing a son. You're gaining a daughter. You know,

S

Scott Lewis 32:45

God, God just just got a chance to meet my crazy family. He had never we were in Kansas City. Oh, just a little like last month first. And I warned it. My mother is the craziest human being on this planet. I'm serious. I mean, like he gets up out of bed. It's like nine o'clock in the morning and my mother has already got her Tarek cards out on the trip that's coming out. Let me read your cards. Yeah, verdict. God. She is so crazy.

33:13

Man. The scanners going in the background. 24 hours a

33:15

day in her she's

33:17

like trash. You would like that. This is her lie. That's something you're the joy

 Scott Lewis 33:21  
of life is listening to

 Jimmy Carper 33:22  
a police scanner and doing tarot cards.

 Scott Lewis 33:23  
Yeah, that's it. She thinks she's like a fortune teller. I swear. She thinks she is a foreigner. She got the cards out trying to solve crimes as they happen. You know, she grabs him. She pulls him over here. What'd she tell you? He'll shuffle these cards and make a wish.

 33:40  
Wish I was back home in Houston. Go ahead and put my Bible on the cards.

 Jimmy Carper 33:47  
Yes, yes, you do.

 33:50  
Die, don't you?

 Jimmy Carper 33:51  
I've done this.

 33:52  
And yes, I'll get him. I can tell Look at him.

 Jimmy Carper 33:56  
Not with his mother. But someone similar. Yeah.

 Scott Lewis 33:58

But to answer your question. I mean, they have to, they have to they do both of our families deal with a rare event to a show. Yeah, yeah. Yes. Yeah. All they have to because you know, with all the press, we get it we you know, they have to deal with it. So, but I think they do anyway, I mean, without having to deal with it.

 34:18

My dad was probably the hardest come around. But then his best friend called him up out of the blue and his best. My dad's best friend has a son my age and his son asked my dad, this is complicated. My dad's best friend asked my dad if his son was gay me. And my dad actually said yes. Which surprised me at the time. And he said, Oh, well, his son was gay too. And read about me in the San Antonio one of the newspapers. So that after that my dad was fine once once he had a friend who had a gay son then it was like, Oh, okay. And he came around his power was

 Jimmy Carper 34:47

it initially though, when when you took the jump from straight comedy to gay comedy, wasn't that kind of like, oh my god,

 34:55

a little bit but not too much. I mean, even when I was doing quote, straight shows I mean, I would flirt with guys in the front row and tell them they're cute. Nobody just they just wouldn't believe me,

 Scott Lewis 35:05

right? Because I've seen you. You used to have a straight show and a gay show to different

 35:09

in I've tried to combine them, you know, but if I'm at the last stop and it's not, you know, I mean that's what I consider my home club so if I'm home and they have a comedian who doesn't show up or whatever they may call me and I may go out they're not you know, being billed and I don't it wouldn't be billed as the gay Comedy Jam. It's just comedian Scott Kennedy. I do I change my act sometimes. Now. I mean, sometimes I do the coming out to my parents. Sometimes I don't, but I always will find a cute guy in the front row and tell him he's cute and ask him about the size of his was Prince Albert. Is that what you call it?

 Jimmy Carper 35:37

Yeah, okay.

35:41

You know, and then nope, nobody will ever believe it after me. Oh, they come up. Oh, that that that gay stuff was real funny. funnier than you know.

35:51

They always know I'm gay, either. Yeah,

35:52

there's no doubt.

S

Scott Lewis 35:55

Couldn't be the frost job or couldn't be

35:57

that gap nametag that you left on? That said, I'm leaving. No. No sex for Scotty. If I keep this up all right.

J

Jimmy Carper 36:08

Again. Have sex or Scott have to get married?

36:14

That's true. give me directions to the French Quarter. What would y'all say? married guys? Were there on Thursday. Is that what it is? Yeah, it's cheap. married guys, right? married guys. Nothing for you. The bad thing is we'd probably just watched the movie. Just boring old married guys.

36:44

Never. Actually no. not really. really? We get along well. well

never. Actually no, not really, really. We get along well, well,

 Scott Lewis 36:48  
we've never had a fight that he's won. Yeah,

 36:51  
we have a little slap fight.

 Scott Lewis 36:52  
Don't count. That's why they don't count to him because he's never won.

 36:55  
I've never won an argument in my life. I just go out and mow the grass

 Scott Lewis 36:59  
and try. And you do a darn good job and often.

 37:03  
Thank you, sir. Yeah, we have no grass left. That's now we get along great. Actually, I can't think of a big fight. We don't have like slap fights and

 Scott Lewis 37:09  
No, no, there's no domestic violence.

 37:13  
Because I would kill No. No, I wouldn't. I'd pull an OJ. I didn't do it. We love each other very much.

 Scott Lewis 37:22  
And y'all met on the road? No, we met here in Houston. No, we met on the corner.

37:28

Well, we weren't having one night and John didn't meet. We met through comedy. I followed him around like a little puppy dog. And he did. wagging my tail. Send him roses on his birthday. And that's kind of how I knew I think that big guy might like me.

Scott Lewis 37:47

Ah, just just send you roses on your birthday.

37:51

No. Oh, Kevin. Kevin, Kevin. When? You know, plenty of times, every time he's been bad. You get him. You've gotten roses and flowers all the time. Say he just he just did a date and Vegas himself. And and what did you get? Oh,

Jimmy Carper 38:09

my goodness. That's something my lover has never done one. And 17 years has never given me flowers.

Scott Lewis 38:17

Jimmy What was it 8687 He asked you what you would want if you could have anything and you said to quit my job and not have to work and he gave you that and he supported you ever since? Oh, yes. A lot of damn flowers. Well, didn't he give you BD to

38:32

know that's like a gift. That was the other way around.

38:38

You quit your job the next week he gave him the clamp. All right. That's what a thank you. So we shouldn't joke. Well, that's kind of sweet. No flowers, but that sweet that he let you quit your job? Yeah, that's very let you but you know, you could quit if you wanted to quit. That's wonderful. That's very Do you think LeBron was gonna let you quit your job? Scott. Do you think that?

Scott Lewis 38:54

I don't think he can support me on? Do you want to? Do you want to rethink that phone call? Scott? I'm not looking to get married. I don't want to get married. I just want to have a good

time. That's right. I

39:07

just want to have Robert Burns on the 26th floor on

Scott Lewis 39:11

the sixth floor downtown. 526-573-8526 KPFT you're listening to you want to do a song? Yeah. He the sound system his they interviewed him and he said that the sound system was so bad and it's part of his contract that he has a good sound system and that's why he he did walk off the stage and he admitted telling them they should all go get their money back, which they did. And he also according to the Dallas Morning News ripped up the subpoena right in front of the process server and through Wow, sounds like Borgia or so Boy George major grease and in Dallas on Wednesday and Thursday sign in his book, which song you're gonna play, same same thing in reverse
