 S Scott Lewis 00:07

We've dug ourselves in to get out.

 00:09

Well, we have to find Scott a boy. That's true. I'm telling you this guy is in such dire straits. I've never seen him living sweat pouring up.

 S Scott Lewis 00:20

Because I can't afford I see around here.

 00:23

He's he's got his hands in his pocket.

 S Scott Lewis 00:25

Well, yeah, let's before we get into a bit, we get in. Not you should never call a woman either. That was Kyle common. I know. That's why Who do you think I just called a bit? Before we get into my relationship, which could be a whole nother Half Hour segment. Let's go to a song Did I see you put boy Jordan

 J Jimmy Carper 00:50

and I took it right back out because we had a request for pansy division. And I said I was gonna play some fancy division later in the show for Tom who's in the hospital recovering. But Dannv

play some fancy division later in the show for you, who's in the hospital recovering. But Danny called in and he requested pansy division for Jason. And guess which one? You don't know anything.

01:16

You'd be better off me. I don't know anything Boston off the first album. Yeah, pansy division.

J Jimmy Carper 01:24

So but no, this is this is from Danny to Jason. It's pansy division. And it's called kissed by. Boy George, with unfinished business the story about what it's like to fall in love with a straight guy. You're listening to after hours square radio with attitude right here on KPFT Houston and KEOS College Station, Bryan. And we're talking to all kinds of folks tonight. But we're going to be talking about relationships and speaking relationships and sex and stuff like that. Sex, sex. Yes. Now what if you could really talk to your parents about sex? That's a question that Jeffrey has in the movie. And this is how it's answered.

02:27

Hello? Well, howdy stranger. It's Jeff. I love them. Well, isn't this a special occasion? What if I could really talk to them? Once they had some answers? Would that just be too weird? Dead. I stopped having sex. By lame. Jeff stopped having sex.

02:55

I've got it up here. Dear. No sacks. You mean just save six? Don't you dear?

03:02

No, mom. I hate safe sex. Wrestling those condoms. water based lubricant

03:07

dry kissing. Sweetheart. Are you a top or a bottom?

03:13

Mother? Have you tried any of those workshops?

03:16

Oh, what about a jerk off Klum? All About? Bone cow? What? Oh, Fred. Let's help him out.

OH, WHAT ABOUT A JERK OFF KNUCKLE! ALL ABOUT DOME SEX! WHAT'S ON, FRED. LET'S HELP HIM OUT.  
Sweetheart. What are you wearing?

03:27

sweats and a T shirt. Oh, that's odd.

03:31

That's very hot.

03:32

Are you alone? Dad, I'm not going to have fun sex with you. And mom, darling.

03:38

Have you looked at any video?

03:40

Hardcore. Have you explored masturbation?

03:43

Oh, is if we have to ask sometimes. I never could get into that bathroom. I tell you.

Jimmy Carper 03:56

Is that Is that what your mother used to tell you? If

Scott Lewis 03:58

only it were that easy. I'm having a flashback to the bathroom years.

04:03

What? 8789 94 last week.

- - - - -

Scott Lewis 04:11

Oh, great. So when you have your own apartment, you don't have to go hide in the bathroom anymore. You don't or you better when somebody else is in the room with you.

04:21

I'm married. I have to go to the bathroom. That's the

Scott Lewis 04:23

whole point of not being married. Oh, wow. You know, why did we so why do we want relationships so bad?

04:30

Sharon? I don't know. Why do you? Say me? Every week. Every week he's on the radio pleading and begging. Yes, he is for a relationship and he wants me to answer. Think it's really something we need to discuss.

04:53

Scott, look around everybody you can see right now is in a relationship. Well, why

Scott Lewis 04:57

don't you set up You?

05:01

Yes got me. Think about this. I'm not sure Scott, what do you think?

05:09

No, you see, you're too nice share. Now, if I was a therapist, I'd be like, Well, what the hell's wrong with you, Scott? God,

05:15

why can't you hold on to a man? That's right. Maybe you should look toward the dishwashers instead of the busboy.

s

Scott Lewis 05:22

That's right, girl. I'm setting my sights too low.

o

05:28

Well, I don't know how much lower you can go. Do you want to go to AstroWorld and see the water?

o

05:36

Well, I think that's a basic Don't you think though? Sharing that that's like a basic human need is a relationship. I mean, to couple with someone?

o

05:48

Well, I think so. I think you know, everybody, I think once did

o

05:52

for more than 24 hours

o

05:55

and more than a balcony. And you know, you're a good looking guy skier. You got a lot on the ball. You're smart. You know,

J

Jimmy Carper 06:02

don't push it.

o

06:05

You got nice tea.

o

06:06

You have your hair.

o

06:08

00:00

Most of it. Please, please, please,

06:14

please. Call we don't need. We don't need pledges. We

06:19

just We just need a boyfriend for Scott. This is getting old. How long have I been on this program? Before here? Guy is not found a boyfriend yet. I can't stand it. It makes me cry when I come in in a door and I greet Scott. And I give him a hug. And I say have you found a boyfriend yet? And he goes no. And I think Oh, no. And we're gonna have to go through this like again.

**Jimmy Carper 06:44**

I talked with him every week and every week it's Oh, yeah, I found the man of my dreams. Oh, really? Well, it's a weekly basis

06:51

must be the night before the show.

06:54

Because because the shows on Saturday night he's tricked up by by Sunday afternoon. It's all over. Exactly. Well, we

**Jimmy Carper 07:01**

laugh about this but this happens a lot in the community, doesn't it? Sure people fall in love every week and Aereo monogamy Yes. Yes. As a matter of fact,

07:12

do you have serial monogamy or monogamy with your serial?

**Scott Lewis 07:16**

I don't think I'm serial monogamy because most of the people I get involved with I don't really get involved with I've only had actual really been involved with very few people in the last four or five years. Just a handful at the most. Now I've dated and gone out with quite a few people.

But as soon as they do something to irk me I get rid of them you know

J

Jimmy Carper 07:38

they don't open the door

o

07:41

if they leave the seat up

s

Scott Lewis 07:46

even the seat up if you're going to be this just awful now then God what you'll be like in six months.

o

07:52

Imagine dating someone where it isn't necessarily a felony

o

08:02

because everybody I've seen you out with always get you aside says hey, can you buy us some beer? I don't want to say they're younger but

s

Scott Lewis 08:12

Yes, Miss Lewis is well known for her young Hispanic boys. Thank God I run that after that KinderCare shuttle

o

08:24

I missed it. I really need to wear my seatbelt. Yeah, cuz it's gonna be a real

o

08:30

bumpy ride.

o

08:33

So what do you think share?

08:35

Well, I think I think we ought to all we ought to try to get everybody out there in radio land, to call in with a name and a number of a really gorgeous Hispanic male for Scott and

08:48

make sure they're not circumcised because lord knows he'll bump them down the street. If he finds that out later on,

08:53

and circumcise your person. I

08:55

think Scott ought to offer some sort of a prize for the person who actually lands him this lover person, don't you think?

09:04

Love is not a technical term?

09:08

Therapeutic kind of thing.

09:09

I just I don't want the people at home to get lost in all this jargon. It's very politically

Scott Lewis 09:14

correct. We need we need a glossary of terms of personal cover.

09:20

You have given the numbers guy

Scott Lewis 09:21

five to 65735 to six KPFT

09:26

if you're thinking about you know, Colin and being that person for Scott, you know, and your parents are still letting you stay up at this hour. That's a good sign. Do you have air conditioning?

09:37

Or if you have dated Scott Kahala

Jimmy Carper 09:41

Oh, please. We don't have enough phone.

09:46

There's nothing Oh, that's okay. Now we're making him feel bad. He's he's looking at himself going What? What what is wrong with me? No, you're

Scott Lewis 09:55

actually it's funny. I ran into a guy last night that was supposed to come to down here tonight that dated a guy that I dated that I met over there

10:08

Wait a second what the hell's that much that you needed a guy that dated a guy that data guy that needed you what was therapy groups that meet about guys who dated you Scott

Scott Lewis 10:28

Montrose counseling center,

Jimmy Carper 10:29

they went back to

S

Scott Lewis 10:33

my name is Dave. I'm a former y'all know, Julio on AOL and get in your own little room. You know what, oh, we have a call where to God, I swear to God, they talk I, somebody came to me not too long ago and said to me, Miss Lewis, I know you like to do so. And so and so and so with your date.

Ω

11:00

And your imagination go wild now.

S

Scott Lewis 11:04

Okay, it was take showers. I don't know you'd like to take showers with your dates, or with you know, trick or whatever. And whatever you call it. And I said, How do you know that? I said, Brother with the two Hispanic guys on the bulletin board last night, they both went on a date with you.

Ω

11:19

And they both gone home cleaner than when they got there. So you got a little Irish Spring fantasy happening. For all your little crevices and

S

Scott Lewis 11:34

80,000 body parts, so

Ω

11:35

you'd like to in your case?

J

Jimmy Carper 11:36

2500 That's

S

Scott Lewis 11:42

me, and in your case 1850 i Hey, teeth out here.

J

Jimmy Carper 11:53

THE END OF THE RECORDING

That's why it takes me so long to get dressed.

11:55

So do you feel the need to clean because they're so nasty? Or you have to clean the air conditioning out before? Yeah, but you

12:01

can't take that enchilada smell sometimes. It's so over. Wow.

Scott Lewis 12:07

You have a busy night at work. Yeah. What? It's just a little it's just I just enjoy it. If you're on it. It's not a cleanliness. I mean, it might be a cleanliness thing, but it's not because they're so filthy.

12:17

No, no, no, no, no, no, I didn't mean

Scott Lewis 12:21

that. It's just I don't know it's a neat,

12:23

you don't make them roll around outside in the dirt. And then you come on in that, you know, no, it's nothing like you have like a yardstick that you smack them around or anything. It's nothing like that.

12:33

As long as you don't make him take a bath and save their bathwater for you. That's That's right.

12:37

My mom used to do that. That's awful.

12:37

My mom used to do that. That's awful.

SCOTT LEWIS 12:44

Are there worse things?

Jimmy Carper 12:45

Have we strayed?

Scott Lewis 12:49

526-573-8526 KPFT. Get in on the conversation, bring some sanity into the mic. Give us some

12:56

thoughts how you stayed in a 17 year relationship?

Jimmy Carper 12:59

I don't live with my lover. Oh,

Scott Lewis 13:03

I mean, lives here. Stanley lives in Seattle. No,

Jimmy Carper 13:05

actually, Stanley has a house here and Seattle. He's only here half the time. Ah. But when we're together when he's in town, we spend, you know, like from five in the afternoon till 1030. Together. And so we concentrate on those hours and we have a real good time. So that's neat. Yeah.

13:27

You know, I've talked with a lot of people who say that they can't stand it if their husband or wife or spouse or lover travels in, you know, they're so lonely and all these things. Oh, God, Stanley

Jimmy Carper 13:37

and I are so independent that you know, more than when we go on vacations together. We can only go for 10 days at a time because more than that we get on each other's nerves. I mean, when you went to Hawaii, Oh, yeah. It was 14 days. We were in Hawaii. And that was four days

too long.

13:56

Well, I know I grew up in a family where my stepfather was an airline pilot. And, and it's, you know, it was so nice, because they were, you know, he'd be out of town for several days and then home for several days. Yeah. And my mother and her girlfriends would all get together and have a blast, you know, and then they'd all scurry back to their home.

J Jimmy Carper 14:12

Nobody really clean when you don't live together, you really appreciate appreciate the time you spend together. You see

14:19

me and Kevin are together, just darn near 100% of the time. Oh, but it was different. It was about half the time. kind of different.

J Jimmy Carper 14:30

Kevin, when you said that Kevin did a stint by himself.

14:34

And that's like once every eight months or so one of us may if we're not working and we had the opportunity to go back to a club that we liked doing like I'll do Austin. The last stop there sometimes. I mean, we do our show there too. But sometimes I'll just do a regular week there. But that's that's rare, maybe once every eight months or so. Other than that we're together for hours.

S Scott Lewis 14:55

You know, I moved in with my boy the guy was dating a few months ago. I I moved in with him for a little while. And it was just

J Jimmy Carper 15:03

awful. Well, yeah, but there were 10 Other people living there.

S Scott Lewis 15:06

I mean, we were always together. And then when I would, you know, I'd say, Well, I'm gonna go out and do something with my friends tonight. And he's like, Well, what about me? What about, we can't be together every minute of every

J Jimmy Carper 15:21

day. Some people like to be together a lot, like, like, Kevin and Scott, they work together, and they're together a lot. And people like me, I couldn't stand it.

15:33

Well, you know, I think that people are carving out their own kinds of relations. Right?

J Jimmy Carper 15:37

And that's what's so wonderful about being gay, you can do that. You create your own.

15:43

Now, did you guys you were in relationships before you were together? I take it I was you were Kevin

15:49

the whore was Scotland. No, um, no.

J Jimmy Carper 15:55

So I wasn't know. So So Kevin's the first one that said yes to Yeah.

16:01

I went to military school. So there was a lot that said, Yes, but unfortunately, it was only for a little bit of time.

16:06

Scott brought up was really an interesting point. Because you know, dating is really kind of the fantasy part of the whole relationship, because you don't have any responsibility to one another, you go out and have a great time and maybe have sex and go home to each your own

respective places. That's not that's a real challenge is when you start getting in the same house, and having this mundane day to day stuff,

J Jimmy Carper 16:30

leaving the seat, leaving the cap off the to

∅ 16:34

do what as far as the household chores, and then if you're a slob or not, you know, what, what are the difficulties or non difficulties, whatever there are with that. And if you have children, you know, what are what are the whole thing around it? I mean, I think that we've got plus, I think, sometimes there tends to be just everybody decides they're going to be in a relationship, and there's kind of one and a lot of them seems to me like this one leg out the door. You know, there's no, what

J Jimmy Carper 17:05

does that mean?

S Scott Lewis 17:07

in mind? That was one leg in the air?

J Jimmy Carper 17:10

Only one,

∅ 17:12

you dated that circus guy? Yeah. But to me, the word of that is being you know, I'd rather not have not the I'd rather the security of knowing there's somebody there. I like going home. And not that we don't do things separate when we're in town, you know, for a couple hours. But I,

∅ 17:29

to me, like his company,

∅ 17:31

yeah, very much. So I mean, I love him. That's why I want to be with him. And I don't, you know,

17:35

and there are people, I'm one of those that prefers to be with my lover. You know, most of the time, I don't have to be all the time. But most of the time I prefer my lovers come and I want to know that security, I want to know, where if a lot of people want this, I need space type of thing. Well, I think that's great if the space is planned. But if somebody is spraying space on you, when you're not expecting it, and all of a sudden, you're sitting there with no plans and the other person has decided to space. Right? Well, then it's really kind of disconcerting, I think you feel you feel a little devalued in the relationship. So it's kind of I like to know, kind of when what the plan is and where the person is, and when they're going to come back. And it's not a matter of, of trying to keep tabs on them as much as I think it's a courtesy to me. Sure. And it makes me feel secure. Just to have that knowledge, and other people are much more comfortable with just sort of being you know, while they'll be back when they get back, you know, and and I'd like to be able to be more like that, but I'm not. So I think you have to pick out relationships that that are going to suit first get to know what it is you want yourself. And

18:51

you want a relationship. Scott, are you happy dating?

Scott Lewis 18:56

I want a relationship. I just you know, I think what I learned out of this last relationship that I had was that I've always gotten in relationships in the hole. I have a terrible fear of abandonment. I'm very insecure if they disappear if they don't call when they're going to call or if they don't show up for stuff that I feel abandoned and neglected and all that. Well, I got in a relationship. This last one the first time ever with somebody else who has a fear of abandonment. Usually I'm with someone who has like a fear of engulfment and so I smothered them too much and they like tried to go the other way which makes me more scared so I chase after him harder. Well, we both had a fear of abandonment, which was fabulous because then we were like so now

19:33

to get a crowbar to get.

19:36

I've always said I've always thought the ideal codependent breakup is honey. No, you take the furniture No, darling. No, no, I wouldn't think of it you have at all. No, no, no, no, no.

Jimmy Carper 19:47

Boy. Wonder if that has ever happened. No, it's not. I need to

We're here to see that big penis man change your marketing approach. No. Need to reinvent my penis. You could be like a superhero. Captain penis.

Scott Lewis 20:30

But there are too many people who know the truth.

20:30

Scott Lewis 20:30
