The crew of after hours is ready to bring you news interviews and music here for gay and lesbian people. Just as Gloria Gaynor says in this song it's time to open up your closets we at after hours urge everyone to come out of their closets by our definition that means standing up for yourself and taking responsibility for your own life. But if you feel that you can't come out right now because of your age your job or whatever reason that's okay we're here for you too. So sit back relax and enjoy this week's edition of after hours

Wow, you don't know how important that last little disclaimer was. The last time it was done live was probably five years ago. And tonight we couldn't find the cart. So we had it done live again. And believe it or not none of us knew the line. We up and brought me down here. That is station manager.

 **Jimmy Carper 02:58**

That is the program to program director Cantor Garland Ganter.

J Jewel Gray 03:02

She's making lists some late night stops getting some copies made so she'll be here in just a few minutes running and sweating I hope in the meantime, what we're going to do is we're going to spend a few minutes with Jimmy and the Q MC and let him splint splint some splatters. Spin some platters. And here he is.

J Jimmy Carper 03:38

Hi, it's Jimmy with the QMZ, queer music zone, right here on After Hours, a continuing tradition on KPFT Houston 90.1 FM. And tonight we've got a little bit of some strange stuff and a little bit of some stuff you've heard before and a little bit some kind of run of the mill stuff to kind of even it all out. We've been bringing you people who been on the stage at the March on Washington and Diane brought a CD in cuz she happened to see the one the only pussy tour et puts the

J Jewel Gray 04:24

direct

J Jimmy Carper 04:26

video what a cover to drag queen extraordinaire.

J Jewel Gray 04:29

Fold out poster here of Mr. Ed's Mr. Ed. Yes. Mr. Ed in high five says yes. Well, that's a kind

J Jimmy Carper 04:40

of it's kind of kind of strange. Like gloves. Oh,

J Jewel Gray 04:44

for Madonna. This photograph looks just like when I saw him at dawn. No kidding. Yeah, just just this looks like one with numbers under it. Yes.

J Jimmy Carper 04:53

It's incredible. It's incredible. And she does some incredible music actually, only about half of it. Can we ever play over the array Audio Right,

J Jewel Gray 05:00

I've heard this. Some of it is really, really good.

J Jimmy Carper 05:03

Yes, yes. And I've got two cuts I want to bring tonight. One is called Bridget. And you know, on the QMZ, we feature music by gay, lesbian, bisexual or trans jenderal artists. And this song. Well, I mean, proceed to read this transgender girl. All right. And this is kind of a song about playing dress up. And maybe what what goes on in your mind or in anyone's mind when they do such a thing? So let's get right to it Hi, kids, I'm home. Hi, Mommy. How's my little girl today? I've been a good girl, Mommy. Well, that's good news, honey. We're shipbroker we're

D Diane Williams 06:30

record memory.

J Jimmy Carper 06:31

We are Memorex right now. Uh huh. That was that was proceed to read and I did two cuts Bridget and French bitch in

D Diane Williams 06:43

about the word. Talk about the word, the word, the word that you believe that they're the wrong. I would like to introduce our special guests to the lovely and ever so talented. Nancy Ford Meister. Yay, Nancy, for Nancy. What a baby.

W 06:58

Who will be talking about the word by the way.

J Jimmy Carper 07:01

Okay, and what word is that?

D Diane Williams 07:02

Can we say it? Yes. The P word. The P word. We can say

∅ 07:06

pineapple. Oh, pussy. I forgot that name. It's just

J Jimmy Carper 07:12

name it says name. And it's a controversial word. We've had 50% of women saying that. That's a horrible word. And we've had women come in here and say it over the air. So I don't know how

D Diane Williams 07:26

we just where's the P word? Or the C word or the C word?

J Jimmy Carper 07:29

I think C word

D Diane Williams 07:32

the same thing? I don't know.

∅ 07:35

I don't mind carrots and pineapples. Welcome to the herbs show with Nancy for Nancy

J Jimmy Carper 07:42

Ford. Yes Nancy port and Diane Williams are telling you about the big P word folks.

D Diane Williams 07:49

What are we are when they're done that

∅ 07:52

guess we're considered the authorities. Okay, now this I can I don't

D Diane Williams 07:55

know that. There was no Nancy. Yes, there are.

07:59

Now you stop that this has nothing to do with that interview. Do you mean like sleep? No. Okay, done the Pearson here's how I feel about that word. It makes me uncomfortable. For some reason. It's not a word that I use when referring to anything. Anything because I don't even like cats. I'm allergic to cats. I couldn't even take the White House tour when we went to Washington.

D Diane Williams 08:23

I don't get it.

08:24

I don't know think about it.

D Diane Williams 08:25

I don't mind it. But the P

J Jewel Gray 08:26

word I really do. Angel uncomfortable with it. I think it's been used and still be is used quite regularly as a negative thing in male lingo and we live in a male world, much to my dismay, but the fact is it's used very regularly to demean and be negative with people and I find it difficult and I really was very uncomfortable with the name of this man because he chose that but I loved the music this to this album is just dynamite. It's one of the best I've heard in a long time.

D Diane Williams 08:58

Well, you know, I don't get it myself. I don't know. I'm not comfortable with the word but I don't know what else to call it sometimes. And sometimes there you have a 2d

J Jewel Gray 09:08

not his real name. Why do you think he did that? What What was the I mean, there had to be some motive to the money.

09:14

Could it have been? Publicity,

D Diane Williams 09:16

publicity?

09:19

Hype?

09:20

Maybe he just likes cats.

J Jewel Gray 09:24

Here at 20 After midnight Saturday night talking about it to all the people who are out there listening to it.

D Diane Williams 09:31

09:45

D Diane Williams 09:53

J Jewel Gray 09:56

09:59

D Diane Williams 10:08
