That's like being white and being a member of the NAACP.

S

Scott Lewis 13:57

It happens doesn't know it's gay, lesbian or bisexual. What do you think it was all three gay, lesbian and bisexual. Talking about a confused person.

H

Howard McHale 14:10

Our audience ought to be confused tonight.

S

Scott Lewis 14:13

So um, so y'all have orgies. Really? What do you what? How many people are in the group?

14:17

About 25 or 30?

S

Scott Lewis 14:19

15:21

Um, well, we sponsor the National Coming Out Day Rally for Houston,

Howard McHale 15:26

which I heard was pretty successful. Yeah, yes. Okay, good. All right.

15:29

Yes. And we have the triangle ball, which is during the same week, which is a big, like a gay festival. You can say, Caleb, and

Scott Lewis 15:42

chiffon to that client.

15:44

I've definitely,

Scott Lewis 15:45

definitely.

15:46

And then we also have the gay week, which is a week that we sponsor at the university to promote gay awareness. This year are gay, we concluded. We had a poetry reading, which had quite a mixed turnout of gay and straight and we sponsored, we had a party and we had a movie night we showed the hunger and we got a good mixed crowd for that anger. What's that? It's a movie with Susan Sarandon and Katherine dividend.

Howard McHale 16:18

I thought Roy was cooking again.

16:19

And oh, what's his name? David Bowie.

Howard McHale 16:23

Howard McHale 16:29

Beastie Boys,

16:31

who noticed and those are two big main events. We also co sponsored national AIDS Day Awareness Day or think it was and but our main purpose is to try to get the uvH community aware of homosexuality and bisexuality and try to

Howard McHale 16:50

well you know, on the other show, not too long ago, we had the one of the only gay fraternities at university from the University of Houston. Yeah.

Scott Lewis 16:58

Howard McHale 16:58

 **Scott Lewis** 17:23
Can we talk girlfriend? Tell us a tea. Are they just a bunch of brain nerds or what? Oh, I don't know. I don't want to figure out I mean, I think they want to be straight. That's what I said. They're a bunch of wannabes. They want to be gay. They want to be straight. They want to

17:41

they haven't come to me lately. I'm like, every gay man who wants to turn straight comes to me. Really? Why? Because my breasts are open.

Howard McHale 17:55

O'Brien want to come by and peek at?

Scott Lewis 18:02

Is there there's a little gray box over there. Do you see it with a bunch of numbers on it? One through five? Is there a light lit up on it? No. No lights lit up on it. Well,

He'll be in the bathroom going through my Estee Lauder collection. He'll be in there going Cleany oh man comb through to pay collection pills Yeah, yeah, just a little bit who can help that JJ right bad but have we ever heard that phrase too much information? The information highway the information superhighway it's been well traveled you know times like these remind me that I should always have a song queued up for when something I don't expect to happen to leave me speechless.
