16:54

bursts? Are you there? Paging Bruce. Come back down to earth. I don't

Buddy Johnston 17:02

I don't think I know who is here. He's gone. So we're not very organized here. No, that's for later you can do that.

17:16

You're passing dirty notes to each other.

 Buddy Johnston 17:18

We're all getting our clothes taken. Alright, getting undressed? Isn't this the newness? The Texas gay newness they're not here this morning. Wrong send me that bathroom for just somebody put that over there. Well it's 330 it's 235 we're gonna act we're gonna act better or worse I don't know what we're gonna do. I'm sure impersonation and Alan's do it. She could see this ladies and gentlemen. Alan is in the I don't really know what we're doing. I think we should like bundle up and go home and just play a tape. Not yet. The we have the Jimmy Swaggart revival last. I'm not going to do what did you get? Here? Share? You came home. Alan's taken off his clothes now. Give us a call. If you want to adopt Alan, instead, let him go to San Francisco. Only God knows why you'd want to adopt this man. But anyway, let's talk about couples. Because there's a couple of right here.

 18:16

Got a couple.

 Buddy Johnston 18:21

There's a good couple. Who is that? Is there a good couple here? Of course. There's a

 18:25

good couple here.

 Buddy Johnston 18:26

Oh, good morning. Well, this is Greg and Scott. Right. Right. Right. Are you with us? I'm here. So I'm not sure. I'm sure. Do you want to admit being on this program?

 18:38

Yes, we were to it, we swear to

 18:39

it. That's why we're not telling anyone our last names either.

 Buddy Johnston 18:43

Well, their phone number is 5555555. So you can call him up after this show. And

18:49

for 1495 You can order a pair just for your bookstore.

Buddy Johnston 18:54

So let's couple's couple of what that's what I told somebody at work. I said, come see our workflow, police department police dispatch and I was at work today and I said, Well, this is who's gonna be on your show this morning. I said couples and he said a couple of what Kamala was talking about, can people actually get together right?

19:15

Sure. We do. Yeah, you gotta let go that Oh, I'm sorry. Let's go over that before I can make it, make it stand up, right. Okay. I'm now embarrassed.

19:33

That's why they put us in separate rooms.

19:35

I know. We can't even look at each other. This is really mean. Oh, who are you? Anyway? My name is Scott Scott. And I'm half of the chair. Couple of couples Houston.

19:44

All right. Where's the other half?

19:47

The other half in the other room?

Buddy Johnston 19:50

And that is Greg Right? Correct. How long has couples been around?

19:54

Couples has been in existence for three years now. We this is we started our third year this ~~past year January~~

 Buddy Johnston 20:01

Seriously, there are gay men and women they get together with the intent of staying together. Right? Right. That's what you're all

 20:06

about. And that to me, we have to stay together. Well, not on this radio show anyway. Okay. Yes. Basically, what our club is, is a support and social organization for couples to reinforce and strengthen each other's relationships.

 Buddy Johnston 20:27

Which I'm sure takes a lot of work more than you can imagine. Tearing so you've been together for what? 10 years 10 years together

 20:38

we've been together five years

 Buddy Johnston 20:39

Roger not been together for him was for what about two clay over four. And Alan's had that T shirt for three. Alan, you can be a couple with your T shirt.

 20:52

Only if you promise to wash it later.

 Buddy Johnston 20:55

Anyway, so we better play some music because I really don't know what's happened here. It's it's the egg balancing day I think is today because our eggs are all balanced. With this t shirt. It has a life of its own. Baby I'd read your beads but I'm not into cheap jewelry. You mean to tell you why you may tell you why I'm really out of it this morning. It's because Allen's leaving Allen's go into San Francisco and I don't like to say goodbye to friends. If I start talking and laughing I won't start crying and tell you how much you're going to miss you and all those things. I won't miss you baby I'm too good a shot. Okay, that was it. You try to be nice. Just sing a song Alan. Oh, he would sing special create Yes. Did you guys realize you're gonna get into

this much hot water when you came to here at this hour the morning got quiet. Scott's just had this big thing in front of him now touching my microphone. Keeps wrapping his hand around it like this

22:16

we don't get it. We don't get it at home.

Buddy Johnston 22:19

None of us get enough of something. Hello. Hello. Hello. Hello. Out there. Who's this? Who's this on the Batman telephone? I Dennis? How come you're not here? Just like Dennis the minutes.

22:38

Sometimes. Dennis who is the other half? Took me awhile to get out of my blowup dog costume.

Buddy Johnston 22:52

Did you hear that? EditText made me say that.

22:56

Doesn't that make your skin sweat?

22:58

It depends on which way you rub it.

Buddy Johnston 23:02

You're not down here helping us because we need help. We have

23:05

nothing. Here sounds like you're having a good time taking off the clothes and disrobing and everything.

23:11

Is it really a wonderful? absolutely want to wait 98 pounds. Only on radio? Would they believe it?

23:18

around my house? He don't look at Clay. Please.

23:21

I'm not allowed to. I'm married. together for years. Great. Four years. Tuesday. Really? Yep. This Tuesday. this coming Tuesday.

Buddy Johnston 23:32

17th. God got you presents the 17th. Really?

23:35

That's right. St. Patrick's Day. You know,

23:37

that's my wedding anniversary. Is it really? Four years since our ceremony on the 17th?

23:42

Are you serious? Serious? Yeah. That's a hard day.

23:45

Yeah, I was really lucky in finding clay and the Lord showed me to him and I'm real thrilled to be with him. That's cool. And through the help of the church I go to and other things. We've been staying together and working together and building a home.

Buddy Johnston 23:59

Where's that at first to the rock of Houston. Church of the rock of Houston. They were on the program once before, right? Yeah, we were all excited about was the church yet.

24:07

24:07  
It's on Long

24:08  
Point. 7018 Dennis. Yeah.

B Buddy Johnston 24:12  
Okay, well, listen.

24:14  
I have someone that wants to speak to Terry here. And I've got to go get back in my blow up. Costume to Clayton blow me up when he gets home this morning.

24:24  
We're not allowed to talk like that on the radio. I'm gonna talk to you later. Who's

B Buddy Johnston 24:27  
on the phone. Okay, hold on. Put that dog on the phone.

24:33  
Hi. Are you doing all right you bag. Oh, you still kickin? Oh no. Don't have time to give up. This is Craig. Is Craig. Say Hi, Craig. Craig.

B Buddy Johnston 24:48  
Craig. Thanks for calling. Thanks, Greg. By Craig. Craig back here. Yeah. Hello. Hello. Hello. Tell him to hang up so we can talk to Bob. What's his name Bruce. Bruce Ray's the chair, one of the co chairs the male co chair Pride Week is on the phone. Oh man, we can't pick the phone up because they got him in the lobby talking to him. So when they get through talking to him out there hello. Hello, Bruce. Bruce come in verse they put them on hold the I don't think versus actually here. Here's here's the deal folks versus in Tulsa, Oklahoma, and a dignity conference with dignity and we understand that he has gone out to the Oral Roberts University. Oh, are you? Yes. And God has called him into the tower. And he is going to stay in that tower until he raises \$100 million to know what's gonna happen. Now, Bruce calls again, we're gonna put them on the phone and nobody else is going to pick them up because we can't get them in here. Okay. We're given phone instructions over the year. Anyway, what do you know a lot of things this is it a full moon and what is it? Yeah. Because I feel like something.

26:10

KPFA

B

Buddy Johnston 26:11

Terry, did you hear that? Ladies and gentlemen, hold

26:13

on. Hold on, Bruce.

B

Buddy Johnston 26:19

Bruce, all right, buddy. What the hell? They got you was that you that called a minute ago from a bar

26:27

and they keep hanging up on me?

B

Buddy Johnston 26:30

I'm sorry, baby. We thought it was we thought it was Oral Roberts, we said it was coming in from the prayer tower in Oklahoma. We were hanging up. Well, what can I say? What are you doing? Are you coaching the gay pride parade up there in Tulsa now.

26:44

Kucera Gay Pride just kicked him on the air. Okay,

B

Buddy Johnston 26:48

can you hear us?

26:51

Yeah, I mean, coach, you're gay pride gets involved everywhere. And I'm up here in Tulsa this weekend for a dignity conference. But I had to call in and remind everybody that our next pride meeting is March the 20th, which is next Sunday afternoon. At six o'clock in the afternoon,

upstairs at the barn. You know, and I haven't gotten out to the tower yet. Because I had really planned on saying that, you know, I'd gone out to the tower and they got it spoken to me and told me that we needed to raise \$10,000 for Pride Week.

 Buddy Johnston 27:20

We just did that. We said it was \$100,000 \$100 million, or something

 27:27

like that. Gives us by we could do a parade with \$10,000.

 Buddy Johnston 27:32

How's Tulsa? Who said it was I was born in Tulsa? No, really? That bunny found out I was when they found out I was queer. They threw me out.

 27:46

They haven't found me yet. And I've been running around town with queer buttons and Jesse Jackson buttons and the whole nine yards.

 Buddy Johnston 27:52

You're too big to throw out. I mean, you're bigger than I am. And well, he looks a lot. You look a lot meaner than I do.

 28:02

Me. Surely not. So

 Buddy Johnston 28:05

next week after hours isn't going to be on the radio because we're going to be celebrating a rainy New Year. Right? Right. So that means we can't tell everybody to get ready for the parade.

 28:13

Right. So they've got to get ready. Now. They've got to put it on their calendar now to be a Pride Week, next Sunday afternoon.

B

Buddy Johnston 28:18

That's next Sunday afternoon at six o'clock, upstairs at the barn upstairs at the barn over on Pacific street and they said the barn just reopened. Right. Okay. Well, you're going to come back and see us Are you going to stay in Tulsa?

♂

28:34

For any amount of money, I will be back in Houston tomorrow afternoon, and you will be the first person on my list to talk to you when I get there. I have

B

Buddy Johnston 28:41

to go to work at five o'clock this morning. And I'll get off at two so I'll be sleeping and I don't want you to call on me.

♂

28:47

Well, I already talked to Roger roger said I could count because we both know it wouldn't take any. Nothing will wake you up tomorrow.

B

Buddy Johnston 28:54

Just please come over and see us. Okay. Okay. Tell us about all the wonderful things that are going on in Tulsa out there. Wait a minute. Alan's wanting to do something. Yeah. I need somebody to help me deflate my waterbed. I'm not hearing you. I said I need someone to help deflate my waterbed. You want to come over help me squeeze the water out of my way. Bruce, we'll see you tomorrow baby.

♂

29:17

Got a good show. Okay, bye.

B

Buddy Johnston 29:21

All right. That was Bruce Ray's have a good show. Apparently he hasn't heard it up until this point. Bruce like I say this with a male co chair of the parade this year and the next meeting is going to be a week from today. At the barn upstairs in the barn over on Pacific Street. And Alan What the hell are you talking about the squeezing the bed? I have to get all the water out of my water bed. I gotta break the thing down. So I need someone to help me you know taking all that stuff you have to San Francisco taken all my stuff? Yes, brother. I can't live without my stuff. Except like in California. They're not like materialistic because of the Earthquakes, you know

what I mean? You're gonna get out there and just shake, rattle and roll. In that order. I plan to Shake and Bake. Yes. Okay, forget that plan to slip and slide do but we can't talk about we just turned we just did. So couples with say a prayer and go home.

30:25

Usually we're not up this late.

**Buddy Johnston 30:26**

Really? Usually we are up to Slade every Sunday. Right T right every Sunday. See, I was looking at my calendar. I was at the strength office last week. The city shrinks, I can tell how crazy I was for staying up all night. Did you agree with you? Yeah. If you have a question for for Greg and Scott with couples, give us a call at 526 4000 We'll try to put you on the air. And we'll take our chances once. Just once. Well, you never know. He says, who's calling. I do want to say one thing though, to some police officers and some sheriff's deputies and some ambulance drivers and some doctors and lawyers and waiters and fell boys and carpenter workers and in other words, everyone out there that's listening. If you're hiding, and you're afraid that someone's gonna find out. Don't be afraid. There are a lot of people in this world that support you and care about you. And if we could, we would put your arms around but our arms around you and tell you how much we love you. Being gay is something that is good. It's good for us. We think it's healthy. We're all planning to live to be 100. And with Greg and Scott here, it's evident that gay people want to get together and stay together for a long, long time. And it's like my mother told me if you can't be happy, you can always be gay. That's right. Should it if if you had an idea for the show, which we need some help with, obviously, you can always call us at the after hours hotline goes right into my bedroom right by the phone phones wrapped with a bed now actually, it's in the in the den or the office or whatever it is. That number has got an answering machine on it 24 hours a day, seven days a week and we're always taking your calls for information on the show and requests for programs. 5294636 It's Area code 713-529-4636 Or you can write us after hours and care. KPFT 419 lovett Boulevard, Houston, Texas 77006 Now somebody say something nice about couples and let's get serious because it's pretty serious, right?

32:51

What what do you want us to say nice about couples?

**Buddy Johnston 32:54**

Well, I was gonna say they don't stay up late anymore. Is this what happens when you get married? No. Just

33:05

33:07

they can't look at you. This is Radio. Oh, don't get me just hear us. Okay. Imagine. We do hear you. Talk to you about that later. Thanks, Alan.

33:21

Well, don't stop talking. Well, I don't know we have notes passing around.

Buddy Johnston 33:26

Say a few words to our listening public. I know someone's basically

33:31

I'm gonna say something real nice about couples here. I have a prepared statement to read this White House Go ahead.

33:44

With all the background noise behind me, please. Go ahead says couples Houston is an organization formed for the purpose of providing social and educational outreach to persons participating in an alternative lifestyle relationship with no particular religious or political affiliation. We pledge our support to the positive aspects of a relationship and the sense of stability that they represent in our community and lifestyle.

Buddy Johnston 34:10

No religious or political boy that'll probably get you some dirty looks.

34:15

Hey, we stay at all fights. You know, they say never discussed religion and politics makes strange bedfellows or what you do in the bathroom? What do you do in the bathroom?

Buddy Johnston 34:31

Ask don't ask Have you ever tried showering together with the lights off? Don't ask him anything about sex food.
