That means standing up for yourself, taking responsibility for your own life and being proud of who you are. Realistically, we know not everyone can do that because of a job or frame of mind. That's okay. We're here for you too. So sit back, relax, and enjoy this week's edition of after our. Hello, Houston, and welcome to after hours queer radio with attitude right here on KPFT Houston and ke O 's College Station. I'm Jimmy Carper.

G

Gigi 02:17

And this is JJ with binary Houston.

◊

02:21

And Karkos is here. Hey, hello. Oh, what's going on?

◊

02:27

Hello.

K

Kirk Keevert 02:30

I'm feeling particularly goofy this evening. All right. Okay. So learn to deal with that. Is Can you

hear through your headphones because I can't hear through mine

J Jimmy Carper 02:41  
now. Not very well.

K Kirk Keevert 02:42  
Is the There we go. That better? I can hear whatever. I'm gonna say that a lot tonight.

J Jimmy Carper 02:50  
You know, I was thinking tonight. Something that that Mary did marry in the morning for for Valentine's Day. wasn't married duty and anti love songs. Good. I was thinking about doing that. But I know people are gonna call in and I want to dedicate songs to their boyfriends or girlfriends. So yeah, now

G Gigi 03:13  
yeah. Well, we could get kind of a I got a twist on this.

K Kirk Keevert 03:18  
I got a song to dedicate to my boyfriend. You have a boyfriend? Where the hell are you? What's your name?

♀ 03:31  
Oh, oh. Oh, what did I hear? What did I hear?

K Kirk Keevert 03:35  
ashamedly, I was not listening to KPFT on the way in. What was the Yep, blow me. I was listening to somebody? Um, yeah, another station.

J Jimmy Carper 03:46  
Good. That's fine. Now what were they doing? Well,

K Kirk Keevert 03:49

they played a Katie Lange song that I had not heard before. And now I can't think of it. It was a 60s remake. And I was singing it all the way in here. And

J Jimmy Carper 04:00  
now you can't think of it.

04:02  
It wasn't 60s. It was the very thought of you. And forget to do the little and everything.

J Jimmy Carper 04:13  
Yeah.

K Kirk Keevert 04:17  
I just thought I just thought it was kind of cool. And you

J Jimmy Carper 04:22  
thought wrong.

K Kirk Keevert 04:23  
Thank you so much. I hate you so much. Thank

J Jimmy Carper 04:27  
you. Thank you. Well, tonight we have some by NET News. Oh,

G Gigi 04:34  
yeah. Okay. Miss JG has been real busy. All bad. And up to well, I have talked to pride committee, and we're gonna do a show with them next next time on Monday, which is March 1. Good, good, good, good. And I talked to them about doing the history of pride, you bet. And then doing a little bit of what's to come in future future goals. And where we are now, in the community. That's good. That's good. And um,

J Jimmy Carper 05:07

I think we started like 74.

G Gigi 05:09

Yeah, yeah. Well, one of the things I'm going to be doing and starting camera series for a while on Vine, it shows is this concept of community first. And taking a look at where the gay gay dollars going, how we can change it and looking at some visions in the future, where we can go as a community.

J Jimmy Carper 05:35

I've always believed in buying gay because gay businesses have a tough time making it automatically. There's a large percentage of the community that's not going to do business with them because they're gay.

G Gigi 05:51

That and then also the conservative. Right business is gonna do everything to put them out of business.

J Jimmy Carper 06:01

The left is always hitting them up for donations. Yeah.

K Kirk Keevert 06:05

Well, I I don't know if either of you have seen Leah adularia. Do a live do her live stand up now. Very funny. Yeah. Very funny lesbian. And she was talking one time about, she was in a bookstore in Provincetown. And it was a it was a women's bookstore, women with an eye or a wine or whatever. And there was a sign there that said 10% lesbian discount. Does that mean? And I she said she wanted to be the one to verify. And she brought up a good point. You know, what, what percentage would you have to discount to get somebody who was either, you know, on the beam?

J Jimmy Carper 06:56

Yeah, I mean, do you get 5% bisexuals how well,

K Kirk Keevert 07:01

it was like, you know, some some guy

G Gigi 07:03

who, who, you know, 20% were

K Kirk Keevert 07:07

married and everything. And he's like tricks in the bathroom at JC Penney's. But yeah, what to say? Well, no, what what percentage would it take for him to say yes, I'm gay. Ah, you know, wouldn't have to be a 50% discount. Yeah, even more, yeah, pay me. And I'll say I'm gay. And I'll take this stuff off your hands. What a deal.

J Jimmy Carper 07:29

He may not even know or he probably probably he wouldn't. Under any circumstance, so far in the closet.

K Kirk Keevert 07:39

I have in my hot little hands, a plethora of top 10 lists. And I got them off the internet. These are not these are not of my design. And there are a few that are Valentine's Day oriented, anti Valentine's Day oriented and so I thought I'd start with one. Okay, if that's okay with you, Jamie.

J Jimmy Carper 08:04

Well, then we'll talk about what we're going to do in the rest of the show and go to a piece of music. Hey, that sounds cool. Okay,

8:10

you know, I went up to Northwest mall one time and they had out on the pitch sign out front said sale tops \$10 bottom 20 Right. I ran to the ATM machine rent store real quick. The found F van people talking about clothes will have tacky I know.

J Jimmy Carper 08:29

Thank you, Tom. Tom will be with us later to talk about a loved one in his past. Since we're gonna be kind of talking about loved ones and things like that actually, we're gonna be talking

K Kirk Keevert 08:42

about a lot of though there's a plethora, we have a plethora this evening. We've got a cornucopia. Yeah, big

J Jimmy Carper 08:46

K Kirk Keevert 15:45

Oh, well, Jessie's in Napa soda. I assume that Jesse Jesse was in Huntsville. And he's not Navasota Yeah, it says right here. Yeah. Scott and I got a letter that Jesse wrote way back in the in the, in the ending of the of the previous year. I

J Jimmy Carper 16:03

know, I know.

K Kirk Keevert 16:06

And he sent us a very nice letter, Jesse. I promise I'll write you back. It's a little late, but I feel kind of bad about it. But honestly, I just I saw this 30 minutes ago. I saw this letter 30 minutes

Especially that he starts off the letter with especially that chick you girls had there with you. If I remember right, her name was Gigi.

K Kirk Keevert 16:45

She's sitting across from me tonight. And he's looking fine. Thank you. Oh, yeah. Okay.

J Jimmy Carper 16:53

Gigi is so androgynous.

K Kirk Keevert 16:56

So, so, Jesse, thanks. Thanks for listening to the show. Thanks for writing. I really appreciate it. I hope you're still listening. I hope you didn't get all pissed off because because we never did acknowledge your letter on the air. We're doing that as we speak. And I will at some point during the next couple of weeks, sit down and and write yourself a letter thanking you for this one and and while giving you somebody new to talk to you.

J Jimmy Carper 17:27

Well, I also want to give a shout out to Taro

17:32

what what? Oh, what?

J Jimmy Carper 17:36

We get a shout out.

K Kirk Keevert 17:37

Last time I tried to do a shout out you freaked because it was being too ethnic.

J Jimmy Carper 17:41

Oh. Well, what do we call it?

G Gigi 17:46

Oh, do a shout out.

17:48

Shout out See if I care. I don't care. Okay.

J Jimmy Carper 17:54

G Gigi 18:46

K Kirk Keevert 18:49

J Jimmy Carper 18:51  
No, I'm sorry.

K Kirk Keevert 18:52  
It's okay. It's Oh. It's also the same as Fourth Ward. But yeah.

J Jimmy Carper 19:49

I am so proud of after hours listeners. Because both weeks. We exceeded our goal just like we did last time just like we

K Kirk Keevert 19:58

did last time and And this is big.

J Jimmy Carper 20:01

Yes, for the first time ever after ours has a member to represent us in the leadership circle. \$500 Wow. Thank

K Kirk Keevert 20:13

you so much, Chris. Yeah.

J Jimmy Carper 20:17

You betcha. At once again, not only does after hours have the most listeners of any midnight show here at KPFT, but we raked in the most money and did we really, really proud of it? Good for

K Kirk Keevert 20:32

us. Yay.

J Jimmy Carper 20:35

Yay. Thank you. Yeah,

K Kirk Keevert 20:37

thank you guys.

J Jimmy Carper 20:38

It's it's guys believe in this show.

K Kirk Keevert 20:41

And we we truly appreciate it. We really do. We it's it's nice getting your calls week after week. And it's it's nice. It's nice knowing that you're out there. But the the one of the reasons that they let us keep coming in here every Saturday night and talking to you is because is because the pledge drives are as successful as they are. And you are the ones responsible for that. Thank you very much.

J Jimmy Carper 21:08

You bet. You bet. While we're talking about mail, I got postcards letters, Adria, get

♀ 21:15

letters. Now you get stacks and stacks. So

J Jimmy Carper 21:19

we get one or two

K Kirk Keevert 21:22

stack of letters.

♀ 21:25

I was talking about Adrian? Oh, yummy. Yeah, he's the young kid who interviewed me about a person having AIDS. Yeah. For his high school class. Yeah. And he got like an A plus on it. Cool. Well, listen to this. He says Happy Valentine's Day. How are things and Never Never Land? I am better than good. My aides paper along with getting an A won first place in school competition. And first place in district competition is currently in regional competition. Adrienne, isn't that cool?

G Gigi 22:03

Coming out?

K Kirk Keevert 22:04

Go girl. You go baby. All right for you. That is way cool.

J Jimmy Carper 22:09

He says I'm proud to know that my voice on AIDS is getting heard. If you can tell Scott, I said Happy birthday. Oh, that's right. Yesterday was Scott Lewis's birthday.

K Kirk Keevert 22:20

And he's elsewhere celebrating.

J Jimmy Carper 22:23

Turning 22 Again, right.

G Gigi 22:26

How many times has he turned 20? To tell a secret? I think I've lost count.

J Jimmy Carper 22:31

Last year Scott always says he's 25 But he was born in 1970. So you figure it out? Or what?

K Kirk Keevert 22:42

Well, you know if he's not if he's not going to show his hairy butt up here to defend himself by God. We're going to tell the truth. Cleany sad Ben precious. This is t tell a baby. This is T spill. Any questions?

G Gigi 23:05

And getting closer to that big three?

K Kirk Keevert 23:09

Scott, it's 30 is not that hard. It doesn't get that hard after 30 either. But

G Gigi 23:17

what Speak for yourself. Miss JGS as hard as ever.

K Kirk Keevert 23:23

Oh, mental picture.

J Jimmy Carper 23:25

I will have you know. Yes, dear. That along with

K Kirk Keevert 23:30

I'm just trying to make Scott feel bad mines as hard as a rock right now just sitting here next to you precious.

J Jimmy Carper 23:37

One of the advantages of protease inhibitors is that it works again, is that yes, there was a time that that yeah, sex drive. And that's picking up again,

K Kirk Keevert 23:56

there was lots of dangle in the dangle. Well, I'm so happy for you. i When I was in group in Atlanta, I had a very one of one of my very good friends that not very good friends but one of the guys in the group that had been on Prozac. I was very proud to say that I was the only person in the group that had never been on any sort of chemical antidepressant type thing. I was only one of the group and so !

J Jimmy Carper 24:24

get a hard on.

K Kirk Keevert 24:27

Well, actually, and for those of you out there having this little problem with Prozac or any of the any of the other antidepressant things, that that your your dangled angles just a little too much. Your Dingle dangles just little whatever. Wellbutrin. This guy was the poster boy for Wellbutrin because he was sprawling again. Oh yeah, he was very happy with that. So Wellbutrin is the antidepressant of choice if you want

J Jimmy Carper 24:52

a sex life, a boner, a woody whatever.

G Gigi 24:57

Of course there are other alternatives. To antidepressants.

25:02

That's right. Yes. You could just talk to us. We're so happy to jerk off. I mean, just

J Jimmy Carper 25:10

so what did you do for Valentine's Day? Yeah, no, I was worried.

25:17

Well, that was yesterday. Oh, okay. I'm beat on five times I didn't beat

J Jimmy Carper 25:20

off. So what did you do for Valentine's Day?

K Kirk Keevert 25:23

I went to the Comedy Sports Show. Oh, how was Cal super easy. It was Friday night. And it was the annual Yes. Battle of the Sexes show. Where it's the only time of year that they have a team of girls against the chemo guys. Yes. Women. I call them guys. I can call them girls,

J Jimmy Carper 25:41

whatever. I just don't want feminists coming down here breaking down the door.

K Kirk Keevert 25:47

Quite frankly, neither do I.

G Gigi 25:51

That might be fun.

J Jimmy Carper 25:53

I would love to have lesbians on the show. I would too. We are really shortchanged when it comes to women. I know what

K Kirk Keevert 25:59  
was Stacy Stacy guard now? Yes. And for she

J Jimmy Carper 26:03  
covered a lot of territory because she was a leather Republican, lesbian.

K Kirk Keevert 26:09  
Well, she's just all over the map. And yes,

G Gigi 26:11  
well, Jesus jet is planning was planning to come tonight. But she wasn't feeling

♀ 26:16  
I asked her a couple of lesbians to come down because Julie, believe it or not. They were talking to me about that. Yeah. And I suggest they come on the show, and maybe

J Jimmy Carper 26:28  
we can help you. I have noticed. You know,

♀ 26:32  
I will talk with him again. Yeah. And see if we can do that. I I would like to see that at least once a month that we have a because

J Jimmy Carper 26:44  
I can't talk about I can't talk about lesbians. I'm not I think

K Kirk Keevert 26:47  
I know. We

♀ 26:48

do have young twins out there. And the girls I'm talking to are in the early 20s. Perfect and yeah, I would. And I think that

G Gigi 26:59

they would not someone that would be too good to offer

∅ 27:03

a great viewpoint.

J Jimmy Carper 27:06

Yeah, we like the younger crowd. I really would like that. Because, you know,

K Kirk Keevert 27:10

I would I would venture I would venture a guess that that we have a higher percentage of women listeners than we do. Oh, yeah.

J Jimmy Carper 27:16

Yeah. And, you know, even lesbian gay voices. I mean, that's covered adequate. I'm covered very well, by Joan Devlin, but she's the only woman involved in that show. And you know,

K Kirk Keevert 27:28

well, I mean, you gotta, I gotta, I gotta, I gotta say this, you know, lesbians are so busy. Yeah, you know, that. I mean, between fixing cars, and raising big dogs and fixing, fixing, fixing their flannel shirts and things. They don't have the time and Dark Half time part to

G Gigi 27:53

bring up on this community. First is the state of the lesbian kingdom here. You know, we've lost so many lesbian bars the last few years. Yeah. And we're about to lose a bookstore. I know. And it's really sad. We need to start looking at not just the bookstore. It's an institution. Oh, awesome. So many women's groups met? Yeah, Moses used to go through Inklings. Yeah, one thing I'm released his wife as talking to someone on the phone the other day about Inklings and said, you know, what, if Inklings never existed, how many women out there would not be educated the way they're educated today, when they were first coming out because of anchoring? That's right. No, no, we'll be right. I mean, that's a powerful tool of education.

28:46

This lesbian friend and I, we ate with Charlie's this evening, and then we went over to the bookstore. Lobo Yeah, no, one right across. Oh, crossroads. Yeah. Crossroads and, and they have a great selection. And she was looking over the selection of lesbian material that they have in there. They have a great I do have a great bad day dancers who have never been here they're least winner because they have great books for youth too. Oh, yes. But

G Gigi 29:21

there's still one

29:23

great material that that would be of benefit to you. Nobody

G Gigi 29:26

carries as much of a selection on lesbian materials is England. Yeah,

29:33

I love music. Because it's owned and operated by lesbian.

J Jimmy Carper 29:38

Nobody cares music like like anklets. Right? That's why absolute majority of money to great

29:43

books. Great Books.

G Gigi 29:45

Yeah. But I'd like to,

J Jimmy Carper 29:47

but you know, something else I've noticed. Yeah. There's been a lot of changes in the voice. And one of the changes I've noticed is that there are quite a few less women writers As passes column is gone, and I really miss that.

♀

30:05

So much of the material that is put out pardon me for saying so. But it seems as though that it's put out by gay men. And that's what 90% of whatever is in is in the magazine is about is gay men. Yes. And no, I

K

Kirk Keevert 30:25

don't think that we should offend anyone, I

♀

30:27

overlook our sisters. And

J

Jimmy Carper 30:29

that's that's right. That's That's why I want women involved in the show. And the other thing I

♀

30:34

can tell you, Jimmy, I will do my damnedest this next week to bring up somebody.

G

Gigi 30:39

But I'd like to step back to the big story as she because I've seen this happen not only in the gay community, but in the strike community as well. Some of these large or bookstore chains, will move in to a community undersell drive them out of business, and then go and go way up and be a little bit more selective on what they put on their shelves. And, you know, and

J

Jimmy Carper 31:09

I hate to see that happen. I really hate to see that happen.

G

Gigi 31:12

What I'm saying is, and this is big business moving in and stepping on the community and way back to, to to community first, yes. And we've got to protect our own

J

Jimmy Carper 31:26

.....

businesses. I you know, I've been to the big stores and you know, in non gay things I buy and I look over their gay stuff and I see something new. I go to the gay bookstore and buy it. Yeah. Because they deserve the money.

♀

31:42

You have slaw, skis move in. You have Burger King move, and I don't and Walgreens. And none of them give a damn about our community. Oh, they love our money, but to hell with us.

♂

31:56

And then there's, there's Charlie's. Yes, there's pot pie, which is gay owned and operated. There's Boudreaux rose. Yeah. Which is right there at Crocker and Fairview

G

Gigi 32:07

Kroger. That's gay friendly. Yes. I mean,

J

Jimmy Carper 32:11

I mean, these are gay restaurants that you can go to rather than

♀

32:14

video does have a gay manager in which I'm glad to hear. I heard I don't know for sure that Hollywood has, but I don't know that Hollywood

J

Jimmy Carper 32:25

has a huge gay and lesbian section that oh, yeah,

G

Gigi 32:29

I will. Yeah, that's what

♂

32:30

this lesbian friend was telling me.

J

Jimmy Carper 32:32

And it keeps expanding. And every time I go in there, it's bigger. Yeah, but don't

G

Gigi 32:38

forget about lebas. That's right. Well, you're special. And that's yeah, that's gay round.

Ω

32:44

But when Hollywood's first moved in, I went in and asked him about a gay section. And I mentioned blockbuster having one. And they they sort of said, well, we don't like a separate section. We were just gonna mix it in with the other video. Well, they changed. I'd like to throw and I'm glad somebody else besides me said something then

G

Gigi 33:06

yeah, I'd like to

J

Jimmy Carper 33:08

be standing up

G

Gigi 33:09

works. Gonna throw a little spew on scuze. Me on silent advocacy side? Yes, it's spending money. There's no paper trail back to you can be totally in the closet. Still support economically the gay community and gay friendly community. And nobody can trace it back to you. Yeah,

Ω

33:34

yes. And this same thing. Voting is voting. There is no way anybody will ever know who you vote for. That's right. No way. They will ever know who you vote for unless you tell them because what today when we went to the voting booth, we put the card in. There was nobody looking over our shoulder and I would have became extremely angry was said something but the people there to pose wouldn't allow it to begin with. And you can punch it, baby, and nobody knows. Unless you tell them. You can tell them that you voted for Ronald Reagan or George Bush. Or even worse, Bob Dole and yet vote for Clinton and they won't know the difference.

J

Jimmy Carper 34:16

Well, I didn't vote for anybody this time. I voted against John Bernie Jr. Oh, no. I excuse me now. The Reverend. What's his name Dixon. against him. Yeah.

34:28

And and Huey Helen Huey is running for mayor. You got to be joking. Hey, why don't we run Santa Claus? I mean.

G Gigi 34:39

But back to this Yeah, silent advocacy, or launcher people.

J Jimmy Carper 34:46

All we have to do is get them into the store in the first

G Gigi 34:49

Yeah. Well, one of the things I've I'm doing a little research. I haven't got the actual information yet. But I'm researching where the guy dollars going and If and how are they being used by certain companies like Walgreens or like Kroger's or Randles? Where's the profits being given to and what is it supporting out there? We don't and

35:18

Randles has trying to gain the gay favor back because they are now instituting a program similar to Kroger's Kroger has the share card. Yeah, we're 1% of your of your bill will go to the you know, like the switchboard or, or whatever card you have to wow. them. But the Randles is doing that now for AIDS Foundation.

K Kirk Keevert 35:40

Yeah. Are they? Yeah,

G Gigi 35:42

the thing I see those a lot of so called Randles. You know, I think it's important to look at who's the foreigner here. And we're who's really for us and his kind of, yeah, playing lip service. And sandals for

36:00

a long time. was very, very bigoted towards the gay community. I know it. Not that they are right wing. Yes. They didn't want to discuss gay policies. They were openly discriminating against gay people. And now all at once they found the gay dollar. So they're going to say. wait

a minute, we'll give you 1% back. Sorry, sweetheart, Kroger's already went the road long for you to end. And the other

J Jimmy Carper 36:29

thing I'd like to the point that JJ is bringing up that thing

G Gigi 36:33

I want to throw out further is even though they're throwing back 1% to the gate community, what other causes that? Are they throwing 20% to That's right,

J Jimmy Carper 36:43

so they give us \$1,000 But they're giving the right wing? Extremist? \$100,000 Yeah,

36:50

that's like Coors beer. I mean, this thing has been going on for a year it has

K Kirk Keevert 36:55

and I think I gotta say having lived in Denver, yeah. I think I think Coors is getting a pretty bad rap from the gay community. Why? Because they have an they have since uh, since I have been involved out and all that and I guess the first time I was really made aware that there was any problem was when I moved to Denver and got some some crap from people about that. Oh, you're moving to Denver. That's where Corps is your your evil. But Well, I wouldn't go great. Well, I am evil, but they have they have very liberal gay friendly hiring policies. They have. They have they have an employee's and its company sponsored an employee. A gay and lesbian employee. Group.

J Jimmy Carper 37:55

There was a big article in divorce last week about

37:58

Yeah, dear brother. I have to say Hallelujah to that. But But But of all the little teeny bitty crap that Kroger says we're going to do for the gay community. Be a million dollars off to the religious Hi,

J Jimmy Carper 38:14

Todd. Todd, you just said croaker What are you talking?

∅ 38:19

I mean course Okay, of course who was and they and they literally send off millions upon millions of dollars to the Religious Right. Well,

K Kirk Keevert 38:29

they get I think they have every right to do that. It's their money. I think they have every right to do I have to give them my money. No, you don't know you don't not and I I personally am. And this is me personally, I'm going to support people who support the gay community, regardless of who else they support. Roy and I almost got into an argument here the last time we were here, because and this is a little off subject kind of the same thing though. He was upset that some of the money from Mr. Wayne Henley's paintings were going to AIDS charities.

J Jimmy Carper 39:09

What's wrong with that? Oh,

K Kirk Keevert 39:11

he thought it was wrong because because we don't need his money. Well, yeah, quite frankly. We do. Yeah. If he never won, he can't use it.

∅ 39:20

If somebody gives, if somebody gives the switchboard \$100 I applaud it, but at the same group turn to round and give
