c Chris Harrison 05:33

Hello, Houston, Galveston and the world. This is the Saturday May 7, Friday May 6, we don't know when the hell it is right now it is after hours queer radio with attitude. My name is Chris Harrison. I'm here cozy to produce for this evening

05:49

and Jimmy Carper. I'm the other one and we still we don't know yet. How we're, we're billing this this evening. You know, I, I came up with something earlier this evening. Because it's very ~~confusing when you say Saturday when I say and people don't know whether you really mean~~

confusing when you say Saturday when I am and people don't know whether you really mean Sunday when I am or what it says okay,

 Chris Harrison 06:11

just ask the people on LSU. Okay.

 06:14

How about Friday at midnight, and wait an hour, and then we're on?

 Chris Harrison 06:19

We're on Fridays at midnight, Denver time.

 06:26

I think Chris has it best when he says Saturday mornings, Saturday mornings at

 Chris Harrison 06:30

one day. You know, Jimmy says Saturday morning. I say it's Friday night. Yeah.

 06:32

Okay. Yeah. I

 06:33

thought that was you that said Saturday. Yeah. Yeah. Well, you know,

 Chris Harrison 06:36

I posted a thing out on both Lone Star activist and Louis weekend group, saying, We are Friday, Friday night. 1am to Saturday morning. 4am. Well, a bunch of people said Whoa. 29 hours show. Yeah.

 Judy Reeves 06:53

We deserve it.

06:55

Yeah. I've been telling people Saturday mornings. 1am. So I mean,

c Chris Harrison 06:58

but the thing is this, we used to call our old time, Saturday morning.

J Judy Reeves 07:02

How else can you say Sunday, Sunday, Sunday when you're announcing things? Well,

c Chris Harrison 07:05

we'll see. The thing is this. The policy we've always had on our show was is not the next day until you go to sleep,

07:10

go to sleep and wake up.

J Judy Reeves 07:12

Well, on Jamie's case sometime we could be Wednesday, Wednesday, Wednesdays. Isn't that the Drew?

07:18

Have you recovered? Jimmy, in fact, over on this new transition? I mean, you're you know, a whole set or you have still no, no, no, Chris, free week. I know. Right. Chris, how

07:26

are you handling your years of every Saturday night? And just don't know how to react. We were

07:35

both confused where we were just what did you do, Chris? On your Saturday, I went to Galveston. I was like, Oh, my God is Saturday night and I don't have to be in Houston. I was in Galveston

J Judy Reeves 07:44

I'm gonna be so mad when I show up at the three theater at two o'clock tomorrow, knowing I don't have to do it until the next day.

C Chris Harrison 07:52

Let's put it this way. Last week on Saturday when I went it was normally a show. I was watching pro wrestling.

J Judy Reeves 08:02

I'm sorry. Did you get

08:06

some of that stuff is kinda high.

08:08

I was gonna say, I don't have to sit there and say yeah, it was probably

08:12

this one here. Not too bad. There's a new wrestling organization out there that I really no yeah, they don't wear they do the Olympic style wrestling. They don't wear the singlets they basically were hot pants.

J Judy Reeves 08:26

Oh, sorry. Single voice in here. Yeah, that's right.

08:33

Got it. The Women's Wrestling too. So we got you covered.

C Chris Harrison 08:35

But see, here's the here's the here's the funny thing. Right. The two different stations you can

watch this new wrestling on? Yeah. One of it is the fox sports channel. The other one? Yes. Is packs.

J Judy Reeves 08:47

Oh my God. You're kidding. No, I

C Chris Harrison 08:49

couldn't believe their x pack. You know, it's not as the non

⌚ 08:56

it's not the grocery store down the street. Oh, yeah, exactly.

C Chris Harrison 08:59

This is the NBC is religious station. Yeah.

⌚ 09:02

I thought it was like an old classic movie. Oh, not anymore. It's changed on me. Shows you how much I watch TV.

C Chris Harrison 09:10

too. Little quick announcements before we get there. If you're tuning in to listen to esoteric adventures, yes. You hear the half of Jim squared? Yes. For those of you who unfortunately who didn't who missed the show last week. Esoteric adventures has retired. Yes.

⌚ 09:26

Jim retired. He wasn't kicked off the air. He retired on his own freewill. freewill. You Yes.

C Chris Harrison 09:33

I was chatting with middle of sending a couple email mail now. Melinda. Yeah, Melinda. Click in there. Someone's making a lot of noise in there. Oh, it's on this side. Bobby

⌚ 09:47

was.

09:49

Pastor I'm sorry, Chris. You're okay. Yeah. You've barked at me enough.

09:53

No, smiley. You're okay. It's

09:55

okay. Okay, yeah, I'm protected by God. Yes. Finally, a woman to save lives.

J Judy Reeves 10:00

Have you signed your line? Or you?

c Chris Harrison 10:04

Click now, okay. The two things that esoteric adventures retire, it's, you know, but like Jimmy Vaughn will be popping in every once a while. And the music you heard at the beginning of the show, yes, yes, yes. We started with a ratio from their new CD. I bet you're you're mad at me.

10:23

And that that is because the ratio is going to be here and Houston on Tuesday night doing a concert. Did

c Chris Harrison 10:29

we ever figure out exactly where Verizon Verizon okay.

10:35

That's what that's what we figured out what the Houston press and the other magazines. You're gonna believe those are ag

How how how

hey, hey, hey.

 Chris Harrison 10:43

I hate to say what the ticket price was

 10:44

 Chris Harrison 10:49

B. Hawkins beautiful girl which will she will be performing here at the Pride festival. June 25.

 10:57

Yes. Last Saturday, last Sunday and Saturday, June in the Pride Parade.

 11:05

Yeah, a lot of performers coming on June 25.

 11:07

That's gonna be a little tough for folks that are going to be in floats, you know,

 11:11

but some of them are going to be performing live on the floats. I know girlfriends are I'm not sure where pant. Where's pansy division is supposed to perform

 11:19

pansy division here. You heard next with big bottom, which Jimmy

 Chris Harrison 11:23

dedicated to the big men's group to congratulate.

11:26

Yes. And since one of its representatives nearly burned down the rip cord that this evening. We're not going to. Oh, I'm sorry. I forgot we're not going to talk about that. Oh, yeah. Chris, you have a story. ripcord story. Yeah. Yeah. Don't ever want to start your story with I have a ripcord story. That's that's scary.

Chris Harrison 11:47

Yeah. My first my first time of being flaming at a gay bar and first time fire extinguisher. Yeah. Flaming wasn't allowed of the leather bar. I know. You know,

12:00

I'm just trying to get I'm trying to see Chris flame.

12:04

You can't talk about opera or cooking. You're just going to not have any friends if you go to a leather bar.

Chris Harrison 12:10

I think the problem was, I think it's because I broke tradition. And we were cooking hamburgers and we bought chicken burgers. You know, you can't burger. You can't have chicken on the back patio with the ripcord and I think that's just what happened. Is it not anymore?

12:26

Are you trying to say that you burned the chicken?

Chris Harrison 12:28

I burnt the grill. I started I started grease fire and fortunately there was a fire extinguisher back there. So I

12:38

I'm glad no one was hurt. I had chicken is the rip cord still standing

Chris Harrison 12:42

or is it? Yeah, no, it was it was just it was all contained to the to the grill but the only thing I kept going on that was you know,

12:50

and the continuing tradition of a hot time on the patio with the ripcord was had by

c 12:54 Chris Harrison

all yes. And concerning. My claim to fame with this show was reporting a bar fire. That's That's not how I wanted to

13:06

get distracted you what got your attention that you actually set the ground for

c 13:10 Chris Harrison

what it was we didn't clean the grease trap. And so the grease that I was

13:14

hoping I was just this hot guy and he started taking his clothes off the grills on fire.

c 13:22 Chris Harrison

No, it wasn't that. I didn't hit on there but

13:26

I went over to Jr. He ran when the grill caught on fire

c 13:30 Chris Harrison

tickets are only 30 bucks.

She didn't say she doesn't she doesn't say well actually, like I said I went to that place. It's actually a nice place. It is a huge Yeah, it's pretty huge. And of course the Houston press did an article about our friend Vance. Nancy Ford full page article. Very good article. A picture isn't that Nancy Ford is the managing editor of the text news magazine. She came in Houston in 1980. of pursuit of all things a woman won a concert I know 25 years ago she's

of Ohio. I don't blame her. She started performing with a comedy group Houston off Broadway and she was during the day that was her night job during the day she was delivering singing telegrams. That must have been a fun job for her. Her high point came in 1999 when she was elected the Grand Marshal of the Houston Pride Parade. So congratulations to Nancy wherever she's going. She is doing her like Jimmy said her final two performances May the seventh and 14th 9pm to 12 midnight. There is no charge to get inside here. She's still editor of she's still doing that. Yeah. At 415 California Street is a great place. That's all I got Chris.

I think those are risky girls and those know what to do with Greece. Bad. And this is benefiting the Montrose clinic women's program and the assistance fund insurance program through coronation 22. That's every Sunday at keys West 4pm till dark, nice place be a nice place to take a date. Especially if you're on a budget. He's aware. He's West. Okay, five bucks to play. It goes to charity. It's really cool. And yes, let's see here today is

oh, we haven't decided what day it is. Remember, we

haven't decided what day it is. However, Mother's Day is like Sunday, Sunday Sunday. That's that's that's right. And the place to be. That's a you can go and get a quick bite over at keys West for and then run over to Mary's for the mother of Montrose contest. That's right, a lot of debris is stepping down. And Oh my It says Hi, I'm allowed to debris that's also my name. Have

you ever considered being a mother? I know a way you can do it without getting screwed by a drunken truck driver. And it's why would you just come to Mary Sunday, May 8 at 5pm for the mother of Montrose contest. There will be a presentation talent of sorts and q&a evening where applications are available at Mary's so stop by there are two contestants that I'm aware of right now. So you know a one more to more and more would be great. Well, so is the show 50% of the money raised goes to IC H rain three net proceeds to the AFH camp Oh 15% Keith Alexei Bowen fund, and 50% goes to the CO 40 fives. So that is a lot of fun. And that comes from Vernon White's lover Orlin Culver. And one more thing to announce and this came in just a couple of hours ago from Eddie Johnston. got an email from him. Eldon Don Hughes, passed away today at the age of 79, after a long period of illness. Legend has it that the Houston gay and lesbian Political Caucus was birthed in Don's old department from a mailing list. No services are planned at this time, Don's ashes will be delivered to his friend, Alex para on Wednesday. Alex is currently looking into burial support for military veterans. Dawn had long been a valued member fellow resident at my apartment complex until we went into the hospital several months ago. Alex hasn't made any plans for a memorial service because he believes that Don outlived most of his friends. Perhaps it would be worthwhile to say a few words and dawns on her over the airwaves that KPFT. And yes, it certainly would. Judy.

J Judy Reeves 26:24

I'm speechless.

26:25

I'm sorry, I didn't get a chance to. To tell you about that before we went on the air.

J Judy Reeves 26:34

Yeah. Well, we'll come back your next cigarette? No. Actually, on that note, we do have a piece of Don's the at the museum we certainly do that, in fact, will be probably evident. And our fundraiser that's coming up on June 22. It's a very, very large, and I don't have the mansion with me, because who knew I was going to be talking about this tonight.

26:56

I know, I know.

J Judy Reeves 26:58

You're, you're in trouble girl. It's like nine by 12. It's like nonmarital. It's huge. It is a is a rug in the design of a backgammon board. Now, what you have to know about this hook rug, knowing that it's this size, and all is it it's over 20 years old. And he personally drew out the design and engineered the whole thing and made the thing by hand without use of any kind of devices such as computers and that kind of stuff. It's a fabulous piece then in earthtones. And that comes with the playing pieces at cetera. He has the appropriate size and the appropriate size. Absolutely. He had donated it to G cam a while back and wanted us to do a long term raffle sale on it tickets. And then we'll decide a time to draw those tickets to draw the ticket for the winter.

So anyone who wants to see that piece can come out on June 22. Season and I'm sure we'll be showing it in other places in the near future as well. Thank you, Jamie. You're welcome. Sorry, John was a doll. He

28:09

spent several afternoons with him. Oh, Lord.

J Judy Reeves 28:11

Yeah. Cigarette in one hand and oxygen in the other. Yeah. That's exactly right. Yeah. Me to death into that place. Yeah, he had stories. And actually we have that invitation of his to him piece of artwork, as well. Yes. So he will certainly be missed. His stories will be missed.

28:31

Yes. And it distresses me that we were never able to get him to the museum and put his stories on videotape. And we'll be doing next week.

J Judy Reeves 28:43

Next week on what is that day Sunday? day Sunday,

28:47

Sunday. 14.

J Judy Reeves 28:49

That's right. 15. Yes, yes, at 4pm at the gay lesbian community center, which has a long name now that they've changed and rearranged all the words and then I'm not sure what they are anymore. But anyway,

C Chris Harrison 29:02

you abbreviate the middle name is GLBT, gob. Think Houston GLBT community center,

J Judy Reeves 29:07

very good. That piece of information. Anyway, that is where we'll be at four o'clock. We're doing this in conjunction with the community center, and Chris and outsmart and Tam and all these fun people and our guests. This particular time, we're gonna be doing these quarterly. So our

guests this week, or this month is going to be Jack Jackson. Yeah. And we're very excited about having Jack come in and talk to us. Um, he had a long article in smart not too long ago, but that's just not the same as for his ad. AD AD. It's birthday. That's right. It's not the same as sitting there listening in person. Oh, absolutely. Not the same.

29:42

Of course, we will have it on tape for posterity.

J Judy Reeves 29:45

Absolutely. And we're hoping Chris is working on this for us. We're hoping that these videotaped history programs will be televised. Maybe the following month, like Jack's story will be on in June for Pride Month. So Though that's very exciting. Is it four o'clock? Excuse me?

C Chris Harrison 30:04

I hope you're not meeting Chris me. No,

J Judy Reeves 30:06

no Christopher bone. The Houston GLBT. Community Center President. Yes. Okay. And of slag history, of course, actually slag is responsible for us starting the history series, if you remember correctly. Yes. Back in June of oh two, they did their glbp History Houston's first decade 1975 to 1985 with Ray Hill and Phyllis Frye and Aaron Coleman, and they repeated that for G cam in on November 11. In oh two. And from that was born our little history series of in 203. We had PFLAG and Jim and Sunol. And Kathy and Don Sinclair and Jan Smith. And Bob mountain came around and talked a little bit about Louis, and Don Gil came and talked about his personal history and the letter Z and raising funds. And then Brian Keever, did a little sent for us for spring inequity. And then Sarah Palmer came in and talked to us. She was our last history program in 203. So we're ready to get started. Get on with it till four. No, it was out three. I don't know what it was. Because these dates are wrong. I know. But we're excited to start this again. There is no charge to come to these these programs. So of course, donations are always appreciated.

31:31

But certainly we're not expecting it. Yeah.

31:35

Well, I could expect

31:38

it Yeah, we could expect we would like to expect a lot of money.

J Judy Reeves 31:42

It's yeah, really. It's very casual. Yes, very, very quiet, peaceful

31:48

afternoon. And if you'd like you'll have the opportunity to ask some questions.

J Judy Reeves 31:52

Absolutely. Our own Jim Carper is going to be hosting this particular thing. And Jimmy, we need to talk about that, by the way. And so we have Jack will be talking with Jim are talking for a while and then we'll take a little short break and people can write down their little questions and give him the gym. And he'll be talking to Jack and asking him those questions for that last part of the program. Yeah, you're having too much fun in there. Yeah, no,

32:16

Chris is looking. He's blushing.

J Judy Reeves 32:20

Chris blush. Have you ever seen Chris Williams purple in the face? It clashes with his green shirt, but it's so cute. Well, I have once but nevermind. Jim. You keep it up. Sorry.

C Chris Harrison 32:35

I was doing some research for later on because we're gonna name but no, no, no. It's a lovely story.

32:42

No, it is not a lovely so we use

C Chris Harrison 32:44

it has nothing to do with what you think. You know, we go to the greatest news source that we can find. Daily rotten. Yeah, good. And they like to put up articles and they will take and create

can find. But, you know, good. And they like to put up articles and they will take and create their own little headline for them. And one of these is hamster plus diarrhea plus kissing equals death. And it has nothing to do with Richard Gere.

33:07

Neff said that God is first of all

c Chris Harrison 33:12

famous. Well, that's the problem that's too small. More calendar. The reason why we have so many calendar events is because there's a lot of stuff going on a lot of stuff going on for a week. And Gigi is out running around naked in the woods. Yeah. Which is different from running around in the city or in the studio, in the studio in our car on the bar, you know. You had the opportunity to be naked in the woods. So Gigi is there. And unfortunately because of this change to Friday, our second half wasn't able to make it on on Friday where they were able to make it on Saturday so tonight we'll talk a lot we'll play some breakout the cassettes

J Judy Reeves 33:59

kind of like gold times. Yeah. We used to have fun very

c Chris Harrison 34:04

much. Play some old articles. Yeah, some interviews

J Judy Reeves 34:08

all night if you want me to be

c Chris Harrison 34:10

the one like I said I'll say it on air the one time I need for you to bring in theater suburbia to kill up half a show.

34:18

I know Jimmy said on the show. Exactly. I

34:21

know Phil on half a show I heard you saying so. I don't know

J Judy Reeves 34:27
give me well let me I do what

♂ 34:31
we're trying to right say that. We're

C Chris Harrison 34:33
trying to get our license renewed.

J Judy Reeves 34:35
You know, there may be glass between this good I can still hurt you.

♂ 34:41
Anyway, I do want to mention a letter because I left it at home. Shame on you. It was to me. So he can only mention

C Chris Harrison 34:52
it. He can't read it. Yes. Okay, we'll get back to the calendar.

♂ 34:55
It was from dragonhawk and He, he's he's a straight guy in jail. And of course, you know, my wish that he might, you know, forget it for about 20 minutes. Yeah, wow. Now he's a cool guy to the queer side of the floor. He's awakened.

C Chris Harrison 35:20
Jimmy. If one of these guys would actually take you up on the offer, it wouldn't last 20 minutes. You would have palpitations for ejaculation. Yeah.

J Judy Reeves 35:33
habitation, sex, religious.

c

Chris Harrison 35:36

Anyway, for that birthday, and even if it was, even if you didn't meet dust,

o

35:41

he's a very cool guy. He loves the show. He loves everybody on it and says hello to everyone. Hi, hey, girl. Hey. Well, actually, he's you. Well, he's just a cool guy. Is he hot? I haven't received a picture. You're not likely telling me that. I would like your photo actually ended photo.

c

Chris Harrison 36:03

Yeah, that would be and we've got one letter out there.

o

36:08

Getting RFD. Yeah.

c

Chris Harrison 36:12

So well. That other letter we've got well, we'll have to make copies of that one to follow it along.

o

36:19

Thank you. Thank you, dear. Thank you. Thank you. Oh, and by the way, I want to say hello to David, who isn't here tonight. David usually answers our phones. But David had his gallbladder taken out this past week. Yeah. And so he's just not feeling up to it. He had it on Wednesday, but it was that laparoscopic. Oh, yeah. But he says it still hurts like hell. But then again, he had it done Wednesday and he was home by Friday. And she

J

Judy Reeves 36:48

has somebody else's say hello to to I probably do. She's an empress.

o

36:55

Oh my god. Yeah. Well, you need to talk about that. Because I you talk about our Empress, the Empress of Ico Ah.

J Judy Reeves 37:05

Well, all I can really say is it. She's in the hospital. She's in attack last Saturday. She's in. She's in. She's in ICU and CCU and Veterans Memorial Hospital. Going out of her mind. They won't let her up out of bed. They won't let her do anything. And she's just as wild and awake and how energetic as ever. But she can't do anything, right? Not nothing. They're running tests. They're doing all kinds of things. She's probably going to be knocked off the stage for a few months at least. So she's very upset. She wants visitors. She wants phone calls. She wants anything and everything she can get because she is awake and so active mentally so to speak. They are a little bit lenient on her visiting hours, even if she's NCCU Yes. So if y'all want to give ourselves a holler over at the Veterans Memorial Hospital, I'm sure she'd be loved, loved loved to talk to you. Actually. It's Tony Watford you'd have to call Yeah, information would go excuse me could give her phone number because she wants it spread all over town but I don't know if the hospital all over town the hospital room the hospital James Okay. Goodness girl. Anyway, so we do miss artha Mr. At the meeting the other night certainly miss her on stage

C Chris Harrison 38:24

at the Veterans Hospital

38:25

hospital. Yes, I was

38:27

in service I know but you know she service them all.

C Chris Harrison 38:32

I could I could see this entire drag continuously going through the VA

J Judy Reeves 38:39

screamed about having gays is in the VA hospital.

38:42

Oh my God. Love it.

J Judy Reeves 38:44

Oh. they're fabulous nurses. And one I thought I was gonna pull limmv off and be at the back

... and I thought I was going to jump on and be at the back but we won't go there. Nevermind Jimmy doesn't you have to Hey, why do you think he keeps me around? Keep him honest. Yeah. I know I'm so bad. Oh, what's a mother for

39:03

we want to take a musical break and come back sure why talk about some other things because I know G cam has a big fundraiser coming out Yes.

Chris Harrison 39:09

Okay, I've got like nine items left that you haven't covered on

Judy Reeves 39:14

time No, Chris. I know.

39:16

We do. Alright, nice laid back show we've got some some short tapes that we're going to play later on. past things from after hours i i went to the archive and pulled a bunch of stuff for me

39:31

no

Judy Reeves 39:32

damn I thought maybe somebody didn't join until I die Kanban works Wow.

Chris Harrison 39:38

Figure out why everybody left the room Thank

39:40

you cam gets it all. No, I'm it. Did I voice pulled up in the parking lot?

Chris Harrison 39:48

No, like someone was clearing their throat for something. Ah, let's go to a piece of music was

pulled up in the parking lot. I

39:55

see. I'm still here. That's where that's why there's that hear oh yeah, smileys out there.

J Judy Reeves 40:02

Play some old music I'm gonna hear some old music watch it Chris.

40:07

I do have some

J Judy Reeves 40:09

good play some something good that I would appreciate the one here Romanovsky and fill it back in or settle for man. Okay, okay. Well I do care but

40:19

well you're just gonna get romanovski and Phil to talk some more

J Judy Reeves 40:24

so rarely get what I want. Well, I'm, I'm surrounded by talking about things careful how you go into this.

40:31

Here it is someone is really your friend. So blue and white gang and dressed Judy Garland wore Somewhere over the rainbow in the Wizard of Oz was sold for \$252,000 Wednesday at auction keys. The dress one of the most recognizable in movie history went to a buyer bidding by telephone who did not wish to be identified. This dress represents the Quinn quintic and quintel. That's such a heart essential, essential magic of childhood in the most beloved film of the 20th century.

J Judy Reeves 41:07

Do you think I could get that from my Dorothy t shirt? It's blue gingham this dress

41:11

which was one of six identify garments created for garland for the 1939 movie is a pennant force. style popular at the time it contains a label what's Garland's name sewn in the M? It had been expected to fetch 63,000 And it went for 252,000 Just shows no clue what they've got. Although there were six dresses the costume sold Wednesday was one of only two that had secret pockets.

J Judy Reeves 41:43

Nevermind yes barbituates

C Chris Harrison 41:48

when no one bid you a punk kid. Here's the one for my flask.

J Judy Reeves 41:57

Girl find the music. Flying over our rain. Now that's Peter Pan. You're in the wrong

C Chris Harrison 42:05

no Somewhere Over the Rainbow. Flying well she wasn't

42:09

fly as well. She was flying monkeys. So she was flying then she was happy little our OH MY Haven't you decided on? Romanovsky

J Judy Reeves 42:25

I know what? They had more than one song. They did? Yes.

C Chris Harrison 42:30

I only I only got the kiss a CD single.

42:35

Can I hurt him? Never

 Chris Harrison 42:41

heard grandmotherly less the cynic at college she's gonna say I'll kick you in the shin. I rolled up my pant leg pull down my sockets air right there baby.

 Judy Reeves 42:52

I'm overwhelmed here.

 Chris Harrison 42:54

Romanovsky and Phillips be political not polite. Work. I like that. See, you often use some racist word or sexist Hey, room offski and Phillips Triple Shot Whoa, such

 43:16

a deal like that. As I said, and I can swallow. Oh my god. What did you play?

 43:23

be political? not polite. Yes, queers in the closet. And when heterosexual heterosexism strikes. Fortunately, I had a CD. And the reason I had the CD is back when I started listening to this show, yes. We all had a lot of shows like this, where nobody showed

 43:46

here. Yes, I remember those days.

 Chris Harrison 43:48

And Jimmy would do probably once a month. A romanovski and Phillips mini concert. Yes. Yes. And the only place where you're going to hear romanovski Philips concert is on after hours queer radio with attitude. Here on listener sponsored commercial free Pacifica radio for the Gold Coast. KPFT 90.1 FM Houston 89.5 Galveston and always on the worldwide web KPFT dot O R G. That's pretty good. Wow.

 44:13

One breath as the breath

 Chris Harrison 44:15

control.

J Judy Reeves 44:17

I don't even want to go down. How are we then yet? It's kind of like an old show. James. I love it.

♀ 44:27

I am enjoying this. And that's because Gigi is not here tonight. I'm

J Judy Reeves 44:31

so glad you joining in the woods naked so that we could have an old show tonight. There

♀ 44:35

we go. And another bit of bad news God Jimmy we are losing a nother host because of the later change. Sarah dipalma will not be with us. However we have heard that Deon Redmond is going to remain for the blackout. Next segment this third Saturday, first segment.

C Chris Harrison 45:06

Well, no one knows the reason why we're saying we're glad that Deanna will be saying, because we had talked about doing a spin off. Yeah. After hours, right. And

♀ 45:16

actually, the program director talked about doing a spin off. Yeah.

C Chris Harrison 45:20

And Deanna was one of those shows that we that we said it would probably stand on its own as a spin off. So, but the weekly grind wasn't going to work. So yeah, we get to keep the on.

♀ 45:33

Okay. There may be a spin off on the transgender segment I haven't heard yet. So we'll find that out, too. So next week. We hope to have the lesbian singer here. That was supposed to be here this evening, but she was ill and was ill didn't feel well enough. And her name is Whitney

McCray, Whitney McCray. Once you get on the microphone, why don't I do that? On a microphone? Yeah, we'll play it next week.

46:03

Oh, we'll play it next week. Does that mean we're not playing it at all this week?

Chris Harrison 46:06

No. That subtle. Have you figured it out just by him telling you that? Amazing. It's easy

46:12

enough when you point a picture at me? Yeah, actually, I met Whitney at undercurrent in Galveston. She was I can do a lot with that. Okay. And galvs and under kind of Garrison, we mean me and Robbie met Whitney McCray, and her significant others Stephanie, of course, I saw her perform live and I was thinking, Oh, no, you're too good. Let me get a CD from you and see if I can invite you onto the show and watch what happens. She wasn't feeling good today. So then of course, I

46:41

immediately requisition that CD and been playing it all week.

46:45

I have not had a chance to check that CDR but it's very good. Watching her perform live was phenomenal. It was an exceptional show. It was actually you correct me using the word phenomenal, but it was actually at a good show. It was fully entertaining. It was she was interactive with the crowd and there was a crowd there. So hopefully sometime this month, I'll try to get her scheduled back on you know where she can perform live, do some sets and everything like that. And maybe get her to where she's going to be here and gay prior to June 25. We also still have girlfriends do you have you've picked up anything from from them, Jim?

47:21

Not yet, but I still wanted to talk about Whitney McRae McRae, her CD is called clever evolution.

47:31

That's her new CD at someone's just now being released. Yes,

47:33

God 11 cuts. But it was particularly taken with cutting number three, called special one. And if she's here next week, I'll probably start the show with that one. So new music next week, folks,

47:47

there you go. It'd be more interesting to have a performance line for you, Jimmy,

47:51

who I'll get to that to that too. Hopefully we'll see.

47:54

I'll call her sometime next

47:55

week. Okay, Judy, hello. Yeah. Hello. GK gkm has something that's coming up very shortly.

J Judy Reeves 48:05

Our pride event. Yeah, happened just a couple of weeks actually. I'm doing this as an IC o h fundraiser so we can get a little assistance in there. Comedy Central's comedian and pop singer Jade Esteban Estrada is coming in from New York to do his one man show icon Celeste bean and Gay History of the World volume one. So we're very excited about that. Chris has a very strange look on his face. What's the matter, Chris?

c Chris Harrison 48:39

Just looking at my co host and my usual one.

J Judy Reeves 48:46

Yes, uh huh. Okay. Anyway, Jade actually is. He does a lot of Latino work. And he will be doing some of that while he's in Houston. On Thursday and Friday nights. He will be on the office float for the parade on saturday, and he'll be actually presenting the pride awards on Sunday. But on Wednesday night, he's actually working with the GLBT community to do this icon show for G cam. It's going to be at resurrection Metropolitan Community Church and I'm so glad I got that out without stuttering.

C Chris Harrison 49:23

Our MCC Yeah, I

J Judy Reeves 49:24

know. But I have to say at once so that I have you know, everybody knows what I'm talking about. At 2025 West 11th Street. It's going to be on Wednesday, June the 22nd at 7:30pm. Appearing she says cooking little fingers in icons one are Sappho the ancient Greek poet is from the island of Lesbos, Michelangelo, Oscar Wilde, Gertrude Stein, Sylvia Rivera, of the Stonewall fame, and Ellen DeGeneres. Now Jade goes through all six of these characters by Some kind of morphing on the stage, he will do this all on the stage in front of a mirror for you. Now, the other thing that's so neat about Jade is that he doesn't do all of his show on the stage, he tends to come down and wander through the audience. And let me tell you how many, if I liked guys, like some people around here, like guys, I could really like this guy, because he is beautiful. He is so gorgeous. So I'm sitting here looking at a picture of him while I talk, I also need to mention two other things. The performance is being generously underwritten by so far, in some portions of it by our MCC, and by beloved n. And by myself, I won't mention that. And by Marty pool, other people have jumped on the wagon and you know, pledged a little bit of money, I have not yet received it, but their names will be added to the poster until all a PR etc As that happens, which is very helpful to gkm as well because he got to spend money to make money. And this is a lot of fun. The tickets, you can get taken information on our website at triple Olivia, whatever that is cubed, G km dot cubed, the whatever cube she can.org If you go on there. At the bottom of the homepage is a little blurb about J and there's also a link to his web page. So you can go in and see him and see all the characters etc. You can also find on there that we're having a little early bird special on ticket sales. Do you go into the website and look at that you can find two or three ways to purchase tickets earlier a little bit of a reduced price just because just because

51:53

it's just a show all over the country.

J Judy Reeves 51:56

He's been doing it all over the world. Really? Yes. Yes. And actually, if you remember Jessica wicks, yes, Jesse got an email from her the other day, she was all excited. Jane was gonna be here because she seen him twice up in Minnesota. Wow. And she said he was so good the first time she had to get tickets the second time. Wow. So she says he is just really worth the time and energy to go see him. And he's very interactive with the audience. So we're really excited. I really, really am even more excited to be having an indoor MCC. Yes. It's a beautiful space and plenty of plenty of room and I'm just really excited about that. I don't know what else I can say other than just He's beautiful. Gold, go to a web page and there is a very large, beautiful picture of him on the webpage you can look at. So that's it

52:12

52.40

there. Okay. Thank you. Sure. I was loved having you here. Well, because having a woman here really takes the edge off the guys somewhat.

C Chris Harrison 52:59

When's the woman showing up?

J Judy Reeves 53:00

Hey, all right. That is it. Chris and I are going to war at the next music break. We have had one of us will return.

C Chris Harrison 53:09

Oh, hold on. I stopped listening to the show five minutes ago. What was that? Boy howdy.

J Judy Reeves 53:21

I like being here because I've been here practically since day one. You

53:24

have you were here before I was yes. Yes. As a matter of

J Judy Reeves 53:27

fact, I started this show when Buddy was the only one in charge. And I've been off and on since then. I have been

53:35

here while the show started September 6 1987. And I started with the show in March of 88. Yeah. So I've just completed 17 years.

J Judy Reeves 53:50

Yes. Everybody has anniversaries coming up this month.

53:53

Yes. And you were here before and took a hiatus you know a few times and keep getting

J Judy Reeves 53:58
fired. It's like why not? Why no girls up here?

♀ 54:02
God never fired you.

J Judy Reeves 54:05
You laid me off. I did. You laid me off. Yeah.

♀ 54:08
How did I do that?

J Judy Reeves 54:09
Well, you inverse we're kind of doing the show at that time. And when first quit. You just assumed I didn't want to come back.

♀ 54:15
That's right. I did too. That was an assumption. I was not it was not

J Judy Reeves 54:21
fired. I was laid off.

♀ 54:23
Sort of Sarna, okay.

J Judy Reeves 54:25
But since then you've decided you'd like me.

54:28

decided I'd like to many years before that. Okay.

J Judy Reeves 54:32

That's good to hear sometimes. Yeah.

54:34

I've been friends for how long?

J Judy Reeves 54:36

17 years?

54:37

Yes, he's I met you here.

J Judy Reeves 54:39

Copper copper. It's like I will never forget the first time I talked to you on the phone, sweetie.

54:47

Yes, that was the first AIDS Quilt. That's right.

J Judy Reeves 54:51

I was a volunteer coordinator and trying to look for volunteers and you call to volunteer. And God forbid I should ever call you Mr. Harper. I like the fish. Okay. And we've been close for instance, she's never

55:06

let me forget it.

J Judy Reeves 55:07

Never. Oh, I have a whole pocket full of little stories. Nevermind, okay. Okay.

55:15

Okay, we were talking about, I was talking about dragonhawk. And his letter coming in a little while ago, actually two letters, he sent one and didn't have the full address and it got returned to him. And so we got two letters in in one. Like I said, He's sweet, a very, very nice stuff straight guy who's into Wiccan. And I don't think he's, he's playing at it. You know, he, he's, he's, he's really sincere about the ways of wicking and the things that happened. And he gave us he gave us lots of support in his letter, because he's enjoyed listening to the show.

c Chris Harrison 56:07

Paul, we've covered wicking so many times on our show. Yeah.

56:09

And then of course, I got a letter from from my guy, my green eyed devil. I got the letter. And so anyway, everyone can't hear me because he is they have shipped him off outside of the ears of KPFT. He's still doing fine. He'll be out soon. So I'm looking forward to meeting up with him. My green eyes

c Chris Harrison 56:37

so to speak.

56:38

Then he's a he's a nice guy.

c Chris Harrison 56:41

Maybe Jimmy's eyes will travel up high enough to realize that he has green eyes. Eventually.

56:48

I have a picture of him on my desk.

c Chris Harrison 56:51

Yes, but I'm saying you know, if you keep looking around, you got a lot of stuff on your desk.

56:56

Well, that's true, but pictures are very prominent. And I have a whole wall full of pictures of people who have meant a lot to me over the years.

J Judy Reeves 57:07

Here's a fabulous little wall. Oh, thank you. Very artistic the next

57:13

one I need to put up there is Chris

c Chris Harrison 57:16

oops. Wait till my my centerfold comes out.

57:20

I don't have that kind of pictures up on my wall.

c Chris Harrison 57:23

You don't have that much waltz.

57:28

Oh, gosh, I saw you put something in the set

c Chris Harrison 57:33

deck. Well, yeah.

57:37

But you have a lot to say actually. Trying to figure

c Chris Harrison 57:39

out we're gonna get I haven't done my part of the community that I came in with 14 items and

I'm down to nine now. Well, we did them you covered. You covered other ones. Oh, okay. But no, I like it's I still got nine of them left here. Don't think we did this one here. Alan Cole is announcing his annual birthday show.

58:02

No, we didn't do that. And I didn't hear about this on May 21. Alan Cole is a member of IC o CES.

c Chris Harrison 58:10

And that's at keys West at 7pm know what days this 21st 21st? Which

58:16

J Judy Reeves 58:46

J Judy Reeves 59:04

 Chris Harrison 59:06

Okay, smiley and his band of thieves.

 Judy Reeves 59:10

That means that there's men and dresses with facial hair.

 Chris Harrison 1:00:16

We're gonna be talking about artha again. Male performers good male songs are getting harder and harder to find. Why bother? Who's your favorite female singer? Want to do her songs but can't dance in heels? Or do you just want to drown out the sound of the people talking in the hallway again?

 Judy Reeves 1:00:34

Didn't see the face it was

 Chris Harrison 1:00:35

subtle. Well, you don't have to do drag this out your boyfriend here. I don't care who I'm talking to you. I'm talking to people who are stepping out in the hallway. Be a rich girl and torn jeans and leather. Get toxic in a kilt and combat boots. Do the cowboy Vogue.

 Judy Reeves 1:00:53

I'm getting scared.

 Chris Harrison 1:00:55

Female and drag

 1:00:57

 Chris Harrison 1:01:01

Let's put it this way. It's hosted by boy Robert.

 1:01:04

Oh,

 1:01:06

 Chris Harrison 1:01:08

Man, female and drag performers who's your favorite male singer older nude. Who's your chance? Here's your chance to show up new pumps and that fab whoo new frock. Be a bunch Miss thang? You too can velcro some spurs onto your stilettos and save a horse ride a cowboy. Like that Papa was a Rolling Stone in slingbacks and satin. Be a tiny dancer and a two two. That's mine.

I think I'll sit in here and be quiet. Really?

 Chris Harrison 1:02:10

on the warpath. Hey, I'm almost committed arson today. Murder is not that much of a step. For those of you who have creative juices, who wants to flow and be sticky and wants to be an artist to be fully recognized? You know?

 Judy Reeves 1:02:33

Well, we just lost Chris.

 1:02:35

I just hung myself.

 Judy Reeves 1:02:37

Excuse me.

 1:02:41

It was shorter than

 Chris Harrison 1:02:44
