Peter

 Peter 00:07

What haunts your house and a home?

 00:10

What haunts your house and honks.

 Peter 00:14

Adults or geese? Isn't this Jeff Ted Damn?

 00:22

What can we tell you? Oh, let's get back

 00:24

to the Monica, Jeff.

 00:27

Well, you know, you know, when you meet the Queen, you don't have to get down on one knee. But when you meet the president, you have to get down on both. Say yes. I wouldn't say the pilot that

P

Peter 00:39

I wish this was this division. So you could see this and but you grab a little piece of whatever it is, you're wearing on your top on the right side? Yes, by the, you know, the top and you grab this and you go, you know, like where the stain on Monica's dress was like, appear on the right breast stasis. And you say, how did that stain get on Monique? Because dress are you know what the stain is? How it got there? And then when they go, no, then you take this piece of your fabric and you stare at why? It's great. Okay. Anybody

o

01:19

else? NASA? Has

P

Peter 01:20

anybody been out driving in Houston lately?

o

01:22

Well, kind of,

o

01:24

but what's going on last night?

o

01:27

Where were you driving?

P

Peter 01:28

Well, I was driving down south I'm sure it's now and went up. Had to go up like whatever the street is, it goes north like Sheppard or Durham or whatever anyway, and you get up there and it tells you to get on the freeway okay, and you go on you go and all the exits all the entrance things to the freeway close. So you go down you make a ride and you go around just once been circled. And then they run you to 610 For God's sake. I was like What in the hell is going on?

o

01:55

Oh you I know it you missed it. Maybe not from shepherd I don't know that entrance. It was the Why in God's Oh, I know they're doing the relay. But they say no entrance, but they're kind of like weird and off to the side and tie. No,

P

Peter 02:11

you could not get on. Are you sure? Yes. Believe me, this white truck and I went around in circles. He thought I was following him by me. And then he followed me while we both went up into the Cabana, and met there and then went on from there. But I found 19 basic rules for driving in the Houston area.

o

02:39

Oh, we need to read

P

Peter 02:42

but some of which I shall. And here we are the one right lane construction closure is just a game to see how many people can cut in line by passing you on the right as you sit in the left lane waiting for some jerk to squeeze their way back into the Yes. Hitting the construction barrels. So get out of your car and move the barrels and that's okay. Ah, that'll work. Okay, number two turn signals are just clues as to your next move in the road battle. So never use no right never. Right right number

o

03:23

in fact people kind of they trick you. Yeah, you know, like if they either don't use them or they put them on and stay in the same light but Houston is unique for driving or put in you know the left one and then go in the right

P

Peter 03:35

Yeah, always in front of my face.

o

03:37

Number three, never. Excuse me. Under no circumstances should you leave a safe distance between you and the car in front of you. Right? No matter how fast you're going. If you do the space will be filled by somebody else putting you in an even more dangerous situation. Yes,

P

Peter 03:58

yeah. And driving as turned candidate is faster you drive through a red light the smaller chance you have of getting here say There you go, go run right through them.

o

04:08

04:00

I mean, I've seen it you know, it's like CI the red light just it just turned red. We could get three more cars through here.

04:17

Number five never get in the way of a car that needs extensive bodywork. Remember no fault insurance, he might not have much to lose you do.

P

Peter 04:31

Break braking is to be done as hard and as late as possible.

♂

04:38

Remember the keyword as hard as

P

Peter 04:40

possible to ensure that your anti lock braking system kicks in to give you a nice relaxing foot massage as the brake pedal pulsates.

♂

04:54

Let's see number seven. Construction signs tell you about road closures immediate Have you passed the last opportunity to exit but before the traffic begins to back up

P

Peter 05:09

the electronic traffic warning system reminds me of you last night you're in the electronic traffic warning system down that road, harder deeper faster. But Tronic traffic warning system signals are not there to provide useful information but to tell you time and to make Houston look real progress Exactly.

♂

05:39

Never not never pass on the left when you can pass on the ride. It's a good way to scare people entering the highway passing is on the shoulder is allowed.

♂

05:50

That's happened to me no

P

Peter 05:51

always. speed limits are arbitrary figures to make Texas look as if we're conforming the other state policies. Those are given on these suggestions and are really not enforceable.

👤

06:04

Number 11 Just because you're in the left lane, and you have no room to speed or to move over. Does it mean that the 16 loop go hover a flashing his high beams behind you? doesn't think he can go faster in your spa? That's

P

Peter 06:19

right. That's right. Please remember that there's no such thing as a shortcut during rush hour on i 10. Learn to swerve abruptly. Houston is the home of high speed slalom driving. text doc who put the potholes in key location to test drivers reflexes and keep them on their toes. It works. Parts of truck tires are left on new highways where potholes haven't been established. I've

👤

06:49

noticed that

👤

06:51

it's a tradition in Houston to honk your horn at cars that don't move and instead the instant the light changes. Oh yes, the city has spawned upon such traditions.

P

Peter 07:03

Seeking eye contact with another driver revokes your right to the right away. That's right. That's right and giving the finger may invite alarmed retaliation armed retaliation Yeah, so be careful that the rifle in the gun rack in the rear window and not on the seat next to the driver

👤

07:26

all unmarked exit fleet to South East Houston. Wait.

P

Peter 07:32

You don't have to wait for an X and to get off the freeway just follow the ruts in the grass to the

frontage road. Everyone else is it's just a way that the people of Houston tell the TxDOT to know where they exit should have really been bill I see. You Texas drivers have everything you need to know on how to get around and he used

07:55

please do take lessons.

Peter 07:57

Lesson. We here on The Late Night Show have researched with our staff minion researching this the Houston library, the internet 1000s of people

08:13

on the highway with him at a high rate of speed.

Peter 08:17

Jeez. So this little fella was sitting at the counter to truckstop diner Yeah, eating lunch. And it was rather small in stature and kind of had little glasses on and wearing a little suit with bowtie and really stupid. And still next to him was this dog and usually small Mexican Chihuahua. Oh, well, and he was surrounded by this big, rough looking rough talking truck drivers, and he was catching a lot of ribbing about his dog. Now he continued in silence eating his lunch. And when he finished, he stood down from the counter paid his bill and he and his little dog walked out of the diner. A few moments later, the small man returns and timidly asks, Does anyone in here on a Doberman while the roughest truck driver rises and walks over the little man says yeah, Dobermans mind.

09:14

What about

Peter 09:16

the little guy replies, I'm afraid my dog has just killed your dog. The truck driver bristling and bellows and scream, how can your dog possibly kill my dog? Is it full man responds, well,

09:32

your dog choked on him

P Peter 09:45

and so it

♂ 09:45

goes That's pretty funny. Yeah, that's

P Peter 09:47

the truck stop. Yeah, a little east of town. Yeah, I've been there. I've been there. Been there. She's done him.

♂ 09:54

I had not well yeah, well, anyway, I knew it. I said there but she told me to go there. or I know it's good button.

♂ 10:03

Yeah, and they tell me all about she today about how you like the mouse Oh, what is it? What is that when you blink the lights twice?

P Peter 10:16

Twice, right? Yeah. Okay picked up by Houston HPD.

♂ 10:22

Brake Brake, brake brake.

♂ 10:25

A lot. Were there I do have a public service announcement, please. Yes. Forget to you do not know. As of November next Sunday November 1 chances at 7pm. There on some of your court singles are in can you

P Peter 10:45

10:49

10:56

10:57

11:23

dynasty

11:25

starting at seven o'clock is happy hour with a dherbs and whatnot and then

11:29

horse ovaries

11:34

11:54

Peter 12:01

Oh, play Shut up. There won't be near enough harder.

12:04

Well, you know, for for the court, the Royal Saudi Arabia in the period

Peter 12:09

of single star.

12:14

People may not know exactly how that works.

12:18

Okay. Well, I'll kind of briefly explain what the court is. The court is a nonprofit organization and what we do we raise money for local aids charities and not necessarily just aid charities. We also do charity fundraisers for the Montrose clinic. The hearing impaired Division

12:39

I believe the court has done a fundraiser for the switchboard.

12:43

Oh, yes, we've done switchboard we've done breast cancer, you name it, we've done it. And you do that through shows? Oh, yes. Do shows carwashes back cells, you name it. We've done ah,

12:55

and Miss Lexi banks.

12:57

It's like the court has shows every weekend

13:01

or 364 days of the year. That's right.

13:07

It's a great now, this is kind of you have an Emperor and Empress and then a whole court right and that the Emperor an emperor is how

13:17

they work as a as CO presidents for one whole year. Okay.

13:22

And it gets to be What do you mean get elected?

Peter 13:25

You get elected? That's all next Sunday? They're figuring out who's gonna ride,

13:29

okay. You pick an application, you turn in the application and you have to be approved by the Board of Directors. No, no,

13:36

that's not what I meant. Okay. Well, I'm

13:38

just giving you the basics here. Okay. You have to be approved by our board to direct Okay, in order to run okay. Then once you're announced as a candidate, I believe our candidates run for like, three, I think it was three months now. It used to be four months. A week is like one week before coronation. Anybody who lives in Harris County or in the adjoining counties, who has a Texas driver's license, or ID is eligible to come in and vote right on these candidates. And these are people that you'd like to you want to represent your community for one year. And let me tell you some hard hard work.

14:20

Yes, it is. Yes, it is. Now, I believe that voting is like one day in January.

14:27

Aha, it's usually coronation this year will be January 30. Okay, last weekend of January. So when is the vote it is the weekend prior okay. The weekend prior okay.

14:37

And it's voting at one specific place. Yeah, it'll be that

14:41

one Pacific place at this time. I do not know okay.

Peter 14:44

It's been at the Montrose center.

14:47

Now, I don't know if they've ever been voice last couple of years.

14:51

This year, so we don't know. Well, they're 500 loving but yeah, right across the street from so we We will be announcing that we will be announcing the candidates and we will be announcing. The other thing I want to know is what's going on with the court right now? What kind of shows are as well.

15:11

All right now my friend had just came from this evening. We had a Viva Las Vegas show. It was the theme it was held at Rent chances are home bar. And the theme behind it was anybody who performed in Vegas Dead or Alive or passed. You did their presentation. Oh, similar.

P Peter 15:32

Could have been scary.

♂ 15:34

Yeah, we had a redhead at Barbra Streisand tonight. A big barrel curls. Imagine that.

P Peter 15:43

I see. But actually, oh, I'm gonna go in there with a million people had have these kings and queens, like, the crews got kings and queens and? Um, yes. And, and they have kings and queens and and what's the other one's got kings and queens. And now I know.

♂ 16:07

Well, the court the court. It's an honor, but it's also a responsibility and job

P Peter 16:15

responsibility for all these agencies. I mean, it's royalties.

♂ 16:20

Yes, it could be. Your right isn't like your president of business. Operations. Yes. Full year. And let me tell you besides your full time job, it's second full time job. Sure. does not stop ringing

♂ 16:33

and you know, it's putting on you. It's

P Peter 16:35

running. No, it you're not?

♂ 16:37

No. Please, not. Not yet. No, no.

16:42

And you're also going out of town to other coordinates? Yes.

16:45

There's like there's seven courts within the state. Well, there's six others including Houston. Well, in the state of Texas, Dallas corpus Austin, San Antonio, Fort Worth. Wow, Houston. Dallas is coronation

Peter 17:01

era. Right every word. Yeah,

17:04

we're better anyway. Not I mean, I like I'll never

17:11

get a test on this. After today. Please just bring value nated everyone.

17:17

I like to DJ I really do. Don't

17:21

they gave the switchboard a lot of money. Yeah. And it really did. Sure did like \$4,000. And yeah, ran us for eight months. Guess what, what

Peter 17:33

I have after you play a lovely piece of music that I know has been asked for him to be delegated to somebody to get right. I knew I saw something come rolling into your face. Yeah,

17:45

it always does. It always does. And no, we have to remember

P

Peter 17:49

last week we did or when that last week last month. We did the the Bill Clinton Monica Lewinsky story as rewritten to The Night Before Christmas. Yes. Our research staff the mini minions that we have out there, working their little fingers to

o

18:12

the boom they certainly have bony workers

P

Peter 18:15

and their little right off their little buddies. They have found that Yes, Dr. Seuss has written the newly nail in Dr. Seuss form so you can read it to your children and your hatchlings. Oh, so we will read for you tonight and express to you the President Clinton testimony as written by Dr. Seuss, and also a newly discovered tale ah, by Dr. Seuss. Ah,

o

18:47

I'm looking for that.

P

Peter 18:49

We have these wonderful little Dr. Seuss memoirs. Yeah, great to read for you tonight. Okay, and we have Yes. Oh, we have other jokes. And we have some little things about little things. I found a well I didn't find but are their staff research staff, many minions research people mound directions on products that you may buy anywhere anytime. We have those a little instructions written on those. So have a few little epitaph census Halloweenie written on various gravestones around the world. Ah, wow. Around the World. Okay. We have our research that went far beyond Houston. I sure did. We are out there. Yeah, certainly. Thank you very much. Once again, yeah, I have spent at least five full solid days last week driving the streets of Houston. Yes. If I had nothing better to do

o

19:57

well, you know what she was really looking for

P

Peter 19:59

six 10 Lu, next time around, right I have around. Yes. The latest and greatest bumper stickers from hell. Oh, good. Oh, and you know how we love that little Porsche.

20:12

I'm looking forward to that. We have that. And what else? Oh, you just have a ream of paper we have reams

Peter 20:21

of from our our minions of staff. We also have a little segment on how would you like to be one of Bill Clinton's friends. Now our staff, yeah, research things out about every friend of his dead groups. So we have some really interesting people if and this is I mean, for you people out there who have, like, you know, six brain cells to mash together to figure this out. This is gonna be just too fast. We may want to rethink this. And we have other fun things. Okay. And as soon as you play yeah, so now

20:59

I'm going to a song or so.

21:01

Well, that means that you need to play a song. Yes.

Peter 21:05

I think we're gonna play for us.

21:07

Well, this is dedicated to Merlin because this is his favorite song. Yes. And it is by the velvet mafia. So people who listen to this show all the time know where I'm gonna play, they know. It's deli boy, deli Boy. Boy, he's

Peter 21:24

gonna deliberately I got a little funny thing here. And I'm showing it to thing because if we had video, I mean, where people could see this thing. It's this big jar of Miracle Whip. Yes, you know, the Miracle Whip commercial. And it says a Clinton sandwich just isn't a sandwich without the great taste a Miracle Whip. And below that is this girl Arias picture of two big breasts in your way through a large French fab God I wish we had VistaVision for all you queens out there.

Dr. Seuss. And yes, just because just we may be running out of time. Well, and we may be really running, you know, like it's getting close. We we have found that he had written a second novel for bedtime reading no kid, and if the children have not gotten to sleep at that little one novel book by Mr. Says, we have a second little book as well called newly discovered tales. Oh, by Dr. Seuss. And it reads similarly, but also kind of fondly, which we really wanted to share with you. Our audience tonight. As you bear down in the head. He's down on each other's little furry chests. Oh, no. Lay your head down on the pillow. Have your little milk and cookies and get ready because here comes our little new newly discovered Tales by Dr. Seuss. I'm here to ask as you'll soon as you'll soon see. Did you grow up Miss Lewinsky?

34:55

Did you grow up her in your house? Did you grow up her? In her blouse

Peter 35:04

I did not do that here or there. I did not do that anywhere.

35:09

I did not do that near or far did not do that star your are

Peter 35:16

did you smile? Did you flirt? Did you peek beneath her skirt?

35:21

And did you tell the girl to lie when called upon to testify?

Peter 35:26

I do not like you star you are. I think that you have gone too far.

35:32

Oh yes, but I do know. Oh yes but I do now recall. I think I groped her in the hall

P Peter 35:40

and in the house and near the wall. But all things are too personal.

∅ 35:45

And in the office I left a mass upon her pretty fluffy

P Peter 35:51

and I was wrong and I detest star you are you are a past

∅ 35:57

I will answer anymore. Perhaps I will go to her. Star a war.

P Peter 36:07

A war? Oh, yes. Will make me free. You all forget Miss Lewinsky.

∅ 36:16

The public then will shout hurray. And then they will forget the day I changed my line and totally lie and star you are I hope you die.

P Peter 36:27

They'll say we like this mighty man. When bombs fall on Afghanistan and Bangladesh and Timbuktu and Monica Lewinsky you too.

∅ 36:36

And then my zipper to my chin will never let a woman in.

P Peter 36:41

So sorry. You are can clearly bet with Hillary. I'll be celibate.

36:48

Oh you know a lot of this Clinton humor I've been a few days ago, I came up with a really sick thought that I thought would be really

37:00

I thought it'd be really fun to take a survey I'm sure you're all familiar with the character who has provided hours of entertainment to Lobo patrons teach Uluru I was always wondering if you removed all that can be derived from TT le RU? How much like tennis star would she look?

37:22

Oh,

37:23

you know maybe it's maybe it's like a Michael and you know, Diana, whatever the hell Her name was. The two Jacksons who are supposedly this Toya chichi and Kenneth. I think it might work.

Peter 37:42

I saw this great thing that and he was talking about those kids that are going to college this year. And there was this huge long list of all these things that like they didn't know. I mean, you know, whatever. Like they never knew Michael Jackson when he was black. Oh, yeah, they did all these wild incredible things. If you can imagine I mean he really was he was really wanted to be called look like Oh,

38:09

and don't forget them. They were surprised to find out that the Paul McCartney had been in a band before wings

38:23

my gosh, I remember back when before Michael Jackson was completely white. The funniest joke that I'd heard about him before he started turning his skin color was was on The Tonight Show when Johnny Carson was still hosting and he dumped up these very had all these different items. You know that people wouldn't be remembered for I guess any of this huge box. And he dumped on and it was all these noses cut off of Groucho glasses and the label on the box was Michael Jackson's old noses

39:06

remember, his nose did take up half his face when he did? Yes,

Peter 39:10

indeed. He doesn't have one man really? Doesn't have a you know what?

39:16

How would you know that? He lost it without it being on TV.

Peter 39:23

I needed to tell you. Yes. Some wonderful things that I discovered while driving about you know, Houston, no kidding. Yeah. Okay. Have these fabulous little thingies? Of like, bumper stickers.

39:41

Oh, yeah. Oh, yeah. Yes, yes,

Peter 39:45

honey. I saw one that said a day without sunshine is like night and on the other hand, you have different fingers.

40:01

Wait gave him a clue. I

Peter 40:03

feel like I'm diagonally parked in a parallel universe.

40:08

Oh no.

P Peter 40:10

I wonder how much deeper with the ocean be without sponges

∅ 40:21

if the more you think about

P Peter 40:26

Honk if you love peace and quiet the one that really scared me and I was over by Pasadena when I saw this it said pardon my driving I'm reloading despite the cost of living if you've noticed how it remains so bumpy oh god oh and the greatest one I saw while going in the North Loop was he laughs last thinks slowest

∅ 40:56

you know I saw a bumper sticker one time Yeah, I think you'd really like it. It said screw 911 I dial 357

∅ 41:06

Oh, that was rather

∅ 41:09

bitter.

P Peter 41:10

Well go along with the guy that would probably have on his back window depression is merely anger without enthusiasm and the other one I saw somewhere over by Pasadena I'm sure it was I love defenseless animals especially in good gravy

∅ 41:36

yes from passing get down Dana with a minimum

P Peter 41:39

and for scared way and over the Astrodome I saw one that said support bacteria the only culture some people have or the only substitute for good manners is fast reflexes that was like

that and the other one I thought was just before I was not right with the Galleria was when everything's coming up your way you're in the wrong lane and over by the West Side yes experience is something you don't get until after you need it let's see Do you have some

42:29

hmm seem for every action there's an equal and opposite criticism No, I think that might come in handy one day

42:41

or if you happen to be Bill Clinton for every inaction is the equal and opposite criticism

P Peter 42:46

Yeah, we're like our last line about

42:54

no one is listening to you making mistakes right?

42:58

Yeah, they take

43:04

you have a creature be destroyed.

P Peter 43:10

Just screw to be fine. Oh.

43:14

I won't touch that one. Please don't

P Peter 43:18

leave it for a lovely Hispanic Thank

43:19

you get away anyway. The hardness of butter is directly proportional to the softness of the bread What did you find this one? I wonder? I don't

P Peter 43:33

know. I saw it in some bumper sticker probably down close to the postdoc turned off.

43:39

You never really learned to swear to you learn to drive. That is the truth isn't it? I guess Oh, and

P Peter 43:48

this is my absolute most favorite.

43:50

The problem with with with the gene pool is that there's no line

P Peter 44:02

that's a I said that to somebody that said Honey, did you escape into the Jeep away was no lifeguard. I mean, this person was just dumb as Yeah. I mean, I almost said the effort again, but it's the dirt. God, how did you get into because somebody wasn't watching

44:23

as he made it this far without swearing yet? No, no, no. You said it already. Yeah.

P Peter 44:30

Yeah. And I'm waiting for Edmondo to come in.

44:33

I'm waiting for a \$10 donation from on that note.

P Peter 44:36

I'm waiting for Edmondo to come in with me and beat me and make me his own and tell

♀ 44:39

you that bright? Monday

P Peter 44:41

after 911

♀ 44:43

That's that whole EAT ME bit. Thank you. Can you beat me call me Esmeralda. Thanks,

♀ 44:49

♀ 44:53

P Peter 44:55

♀ 45:00

P Peter 45:02

druggie? No? Do you do that Monday is an awful way to spend 1/7 of your life.

♀ 45:07

Boy it sure is.

P

Peter 45:09

And did you also know we were handed here by boy from one of our Collin friends who is keeping up with this obviously with this mania that Ted Kennedy said we'll cross that bridge when we come to it and my most favorite and this applies to you Jimmy Carper oh a clear conscience is usually a sign of a bad memory

♂

45:36

Yes, so in other words senility is a blessing or whichever

♂

45:43

we must choose between two evils pick the one you've never tried before.

♂

45:50

Which is usually not the lesser

P

Peter 45:52

one that I did see. right close to the Galleria was changes inevitable except from vending machines? Yes, yes,

♂

46:02

that's all payphones you hang

♂

46:03

♂ 46:38

P Peter 46:40

P Peter 47:11

I think oh my god she did it again. I'm gonna shot at dawn with this woman

♂ 47:23

P Peter 47:27

votes would be in minus numbers even though she can say without breathing and I know that you'd love a spouse for trading when you miss Jimmy she's got this is my most favorite though. Yes, I kill for a Nobel Peace Prize

♂ 47:27

47:55

P

Peter 48:02

borrow money from pessimists. They don't expect it back. Right. Good idea.

o

48:07

If at first you don't succeed then skydiving definitely isn't for you. Would you like to try that sometime?

P

Peter 48:17

Now we don't wait. Wait. Oh, are you out of your tree at a bungee jump let alone skydive. We did that thing on the on the beach one time where you grew up in those lines. Those little dives out of the question. Oh, we were high enough and we were still tethered to something that looked like land rolling on down and you you're supposed to land on something that resembles like an air. No, no, no, no. When you land on a beach it's hard. I said please drop my fat button and water now wouldn't happen make my legs they used to be

o

49:04

such they really wanted to anchor them

P

Peter 49:07

used to be while they anchored the boat and me. I used to be six foot three. And now I'm only five nights after my little wonderful islands. Yeah, we landed very hard on sand.

o

49:22

It was too cute. Wow. Was it could have been there.

P

Peter 49:25

Oh, it was precious. It took like eight little mind ties to get my act back together again. Normally you know how it is.

o

49:35

Your tolerance is lower when you're under duress

P Peter 49:39

when you're both legs and broke or at least you think

∅ 49:44

well if they're both broken

P Peter 49:48

the only thing that stopped me was my beater guy got the same survive this guy I'm for that. I mean, if I didn't have a deck that was way down to my ankles, it would have been like, you know, I would probably kill myself. It was trips flat.

∅ 50:08

That went up and bake it.

P Peter 50:10

Please, I'd love for somebody to wrap that.

∅ 50:15

In foil a gold

P Peter 50:17

foil, honey, no metallic. No, we don't wanna do that. We just want me to somebody touch the little oil on it and then we can wrap it up. Put it in the oven. Ah, yes for babying me.

∅ 50:33

If you're listening, he's he's by

∅ 50:37

over the head. Just

P

Peter 50:38

shout. Thank you. Thank you. We like that. You are with me.

o

50:48

This has been fun, fun.

P

Peter 50:52

And you know what we have here? Yeah, because of our minions. Yes, the 1000s Literally casts of 1000s that Lexi and I have working for us to make this job so easy. We have literally volumes of stuff here. Look at this. Listen to this.

o

51:10

I mean, it's a new barrel that just we have

P

Peter 51:13

stuff here. We have next month's show, we will be telling you Well, I would love to do this because it's really about Halloween. We can't wait to save for next year. But we have loads of things that will have an awkward hit. Well,

o

51:29

we just did it. Two o'clock is here and now. It's one o'clock. And it's one o'clock. It's one o'clock. Oh, good. We

P

Peter 51:36

can continue on. Listen, did you know I do have one thing to tell you. For those people out there. Now we have more than just young people listening to this.

o

51:49

Oh, we sure. We've got Jay Jay listening tonight.

P

Peter 51:52

We have Jay Jay.

51:53

Hey, yes,

Peter 51:54

51:57

Nobody loves to gossip Desi. And he's got the goods on Lexi now.

Peter 52:05

Anyway, she's a good woman. I've lost the mark. One went down on the Titanic. This one's going to be killed. She's gonna be on the next buffet. Sir. Did you see that thing in the article last week on the news where they had that naked Chinese woman laying there and they put sushi all over and the big three \$50 Yeah, where she laid make it on this table. Honey, you're gonna be that is gonna be picking a sushi. Oh, she

52:35

always wanted to be real.

52:41

On tonight, let me pull my hair down.

Peter 52:48

I have an org chart for all the major upper level management just so we know that we're not catering to just the ridiculous and the sublime tonight. I mean, because we do that on occasion like we had been the biggest and sublime for those with non measurable IQs. But we have an org chart. And here's the org chart. When blue collar workers get together they talk about football. Okay, when middle management get together they talk about tennis. Yes. When top management they get together they talk about golf. Yes, logical conclusion. The higher up you are the main the management the smaller

53:28

I love you, Peter. Alexei. It's been

P

Peter 53:37

flexing and go back out and continue drinking.

∅

53:39
