---

Tom Richards 00:01

I don't know whether I want to vote for you or not. Because I do not believe back this purchase. Now. That's what I told you Jew Don Boni. And what did he say? Now? Anybody that knows me knows that I am simply not afraid to? Well, well, first of all, I don't know why the hell anybody would ever be afraid of a purchase. You know? That is so weird to me. But Jew Don Boney has done nothing for our community plans to do nothing for our community. Well, if he said, he said, I am an activist for the rights of people now. That's what he told me at the love it in. And oh, yeah, okay.

Jimmy Carper 00:45

And 10 months later, when-.

Tom Richards 00:46

I tried now, I think that that it ought be made perfectly clear. And, and I told people at that time, I do not trust Jew Don Boney. But I'll be darned if it's, I mean, I hate to say, Hey, old man, you're right again. But I, but when will people start listening to these old faggots out here who've been around a few years and and are able to read between the lines, you know, they're just not willing to listen. And, and, and these politicians are all ready to say all nice things. But to better read between the lines, people.

Dee McKellar 01:31

Knew when they regulate and regulate, like they're going to what's going to happen? We're gonna go underground. You remember that house that used to be on Marshall Street, which is downtown across the street from the city hall? No, that's the big whole house with a gazebo. A bunch of us. Oh, okay. Okay. You remember now, okay, that gazebo was a lookout for the cops. Okay. And that house was nothing but an orgy. And it's located right across the street from the

City Hall. And that's what's going to happen when they regulate and regulate we go underground. And I hate when that and I hate that there's no written then there is no protection or at all ever know what's going to happen? Right?

T

Tom Richards 02:14

Well, let me say this now. I think that we better have no folks. If there's anyone that is not a racist. I am not. Absolutely not. Absolutely not. But I'm gonna say this. What I said about Judo and Bonilla is because of his politics, not because of his color. What I'm going to say about Sheila Jackson Lee is not about her color, but about her politics. And I'm saying to you here and I'm going to say to you now and if you don't listen to this old fart, that's all right. That that'll be your problem. You better start looking closely at Miss Sleep. I don't trust her any further than I control or damn bull by the BP

J

Jimmy Carper 03:03

Whoa, okay.

R

Rainbow de Clown 03:06

Do you need to get involved? There's really about three or four of us from the gay community that go down there. Yeah, all for this SOB.

J

Jimmy Carper 03:13

Ready one body and Ray Hill and Buddy Johnston and I haven't seen it yet. Oh, he is Tom Richards has been down there.

T

Tom Richards 03:24

And 16-.

G

Gigi 03:26

And no matter what form it takes love, it's love.

J

Jimmy Carper 03:29

Well, that's what is the problem? What is the big deal anyway? You want to help fight this like-.

G

Gigi 03:35

— We can show violence out the kazoo we can even show men getting their peepees blown off, but you can't show them using it. Loving passion. What is wrong with this picture?

D Dee McKellar 03:51

Well they say boy, what is it? It's not a violent thing. You know? What did they call it? Not a I can't remember the word lost for words.

J Jimmy Carper 04:05

Well if you enjoy adult entertainment Yeah, and don't think they're gonna stop just with with with male and female dancing that it's gonna be the the

D Dee McKellar 04:17

Female dancers I even brought this up to Miss Wong because she brought it up herself and all this and really the whole city Commission. They say two to five years as a dancer, I don't care if it's a female or male is what's going to happen. A dancer if you have a police record, you cannot dance you will not be able to get a license. But if you are a football player and play national football with the Football League, you get a slap on the wrist five games out not two to five years you get five games out and if you spared Empire you'd only get five games out.

J Jimmy Carper 04:53

Jail time for cocaine and heroin and and no no matter where-.

D Dee McKellar 04:57

They feel born. Guess where these football players perform? where these basketball players all these sports people play they play in our vein in the city venues and the county venues they are paid for by Tech TV the summit is a city is a city building the dome is a county building that thing to go and build downtown city and so and then they they need to deal with it that the same with with the guy so he'll enjoy there should not be just you know this you know this whatever you enjoy

J Jimmy Carper 05:30

Adult entertainment may discrimination you want to join ALF for adults for legal freedom. Give a write them at PO Box 3624 Houston, Texas 77253. Okay now the money got money Hey, no, we got my money.

K Kirk Keevert 05:51

— Got my look at that money. That's the money that you got in your hands.

J Jimmy Carper 05:56

Mr. Anonymous has just walked in and given us 100 simoleons.

G Gigi 06:06

Cool.

K Kirk Keevert 06:06

All right. Very nice. Give him a kiss getting us closer and closer to that goal that we were hoping to rely three o'clock. Is that more pledging?

J Jimmy Carper 06:17

Yes. More pledge? Yes. New members, Steven as has called because he enjoys After Hours. And he's right here in Houston.

K Kirk Keevert 06:26

Steven we enjoy you listening to is to thank you and we enjoy you calling and you know what number you called? You called 5265738526 KPFT.

J Jimmy Carper 06:38

Thanks. So now let's go to some some a listen. Let's take-.

G Gigi 06:42

Oh, okay. Then when we get back campout

J Jimmy Carper 06:45

Oh, yeah. We haven't heard Melissa in a while. And Melissa Etheridge. That's right.

K Kirk Keevert 06:50

We love Oh, yeah.

J

Jimmy Carper 06:52

When I do QM Z I ask for requests and I always get a request for Melissa music. Doing pumc And that is worthy. I don't know it just kind of just something about the song that reminds me of me chrome plated heart. Yes. Melissa Etheridge, chrome plated Hark, I love her. That's one of my faves.

K

Kirk Keevert 07:29

That that that that's that's that's high on my list as well.

J

Jimmy Carper 07:33

I wanted to mention, it's on the front page of the voice now. I know you're new to Houston, new Louis back. Yeah, nearly back. And the Houston voice has really grown and matured. It's I've noticed that it's really it is is really a fine use.

K

Kirk Keevert 07:49

I've noticed that now. Now when I left. I think it was still just a Houston voice. But now it's kind of joined with the Dallas paper.

J

Jimmy Carper 07:58

Is that right? Well, I'm not sure. No.

K

Kirk Keevert 08:01

No. Okay, well, then I'm lying. I know which quite frankly is not the person I met.

J

Jimmy Carper 08:08

Well, you see the Voice used to have something in Dallas and something in Houston and something in Louisiana, right? All tied together. I think it was all owned by one person and they were trying to tie it all in for one news. And now they're not doing that separated it Yeah. And so Okay, okay, I had it backwards. But on the front page of this week's voice leadership changes and African American group, the African American Lesbian and Gay Alliance AAA LGA, recently altered its leadership structure and expanded its board of directors. Instead of having a president. They have a male and female co chair. Steve Walker had been the president and now he is CO chairing with Martina Cartwright. I don't I've never met Martina Steve has been on the show. But I've read some of the stuff she's she's written. And wow, what a

powerhouse really? One woman has got it together. Were in in the boys in Twente? Yes, she's Yeah, she's she written articles, and I was really impressed with the writing is great. So that that organization is just going to get up.

K

Kirk Keevert 09:24

Yeah, that's wrong. That that. I always think that that's, that's a good idea, especially in a gay and lesbian organization. Yeah. Because unfortunately, it's the case. When you've got somebody when you got that one person, that's the head and a gay and lesbian organization, the focus is going to go and unfortunately this is this is true, this is the case the focus is going to go one way or the other gay or lesbian. Yes. And and with the co chairs, you avoid that situation.

J

Jimmy Carper 09:52

You do you do you absolutely do. I think this wonderful, smashing, smashing organization they were Steve was on sabbatical. You're ago, and at that time the organization was about a year old. And they had a couple of 100 members. And they were doing things doing really terrible things. Really? Yes. Speaker in just a year. Yeah. Just just the one year. See,

K

Kirk Keevert 10:15

I think I think that's great. Especially now Now granted, you know, coming coming from coming here from Atlanta, and obviously Atlanta is going to have, I mean, there's a huge African American population there as it is. So obviously, they're going to have a big African American. Sure. Gay and Lesbian presence as well. And they certainly do the past couple of years. They had the pride committee has been has been African American.

J

Jimmy Carper 10:41

Has has they're not you know, they're nobody wants to talk about racism in the gay and lesbian community. Oh, God, is it there? But there's a definite, you know, absolutely was racist. Absolutely see it all the time. And I was gonna ask how it how it wasn't Atlanta, I would imagine it would be worse.

K

Kirk Keevert 10:57

You would you would think so. But you know, I've never seen more interracial gay couples anywhere than then I did in Atlanta. No kidding. No kidding. They're, they're everywhere. And Oh, absolutely. I think it's great.

J

Jimmy Carper 11:15

That, that really helps. But, but it also kind of fosters some some sort of erotica scenarios. I

know. I know, the push in the black African American community is black with black.

K Kirk Keevert 11:33

I'm sure it is. But I'm assuming there's a there's a there's a chapter here as well, a BWT, black and white men together. And I And quite frankly, I told people who who would talk to me about that group, the you know, talk about how you know, the good things that we're doing and fostering interracial. My feeling on it is if you're gonna say, I'm a white man that likes black men, I just feel like you're limiting yourself.

J Jimmy Carper 12:02

Oh, yeah.

K Kirk Keevert 12:04

That's, that's it. I'm a man who likes men. And, and therefore, I'm not limiting myself. I'm not saying I like black men. I'm looking for somebody who's, who's a black man. Or, or, or an Asian man or Hispanic man or a white man. I'm not a white man is looking for a white man. I'm a white man that's looking for a guy.

J Jimmy Carper 12:23

Yeah, there. You know, we have a large Asian population. And he's

K Kirk Keevert 12:27

Oh, I know. It's gotten it's got just gotten really huge. just gotten bigger. Not Not a huge one in Atlanta.

J Jimmy Carper 12:32

But it's a group called Asians and friends that are a big social club. And they do wonderful things.

K Kirk Keevert 12:39

Yeah, that is.

J Jimmy Carper 12:41

Let's go to JJ because I know Gigi has been talking about.

K Kirk Keevert 12:46

She wanted to get that camera off her.

J Jimmy Carper 12:49

Please let her spill the tea on this camp out. Go. Oh,

G Gigi 12:53

Yes. Before I jump in on the campout thing. I'm glad you brought out interracial. Yeah. Because I've had boyfriends and girlfriends of all different races. Oh, it is just another part of the diversity that we can find in the community. You know, it's like some of the most wonderful revelations during sex came when I was sleeping with all different types of people, no matter what color.

J Jimmy Carper 13:30

It was, basically, I think you're you. You have something special to each race. And when you share we've got a culture and our heritage sharing culture. Yeah.

G Gigi 13:43

And it's, it's just amazing. Some of the things I've learned. I mean, I had a Brazilian girlfriend one time that taught me what it was to be passionate. And that was wonderful. But now to the campout. Oh, yeah.

K Kirk Keevert 13:59

Oh, time.

G Gigi 14:02

As you know from last show, binet had a group camp out. All the binets and Texas got together at the plantation recreation, recreation plantation, something like that. So we're living, it's it's in Dripping Springs, just outside of Austin. And it's a clothing optional is easy-.

K Kirk Keevert 14:27

For me to work I'm just gonna let it go.

G Gigi 14:32

You're welcome Amy. Oh, well, it was dripping baby. We even had a guy that brought a massage table and hot oils and gave rub downs to anybody and everybody a guy out in the sunshine and-. Oh, I bet that was wonderful. Oh, it was during that cold front that came through. So it's a little chilly at night. But thanks that wonderful during the day, just get that hot oil on. Yeah. And get rubbed down all over.

K Kirk Keevert 15:05

Okay, stop and start starting.

G Gigi 15:09

Gigi got an extra special rub and so appreciated. We had a big bonfire at night and dance naked around the campfire. And I just really had a super time in what was really cool was some that bisexuals about their kids. Really? Yeah. And, you know, there's this one little girl, I know she's gonna grow up to be a nudist. She was trying to take her clothes off every turn. I mean, she kept looking at me and going, oh, I want to go swimming. And she dropped her shorts. And her mother said, I know you can't get swimming right now. But it was-.

K Kirk Keevert 15:55

So so that's that's interesting was that was that encouraged? Was it discouraged?

G Gigi 16:01

Neither really in the mother of the child was very open to the child expressing itself. That's great. And that was a very free it is.

T Tom Richards 16:13

Well, that sounds good to me because I belong to the Lone Star nudist group here in Houston, which is again a danish crew. And and I think it'd be great if you guys would form a nude skirt.

G Gigi 16:29

Because it's one of the things about the campout. I want to kind of back up a second. And it's this phenomenon has happened every time I've gone to big binet function. You get there, even though everybody's a stranger when you first get there. It's like everybody says hello with welcome in their eyes and welcomes you with open arms. And it's kind of a free spirited. People

weren't having orgies all over the place. We're just bit the love energy was really high. And I think that's what made this so cool with even with the kids around. It was this big, harmonious group that really touched each other, I think in a deep and meaningful way.

J Jimmy Carper 17:19

I'm glad you said that. Because lots of times when when we talk about bisexuality, people normally equate that with big orgies and parks in the time. That may be true, but-.

K Kirk Keevert 17:30

What hell are you talking about? You're talking about gays and lesbians. And that's and people people say that a lot as well. Yeah.

T Tom Richards 17:36

Well, let me get everything out. Yeah, I do stutter once in a while when my mind is racing here. But anyway, a nudist group is not an excuse to have orgies, no. Excuse-.

K Kirk Keevert 17:54

Just the opposite usually.

T Tom Richards 17:57

And, and that's what I like about being a nudist is is that you is that you have nothing to hide. You you have a you show nothing to hide, you know. But it is not. It is not an excuse. And very seldom matter of fact, I have yet to be at one of these meetings, when anyone had had an erection on. But that's not that's not what it's for.

G Gigi 18:27

I think what it is for is taking pride in one's own body and joy. Yeah, absolutely. And taking enjoyment of each other's bodies.

T Tom Richards 18:39

Well, you know, I heard somebody say some time ago, that that if you are ashamed of who you are, it's what you need to do is you need to get in front of a full length mirror, take off all your clothing and have a good look at yourself. And you will find that the human body is one hell of a beautiful thing.

J

Jimmy Carper 19:02

You know, I have known guys who joined the Lone Star nudist group because they were shy and introverted and ashamed that their bodies and they joined to get over this. And not for sex.

T

Tom Richards 19:14

No, no.

G

Gigi 19:16

And there's different ways to see beauty. Oh, yeah. And a lot of times it's the sparkle that radiates not just from the eyes, but from the whole body. But too often in our society. We shield off most of that with clothing. Yes. And you don't get the joy and the beauty of human bodies. That's right in a sexual sense.

J

Jimmy Carper 19:42

Oh thing is drag and we put on clothing to give to give the public an idea of what we want them to think we are absolutely.

T

Tom Richards 19:53

I read it is drag. I wrote a letter from a nudist Magazine. where a mother wrote in and said that her little boy came to her and said, and he was telling her about all the friends that he had met there and he was just, he just did just a young boy probably maybe five or six years old. I don't remember exactly. Oh, and she said, were the little boys or little girls. And he said, I don't know they didn't have any clothes on.

J

Jimmy Carper 20:35

Oh, what a wonderful what a wonderful answer. And, and that's good that that can get you all into the whole gender thing. And guess what it means you know what we're taught what we have to we're supposed to act like and gender outlaw.

T

Tom Richards 20:54

Back in the Victorian era. Matter of fact, it's especially in England and France. They were so uptight about taking their clothes off. They would never take baths and that's why that they wore so much perfume because they stank like anything.

G Gigi 21:19

Not to mention all the health problems that comes with that.

T Tom Richards 21:23

Well, they thought that it was so evil to see the human body even their own body. Isn't that that for some reason other is quite sinful and and hey, if if there is a God I'm not I'm not here to debate whether is or isn't but if there is then why the hell were you born? What?

J Jimmy Carper 21:44

You were born naked kids.

T Tom Richards 21:47

Were Puritans still think

J Jimmy Carper 21:52

We have another donor for the electronic funds transfer. None other none other than rainbow the clown. Who has been listening to the show? When did you first donate to KPFT when Buddy Johnston had this show. And that was like years ago because he left the show years ago 1991 And he originated this show.

R Rainbow de Clown 22:23

He was a he came here.

J Jimmy Carper 22:25

he the show started September 6 1987.

R Rainbow de Clown 22:32

Yeah, the first time that was around May of 88 I believe I think you guys came to gay pride committee yes about it. Yes. And that's really the first time I really-.

J Jimmy Carper 22:43

Yeah cuz I first came on the show in March of 1988. That was my first time actually I came to the show to answer the telephone and I never left and here I am today see what the-.

K

Kirk Keevert 22:58

meaning of everything

J

Jimmy Carper 23:01

Kids if you have dreams they can come no actually I never ever ever dreamed of doing radio. Oh, I came here to to answer the phone and it just who you are miss all the high just hung out here and it just happened.

T

Tom Richards 23:21

But now we still have time to take pledges certified 26573

J

Jimmy Carper 23:26

We have done very well. Very well. I am yesterday I am so pleased.

K

Kirk Keevert 23:32

We will we have reached our goal and-.

J

Jimmy Carper 23:34

we know yes we have we have gotten-.

K

Kirk Keevert 23:36

Get out of town. Thank you Houston. Thank you Gay and Lesbian, Bisexual Houston. But this everybody Houston that's called us tonight. We appreciate them.

T

Tom Richards 23:50

But this this electronic transfer. It's what it does is it actually takes on \$100 I believe it takes \$6.25 out of month

J

Jimmy Carper 24:04

\$400 pledge or \$100 that out works yeah. 625

T

Tom Richards 24:11

That's actually dollars and 25 a month.

K

Kirk Keevert 24:13

Hell that's your service charge. Yeah.

R

Rainbow de Clown 24:16

I'm not gonna be carrying cash because I'll be using electronic thing. Yeah.

J

Jimmy Carper 24:20

And it doesn't hurt at all. A bit. I know what else to Yeah.

R

Rainbow de Clown 24:24

Paper newspaper. Anything I get is basically electron.

J

Jimmy Carper 24:28

Yeah, I know. My lover has has the gas bill done that way. Everything's done that way.

G

Gigi 24:32

But what's really wonderful is that we'll continue to have diversity and the queer view from KPFT after hours.

J

Jimmy Carper 24:46

All the people who donate it tonight have ensured that it will be around till next pledge. We will be here folks, we will be here and we will be queer.

K

Kirk Keevert 24:55

Talking about something that's coming up the end of this month.

J

Jimmy Carper 24:58

Hey lets take a little break and Then we'll talk about it.

S

Speaker 1 25:03

Excuse me, what do you think of the gay liberation movement? As the the gate? Oh, as a game of Right, right. Right. This is I think a person? I think so. I mean, I think first of all, we're getting the inability and the constant in the in the bill of in the Pentagon Papers, someone has some some important documents. It says, I mean, there's there's something there's a passage about men about men are about to has an inalienable right, you know, has the has the right to be to be I mean, I think that includes being rare means you should be able to do any, you should, I think that has to do with if you want to practice your own perverting that in whatever, any place, I mean, wherever the effect takes, I think that that certainly is your I mean, what I mean, what is what is freedom of speech, what is freedom of speech, I mean, without without, without freedom, of freedom of sex. I mean, not not much to speak of, I assure you and personally, in my I think there's, there's in my view, the I mean, after I mean, after all, pervert, pervert, the perverting, I mean, it's in the it's in the eye of the beholder.

J

Jimmy Carper 26:04

Here, Lily Tomlin as the sputtering woman talking about that kind of Gay Liberation kind of stuff.

K

Kirk Keevert 26:15

Rainbow had something something to talk about.

R

Rainbow de Clown 26:17

Yes. The Sunday before Election Day. Ray Hill always has this go into meeting day that Second Baptist church early in the morning was about him. Are you still doing that? And it's, it's, it's like, Easter to us. church on Easter, we only go every two years. Yes. Sunday before election day.

J

Jimmy Carper 26:42

Because they have but this is, you know, we always talk about separation of church and state. And this is the time when this particular Baptist Church hands out voting cards to tell their parishioners how to vote. Whoa.

K

Kirk Keevert 26:57

And tomorrow is the last day that you can register to vote no kidding Rooney, your November election?

J

Jimmy Carper 27:05

Do you know that we have voter registration cards right here at KPFT Shaw, ah, so if you need to fill one out, we can help you with that. If you call us at 5265738.

G

Gigi 27:18

And it takes a vote to change the community.

K

Kirk Keevert 27:21

And it takes a pledge to keep us here yet. And we got lots of pledges tonight. And thanks ever so much for calling everybody we really appreciate it. I have a soda from everywhere. We got calls from all over tonight, you bet.

G

Gigi 27:37

And I'd like to do a little close up on the binet campout. Okay, because there was something very special and magical is like, in this hat phenomena is happens when guys these bi functions you walk in, and it's like, there's this loving energy that just starts radiating from everyone. And it's like, you know, just this acceptance, it's that family of choice thing. And I think it also happens in the gay community a lot. You walk in and all of a sudden, you know, hey, this is where I fit in this world. That's right. And that's happened. And it's like, you know, it always hits me real deep because you know, I walk in and and I always felt like such a misfit everywhere but I walk into these binet functions and all of a sudden I go wow, this is what I was born for. This is who I am. Yeah.

J

Jimmy Carper 28:34

And it's like coming home it is at you know a lot of a lot of listeners say that when they tune into after hours every week it's like coming home yeah.

G

Gigi 28:46

And it's what a home we have.

K

Kirk Keevert 28:50

Come back and I am so glad to be back in Houston we're glad to have you I am and I'm glad to be back on After Hours I just stopped in to say hi and here I am back on the show again.

J Jimmy Carper 29:08

What you say you have you have experienced so you kind of you have you-.

K Kirk Keevert 29:13

You know that's been said before.

J Jimmy Carper 29:15

Those first steps on the ladder you know you've done that you can jump right in

G Gigi 29:21

And for anybody exploring their sexuality and if you're gay straight bi or what? Maybe binet's part of the answer. Our number is 4674380 Right? And we're open to gay straight bi friendly-.

J Jimmy Carper 29:40

You know bisexual sometimes we forgetful just trying to figure out who I am. I'm just an old queer and sometimes I forget that you know, not everybody knows their sexuality right? Sometimes you kind of have to experiment and and try to figure it out. You know, Rainbow to clown- is so much yeah rainbow you didn't come out until later in life.

R Rainbow de Clown 30:01

I was about 30 years old. I was like 20.

G Gigi 30:05

Or you know, I was talking to this guy. As I was talking to this supposedly strange guy. Yeah. For years, we gotten these long philosophical debates. And one day I just sat down and asked him point blank. How do you know you don't like guys? Have you ever slept with one? He says, no, I haven't. ah, he came back to town about a year ago. He said, Guess what, I tried it. I love it.

J Jimmy Carper 30:33

That can happen to you to folks.

G Gigi 30:36

So you never can tell what your mind. I ord the diversity

R Rainbow de Clown 30:40

One of years ago I was a preacher.

J Jimmy Carper 30:45

You've been listening to after hours queer radio with attitude. Heard every Saturday night at midnight right here on KPFT Houston, and KEOS College Station, be sure to tune in to lesbian and gay voices our sister show heard every Thursday night, eight to 10pm and spread the love that coming up at three o'clock will be the BBC News, followed by the return of the sons of musical chairs with Billy Gilbert, and Elmo. And, Randy, we want to thank each and every one of you for listening to this show, tuning us in each week. And a special thanks for all of those who contributed financially to the success of KPFT. And after hours.

G Gigi 31:33

And don't forget to come out to the family of choice.

J Jimmy Carper 31:38

So try to make that a part of your of your week by coming out taking the next step. You know, if you whatever that is, if you're in the closet, maybe you want to come out to your best friend, or even to yourself, if you're like me, you just kind of have to try to figure out who the hell you can come out with everybody.
