 Howard McHale 23:47
Did you have sex and high school? Yeah, with a girl with another girl.

 23:52
We're not didn't last very long, though. Why would have

No, we did a search within our parents found out both parents found out No, they did it just to see each other letters and stuff.

 Howard McHale 24:09
Oh, you're kidding. How traumatic is a child? Oh my god. I've seen out there would have found letters from a boy and you've been a girl and we've been okay. Oh, the sick heterosexual god

darn it.

24:22

My parents were mad and my brother's gay. I mean that I'm gay that they were my brothers.

Howard McHale 24:27

Do you have a brother who's gay? Oh, really? They're,

24:29

they're mad. Well, they're kind of stuck with him right now, because they really found out more about him. But the idea of having two gay people in the family got real happy.

Howard McHale 24:41

You know, it's funny because my dad's sister was a lesbian. She's long since departed. And I have some cousins. On my dad's side who are lesbians also tend to be more lesbians and gay men. And I just love

Scott Lewis 25:24

Even though when he was married to for two years

Howard McHale 25:28

Oh rested saw he was a sweetheart. But I have a garage, the washer dryer now. So he might just be calling me against

25:35

your washer, don't worry.

Howard McHale 25:39

Actually, actually the washer did break down. But I did go out and buy a brand new one. A little insight here. That ex lover of mine told me that I could not give, give him the things in life he needed. And I asked him I said, Well, what do you want? What do you need life and he's in a washer and dryer in a garage. So I have a washer and dryer? Maybe so give me a call?

26:02

Yeah, I'm gonna be rich pretty soon by September I should have like a million dollars. So any women out there was a rich woman let me know.

Scott Lewis 26:10

26:13

She's smoking a cigarette.

Howard McHale 26:15
