Oh yes, you've tuned into after hours queer radio with attitude right here on KPFT Houston 90.1 FM. The crew of after hours is ready to bring you news interviews, dialogue and music geared for gay, lesbian, bisexual and transgender people and their friends. Hear it after hours, we may be diverse, but we have one thing in common. We are all out of the closet and urge everyone to come out of their closets. That means standing up for yourself taking responsibility for your own life and being proud of who you are. Realistically, we know not everyone can do that because of age job or frame of mind. That's okay, we're here for you too. So sit back, relax, and enjoy this week's edition of after hours. Hello, Houston in College Station and Huntsville. That's right, and welcome to after hours queer radio with attitude. I'm Jimmy Carper. And my special guests tonight since it's the fifth Saturday of the month is JD Doyle. Hi, Jimmy. Hey, how you doing? I'm
- J** JD Doyle 02:06
glad to be here. Oh,
- J** Jimmy Carper 02:08
I'm in the dark cast. Because why? Well, I failed to promote you last week. Your your your segment on lesbian and gay voices probably did
- J** JD Doyle 02:17
fine without you. Oh, but I am grateful.
- J** Jimmy Carper 02:23

— Thank you.

J JD Doyle 02:26

You have music segment on lesbian and gay voices every fourth Monday with Monday second half second half at 9pm on pm. Yeah. And did the Christmas show Christmas day so that has fit real? Well. Yeah. dug into some old Christmas stuff and some some popular ones too. I had to play Rupal Of course, I played Venus and VF cars. I didn't have to play Joan Crawford, but I did.

J Jimmy Carper 02:52

Are you kidding with Joan Devlin on that show? You better play she she just

J JD Doyle 02:56

about bowed down? She was so I didn't know I was striking the right?

J Jimmy Carper 03:03

Yes. Oh, yes. Yes. Yes, you are with with Joan Devlin. Before we get into anything, I want to mention the song out well, actually, before I even say that, let me let me get some little stuff out of the way here. Of course, this is the the last day of the year. The this is December 30 31st 31st. Show 30th. Actually, it's the 30th But you know, we're going to 31st now is 30 personnel but you know, we go by the 30th. Whatever. Okay. And Happy New Year. Melody. I know you're listening, and I appreciate it. And the shout outs for you.

J JD Doyle 03:42

I hope my husband's taping this.

J Jimmy Carper 03:45

Not necessarily listening, but taping it is that you can listen anytime. Tapes there were I played two songs while I always play two songs before the opening of the show. And these particular two songs just happened to be really my favorites of the

J JD Doyle 04:04

year. That's why we're here tonight.

J Jimmy Carper 04:06

Yes, this is JD he's got some top 10 I've got some top 10 And we've just have the best of queer music that came out in the year 2000. And my first song was from Victor krummenacher off of his bittersweet CD, and it was called the Rose that I found a beautiful, you know, kind of ballad, soft, sweet ballad and another beautiful song after that was from horse. A woman who is from Scotland and visited us this

J

JD Doyle 04:42

past year. Like may or something something

J

Jimmy Carper 04:45

like that. Yeah, it was earlier. Yeah. Boy, did we have fun with her? What a voice What a voice on this woman and you know, I see the CD and I'm looking at her and she is really a lot better look The new person a lot better looking. She looks almost dowdy on the cover of this CD. very personable that she put out this year. It's a horse with the Scottish chamber orchestra. I mean, we're talking big time. little off

J

JD Doyle 05:13

putting but no, no,

J

Jimmy Carper 05:15

no exit. Yes. And, and I don't like live CDs. I don't like live recordings but this one we don't either. This one is an exception. She unobtrusive yet. And they're with her all the way they are. They belong to her. Yeah, and there's a lot of females in that audience. Oh, yes, indeed. Boy, did we have fun with her anyway? And that was her big song. Somebody. Actually that song particular was not new in 2000. She did that several years ago. But it's my favorite on the CD, which did come out CDs from 2000 CDs from 2000. Yes, I have to say that. And for the first half of the show, we're gonna hear a lot of JDS picks for music of

J

JD Doyle 06:06

2000. Jimmy asked me to grab a bunch of stuff, my favorites from 2000. And that's what I did. I didn't actually make a list like, here's number three. Here's number seven like that. I just grabbed them. We're going to play them and kinda like the order we feel like it when we get to it. Yeah, I do have one exception. The very first song you're going to hear is from my favorite period CD of the year. There's no question. The others are down the list. Wow. This is by Mark Weigel. Yeah, I believe the first one you have keyed up is all that matters. It's love the CD.

J

Jimmy Carper 06:41

You're ready to go with the sure thing. Okay. And you're hearing it on after hours on KPFT

Houston, and ke O 's college that is the unmistakable voice of Mark Waikele.

J JD Doyle 06:59

And as I said, it's my favorite CD of the year. I really respect his we're very, very good work. And one thing that I think very noticeable about that first song, all that matters. It's singing about older gay people, which is really unusual. And he's showing his his respect for a subject that isn't dealt with a lot. You're right, he does it so well.

J Jimmy Carper 07:21

Yeah. David Clements did one a lot a while back. About old men. Yeah,

J JD Doyle 07:29

that was think that was the title. Yeah.

J Jimmy Carper 07:30

But you don't you don't hear about the older generation.

J JD Doyle 07:34

And I wanted to mention, I just told Jimmy this Billboard magazine, I believe the next issue to come out Larry flick who was the their main reviewer is going to list his top 10 And he put the CD in his top 10 Among all the categories, that's incredible. Madonna or whoever is in there. I don't haven't seen the rest of the list. And I think that's outstanding for Mark to be in.

J Jimmy Carper 07:59

You bet. I think he's very brave. To do I think that's a wonderful thing for him to do. Because people are going to look at that list and say Mark who and and ask and yeah, and try it and and hope he gets some national coverage. You know, that'd be great because he's, he's a wonderful artist. Really good. Firstly,

J JD Doyle 08:19

D was excellent. Also called a truth is yes. Yes, I'm sure Jimmy you've heard Jimmy play it you bet cowboy. Well, yes, yes. Wonderful CD

J Jimmy Carper 08:28

among others. So what do we got next? Next

J JD Doyle 08:32

is Dave Hall. This was a very new CD. This is third CD. It's a slightly different from his other two they were more rock this is a little more mellow, little more acoustic, very well produced. This song I picked was God is wide.

 08:48

This is the Giuseppe Joe.

J JD Doyle 08:51

Record. That's his lover. That's the name of their life. Yeah.

J Jimmy Carper 08:53

And then they've got they have they have one at least one other artists, Marcus Hutchinson. Yes. Who who's with them? So they had a good CD for him? Yeah. Wonderful CD. So this is Dave Hall doing God is wide. Right here on after hours. Some? Ah, yes. That was

J JD Doyle 09:15

Dave is why Dave Hall,

J Jimmy Carper 09:18

Dave Hall with with his brand new one. And it's almost, you know, it's almost like we really shouldn't include this because this just came out.

J JD Doyle 09:25

Well. I've had it about a month.

 09:29

Yeah, but you got it before it came out? Well, because he sent it to ya know, you know, I've only had it for about two weeks. You're sorry.

- J Jimmy Carper 09:40**
Yeah, cuz, you know, we're gonna hear a whole lot of this in 2001. But we won't be able to include it in 2000. Well,
- J JD Doyle 09:46**
there's songs really CDs released in 99. Were not allowed to play nice. Sorry. I'd love to there was some great stuff carried over there was great. Amy Simpson. Sonya Yap. Katie Curtis. Yeah. grazie. I love wonderful CDs but technically released in 99. Yes.
- J Jimmy Carper 10:06**
Anyway, Dave Hall from his CD called true. And where can people get some of this stuff?
- J JD Doyle 10:15**
Mostly the internet. Yeah. You're not going to find this at Lobo crossroads. You should but you're not going to know. The he has a website, but it's kind of hard to spell. Giuseppe Joe, I couldn't I couldn't spell that right now and I've been free with a name for two, three years. Well, I'm looking at it. Okay.
- J Jimmy Carper 10:33**
Let me see if I can do that. Giuseppe Joe. It would be. G, W W W. W cubed.
- J JD Doyle 10:43**
is the only one I know who says that. W cubed. Yes. Well,
- J Jimmy Carper 10:46**
because some some addresses don't have the www in front of it.
- J JD Doyle 10:51**
I mean, w cubed. Oh, oh, yeah. Some of them don't. You're right. W cubed.giuseppejoe.com.
- J Jimmy Carper 10:57**
And you can find Dave hauls recordings, and Mark Hutchison Marcus Hutchison oops, who Oh, wait, who put out a great CD this

JD Doyle 11:16

year is called right here where I am. Yeah. Yeah. Very good. Yeah.

Jimmy Carper 11:20

I also want to remind you that the second half of this show we're gonna have Gigi with by net tonight, because why? Well, because next week, we've we're kind of pre emptying. Gigi, because we've got all of the Where do I say nominees? I guess, I would say for the the court get four nominees for Empress four nominees for emperor of the Royal Sovereign and imperial court of the single star. That's unprecedented, isn't it? That is very unprecedented. They have never appeared. Not all of them have ever appeared on radio at one time. Oh, ever? Yeah, ever now. Well, you know, normally there's maybe to running for Empress and possibly to running forever. Yeah. And even then. They're they've never been on all at once. And, and the ones that are running shy and St. John spectris. St. John buddy Thompson. Celeste nobles, J pekovic.

12:31

I hope I said that right. Shawn Carter, the one and only Wesley Stewart. And Barbara Walker.

Jimmy Carper 12:39

Bob Boulton has promised that he would he's going to deliver all aid

JD Doyle 12:44

or they're going to give campaign speeches. Sure. Whatever they wanted to vote for this. Anyone? Anyone, anyone. Anyone in the community not have even heard of this. The court.

Jimmy Carper 12:55

That's true. That's true. But Empress and Emperor are always voted on by the community in which they serve. Where do you vote? I don't know. Because it's been at different places Sean's house. I don't think they'll allow that. Probably the community center. I know. It was at the twit office or something last No, the voice office net last year. And the Community Center said I don't want to say because they've probably already figured it out. Yes.

JD Doyle 13:28

And I'll tell him next week.

 Jimmy Carper 13:30

Right. And the voting will be sometime in the middle of January. Quick. Yes. Good. Yes. They Well, they've been running for a while they they put on shows. That's that's what they do. That's what the court does. 100% of the monies raised by the court goes to worthy charities in the gay, lesbian, bisexual and transgendered community. And let's see what we've got going today. Friday, January 5, spectris. St. John is holding the gay charity of Houston pageant at the outpost at eight o'clock. And Saturday, January the sixth, right before the show. West Stewart has had having a show at chances at nine o'clock. So there you have it.

 JD Doyle 14:21

But they've been doing this for months, right? Yeah,

 Jimmy Carper 14:23

they do it all year long.

 JD Doyle 14:24

I mean, having campaigning

 Jimmy Carper 14:27

No, no, no. Well, yes. I think it's like two or two to three months before the voting. There's there's campaigning and putting shows together and all of that kind of stuff. The court puts on at least two shows a weekend.

 JD Doyle 14:45

Like hard all year, hard to imagine all year long. Where's the next nearest court? Dallas

 Jimmy Carper 14:52

Dallas has a court and San Antonio has a court and in Corpus Christi has a court New Orleans and now New Orleans. I'm Sure has a court. And I believe El Paso. Really? Yes. Yes, Texas. I think that was their most of course. Now, one thing I do want to say is we had someone on hold. Buddy Johnston, who was the originator of the show is calling us from San Francisco if IK and we'd lost him somehow. So perhaps he'll call back. If I know, buddy, he's listening because you can hear after hours online in real time. At

 15:35

HTTP, blah, blah, blah, blah. No, no w cubed KPFT dot split. rock.net

 JD Doyle 15:41
sounds right.

 Jimmy Carper 15:44
That's yeah, there's another one, but that's the one I know.

 JD Doyle 15:49
Tell me what I know. Okay.

 15:50
Okay, where are we going next? Steve Cohen. Ah, Steve Cohen. He's been your favorite for

 JD Doyle 15:58
quite a bit. He's, frankly I liked his first CD better. This one is also excellent. And it almost like
How can you compare to his first CD? It was so wonderful. That almost this had to be lesser but
out but it's still an excellent

 Jimmy Carper 16:16
very good he has a very distinctive raspy

 JD Doyle 16:19
voice various, if you will, Bruce Springsteen influence and incredible lyrics. Go Yeah, all his own.
Yeah, yeah. Yeah, I like it. So I love Jimmy pick the track from from this one. Yeah,

 Jimmy Carper 16:34
because I do have my favorite off of this. And it's the last track on his new CD called I must
have been crazy. And it's called rain may fall. And you're hearing it on after hours queer radio
with attitude on KPFT Houston and ke O 's College Station.

 ID Dovle 16:59

Rain may fall Steve Cohen hit it. You gotta hear the Springsteen influence there. Yeah, well, yeah, it's in the trailer. Yeah.

 17:05

Yeah. I like that. Because it's got that the Texas talking about Texas in it. And I think that's pretty good from a northern boy like Steve.

 JD Doyle 17:17

We're talking about Texas. This next song is gonna fit. Ah, we got Doug Stevens. Kevin. Oh, Doug. Steven CDs called from Christopher de Castro came out early this year. And Jimmy and I were discussing during the last song that we both have a number of tracks. On this CD. It's hard to just say, Oh, this is the obvious standard, because

 Jimmy Carper 17:39

there isn't not this. There's a half out of 10 I like I really like six. I

 JD Doyle 17:45

like probably more than that. Yeah. Hard to pick. But we did we picked. I picked redheaded country boy.

 Jimmy Carper 17:52

Yeah. If you were listening two weeks ago, during Charlie Patricio segment, we interviewed duck Stevens by phone in San Francisco had a fun time with him. He's in Oakland. Sorry, San Francisco. sounds so much better. Oh, well. I wonder buddy Johnston knows him.

 JD Doyle 18:14

I'm sure the only two out there.

 18:18

Yeah, but but he goes to Oakland a lot. There's a club there he likes. So we're gonna play redheaded boy from this country boy redheaded country boy Doug Stevens and his out band. Yep. And his out band. You've got an autographed copy. Well you have a lot of autographed copies. I

JD Doyle 18:44

do well, I network.

Jimmy Carper 18:48

You really do you know the that's the thing. You know, these folks buy on a first name basis.

JD Doyle 18:53

Most of the people I brought I know them. Yeah. Yeah. You've met them for glamorous or glamorous or mostly there? Yeah.

19:02

Gosh, okay, right. What is this again recommended Country Boy by Doug Stevens and the out band
