-  00:46
Are you sure? Yeah.

J Jason 00:49

Actually, I believe he's right on the entire pretty much the entire soundtrack. The beautiful thing is things from the moment.

00:58

I know I have the soundtrack. It's like, the greatest hits of moms in the office. And it's really weird because I was around when they were doing it originally.

Jason 01:08

Or you're gonna write notes on my

01:11

phone today. We I added a couple more topics.

Jason 01:14

Don't make me confiscate that notepad and write it to the class.

01:18

I got a funny story. These are fun to listen to. On Friday, I was in an English class. And I was oh by the

1 Jason 01:24

way that was off of the pride 98 See, I want not the story. I will Jamie wants me to let people know where I get my music. And it's on the it's on the pre 1998 CD that was offered disc one and it was track one and I both CDs of the bride 98 are fabulously happy go lucky music so just get it almost didn't we didn't get

01:50

sound waves and you're listening to after our KPFT Houston we have hatch here. And Ben is about to tell us about English class.

1 Jason 02:01

Jason 02.01

You can tell it's hatch Houston area teenage coalition of homosexuals. Teenage being in there. I said just nerdiness coalition of homosexuals. Okay, go ahead. I just said it really, really bad. Go on with your story a little

02:16

boy. Okay, English class Friday.

02:19

All right. I was in an English class on Friday. And I wrote a note to my friend Amanda in graphic detail about how me and my boyfriend broke up. Anyway, I was passing the note and class and my teacher just

02:29

how did y'all break up?

02:31

I'll tell you later. On something we need to be talking about on the air.

02:34

This seems like interesting topic. Oh, no, it is

02:37

not. We're not gonna go there. I

Jason 02:39

just have to say something real quick. For some reason. Obviously. All my friends have decided to like listen tonight because I

02:49

Oh, I'm sorry.

02:52

I had sick and my mouth off for that one. I'll tell you.

J Jason 02:56

No, but none of my friends ever listened because they're too busy clubbing or drinking or whatever. Okay,

♂ 03:00

so this note to Amanda. I missed a

J Jason 03:03

call. And I turned off the volume wouldn't interrupt.

♂ 03:07

And so there's no to Amanda. Hi, John.

♂ 03:09

Okay, and my English teacher decided to

♂ 03:12

pick it up. Oh, somebody got read out loud. Oh, wait, she goes you know what? I think I'm gonna read this

♂ 03:17

note out loud. Sheet did not do it. No, no, no, no, she read the first two lines. Torsten a billion pieces has been I need to see you after class.

♂ 03:28

So it must have been a really good one. Right?

♂ 03:30

It was graphic. Oh, I was still bitter. Well, actually, I'm not. I'm not bitter. I'm just Yeah, you
~~bitter No, Bitter, Well, I~~

J Jason 03:39

thought it was kind of funny what you'll fit

♂ 03:41

right in and crossroads. I'm sorry. I'm gonna quit.

J Jason 03:48

The other night was pretty funny because Ronnie said to me, you know, you're really bitter after the breakup. And I said, I told him he hadn't seen better yet because he's still got four good tires. And he said he's so good at what? I told him. He still got four good tires on his car. He hadn't seen better yet.

♂ 04:03

Speaking of tires that we finished with

♂ 04:06

my two car munchie front tires were flat this morning. They were one mom asked me if I was in a pasture while pasture. Oh, no, they were just flat. So I

♂ 04:16

don't know. Why would you? Why would they be flat because you were in the pasture? I

♂ 04:21

wasn't in a pasture. That's the point. I don't know. Like,

♂ 04:24

how does it make any difference?

♂ 04:26

Well, she asked me if I was in a pasture. Oh,

04:30

it's over my head.

04:31

What's your mom in a pasture? No.

J Jason 04:37

Barbed wire to pasture. Oh,

04:39

I see. But I wasn't in a pasture. Why would I be driving in a pasture in a Pontiac

04:43

in Houston?

J Jason 04:48

He's not he's not from Houston now.

04:50

I'm from Laporte.

J Jason 04:53

See there's a lot of pastures between here and Laporte.

04:56

Laporte is hick town USA.

04:58

You don't want to buy their friends would pay Heartland

you don't want to buy their menus would pay me a little

05:01

Heartland has really gone downhill

Jason 05:03

to a leaf is no longer was it uphill? Was it ever wiped out? We're all gonna get I've just gotta go ahead apparently and call in five to 657

05:16

I got this number wrote down I was gonna write

Jason 05:20

announcement that I've told Jamie and everybody else you know, just I'm gonna make my announcement this way about what I did a couple of weeks ago.

05:28

What was that?

Jason 05:29

What is tongue raised?

05:32

Mom has not noticed it yet. Oh, how can

05:35

you not know Jason's mom is listening. Why don't you call in and

Jason 05:40

watch my life since everybody else is actually listening. My mom is listening tonight. I love you mom. I really do love you I realize

05:46

she like really should

J Jason 05:51

just started blinking is

05:52

she like really, really short or really really tall or something

J Jason 05:56

shorter the machine is shorter than me. She comes up to her head comes up to

06:00

me every time you say a word. It's visible.

J Jason 06:05

She's shorter than me. And I'm very careful about talking around her. And I'm really bummed out last night. My mom calling in right now.

06:14

Okay, let me ask the question. Has anyone here seen the film that Billy's Hollywood screen?

06:19

No, I want to so bad it hurts really good.

06:21

It is really good. Is it? Yes. What's it about? Take it for me? It's it's about desire. It's about wanting someone and not knowing if they want you

J Jason 06:32

you say that again? It's about I don't know that feeling they desire or desire. More telling him no. I don't think I can do that. No, it's just okay just one those aren't lays those are ruffles lays. I don't want to get laid

06:55

to hell. You know.

Jason 06:58

Mike, I thought you I already said

07:02

I am a virgin. to women.

07:09

Billy Billy. I've seen a lot of gay and lesbian films. And this is like, like number one. This is really, really good. And it's really crossover. Also, because the subject matter applies to everybody. We've all been there when we wanted somebody and didn't know if they were interested in us and all that kind of stuff. Anyway.

07:36

Is that one of those movies that you should like take somebody like a date movie, and like kind of cuddle with? Oh, perfect.

07:43

Where do you go and meet somebody there?

Jason 07:47

Let's not talk about Okay,

07:48

okay. Let me ask let me ask you guys, does anybody watch TV Montrose? TV Montrose?

07:56

I don't get that. Is that on cable? Okay,

07:58

because I'm on cable. Channels. Oh, God.

08:00

Warner Cable. 54.

08:04

We get 400 channels. I don't think we get that one.

08:07

Warner Cable 54. I was interested in finding out how someone your age. thought of it.

08:13

I don't really watch.

08:15

I've never seen it. Wow. Actually, I

08:17

do watch some.

Jason 08:20

Well, actually, but we did. Apparently our ratings aren't that good? Yeah. I had a segment on how to segment on it and hatch.

08:26

Oh, I was supposed to give you a tape on

J

Jason 08:28

that. You still need to give me a tape. Okay. But one of the facilitators did bring in a tape. And I felt the way that they did the segment was really tastefully put together. Yeah. It was very tasteful together. And I love the fact that hatch is in their opening credits. Oh, yeah. Because they're showing all these different scenes and hatches. Right?

♂

08:46

Absolutely. It's great. It's great. It is great. Yeah. But it's on Monday night at eight o'clock Warner Cable before.

J

Jason 08:54

I'm always booked. Yeah, I'm not well, it's

♂

08:56

part of the queer media.

♂

08:57

Hey, don't worry the topic tonight. Well, I think we have some I have some pretty good questions here. We have a lot of good. Me and Patrick have been going to town over here on questions. And I think it's time we all get to learn them.

♂

09:09

Is that on the topic? All right. Yes, it's almost and the topic be actually

♂

09:13

I don't know Patrick. Just all my notes and my microphone. My headsets a little wild over here. I'm sorry. Well, the end ones aren't but you can tell him 100 Okay,

J

Jason 09:25

what men over 60 should and should not wear in public.

♂

09:32

Okay, next week, we're

09:33

doing our show live.

J Jason 09:36

Although I will say this a 300 pound man should not walk around with some street festival Speedo.

09:41

Yeah. What was that? Well, you

09:42

know, honestly, being an older guy. I remember when I was very young, and I would see old Queens at that. You know, when when I was like 1819 chicken, you know, there's like 40 year old dressing like I did I thought that was really ridiculous. And now I'm there.

J Jason 10:05

After reading your notes, I'm gonna take a handwriting analysis and figure out who wrote each and every college actually.

10:11

Actually all right. All right, the really sloppy So Patrick, go here, Miss Queen he's like, right and really,

10:17

the last five are mine. I'm just gonna claim

10:21

slack. Let me ask you about where that question came from and why

10:24

I didn't write it, Patrick.

Jason 10:26

Oh, gosh. Looking at some of the comments like, numbers are riches. Aren't they the same? That's not mine, either. Mine on the topic. just jealous because we dress better. We

10:39

didn't read the last one. I can't afford to dress good.

Jason 10:42

First of all, before I read the last one, let me say that I don't live in Arkansas. I don't live in Arkansas and that would.

10:50

How do we know I think your mom should have to call in and answer that question.

Jason 10:53

I don't live in Arkansas. I've never been to Arkansas and that would be why my mother does not know that I have.

11:00

I have lived in Arkansas and it is not that explains

11:03

everything about you. Now I know you are so coming so much clearer now. Because you lived in Arkansas.

Jason 11:09

didn't explain something about your father earlier tonight. No,

11:13

that was Mike. And you just Bill Clinton. What?

11:15

Oh, what? That dress is mine.

J Jason 11:20

I'm loving tonight show our ratings going. I'm going to I'm going to hear about it tomorrow.

11:28

That was fun. We're having fun.

J Jason 11:31

I'm having fun tonight. I want to hear about it tomorrow, but I'm having fun tonight.

11:35

So what is that last question?

J Jason 11:38

The final question. The actual way it was written was Why hasn't Jason's mom noticed his tongue ring when she kisses him? Good night. And it's because I

11:48

can't our next color is

J Jason 11:51

Jason's mom, Patrick, I really have to wonder how you kiss your mom. Good night.

11:55

Tell us about that. We want to know. How do you feel?

J

Jason 11:58

I think you have some serious Freudian issues.

♀

12:00

There's issues.

♀

12:02

It's an Oedipal complex. I'm just kind of edible. Oedipus complex. Oh, yeah. Those of us who've been through high school.

♀

12:11

Okay, let me ask you something. Young people.

♀

12:14

Yes, yes. Now senior citizens here.

♀

12:19

I am. I didn't notice. Right. Who she can see

J

Jason 12:30

in here in this booth on the side of that wall.

♀

12:33

Okay, I know hatch kind of hangs at a crossroads a lot.

♀

12:38

I don't, I don't

♀

12:39

some hatch,

12:41

please. Yes.

12:42

Yes. Has anyone hung out at Lobo?

12:48

I've been there and what's your opinion? My opinion on Lobos is I think I was thinking their way a bit too early.

J Jason 12:56

What part of Lobos but whoever that

12:59

guy is that works behind the soda counter. Here's my number.

13:02

A Lobo. Tyria. The Lobo. Tyria. Yeah. kickback from them. No, I know. I've said it several times tonight. But it's just I have friends who work there and it's just a fun place for me. That's why I want to know what it's like for you. You work there. No. Oh,

J Jason 13:20

well, I'll admit, right, straight out. I've got a membership to their video. Who knows exactly what

13:28

I'm talking about. I haven't been in the video section. Should

13:30

I go sometime? Oh, wait, you're

J

Jason 13:32

old enough to go into the videos.

∅

13:34

I just turned a

∅

13:35

field trip. Extra credit, extra credit.

∅

13:40

Can I take this video home and show mom?

∅

13:42

So I take it we don't have a lot of experience over there. Okay, and

∅

13:47

I bought a keychain there one.

J

Jason 13:53

Jimmy, Jimmy, I'm like you I don't spend most of my time in the coffee bar at Lobos. I spend most of my time going.

∅

14:01

Actually, I do spend my time looking at

∅

14:13

you will speak to him later.

J

Jason 14:15

I will. Yes. I will speak to him later. Yes. yes. It's looking all innocent. Yes. You didn't do nothing.

He can't look innocent. Beyond that.

14:28

Oh, I heard that and I

14:30

just don't know about tonight yet.

14:31

Tonight already happened but could happen again.

14:34

I know. Are we working on?

14:37

Let's play some Let's just hope the ex boyfriend is

14:40

Jason 14:44

14:47

What song is that? Jason? I don't like your lineup.

Jason 14:52

♂

15:18

They're getting harder and harder to find.

♂

15:21

Well, I'm a little young, actually, Jimmy, you know what scares me? Okay, that he's been staring at you all night. I didn't notice that. I didn't notice that he was

J

Jason 15:31

flipping through. I think it was played. And I noticed that two or three of the models in that bag because they say their date of birth. were younger than me. Well, magazine. Are we talking about concerns me bothers Oh, honey,

♂

15:46

it happens. And there you are.

♂

15:49

I don't think we're talking about this magazine.

J Jason 15:51

We're talking about play guy. It's a little dirty magazine. Oh, I thought we

♂ 15:55

were talking about the homemade Whoa,

♂ 15:57

♂ 16:01

J Jason 16:10

Okay, I love that song. Anyway, I'm like rushing back in here. A little unprepared. Yeah, me. Not at all. Never unprepared. Never. Never, never. Never.

♂ 16:20

We're always on time here. And Jimmy's just freaking out because he thought my shoes are coming off.

J Jason 16:25

Jimmy thought we were gonna have dead air on the hatch segment. No.

♂ 16:30

No,

♂ 16:30

I wasn't gonna cover your ass.

J

Jason 16:32

He was here to cover my ass if I had messed up.

♂

16:34

I didn't that's a lot asked to cover.

17:39
