And in the house we have DJ rocking. That's all you need to know. DJ rock, DJ Rocky, DJ Rocky, girl, you know, it's Miss Jenny Craig's birthday. Well sorted. It's Jenny Craig's birthday Well, Jenny Craig now see you have to know Jenny Craig because Jenny Craig is not religion and Craig the diet woman and if you saw this Jenny Craig you'd know that she wasn't the diet woman. Oh, because she's she let me tell you Sheena could trade pants Oh, generously proportioned. We were talking earlier about Martha wash. We said yes. Miss Jenny Craig and I we could put up we could take one of Miss Martha washes dresses and go camping. But still be a tight squeeze. So Jenny Craig is still over. She's over at at Danny's house celebrating his birthday tonight. And she celebrated her birthday last night. Give me the Greece girl because I heard you

R

Rocky B 01:05

were there. What I can remember from it. You had to talk real close to Mike what you can remember. Okay. What was it about? Was it about those jello shot? Jello shots, but that Margarita? Anyways, Mexicans we don't do jello shots. And if it is gentlemen, we freeze it. Tequila. Oh.

S

Scott Lewis 01:29

Miss Jenny Craig is a mess. Okay. She is a mess. I saw her earlier and her ex hadn't kicked in yet. So she was still okay you're given the way the grease over there. We got over here. So Ms. Rocky is gonna be Miss Rocky is gonna be here in a couple of minutes. She's gonna Well she's

here now but in about 10 minutes. She's gonna start spinning. And we're going to kind of give you a little taste of what it would be. Be like to be in a club where DJ Rocky was at the turntable? My what club might that be?

R Rocky B 02:00

Next Saturday uptown.

S Scott Lewis 02:02

Ah, Uptown downtown. Cool.

R Rocky B 02:05

And those girls over there don't play Monday when they weren't, they weren't.

S Scott Lewis 02:11

Well, we're going to work here tonight because rock is going to be spinning behind the turntables. But before we do that, I have a special double pack dedication. You'd like double packs, DJ Rocky, my DJ friend, Steve Underwood, he gets all excited when he gets a double. A double pack is a double pack. She'll play that record for weeks whether they like it or not because it came in a double pack. I have a double dedication going out. It is Danny's birthday tonight. A wonderful, loyal man, that little man Hey, little naked. But anyway, a wonderful man that I met not too terribly long ago. And he's celebrating his birthday tonight. And we've hit it off really, really well. And so I'm going to do two songs for him before rocky comes on. And first we're going to do one of my favorites. These are slow wins. Because yeah, we're gonna do the one. These are slow ones because in a minute, DJ Rocky's gonna come in here and tear this bitch up. But right now first, we're going to do for Danny. Don't let me walk alone by BB and CC one is. We have a special dedication going out to Danny Chavez, but it's a double pack. There's one more when I dream my dream in color. I want to love not just a lover. I don't play so if you're not serious, don't stick around. Danny Chavez, this is for you. That's for you, Danny Chavez and I will see you shortly because I have plans to kidnap you later this evening and you will be all mine. DJ Rocky is in the house. She's getting ready to kick it with some hot house tracks. But before she does, I need to let you know that you're listening to 90.1 FM KPFT Houston and 89.1 fm KEOS College Station Bryan, this is Miss Scott Lewis and before DJ rocky B comes on. I'm gonna get her started off with an old track that I love. I will do this in memory of David Cole who succumbed to his fight against AIDS earlier this year. David Cole you will recognize the name because he is the second C in C and C Music Factory. This is the original version of a song that you might be familiar with from Aretha Franklin's remix. But this is my favorite version. Deborah Cooper. I think she did it right and I don't think it needed to remix a remake. It's called a deeper love cleavage and Cole and it's Deborah Cooper on the vocals and when we come back, DJ rocky be had to recoup or is flawless. Speaking of flawless, rocky BDJ extraordinaire is in the house. And Rocky is getting ready to tear this pitch up rocky Hank just

got back from Shrek. TAGO hanging out with an after hours favorite DJ who was just absolutely fabulous. And you have a special you want to dedicate your set to her bitch at home. Those were her words not mine.

R

Rocky B 05:13

It's brand new does Jay get up off now Miss Rocky, Miss rocky be Miss DJ bitch. Is it rocky bitch.

R

Rocky B 05:53

Anything you want, baby?

S

Scott Lewis 05:55

Boy, you got to strap something on to please me. But anyway. But you know, we might be able to work something out. Girl if you did flawless considering the equipment you have to work with down here now realize that we are a public station and that the equipment we do have here is? Well, let's just put it this way older than Jimmy. Wait, I'm sorry, your height. Jimmy still has wooden teeth. So there wasn't even electronics when he was young. You know, Jimmy did a threeway with Lewis and Clark once. But we won't try to point out exactly what his age is. Nobody really knows. It's kind of like Nancy Reagan. But anyway, equipment down here is kind of antiquated and stuff and very difficult to work with. And I had to try and help out and stuff behind the scenes. Which was a thrilling experience. For me. It was kind of interesting. But scary. But anyway, thank you so much for try for bearing with and for the grease. And the coins. Give me before you go I want give me something else. Give me another another word I need I need to know.

R

Rocky B 06:57

Well, this goes out to Jason. And you know, Jason, I know Jason better he's dramatized right now.

S

Scott Lewis 07:07

Now what does that mean, traumatize he's through? He's through he's finished. He's over.

R

Rocky B 07:13

He's done.

S

Scott Lewis 07:14

It's over. Ah, have you heard that song? It's Oh, ma

R

Rocky B 07:17

S

Scott Lewis 07:21

You're listening to Scott Lewis on 90.1 FM KPFT Houston and 89.1 of Mk II OS College Station. Bryan. It's after hours a continuing tradition. Honey, we're going nowhere. You can't make a sleeve. And if you're looking for the religious station, it's one to the left. But stick around here because honey, it's a lot more fun and you're gonna go to hell for one reason or another. This might as well be it. I'm gonna send out a little music. It's diva featuring Kim Cooper. It's club 69 and the new single diva.
